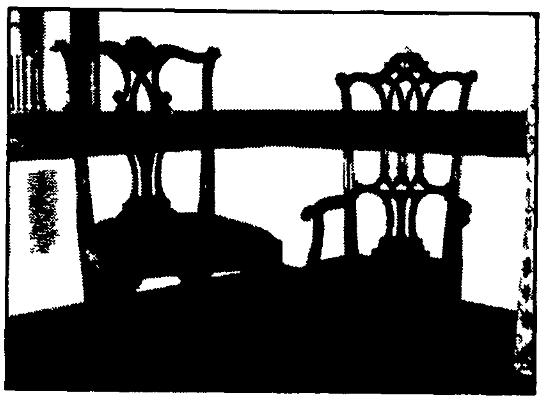
(Continued from Page B27)

rected him to his after-school job. Working for an Amish cabinet shop after school during his senior year helped to teach him more about working with wood.

An eight-year stint at a cabinet making shop began when his mother, who had an affinity for antiques, took out a picture of him and the grandfather clock at the shop and asked the owner if he would consider hiring her son. "He pretty much hired me sight unseen after interviewing my mother," he said.

Reproducing Originals



The chair on the left is a miniature reproduction of a chair that VanOrmer crafted that sits at the Smithsonian. At right is a miniature reproduction of a "Rising Sun" chair that VanOrmer made that was displayed at the capitol building in Harrisburg.
