JOY TO THE ADMIRERS OF
A FINE HEAD OF
RICH GLOSSY HAIR.

Talk of beauty it cannot exist without a fine head of hair then read the following and if you ask more, see circular around each bottle, and no one can doubt.

PROFESSOR WOOD'S HAIR RESTORATIVE.

We call the attention of all old and young, to this wonderful preparation, which turns back to its original color, gray hair covers the head of the bald with a luxuriant growth removes the dandruff itching and all cutaneous eruptions causes a continual flow of the natural fluids, and hence if used as a regular dressing for the hair will preserve its color and keep it from falling to extreme old age in all its natural beauty. We call then upon the bald, the grey, or diseased in scalp, to use it, and surely the young will not, as they value the flowing locks or the witching curl ever be without it Its praise is on the tongue of thousands

FARMERS LOOK TO YOUR INTERESTS! IMPROVEMENT IN GRAIN PLANTERS HUNT'S PATENT SEED AND GRAIN PLANTER MANUFACTURED BY G K BOWERS, OF LANCASTER, PA

This Machine operates well on all kinds of land, and cannot be injured by rocks, roots, &c It will plant point rows and all irregular shaped fields, without any double labor With two horses, it will plant with ease from 10 to 12 acres per day of Wheat, Rye, Barley or other small grain It will save from 2 to 3 pecks of seed to the acre, and yield from 15 to 20 per cent more than the broad cast seeding by distributing the seed uniformly at any desired depth The objection so common to Drills of becoming choked, provided the seed is not perfectly cleaned, is entirely removed in this Drill, as white-caps and short straw will not prevent the regular distribution of the seed

A machine will be kept on hand for the inspection of the public by the undersigned, who is the only authorized agent for Centre and adjoining counties Those who wish the article should make known their wish in due season so that they may be ordered and arrive in time

NEW ARRANGEMENT.

The subscriber would take this opportunity of returning his grateful acknowledgements to his friends and the public for past favors, He would also say that in view of the financial difficulties pervading every branch of trade, he has been under the necessity of commencing a new arrangement, which he hopes will be satisfactory to his customers From the first of January he has entered upon a system of making all accounts contracted due after a credit of four months. Those knowing themselves indebted to him, in the Boot and Shoe business, will call and make immediate settlement, as his old books up to the first inst have been closed for this *especial* purpose, and he is desirous to have them settled without delay.

READ THIS SUFFERING HUMANITY

THE UNDERSIGNED TAKES THIS method of informing the public generally, that there is no medicine now offered to the public that is equal to DU VALL'S GALVANIC OIL, in relieving suffering humanity

I was an observer of its effects in a friend of mine, who suffered almost everything except death itself, from a neuralgic affection which resisted the best medical treatment in Centre County We applied freely the Galvanic Oil to the painful part, and gave some inwardly, and in 20 minutes the patient was so much relieved that he fell asleep, and when awakened was free from pain, and continued so up to the present time. This is no fable it is a positive fact which I am willing to make good at any time Also a case of FELON was cured in nearly the same length of time
