The Human Hair.—How many persons abuse this delicate and beautiful ornament, by burning it with *alcoholic washes*, and plastering it with grease, which has no affinity for the skin, and is not absorbed. BURNETT'S COCOAINE, a compound of Cocoanut Oil, &c., is universally used as a Dressing for the Hair, is readily absorbed, and is peculiarly adapted to the various conditions, preventing its falling off, and promoting its healthy growth. oc25-1t th s-1t
