Delmarva - Georgia

Supplies Good Demand Fair

Delmarva reported prices of 17 50 to 18 80 on 728,000 head for the 24 hour period ending at 10:30 Friday morning.

Offerings at Delmarva we re adequate in most cases for the fair demand Estimated slaughter for the wee k end was 509.000 head compared to the 551,000 he ad last week end.

The Delmarva broiler-fee d ratio for the week ending February 12 was steady wi th last week at 3 9 Broilers for the week averaged 18 06 and mash cost $92 76 per ton This compares with the 3 8 ratio for the same week last year when broilers were 18 35 and mash cost the gro wer $97 36 per ton

Georgia reported sales of 1 348,000 head at prices of 17 to 18 1 on the farm during the 24 hour period ending at 10:30 Friday morning Estimated slaughter by Georgia processors for the week end is 1 565.000 head compared to 1,172,000 head last week end.

AGE EFFECTS COLORING

Age may influence a person's coloring, reminds Thelma Baierl, Penn State extension clothing specialist. As women grow older, they lose some of the fresh, vivid color of their youth. Deep, rich colors are more becoming to them than the more brilliant ones, especially when used in large amounts. As brown hair turns gray, it becomes cooler in color and looks more attractive with cool colors than before.
