THE BIBLICAL REASON WHY.

A HAND-BOOK FOR BIBLICAL STUDENTS AND SUNDAY-SCHOOL TEACHERS.

AND A

GUIDE TO FAMILY SCRIPTURE READING.

BEAUTIFULLY ILLUSTRATED.

Large 12mo., Cloth, Gilt Side and Back. Price $1.

This book makes the Bible a pleasant as well as profound subject of study. It leaves no difficult or obscure point unexplained. It renders every passage clear. It is exactly the volume that every family, which reads at all, imperatively needs to place beside the Bible, as its best companion.

THIS VOLUME ANSWERS 1,003 QUESTIONS IN A CLEAR MANNER.

TESTIMONIALS OF THE CLERGY.

"I have given some attention to the 'Biblical Reason Why,' and feel bound to say that it seems to me to contain a vast amount of information on Biblical subjects, conveyed in a clear manner, illustrated by many valuable wood cuts, and printed on good paper. It constitutes a valuable addition to the apparatus of the Teacher, Parent, and private Christian."—Rev. JOHN ROCHESTER, D.D., LL.D., Right Rev. ALONZO POTTER, D.D., LL.D., Bishop of Pennsylvania.

"I have examined the 'Biblical Reason Why,' and find it to be a repository of facts on Biblical subjects, set forth in a plain and intelligible way. Indeed, I am surprised at the amount of matter that is compressed into this volume. For use in families and schools, I consider it the best book of the kind I have seen."—Rev. JOHN McCLINTOCK, D.D., LL.D., President of Dickinson College, and Pastor of St. Paul's Church (Methodist Episcopal), New York.

"The attention I have given your book satisfies me that it cannot fail to give important aid to all students of the Bible, and especially that large class who have neither time nor means to bestow on larger or more critical works. The plan of your work is excellent, and the manner well chosen. I should think a large circulation. It will certainly be of great use in the study of the Holy Scriptures."—Rev. JOSEPH H. KENNARD, Pastor of the Eighth-street Baptist Church, Philadelphia.

VOICE OF THE PRESS.

From a Letter to the Author.

"Your book is the most *Independent*, the *Very Best* BOOK ON SLAVERY YET ISSUED. Sound, judicious, kind, Christian, and most timely and faithful. * * * The author of this book has given a right view of the *measures of violence which* "Southern Chivalry" has of late so systematically pursued; and, while condemning the crazy zeal of John Brown, he shows that his heroic self-denial for the oppressed put to shame the cowardly fury of the South for oppression. Yet the tone of the book, while candid, frank and manly, is always kind and gentlemanly:

"NOT SECTIONAL, BUT SEATERNAL; not partisan, but Christian. He points the South to the true and simple remedy for existing evils, by substituting wages for the hasty free labor for coerced toil.

"From the *New York Tribune*.

"Its animated descriptions, and the frankness and cordiality of its tone, are adapted to give it a favorable reception. It will be read by many who would not read a book from him in opinion.

"The spirit in which this volume is devoted, and the spirit in which they are discussed, though they may arouse a tempest of opposition from those who regard slavery as the only guarantee of safety, will secure it a wide circulation among

THE FRIENDS OF FREEDOM throughout the country, who will find in it much to confirm and encourage.

"It is a CONTEMPTIBLE ABOLITION PRODUCTION, written in a very readable style, and well calculated to taint the minds of the young.

"From the *Detroit Christian Herald*.

"It furnishes VALUABLE INFORMATION on the questions which now agitate our country.

"From the *Hartford Evening Press*.

"His impressions are MADE TO STRIKE HOME at any honest, fair-minded Northern man. IT IS WARM, DIGNIFIED, ELOQUENT.

"From the *New York Observer*.

The book is intensely and avowedly Abolition.

The special attention of physicians and families is called to the superiority of this article. It is rapidly supplanting all other kinds, and those who have used it give it the most decided preference. The following extracts from testimonials in the hands of the manufacturer, Col. "I have examined and prepared some Arrow Root, manufactured by Col. Mallows, of St. Mary's, Georgia, it has the best quality of that variety of fecula I have met with, being superior to any Bermuda or other Arrow Root I have seen.

"SAMUEL JACKSON, M. D.,
"University of Pennsylvania."

"I have examined a sample of Arrow Root, manufactured by Col. Mallows, of St. Mary's, Georgia, and exhibited at the last fair of the American Institute by Mr. Burkhalter, of this city. The article is of the very best quality; and, from the experiments made by me, I find it to contain a large proportion of nutritious matter, and to be in every other respect fully equal to the best quality of Arrow Root obtained from Bermuda.

"It being of vital importance to invalids that such delicate articles of diet be pure, I feel glad of the opportunity to speak so favorably of the Georgia Arrow Root.

TAPE WORM—TAPE WORM.

JAYNE'S SPECIFIC FOR TAPE WORM.

Has never been known to fail in a single instance to remove this troublesome animal. It is so easily taken, as an ordinary purgative, and is followed by no unpleasant effects. The worm is usually expelled in from three to eight hours after the medicine is taken. It is put up in doses, with directions for use.

By writing to Dr. D. JAYNE & SON, 242 CHESTNUT Street, Philadelphia, enclosing two dollars for each dose, the medicine will immediately be forwarded by mail to any part of the world.

READ THE FOLLOWING CERTIFICATE:

SCHENECTADY, N. Y., Nov. 23, 1857.

Dr. D. Jayne—Dear Sir: I have for eight years been afflicted with that terrible disorder—the *tape worm*; during that time I had tried various remedies, and the most eminent skill in the adjacent counties, without obtaining any relief. At your recommendation I was advised to try your Specific. At that time I was almost reduced to a skeleton, unable to attend to business, and my suffering was beyond description. I took two doses, and expelled the entire body of the worm. I am now strong and in good health.

MASON FRAZEE.

Mr. Perry Brewer writes:

"FORT GIBSON, Ark., Feb. 3d, 1856.

"After taking your Specific for *tape worm*, I had the effect to expel a worm measuring in all twenty-four feet."

Extract of a letter from Mrs. George E. Houk, dated Tyre, Seneca Co., Ohio, Nov. 15, 1858:

"About a year since we received from you a dose of the Tape Worm Specific, which my husband took according to directions, and the result was, that he passed nearly sixty feet of the worm."

PHILADELPHIA, March 21, 1859.

Dr. D. Jayne—Dear Sir: I had been for some four years afflicted with the "Tape Worm" in my stomach. Having tried various remedies without success, I was at last compelled to use your SPECIFIC. I say compelled, for I had grown so fond of my ease, that I feared as I considered them all humbugs, so it was with great difficulty I was induced to try your remedy. I took one dose, and the result has been the complete destruction of my tormentor. I have passed some eighty feet—the last eight or ten feet very small, and broken up, it was no thicker than sewing cotton, with a head as large as the head of a pin.

I believe I had taken your medicines in the beginning, before my stomach became accustomed to drugs, one dose would have been sufficient.

Feeling it to be a duty I owe, not only to you, for having saved me from an early grave, where my disease would have invited me, but to the public, for those who are afflicted as I was, I make public these facts.

Yours gratefully, LOUIS LORNZ,
Fifth and Chestnut streets.

ELIZABETH, Ills., June 17, 1859.

Gentlemen: Your TAPE WORM SPECIFIC has been administered according to directions. First dose served to expel the entire head of the tape worm. Another worm was expelled entire. Your SPECIFIC has sustained its pretensions, and I have no hesitation in recommending it to the public.

JAMES B. LEWIS, M. D.

DENNFIELD, N. Y., Aug. 19, 1859.

Dr. D. Jayne—Dear Sir: Last week I gave your TAPE WORM SPECIFIC according to directions. Eight hours afterwards I discovered (without pain) his *toorship*, who measured twenty-eight feet in length, and contained more than 260 links.

UTICA, N. Y., Aug. 15, 1859.

Dr. D. Jayne—Dear Sir: Last week Mr. Myers made inquiries of us about your TAPE WORM SPECIFIC, and immediately wrote to you for some. This morning he called upon us with a bottle containing the *tape worm*. WALKER & SEWARD, *Druggists.*

NEW BALTIMORE, Mich., Sept. 21, 1859.

Dr. D. Jayne & Son—Dear Sirs: I took your TAPE WORM SPECIFIC according to directions. The worm was expelled in an hour; length twenty-six feet.

Yours, &c., LOUIS SUTER.

BRUNSWICK, Mich., October 7, 1859.

Dr. D. Jayne & Son—Mr. Riley Price has been in bad health for many years, subject to spells of violent pain in the stomach, and continued emaciation. About a month ago he threw up about twenty-five feet of tape worm. It broke a part remaining in his stomach, and he took some of your TAPE WORM SPECIFIC, which he took according to directions. He soon discharged some sixteen feet of tape worm, and thinks he is now free from it.

Yours, &c., BLUM & DOUGLASS.

DAVENPORT, Iowa, Oct. 26, 1859.

Dr. D. Jayne—Dear Sir: I took your SPECIFIC for tape worm, according to directions, and in four hours the worm was expelled.

HERMANN TORUNDE.

COMPO SECO, California, Oct. 31, 1859.

Dr. D. Jayne & Son—Dear Sirs: I do not hesitate nor do I delay to give my testimony to the great excellence and superiority of your "TAPE WORM SPECIFIC" lately had in connection with my family. I have this month one tested, the result of which was the expelling of a tape worm of enormous length, which had worn the patient down to a skeleton. But now he is fleshy and healthy. I am at liberty to give the address of the lady from whom this troublesome guest departed, which is a quarter section of it now on exhibition at my office, in county seat of which I have written. It has been witnessed by hundreds who have called to see it.

Yours, truly, E. G. SCHRACK.

HILLSBOROUGH, Ill., Jan. 26, 1860.

My daughter, long afflicted with a tape worm, was entirely cured by one dose of DR. JAYNE'S TAPE WORM SPECIFIC.
