Dalley's Magical Pain Extractor.

IN all diseases inflammation more or less predominates—now to allay inflammation strike at the root of disease—hence an immediate cure.

Dalley's Magical Pain Extractor and nothing else, will allay inflammation at once, and make a certain cure.

Dalley's Magical Pain Extractor will cure the following among a great catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, biles, scrofula, ulcers, fever sores, felons, ear ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barbers itch, small pox, measles, rash, &c.

To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

Dalley's Magical Pain Extractor in its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, manufacturer.

For sale by all the Druggists and patent medicine dealers throughout the United States and Canadas, and in Carlisle, by B. J. Kieffer.

Important to Females.

DR. CHEESEMAN'S PILLS.

THE combinations of ingredients in these Pills, is the result of a long and extensive practice; they are mild in their operation, and certain of restoring nature to its proper channel. In every instance have the Pills proved successful. They are certain to open those obstructions to which females are liable, and bring nature into its proper channel, whereby health is restored, and the pale and deathly countenance changed to a healthy one. No female can enjoy good health unless she is regular; and whenever an obstruction takes place, whether from exposure, cold, or any other cause, the general health immediately begins to decline, and the want of such a remedy has been the cause of so many consumptions among young females.—Headache, pain in the side, palpitation of the heart, loathing of food, and disturbed sleep, do most always arise from the interruption of nature; and whenever that is the case, the Pills will invariably remedy all these evils. In all cases of painful menstruation, or nervous and spinal affections in the back and limbs, lowness of spirits, hysterics, &c. Nor are they less efficacious in the cure of Leucorrhœa, commonly called the "Whites." Warranted purely Vegetable, and free from anything injurious to life or health. Full and explicit directions which should be read, accompany each box.

These Pills are put up in square flat boxes.—Persons residing where there are no agency established, by enclosing $1 in a letter, prepaid, to any authorized agent, can have them sent to their respective addresses by return of mail.

Sold by one Druggist in every town in the United States.

The unanimous favor which has attended the introduction of Wheeler & Wilson's Family Sewing Machine, is sufficient evidence of its excellence. It is needless now to say that this useful instrument is becoming a domestic institution; the fact is recognized by its successful use in thousands of families in every rank in life. To those who have hitherto refrained from availing themselves of its advantages, it may not be amiss to say, that its utility is not a problem to be solved, but a success already realized. The highest testimony is constantly offered, confirming the verdict which has given this instrument so wide and enviable a reputation.

This shows our lock stitch.

This machine is conceived on a principle entirely original, being specially and admirably adapted to the most perfect work on every kind of material; and, having been subjected to a three years' test of the most searching character by families, and in various branches of manufacture, with distinguished success, it is believed that, in all the great points requisite to a complete and practical Sewing Machine, it cannot be approached in excellence.

Among the undoubted advantages it possesses over all others, may be named the following:

1. Its simplicity of construction, and consequent freedom from derangement and need of repairs.
2. Its unexampled rapidity and ease of operation.
3. Its noiseless movement.
4. The great variety of purposes to which it can be applied, which can be achieved by no other mechanical means. And,
5. The pre-eminent beauty and durability of the work.

Full instruction for operating the machine is given to purchasers gratuitously at the sales' rooms. When the machine is sent some distance, so that personal instruction is inconvenient, a card of directions is sent, which are a sufficient guide. The mechanism, however, is so simple, and the arrangement so easy, that no difficulty need occur. Many ladies have the machine sent to their residences after having received a half hour's instruction. Any future difficulties are readily surmounted, and then practice alone makes perfect in the use of this as anything else. Domestics and children of twelve years of age readily become proficient in its use.

I shall deliver the machines I sell, either in Carlisle, Newville, Shippensburg, or Chambersburg.

Orders for Carlisle may be left with Samuel W. Haverstick.
