Proceedings of the Standing Committee.

The Democratic Standing Committee of Cumberland county met at the hotel of D. Martin, in Carlisle, on Saturday, the 21st day of July, 1860. Twenty-two members of the Committee were present. After a free interchange of opinion, the following preamble and resolutions were adopted:

Whereas, The unfortunate divison now existing in the Democratic party on the subject of Presidential nominations, which we have strong reasons to believe will be honorably and satisfactorily compromised before the time for united action arrives, is a source of the deepest regret of all true Democrats and conservative men, and which if carried out must produce universal disgrace and defeat, and for which the Democracy of this country are not chargeable, nor are to be held censurable. That such a division does now exist in our ranks no sane man will attempt to deny, and which, if carried into our county Conventions, will most certainly produce to our County and State tickets defeat. To prevent such state of affairs, we would respectfully, though earnestly, recommend to the Democratic voters of the different townships to select delegates to the County Convention, men who, from their known probity of character, and love of party and country in preference to men, will select such men for our county nominees (without regard to their Presidential preferences) as are worthy to be placed on our ticket with the honest and talented Foster at their head; who will do honor to the offices for which they are selected, and credit to the party.

Resolved, That the Democrats of the several wards, boroughs and townships, be requested to meet at their respective places of holding township and borough elections, on *Saturday, the 11th of August*, 1860, and then and there elect two delegates in each of said wards, boroughs and townships, to meet in Convention at the Court House in Carlisle, on *Monday, the 13th day of August*, 1860, at 11 o'clock, A. M., for the purpose of nominating a County Ticket; and that said delegate elections be held between the hours of 3 and 7 o'clock, P. M., in the townships, and between 3 and 8 in the boroughs.

Resolved, That the Convention be and is hereby requested to complete the nominations before any adjournment is had.

Resolved, That these proceedings be published in the Democratic papers of the county.

THE PROPER VIEW.—The Bradford (Vt.) *Telegraph*, in announcing its intention to advocate the election of Messrs. Douglas and Johnson, says:

"None of our friends must look to us for angry or intemperate denunciations of those who differ from us in regard to men. Differences of opinion as to *men* can well be tolerated when the principles of both sections are so nearly alike. Toleration should be the motto in all our Conventions, and in all our intercourse with each other as Democrats. Toleration *is* the motto adopted by all the *leading* Democratic journals, and among *them* we find no inclination to deal in invective against those who support either candidate for the Presidency. It is among the less influential journals of the party that we find the bitterness of party rancor, and the disposition to crush out all who do not agree precisely with their notions of men. For ourselves, we prefer to err, if at all, upon the side of moderation and toleration, in our reference to family differences, whilst we direct our strongest efforts against the common enemy."

THE HALDEMAN CONVENTION.—Capt. SANDERSON, editor of the Lancaster *Intelligencer*, thus speaks of the HALDEMAN-FORNEY-Convention:

"In another column will be found a report of the proceedings of the FORNEY-HALDEMAN Convention, held at the State Capital in Harrisburg, on the 26th ult. The Convention, so far as numbers were concerned, appears to have been a meagre affair—not much over 200 persons being present, according to all the accounts we have seen in the Philadelphia and Harrisburg papers. The *Patriot and Union* says, it "did not notice a single delegate from Armstrong, Allegheny, Indiana, Fayette, Washington, Greene, Beaver, Mercer, Crawford, Venango, Warren, Lawrence or Erie counties—in fact, but *four* from Western Pennsylvania, and not a corporal's guard from the Tenth Legion."

In the list of officers we see the names of Mr. JOHN BLACK, and Dr. LEVI HULL, as Vice Presidents, and JOHN S. DOUGHERTY, Esq., as Secretary, all from Lancaster County.

The Convention very wisely, we think, came to the conclusion not to settle another electoral ticket, but expended their efforts in windy declamation and threats which really amount to nothing. Their instructions to the State Central Committee will be taken by that body for just what they are worth—nothing more—and will hardly frighten those gentlemen from their propriety.

SIR RICHARD tried his best to "call spirits from the vasty deep, but they would'nt come" so how he could fix it! As his maiden effort at disorganization didn't take, he had better try it again. Perhaps he will have better luck next time. Alas! how are the mighty fallen!

JOHN B. BRATTON, P. M.

EFFECT OF A SPEECH.—A correspondent of the *Planter's Banner* gets off the following:

Many years since, when the New York *Tribune* was a good old line Whig journal, a gentleman in western New York was a subscriber to it; but, when Greely turned his attention to all sorts of "isms," especially abolitionism, he declined reading it. When an extra, containing a voluminous speech by Horace Greely, was sent him, he saw the caption, placed it on the shelf of his library, and did not condescend to read it.

On the 4th of July the patriotic citizens turned out on the square with an old iron cannon which had not seen service for years, loaded it and sent for the old liner to witness the effect. He was a man of influence in the place, and previous to the touching off, he said:

"Hold on, boys, till I come back."

He went to his his house, wrapped a pound of good powder in Horace Greely's speech, returned, placed it in the muzzle, and, ramming it home, exclaimed:

"Let's hear what Greely's got to say!"

A tremendous report and an explosion followed; the gun burst and the fragments rent the air—the smoke cleared off, and to the astonishment of all, *nobody was hurt!*

SHOCKING MURDER.—On Thursday night a shocking murder was perpetrated on a bridge at Pittsburg. The name of the alleged murderer is Michael Kirk, and the deceased is Thomas Hart Benton Jackson, son of Colonel Jackson, a conductor on the Mail train of the Pennsylvania Railroad. The affair grew out of quarrel, and it is said the conduct of the deceased on the occasion was calculated to lead to violence and bloodshed. Kirk shot Jackson with a pistol, killing him instantly. The murderer is still at large.

The only Preparation

Having Proofs so Strong and Direct as to Expel the Doubts of all.

FOR Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:

Oak Grove, S. C. June 24th, 1859.

PROF. O. J. WOOD: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result. Two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquiries; moreover, I shall use my influence, which I flatter myself to say, is not a little. You can publish this if you think proper.

Yours, very respectfully,

M. J. WRIGHT, M. D.

Office of the Jeffersonian, Philippi, Va., Dec., 12th, 1858.

Dear Sir:—I feel it my duty as well as my pleasure, so state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth, so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents.

Yours, &c.

THOMPSON SURGHNOR.

DR. WOOD: Dear Sir: Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

S. THALBERG.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for three dollars per bottle.

CLERK AND RECORDER.

To the Members of the Democratic County Convention, and all others whom it may concern.—I am this day 41 years of age, have always been a Democrat and nothing else, particularly am I a warm friend of Stephen A. Douglas and his principles. I want the office of Clerk of the Court if the Convention think me entitled. If they think any one else better entitled, give such an one the nomination and I will say amen. I have neither time nor money to spend in laying wires or packing Delegates, neither would I do so if I had both to spare. I dont believe in the principle. CARLISLE FOUNDRY,

AND

Farming Implement Depot.

F. GARDNER & CO. now manufacture and keep constantly FOR SALE, at their extensive Steam Works on East Main st., Carlisle, a large assortment of Agricultural Implements, of well known and approved usefulness to Farmers, among which they would call especial attention to

WILLOUGHBY'S CELEBRATED

Patent Gum Spring Grain Drill,

which has taken over fifty first class premiums at State and County Fairs. To the farmers of Cumberland, York and Perry counties we need not speak in detail of the merits of this drill, as scores of them are now in use on the best farms in these counties. Its reputation is established as the most complete grain drill now manufactured in the United States. It sows Wheat, Rye, Oats, Barley and Grass, evenly and regular, without bunching the seed. The gum springs pass the drill over stumps and stones, without breaking pins or the drill. For even and regular sowing, the Willoughby Gum Spring Drill is unequalled by any other. We also manufacture and sell the following articles, which we can recommend to farmers as reliable implements of established character:

Morrison's Patent Corn Planter;
Lash's Patent Straw and Fodder Cutter;
Bridendolf's Patent Corn Sheller,
Johnston's Cast Iron Hogs' Trough,
Harn's Patent Cider Mill.

Also, Three and Four Horse Powers and Threshing Machines, Cast Iron Field Rollers, Plough Castings of various patterns, Corn Crushers, and other articles for farmers too numerous to mention. Also, Egg Coal Stoves and ten plate Wood Stoves, with an immense variety of other castings for housekeepers and others. We have also an attractive variety of patterns for

IRON RAILINGS,

and Cemetery enclosures, to which we would call attention.

STEAM ENGINES AND MILL GEARING.

To this department of our business we give particular attention. Our already extensive stock of patterns for paper, flour and saw mill gearing, is constantly increasing. Mill owners and millwrights will be furnished with a printed catalogue of our various mill patterns on application. Our machine shop comprises all the various tools for turning, planing and finishing shafting and casting, by good and careful machinists.

STATIONARY STEAM ENGINES,

of every desirable capacity, from 10 to 40 horse power, built in the best style and on accommodating terms. Engines built at our establishment may be seen in successful operation at many of the largest distilleries and tanneries in Carlisle, and Cumb'd, Perry and Dauphin cos., to the owners of which we confidently refer for information as to their efficiency. Persons wanting Steam Engines are earnestly requested to call and examine before contracting elsewhere.

DOOR AND SASH FACTORY.

Connected with our establishment is a steam Sash and Door Manufactory which is now in complete order for the manufacture of every description of

BUILDING MATERIALS,

for the most costly as well as the plainest house. Window Sash furnished from five cents upward, according to size of glass; Window Frames from $1,31 upward; Shutters and Rolling Blinds from $1,75 upward; Door frames from $1,75 upward; Four Panel Doors from $2,12 upward.
