"Being well acquainted with the substances composing Hover's Liquid Hair Dye, I am satisfied that by following the simple directions given for its use, it will not injure the Hair or Skin, but will give a natural and durable color to the hair.

JAMES C. BOOTH, Analytic Chemist."

Hover's Writing Inks, including Hover's Fluid, and Hover's Indelible Inks, are too well known and introduced to require any additional testimony of their character. The sales have been increasing since their first introduction, giving evidence that the articles truly possess that intrinsic merit claimed at first for them by the Manufacturer.

Orders addressed to the Manufactory, No. 416 Race street above Fourth, (old No. 144,) Philadelphia, will receive prompt attention by

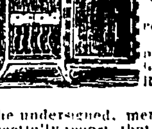
EVANS & WATSON,



PHILADELPHIA Manufactured SALAMANDER SAFES No. 26 S. Fourth street, Phila.

Truth is mighty and must prevail.

Report of the Committee appointed to superintend the burning of the Iron Safes, at Reading, February 27, 1857.

READING, March 1.

The undersigned, members of the committee, do respectfully report, that we saw the two Safes originally agreed upon by Farrel & Herring, and Evans & Watson, placed side by side in a furnace, viz: The Safe in use by the Paymaster of the Philadelphia and Reading Railroad Company, in his office at Reading, manufactured by Farrels & Herring, and the Safe in use by H. A. Lantz, in his store, manufactured by Evans & Watson, and put in books precisely alike.

The fire was started at 8½ o'clock A. M., and kept up until four cords of green hickory, two cords dry oak and half chestnut top wood were entirely consumed, the whole under the superintendence of the subscribers, members of the committee. The Safes were then cooled off with water, after which they were opened and the books and papers taken out by the committee and sent to H. A. Lantz's store for public examination, after they were first examined and marked by the Committee. The books and papers taken from the Safe manufactured by Evans and Watson were but slightly affected by the intense heat while those taken from the Safe manufactured by Farrels and Herring were in our judgment damaged fully fifteen per cent., more than those taken from Evans & Watson's Safe.

We believe the above to have been a fair and impartial trial of the respective qualities of both safes.

JACOB H. DYSHER,
DANIEL S. HUNTER.

Having been absent during the burning, we fully concur with the above statement of the condition of the papers and books taken out of the respective Safes.

G. A. NICOLLS,
H. H. MUHLENBERG.
JAMES MILHOLLAND.

The following named gentlemen, residents of Reading and its vicinity, who saw the above fire, have purchased twenty-eight Safes from Evans & Watson since the burning up to May 1st, 1857:—G. A. Nicolls, 1; Lepold Hirsh, 1; Isaac Ruth, 1; Kirk & Heister, 1; W. Rhoads & Son, 1; Henry W. Missinger, 2; Dr. Wm. Moore 1; Solomon Rhoads, 1; Levi L. Smith 1; High & Craig, 1; Wm. Kirck 1; Kaufman & Baum, 1; Wm. McFarner, 1; Geo. J. Eckert, 1; I. M. & G. W. Hanstock, 1; Ezra Miller, 1; Bitlerever Follmer & Co., Milton, 1; James Jamison, 1; J. B. & A. B. Warner, 1; Jacob Schmucker, 1; Wm. Kurz, 1; V. B. Schollenberger 1; R. R. Company, 1; H. A. Lantz 2; W. C. & P. P. Lamantrout, J. P. Bridegame, 1.

Dr. Laverne's Victory Shoulder Brace

THIS is an entirely new, and greatly improved article, combining all the advantages of a suspender and Shoulder Brace. It is light and elastic, equally adapted to the wear of either sex, and so constructed that it is impossible for them to bind under the arm which has been one serious objection to nearly all the braces that have heretofore been used. It is highly approved by Physicians and Surgeons, as being conducive to health and gracefulness. Those who are subject to pain in the chest, disease of the Lungs, Heart or Stomach, symptoms of Consumption, we would advise to call at the Drug and Prescription Store, No. 3 Wolf's Row, and purchase one immediately.

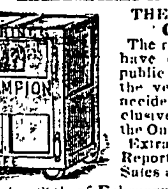
HERRING'S SAFE!



THE ACKNOWLEDGED CHAMPION.

The recent trials at Reading have endorsed the current of public opinion, and confirmed the verdict of more than 200 accidental fires, proving conclusively that "Herring's" is the Only Safe that will not burn.

Extract from the Committee's Report on the Trial of Iron Safes at Reading:

"On the 26th of February all the members of the committee met to witness the Safes and books and papers (placed in them,) and were perfectly satisfied that all was right. The day following the burning took place, under the superintendence of the Committee. After a fair and impartial burning for five hours, the Safe of Messrs. Evans & Watson was first opened, the Safe being on fire inside, and the contents partially consumed, while the contents in the Safe of Messrs. Farrels & Herring were in good condition, and no fire inside."

Reading, March 2, 1857.
(Signed.) H. F. FELIX, P. N. COLEMAN, A. H. PEACOCK, } Committee.

And endorsed by over 50 of the best men of Reading.

The above Safes can be inspected at 34 Walnut Street, where the public can satisfy themselves of the great superiority of the "Herring's Patent Champion," over the defeated and *used up* "inside Iron Door Salamander."

The attempt made by other parties to bolster up the reputation of a Safe which *has failed* so signally in *accidental fires* in Philadelphia (Ranstead Place) by taking one out of an agent's store, (H. A. Lantz,) made *double thickness*, (different from those they sell) to "burn up" one of Herring's, (half as thick) has met with its true reward. Herring's Safe *could not be burnt*, proving conclusively that the only reliable Safe now made is *"Herring's,"* of which over 15,000 are now in actual use, and more than 200 have been tried by fire *without a single loss.*

TO THOSE WHO WANT FARMS!
A Farm Within the Reach of Every Man.

THE RIDGWAY FARM COMPANY has made arrangements by which all who desire to settle or purchase a home can do so.

The farms consist of the best limestone soil of the most superior quality for farming, in a rapidly improving place, into which an extensive emigration is now pouring. The property is located in Elk County, Penna., in the midst of a thriving population of some 10,000. The climate is perfectly healthy, and the terrible plague of the west, fever, is unknown. It also has an abundance of the best quality of coal and iron. The price to buy it out is from $3 to $20 per acre, payable by instalments, to be located at the time of purchasing, or a share of twenty-five acres entitling to locate the same for $300, payable $6 per month, or 12½ acres payable $4 per month. Discount for every sum of $100 and under, paid in advance, a discount of $5 per cent. will be allowed, and for over $100 a discount of 10 per cent.

In considering the advantages of emigrating to this locality, the following are presented.

FIRST—The soil is a rich limestone, capable of raising the heaviest crops, owing to which this settlement has attained its present great prosperity.

SECOND—It is the centre of the great northwest coal basin, and is destined soon to become one of the greatest business places in the state. It will supply the great Lake market, (according to population and travel the greatest in the Union.) It has five workable veins of the best bituminous coal, amounting in the aggregate to over 22 feet, which makes 22,000 tons of coal under each acre. This will make the land of inestimable value.

The eminent state geologist, Dr. Chas. T. Jackson of Boston, has made a geological survey of the land, and analysed the coal, the iron ore and the limestone. This report, together with maps, will be furnished to inquirers.

FOURTH—Three railroads are laid out through this property. The Sunbury & Erie Railroad gives us a market for our coal to the lakes—it runs from Erie to Philadelphia. A large part of this road has been finished, and is now in running order. A heavy force is now working from Erie towards our land in the western direction, the means for the completion of which has been raised—it will soon be finished. The Allegheny Valley Railroad connects us with New York, Boston and Pittsburg. The Venango Road connects us with the West.

There are already good turnpike roads running though this property, various other roads have been opened to accommodate the emigration and settlement which has already taken place.

There is no opportunity equal to it now offered to the man who wants to provide himself a home in an easy way, and make a settlement where he can live in prosperity and independence in a climate PERFECTLY HEALTHY.

No case of the fever ever having been known to occur in this settlement. It is not like going to the backwoods of the west, among perhaps intolerant people, where there is no society, churches or schools, where the price of land is high, and where the emigrant, after being used to the healthiest climate in the world, has to endure sickness and pain, and perhaps ruins his health and that of his family. But here is a thriving settlement, having three towns, containing churches, schools, hotels, stores, saw mills, grist mills, and everything desired. There is a cash market at hand.—The lumber trade last year amounted to over two hundred million feet of lumber. In a short time, owing to the coal, it will become still more valuable, as a number of iron works and manufactories will soon be started; they are at present starting them extensively at Warren. Even for those who do not wish to go there, the payments are such that they can easily buy a farm to save their rising families from want in the future, or to gain a competence by the rise which will take place in the value of lands. By an outlay scarcely missed, a substantial provision can be made. Persons should make early application, apply or write to E. Jeffries, Sec., No. 135 Walnut street, below Fifth, Philadelphia. Letters carefully answered, giving full information.

Shares or tracts of land can be bought or secured by letter enclosing the first instalment of five dollars, when the subscriber will be furnished with books, maps, &c. Warrantee Deeds given. Persons can also purchase from our Agents.

Route from Philadelphia to Tyrone on the Pennsylvania Central Railroad, and thence by stage to the land. This a delightful season to visit St. Mary's—the best hotel accommodation is afforded.

Enquire for E. C. Shultz, Esq., the Agent for the property at St. Mary's.
