THE CRYSTAL PALACE BEATEN.

Dr. Duff, in his speech at the universary meeting of the Wesleyan Methodist Missionary Society in London, thus described one of the Heathen Temples of India:

"In Seringham you have the hugest heathen temple that can probably be found from the North to the South pole. It is a square, each side being a mile in length, so that it is four miles round. Talk of your Crystal Palace! Why, as a man would put a penny in his pocket, you might put your Crystal Palace into the pocket of this huge pagoda. The walls are 25 feet high and 4 or 5 feet thick, and in the centre of each wall rises a lofty tower. Entering the first square you come to another with a wall as high, and four more towers. Within that square there is another and within that again another—crowded by thousands of Brahmins. The great hall for pilgrims is supported by a thousand pillars, each cut out of a single block of stone:"

AUTHENTIC information from Chihuahua to the 10th of March, states that upward of twenty millions of dollars are claimed for damages done to Mexican property by the Indians from this side of the Rio Grande.—The claims have been filed with the Mexican authorities for presentation to our government under the treaty, which provides that we shall prevent the Indians from committing depredations. No doubt, many of the claims are fraudulent, or for damages done by their own Indians, with whom they are on bad terms.

MIND YOUR BUSINESS.—To tell a man to his face, to mind his own business, would be considered about equal to knocking him down, or, as the Frenchman said, 'horizontalizing his perpendicular.' And yet it is one of the simplest rules of right conduct and one of the most useful that mankind can adopt in their intercourse with each other.

THERE is a hotel in Springfield that only charges half price for lovers; and yet the proprietor says he makes more money out of this class of boarders than any other people about the house. 'Let a youth,' he says 'sit up with a yellow spencer and blue eyes on Sunday night, and he will feel so heavenly that he won't get down to pork and beans again till the latter part of the week.'

THE CAT TRADE IN CALIFORNIA.—The San Francisco correspondent of the Journal of Commerce Ohio, on her last trip from San Diego, brought into port an importation of cats, 96 in number. They cost at the place of embarkation about 40 cents a head, and sell here from ten to twenty dollars each, according to size, sex, and general condition. A few passengers on board the steamer told me that they had a very musical time of it.

DEATH OF WILDCAT, OR COACOOCHEE.—News has been received at San Antonio of the death of the notorious Seminole chief, Wildcat. It is said he was murdered by a band of Camanches.

ANOTHER SCIENTIFIC WONDER!—PEPSIN, *the True Digestive Fluid, or Gastric Juice!* A great Dyspepsia Curer, prepared from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11 North Eighth Street, Philadelphia, Pa. This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own agent, the Gastric Juice. BRANDT'S

PURIFYING EXTRACT

The Greatest

BLOOD PURIFIER

IN THE WHOLE WORLD!

☞ *Price* $1 *per Bottle, or Six Bottles for* $5.

It is now put up in **QUART BOTTLES**, of the same power and medical efficacy as when in small bottles. Each large bottle contains **SIXTY-FOUR DOSES**, and the medications are so **Strongly Concentrated** that only **One Tablespoonful** is required at a **Dose—three times a day**—this one bottle lasts **Twenty-One Days**, which is much longer than a bottle of any other medicine last, because there is required of this a **less quantity** at a dose.

The **great** *Superiority* of this **Blood Purifier** over all other remedies, consists in a great measure in its possessing as a part of its compound, the *powerful* **Medical Virtues** of some **Scarce** and **Rare**

Indian Roots and Barks,

which no other medicine possesses. These are the most certain **Purifiers** of the **Blood** that were ever known to either Indian or white man, and these being compounded with the *strongly-concentrated Extracts of*

Sarsaparilla, Yellow Dock,
CHERRY AND SASSAFRAS BARKS,

make this **Vegetable Extract**, not only the *greatest* **Blood Purifier**, but also, a **cheaper medicine** by **great odds** than any other. It is *cheaper*, because the *quantity* of it that may be bought for **One Dollar** will last **much longer**, and will cure **Ten Times** more Blood-diseases, than *Old Jather's* worth of any other medicine.

Journal of the
FRANKLIN INSTITUTE,
OF THE STATE OF PENNSYLVANIA FOR THE PROMOTION OF
THE MECHANIC ARTS.

THE oldest Mechanical Periodical extant in America, is published on the first of each month in the City of Philadelphia. It has been regularly issued for upwards of twenty-five years, and is carefully edited by a committee of scientific gentlemen appointed for the purpose, by the Franklin Institute.

The deservedly high reputation, both at home and abroad, which this Journal has acquired and sustained, has given it a circulation and exchange list of the best character, which enables the Committee on Publications to make the best selections from Foreign Journals, and to give circulation to original communications on mechanical and scientific subjects, and notices of new inventions; notices of all the Patents issued at the Patent Office, Washington City, are published in the Journal, together with a large amount of information on Mechanics, Chemistry, and Civil Engineering, derived from the latest and best authorities.

This Journal is published on the first of each month, each number containing at least seventy-two pages, and forms two volumes annually of about 432 pages each, illustrated with engravings on copper and on wood of those subjects which require them.

The subscription price is Five Dollars per annum, payable on the completion of the sixth number; and it will be forwarded free of postage when five dollars are remitted to the Actuary (postage paid) in advance for one year's subscription.

SMITHER'S
ESSENCE OF
JAMAICA GINGER.

MADE from the best Jamaica Ginger, all the valuable medicinal property of which it will be found to possess in a somewhat concentrated form.

It is a most efficient and at the same time harmless, gently stimulating tonic for the stomach, and will very decidedly invigorate the general and digestive system, and thereby indirectly the impaired action of the important organs.

From half to a whole teaspoonful taken in a wine-glass full of sweetened water will immediately remove the flatulency and oppression resulting from indigestion, and if taken two or three times daily, as required, will be found highly useful against the unpleasant sense of sinking of the stomach and tendency to its disordered action occasioned by the enervating effect of the summer heats, or following after indisposition, and for correcting the incipient stages of diarrhœa, &c.

It is also an excellent medicine for those who have injured the tone of their stomachs by the immoderate use of intoxicating liquors, by its slightly stimulating effect upon the stomach removing the craving for stimulants, while it lies in equipoise with it on the stomach, and is not succeeded by feelings of depression, which always follow the use of alcoholic stimulants.

A few drops added to magnesia, rhubarb or other purgative medicines, will render them more acceptable to the stomach and prevent the griping which is apt to accompany their action.
