FEE BILLS.—Justices and Constables Fee Bills handsomely printed on card paper for sale at this office.

☞ $500 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually clamorous from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy:—

HOBENSACK'S WORM SYRUP.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect, where Bowel Complaints and Diarrhea have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal to the enlarging of medicines, in giving tone and strength to the Stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost Indefinite length lies coiled and fastened in the Intestines and so much effecting the health so sadly as to cause St. Vitus Dance, Fits, &c; that those afflicted seldom if ever suspect that it is Tape Worm lingering them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills now to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfuls 3 times a day those directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

☞ HOBENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of ROOTS & PLANTS furnished by nature to heal the sick: Namely, 1st. An EXPECTORANT, which augments the secretion from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2nd. An ALTERRATIVE, which changes in some inexplicable and inscrutable manner the certain morbid action of the system. 3rd. A TONIC which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th. A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually as to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side, back, &c.

☞ Price, 25 cents each.

ZINC PAINTS;

Manufactured by the New Jersey Zinc Company, Newark, N. J.

THE Subscribers are now prepared to execute orders to any extent for their beautiful white and colored Zinc Paints, at the reduced prices, viz:—

		warranted
No. 1, White, ground in oil,	9 cents per lb.,	pure,
No. 2, do. do.	8 do.	do
No. 3, do. do.	7 do.	do
Brown and Black, do.	5½ do.	do

One hundred pounds will cover equally well as much surface as 160 lbs. of White Lead; they are 25 per cent cheaper to the consumer.

The ZINC WHITE is rapidly superseding White Lead, over which it possesses many advantages. It is whiter, and more beautiful than the White Lead—does not turn yellow, even when exposed to sulphurous vapor—has no smell—is not injurious to health, and is far more durable.

ZINC BROWN AND BLACK PAINTS ARE BOTH WEATHER AND FIRE PROOF.—The best covering for outside work ever introduced, adapted to buildings of wood, brick or stone—to fences, carriage bodies, bridges, and machinery to the hulls of vessels, anchors, chains, and all other Iron, work on board ship—to steam boilers, smoke necks and water tanks—to iron, tin, and other roofing, iron shutter doors and railings, wire fences, bridges, &c.

For Iron Surfaces this Paint is especially valuable as it forms a galvanic connection, and entirely prevents rust.

These Zinc Paints having a pure Metalic Base, are warranted not to turn yellow, and will retain their original brilliancy much longer than White Lead, or any of the earthy pigments now in use. The certificates from those who have used these Paints, are such as to satisfy the public that they are invaluable. The ablest chemists of France and this country have testified to the superiority of Zinc over Lead Paints, as to durability, healthfulness and beauty. They have been adopted by the French Government, by the corporation of New York, and are now extensively used by the United States Government at many of the largest Military and Marine Depots.

PHILADELPHIA GAS WORKS, Mar 15, 1851.

Messrs. F. C. JONES & CO.—Gentlemen—Having made several trials of your Brown Zinc Paint in various methods calculated to test its protective qualities upon wood and metal, I have the satisfaction to state that the results have been highly favorable. The paint covering well, drying quickly, and possessing greater tenacity, especially upon iron, than any other paint with which I am familiar.

Yours, truly, JOHN C. CRESSON.

The undersigned, having used the Zinc Paints referred to, concur in the foregoing opinion.

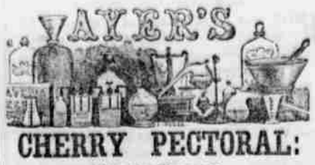
JUSTICES' FEE BILLS. For sale by H. B MASSER.

Sunbury, 1851.—'26



CHERRY PECTORAL:

For the Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, CROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.

This invaluable remedy for all diseases of the THROAT and LUNGS, has attained a celebrity from its remarkable cures, never equalled by any other medicine before. Other preparations have shown themselves *palliatives*, and sometimes effected notable cures, but none has ever so fully won the confidence of every community where it is known. After years of trial in every climate, the results have indisputably shown it to possess a mastery over this dangerous class of diseases, which could not fail to attract the attention of Physicians, Patients, and the public at large.

See the statements, not of obscure individuals and from far distant places, but of men who are known and respected throughout the country.

The widely celebrated Surgeon, Dr. VALENTINE MOTT, of N. Y. City, says:

"It gives me pleasure to certify the value and efficacy of Ayer's Cherry Pectoral," which I consider peculiarly adapted to cure diseases of the throat and lungs."

DR. PERKINS, the venerable President of the Vermont Medical College, one of the eminently learned physicians of this country, writes, the Cherry Pectoral is extensively used in this section, where it has shown unmistakable evidence of its happy effects upon pulmonary diseases.

The Rev. J. D. COURANE, a distinguished Clergyman of the English Church,

Writes to the Proprietor from Montreal, that she has been cured of a severe and dangerous affection, by Cherry Pectoral. His letter at full length, may be read in our Almanac, to be had of the Agent, and is worth the attention of asthmatic patients.

This letter is from the well known Druggist at Hillsdale, Michigan, one of the largest dealers in the State; and this case is from his own observation.

HILLSDALE, Mich., Feb. 19, 1849.

DEAR SIR:—Immediately on receipt of your Cherry Pectoral, I carried a bottle to an acquaintance of mine who was thought to be near her end, with quick consumption. He was then unable to walk across the room, and was exercised by fevers. His friends believed he could not live, and no relief could be obtained for him. I induced them to give your excellent medicine a trial. I immediately left town for three weeks, and you may imagine my surprise on my return, I met him in the street on my way home from the cars, and find he had entirely recovered. Four weeks from the day he commenced taking your medicine, he was at work at his anvil as stout as a blacksmith.

There are other cures within my knowledge, where the Cherry Pectoral has been wonderfully successful, but none so marked as this. Very truly Yours,

O. S. UNDERWOOD.

Hear the Patient.

DR. J. C. AYER, Lowell:—DEAR SIR:—Feeling under obligation to you for the restoration of my health, I feel bound to speak of my case, which was of a nature to expect death to the friends and to others. Last summer I took a bad cold, accompanied by a severe cough, and night sweats so severe as to prostrate me entirely. My friends believed my death was near, and relief could be obtained for him, and
