THE GREAT ENGLISH REMEDY.

SIR JAMES CLARKE'S CELEBRATED FEMALE PILLS.

Prepared from a prescription of Sir J. Clarke, M. D., Physician Extraordinary to the Queen.

This invaluable medicine is unfailing in the cure of all those painful and dangerous diseases to which the female constitution is subject. It moderates all excess and removes all obstructions, and a speedy cure may be relied on.

TO MARRIED LADIES

it is peculiarly suited. It will, in a short time, bring on the monthly period with regularity.

Each bottle, price One Dollar, bears the Government Stamp of Great Britain, to prevent counterfeits.

CAUTION.

These Pills should not be taken by females during the FIRST THREE MONTHS of Pregnancy, as they are sure to bring on miscarriage, but at any other time they are safe.

In all cases of Nervous and Spinal Affections Pain in the Back and Limbs, Fatigue on slight exertion, Palpitation of the Heart, Hysterics and Whites, these Pills will effect a cure when all other means have failed, and although a powerful remedy, do not contain iron, calomel, antimony, or anything hurtful to the constitution.

Full directions in the pamphlet around each package, which should be carefully preserved.

Sole Agent for the United States and Canada,
JOB MOSES,
(Late I. C. Baldwin & Co.,) Rochester, N. Y.

N. B.—$1,00 and 6 postage stamps enclosed to any authorized agent, will insure a bottle, containing 50 Pills, by return mail.

Dalley's Magical Pain Extractor

will cure the following among a great catalogue of diseases: Burns, Scalds, Cuts, Chafes, Sore Nipples, Corns, Bunions, Bruises, Sprains, Bites, Poison, Chilblains, Biles, Scrofula, Ulcers, Fever Sores, Felons, Ear Ache, Piles, Sore Eyes, Gout, Swellings, Rheumatism, Scald Head, Salt Rheum, Baldness, Erysipelas, Ringworm, Barber's Itch, Small Pox, Measles Rash, &c., &c.

To some it may appear incredulous that so many diseases should be reached by one article; such an idea will vanish when reflection points to the fact, that the salve is a combination of ingredients, each and every one applying a perfect antidote to its opposite disorder.

Dalley's Magical Pain Extractor

in its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury.— It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer.

For sale by all the Druggists and patent medicine dealers throughout the United States and Canadas.

Feb. 19, '59. R. WILLIAMS,

Dr. Coggswell's New Medical Salt!

FOR INFLAMMATORY DISEASES ONLY.

New Medical Salt! New Medical Salt!

IS NOT A CURE ALL.

For Inflammatory Diseases only

DR. COGGSWELL'S New Medical Salt, instead of being a remedy for all ills has control over but one ill, has but one aim, and accomplishes but one thing, to wit: Subdues Inflammatory Disease, whatever be its form or locality, whether in the head, throat, abdomen, extremities or skin.

NEW Medical Salt. Its peculiar excellence is, that without the useless loss of blood and strength it effectually cures Inflammatory Diseases (no others) by producing an equilibrium of all the fluids in the body, the want of which is the sole cause of inflammation.

NOTICE to Invalids. The following forms which the unbalanced fluids assume, and many not here mentioned, that have more or less fever or pain, are as easily subdued by the New Medical Salt, as fire is extinguished by water, to wit: Brain Fever, Headache, Rash of Blood to the Head and Heart, Fits, Inflamed eyes, ears, nose, lungs and liver, Neuralgia, Spinal Affections, Erysipelas, Bronchitis, Pleurisy, Asthma, Coughs, Colds, Dyspepsia, Rheumatism, Gout, Scrofula, and all itching and other cutaneous eruptions.

DR. COGGSWELL'S New Medical Salt exerts, like the vaccine matter, an extraordinary influence over the veins and arteries, resulting in a gradual decline of inflammation as indicated by the pulse, which soon resumes its natural state, as the heat, pain and fever disappear.

DR. COGGSWELL'S New Medical Salt does just what it claims to do—no more, no less—equalizes the fluids by removing from the system all arterial and venous obstructions. Descriptive Circulars may be obtained from any Druggist who has this valuable Medicine for sale.

DR. COGGSWELL'S New Medical Salt.—Get a Circular. Ask any Druggist about the New Medical Salt. Ask your neighbors about the New Medical Salt. If sick, try it; if sick, remember the New Medical Salt.

DR. COGGSWELL'S Antiphlogistic Salt. Acute packages, $1; Chronic do., $2.50. Family do. $3. Sent by mail, free of expense, on receipt of price.

Invalids with chronic or long standing diseases should always order a chronic package.

DR. COGGSWELL'S New Medical Salt is for sale in Columbia, by McCORKLE & DELLETT, and by all enterprising druggists wherever the "Spy" is read. The New York Tribune, 1858, '59.

THE New York Tribune, now more than seventeen years old, which was the first journal in the world that appeared regularly on an imperial eight-page sheet at so low a price as two cents, and which has attained the unparalleled aggregate of more than 200,000 subscriptions, respectfully solicits its share of the patronage which the Metropolitan Press is henceforth to receive.

Within the present year The Tribune has provided itself with a new and faster Press, at a cost of $30,000, merely that some of our subscribers may receive their papers a mail earlier than they otherwise might do. With correspondents at the most important points throughout the civilized world, and a staff of writers chosen from among the best in the country, we believe that even those who dislike the politics of our sheet concede to it frankness in avowing its convictions and ability in maintaining them. We appeal then, to those who believe that an increased circulation of The Tribune would conduce to the political, intellectual and moral well-being of the Republic, to aid us in effecting such increase.

The Daily Tribune is printed on a large imperial sheet, and published every morning and evening, (Sunday excepted), and mailed to subscribers for six dollars per annum in advance; $3 for six months.

The Semi-Weekly Tribune is published every Tuesday and Friday, and contains all the Editorials of the Daily with the Cattle, Horse and General Markets reliably reported expressly for The Tribune; Foreign and Domestic Correspondence, and during coming session of Congress it will contain a summary of Congressional doings with the more important speeches. It will also contain a first-class novel, continued from number to number, thus affording a first-rate family newspaper to those who prefer not to take a Daily.

More than 500,000 bottles sold in the NEW ENGLAND STATES IN ONE YEAR.

THE restorative of Prof. O. J. Wood, for restoring hair perfectly and permanently, has never yet had a rival, volume after volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative, but read the circular and you cannot doubt, read also the following.

THE HAIR.—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know of a lady who was bald, who used the article a short time, and her head is now covered completely with the finest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it, but every one will admit that a beautiful head of hair either in man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—*Woman's Advocate*, Philadelphia.

Covington, Ohio, Nov. 17, 1856.

O. J. WOOD & CO.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your local agents (R. M. Hockieson,) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio or some State in the West, should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be. I would like to engage in the sale of it for I am satisfied it must sell. Yours truly.

S. T. STOCKMAN.

Wayland, Mass., Feb 5 1858.

PROF. O. J. WOOD & CO.—Gents: Having realized the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours, &c.,

HERTS, BROTHERS',

AMALGAMATED IRIDIUM, ZINC AND PLATINA PENS.

WARRANTED NOT TO CORRODE.

HERTS, BROTHERS, having been many years engaged in the manufacture of Metallic Pens and during that time having devoted their unceasing attention to improving and perfecting that useful and necessary article—the result of their unceasing efforts and numerous experiments has been the construction of a pen, on a principle entirely new, combining all the advantages of the elasticity and clearness of the quill, with six times the durability of the steel pen, and thus effectually obviating the only objection that has hitherto existed against the use of steel pens.

This pen will be found an invaluable article in Offices, as they never need wiping, also to Banks and Schools as they will not spatter, corrode the thinnest paper, and are warranted anti-corrosive.

CAUTION.—The universal celebrity of these Pens having induced certain disreputable Makers to foist on the public a spurious imitation, it will please be observed that each genuine pen is stamped "Herts, Brothers' Patent, 1858," and each box of genuine pens will contain a label with a fac-simile of the Manufacturers' name.

THE LIVER INVIGORATOR!

PREPARED BY DR. SANFORD,
COMPOUNDED ENTIRELY FROM GUMS

IS one of the best purgative and liver medicines now before the public, that acts as a cathartic, easier, milder, and more effectual than any other medicine known. It is not only a cathartic, but a liver remedy, acting first on the liver to eject its morbid matter then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses will strengthen and build it up with unusual rapidity.

SANFORD'S INVIGORATOR

The Liver is one of the principal regulators of the human body; and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the liver for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the liver—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

Bilious attacks are cured and, what is better, prevented, by the occasional use of the Liver Invigorator.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring, prevents nightmare.

Only one dose taken at night, loosens the bowels gently, and cures Costiveness.

One dose taken after each meal will cure Dyspepsia.

☞One dose of two teaspoonfuls will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic, while one dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.

☞Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

☞One bottle taken for Jaundice removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures Chronic Diarrhoea in its worst forms, while Summer and Bowel Complaints yield almost to the first dose.

One or two doses cures attacks caused by Worms in children. There is no surer, safer, or speedier remedy in the world, as it never fails.

☞A few bottles cure Dropsy, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

☞Mix water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR

Is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common headache, all of which are the result of a diseased liver.

PRICE ONE DOLLAR PER BOTTLE.

Does Disease Originate in Impurity of the Blood?

THIS is a question of vital importance, and one which has never been satisfactorily disposed of by the professors who teach the healing art. Some maintain—and especially the old school physicians—that the lives in the blood and therefore all diseases originate in it—but modern science averts that ailments have their origin alone in both the solids and fluids of the body. The latter proposition, however, is a fixed fact and medical skill has clearly demonstrated that at least two-thirds of the ills that human flesh is heir to, have their sources in an

IMPURE STATE OF THE BLOOD!

As, for instance, in the long catalogue such as Scrofula, Tetter, Barber's Itch, Pimples, Blotches, Erysipelas, Ulcers, Salt Rheum, discharges from the Ear, Fever Sores, or eruptive disease of any kind— These are ascertained by well known medical laws to arise from bad blood—while the highest medical authorities declare that most fevers originate in the same manner, and more particularly typhoid and scarlet—the former being an internal, and the latter an external eruptive disease, and in all persons attacked by these maladies, the blood is found to be either congested, or of a dark unhealthy color.

To ward off a large majority of diseases, as well as to cure a number which have already seized upon the system, it is necessary to

PURIFY THE BLOOD.

Lindsey's Improved Blood Searcher does not claim to be a UNIVERSAL PANACEA for every disease known but its proprietors claim for it the power not only of draining out all impurities of the blood, but by the skilful combination of well-known vegetable remedies it will cure all diseases arising from deranged state of the liver, drive out dyspepsia, and give renewed tone and vigor to the stomach. That the Blood Searcher is all that is claimed for it, the proprietor can produce THE PROOF.

It is only a few years since it was discovered, and yet it has grown into such a business that a large laboratory has been built expressly for its manufacture, a large number of men employed in putting it up and still its SUPPLY DOES NOT EQUAL THE DEMAND.

We ask any candid man, could this be so if the Medicine did not possess all the virtues claimed for it?

The proprietors have hundreds of certificates from men of probity and standing in the community, showing what the medicine is doing daily for the suffering.

Ask any person who has ever used the Blood Searcher whether relief was experienced.

Let the afflicted give it a trial—a single bottle will convince the most skeptical of its efficacy.
