AYER'S CATHARTIC PILLS.

Are you sick, feble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed to health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease to the body, and obstruct its natural functions. These, if not relieved, root upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Cured by similar obstructions and derangements of the natural functions of the body, they are liable, and many of them surely, cured by the same means. Now, who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

Dr. Ayer: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long afflicted with blotches and pimples in her face, which she will, in her turn, tell you, cured by your Pills. After one child was cured she also tried your Pills, and they have cured her.

ASA MORDRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent quality surpasses any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

Dear Dr. Ayer: I cannot answer your school complaints I have cured with your Pills better than to say all that we know. Incl. with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

Pittsburgh, Pa., May 1, 1855.

Dr. J. C. Ayer: Pills I have been repeatedly cured of the worst headache any body can have in a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PRIBLE, *Clerk of Steamer Clarion.*

Bilious Disorders—Liver Complaints.

From Dr. Theodore Dwight, of New York City.

Not only are your Pills admirable adapted to their purposes as an aperient, but I find their beneficial effects upon the liver very marked indeed. They have in my practice proved more effectual for the cure of liver complaints than any other medicine I can mention. I sincerely believe that we have at length a purgative which is worthy the confidence of the profession and the purpose.

Department of the Interior, Washington, D. C., 7th Feb. 1856.

Sirs: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the most excellent we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of disease in which it is not in some degree concerned, that it did not readily yield to them. Respectfully yours, ALEX. H. BALL, M. D., *Physician to the Marine Hospital.*

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. V. Gleek, of Chicago.

Your Pills have had a long trial in my practice, and I have known in cases of the best operations I have ever tried. Their immediate effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhœa. Their superior purgative qualities also recommend them to the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Hosmer, Pastor of Advent Church, Boston.

Dr. Ayer: I have used your Pills with extraordinary success in my family and among those I am called to visit in sickness. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HOSMER.

Warsaw, Wyoming Co., N. Y., Oct. 24, 1855.

Dear Sir: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the functions of the blood.

JOHN G. MAGHAN, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Retention, Dropsy, Paralysis, Piles, etc.

From Dr. J. V. Coughlin, Boston, Canada.

Too much cannot be said of your Pills for the cure of costiveness. Brothers of our profession have found them as efficient as I have, they also tell me in speaking of them for the benefit of the medical profession, that they are a valuable addition, which, although not much in itself, is the precursor of others that are coming. I believe our business is originate in the law, but your Pills make that work and finish the cure.

From Mrs. E. Shaw, Physician and Midwife, Boston.

I feel bound to inform you of the good your Pills have at the present time done among my patients. In cases of costiveness where nature is partially suspended, and where very effectual to rouse the stomach and bowels. They have made the best physic we have had. I recommend to other by patients.

From the Rev. Dr. Bowles, of the Methodist Episc. Church.

Dear Sir: Your Pills are decidedly the best cathartic we use in our family. I should be ungrateful for the relief your skill has been the means of giving me, if I did not make my case in point. A paralytic stroke, which I attribute to my over-exerting myself in preaching, which ended in chronic congestion. Notwithstanding I had the best of physicians the disease gained upon me, until I followed the advice of your excellent agent in Baltimore. In Mackenzie, I tried your Pills. Their effects were all that could be desired. By persevering in the use of them, I am now entirely well.

Berkeley Springs, Morgan County, Va., 5 Dec. 1855.

Dr. Ayer: I have been extremely cured in your Pills of my rheumatic gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill from the dreadful consequences that frequently follow its injudicious use. These Pills are entirely free from mineral substance whatever.

STIMULATING ONGUENT,

For the Whiskers and Hair.

The subscribers take pleasure in announcing to the citizens of the United States, that they have obtained the Agency for, and are now enabled to offer to the American public, the above justly celebrated and world-renowned article.

The Stimulating Onguent.

is prepared by Dr. C. P. Bellingham, an eminent physician of London, and is warranted to bring out a thick set of

Whiskers or Moustache.

in from three to six weeks. The article is the only one of the kind used by the French, and in London and Paris it is in universal use.

It is a beautiful, economical, soothing, yet stimulating compound, acting as it by magic upon the roots, causing a healthful growth of luxuriant hair. Hoagland's the sage, it will cure baldness, and cause to spring up in place of the hair quite a fine growth of hair. Applied according to directions it will turn red or towy hair dark, and restore gray hair to its original color, leaving it soft, smooth, and flexible. The "Onguent" is an indispensible article in every gentleman's toilet, and after one week's use they would not for any consideration be without it.

The subscribers are the only Agents for the article in the United States, to whom all orders must be addressed.

Price One Dollar a box—for sale by all Druggists and Dealers, or a box of the "Onguent" (warranted to have the desired effect) will be sent to any who desire it, by mail, direct, securely packed, on receipt of price and postage, $1,18. Apply to or address

J. A. CRANDALL'S

PATENT SPRING HORSE,

473 BROADWAY, NEW YORK.

Should be in every family, School, Gymnasium, Asylum, and Hospital in the land. Are not DANGEROUS, like the common Rocking Horse. Stands firm on its Pedestal, will not wear CARPETS, and has no Rockers to injure the Feet.

"Health and happiness in the same saddle."—N. P. Willis

FROM THE "HOME JOURNAL."

"Of all the child furniture we have ever seen no article combines so much of those two important things—health and happiness—as the Adjustable Patent Steel Spring Saddle-Horse, invented by Jesse A. Crandall. It is not dangerous, like a common rocking-horse, to children's feet, cannot be upset, does not wear carpets, but stands firm on its base, and its action is so like the gallop of a live horse that the child never wearies of it. This latest of child novelties is exceedingly elegant and artistic in design; and so adjustable, substantial, and durable, that it will last a lifetime. It is indispensable in every family where there are children. It should be in every primary school and gymnasium in the country, as it can be made large and strong enough to sustain grown persons. As a pedestal for photographic pictures, nothing is more beautiful.

"Every Orphan Asylum and Institution where children are congregated, should be furnished with a number of these beautiful articles They are fitted with side-saddles when required."

DIRECTIONS FOR ADJUSTING.—Open the after part of the base sufficiently to allow the axle to go in its place; then raise or lower the Horse to suit you. Screw the bolts in the side very tight.

☞ These Horses are WARRAFTED one year.
