BLANK Government Paper, Deeds and Mortgages, Bonds, Executions, Summons, &c., for sale at the office of the Sunbury American.

HAVE YOU A COUGH?

Then use JAYNE'S EXPECTORANT. Do not allow your cold to take its own course. Two thirds of the victims of consumption owe their afflictions to the fatal mistake of waiting for a cough to get well of itself." Do not fall into this error, but avail yourself at once of a remedy which thirty years' experience has demonstrated is certain to procure a speedy ease.

HAVE YOU ASTHMA OR PHTHISIS.

Then use JAYNE'S EXPECTORANT, which will overcome the spasmodic contraction of the wind tubes, and cause them to eject the mucuous or matter which clogs them up, and by an easy and free expectoration remove all difficulty of breathing.

HAVE YOU BRONCHITIS?

Then use JAYNE'S EXPECTORANT. This widespread disease which may generally be described as an inflamation of the fine skin which lines the inside of the wind tubes or air vessels, spreading through every part of the lungs, is often taken for consumption. The Expectorant subdues this inflamation, relieves the attending cough, pain, and difficulty of breathing, and if the case is not of too long standing will certainly produce a cure.

HAVE YOU CONSUMPTION—Can the Then use JAYNE'S EXPECTORANT. Of all the remedies before the public for consumption, which have a popularity as this Expectorant, which have been given up by their physicians to all who read it.

HAVE YOU PLEURISY?

Then use JAYNE'S EXPECTORANT. By taking two or three large doses in the early stage of the disease in quick succession, and covering up warmly in bed, this preparation acts as a diaphoretic or sweating medicine, and subdues the inflamation at the outset.

HAVE YOU WHOOPING-COUGH.

Then use JAYNE'S EXPECTORANT. There is no remedy which so effectually overcomes this disease as the Expectorant. What parent can witness the sufferings of her children from this distressing complaint without doing all in her power for their relief? What medicine so pleasant to the taste, or so certain to produce immediate benefit? Give it a trial, and let it prove its efficacy.

HAVE YOU CROUP?

Then use JAYNE'S EXPECTORANT. Children are subject to to disease more sudden in its attacks, or, in the absence of prompt relief, none more fatal in its results than Croup. Parents, therefore, should have at hand a remedy sure and thorough. Such a remedy may be found in the Expectorant, and every careful mother will keep a supply by her.

JAYNE'S EXPECTORANT.

Is a standard medicine. For thirty years it has been before the public, and during this period its curative powers have been testified to by all classes of people in all quarters of the world. Physicians, clergymen, lawyers, merchants, and mechanics have experienced its remedial effects, and have furnished us with their testimony, and it may be found at length in our Almanac, to be had gratis of all agents. To their concluding certificate we would refer the doubting.

The EXPECTORANT and all Dr. D. JAYNE & SON'S FAMILY MEDICINES are sold by all Druggists generally.

RHEUMATISM!

DR. LELAND'S

ANTI-RHEUMATIC BAND

PERMANENTLY CURES

RHEUMATISM!

IN ALL ITS VARIOUS FORMS.

Acute or Inflammatory; Chronic, Lumbago, Sciatica, Pleurodyne, &c.

Stiffness of the Joints and Cramps—Gouts, Neuralgia and all Nervous Affections—Erysipelas, Salt Rheum and Scrofulous Eruptions of the body—Neutralizes the Impurities of the Blood and Fluids of the whole system, and effectually counteracting Mercurial and other poisonous influences.

ANTI-RHEUMATIC BAND.

It is a convenient arrange BELT, containing a Medicated Compound, to be worn around the body about the waist EQUALLY EFFECTING ALL PARTS, wherever the disease may be. It can be worn without injury to the most delicate person, and no change in the proper habits of living is required. It entirely removes the disease from the system, with the laborious use, in such cases, of powerful internal medicines, which weaken and destroy the constitution and give temporary relief only by stupifying the system, and deadening its vitality. By this treatment, the medicinal properties contained in the Band, being of a highly aromatic and volatile nature and capable of being readily absorbed, through the pores of the skin, come into direct contact with the Blood and general circulation, without first having to pass through the stomach, which would tend not only to detract from their curative powers, but to impair the internal organs as derange the digestion also—Thus avoiding the injurious effects, so often the result of internal remedie, and effecting a perfect cure by purifying and equalizing the circulation of the vital fluids and restoring the parts affected to a healthy condition—This Band is also a most powerful "ANTI-MERCURIAL AGENT."—Calomel being the primary cause of a large part of the suffering, Neuralgic Pains and Rheumatics, so prevalent—and will entirely relieve the system from its pernicious effects.

Moderate cases are cured in a few days and we are constantly receiving unbolted testimonials—to which we invite inspection at our office—of their efficacy in aggravated cases of long standing.

VINELAND.

TO ALL WANTING FARMS.

New Settlement of Vineland.

A REMEDY FOR HARD TIMES.

A Rare opportunity in the Best Market, and most Delightful and Healthful Climate in the Union. Only Thirty Miles South of Philadelphia, on a Railroad; being a rich, heavy soil, and highly productive wheat land; amongst the best in the Garden State of New Jersey.

It consists of 20,000 acres of good land, divided into Farms of different sizes to suit the purchaser—from 20 acres and up wards—and is sold at the rate of $15 to $20 per acre for the farm land, payable one-fourth cash, and the balance by quarter-yearly instalments, with legal interest, within the term of four years.

THE SOIL

Is, in great part, a Rich Clay Loam, suitable for Wheat, Grass and Potatoes—also a dark and rich sandy loam, suitable for Corn, Sweet Potatoes, Tobacco, all kinds of vegetables and root crops, and the finest varieties of fruit, such as Grapes, Peaches, Pears, Apricots, Nectarines, Blackberries, Melons, and other fruits, best adapted to the Philadelphia and New York markets. In respect to the soil and crops there can be no mistake, as visitors can examine both, and none are expected to buy before so doing, and finding these statements correct—under these circumstances, unless these statements were correct, there would be no use in their being made. It is considered

THE BEST FRUIT SOIL IN THE UNION.

[See Reports of Solon Robinson, Esq., of the New York *Tribune*, and the well-known agriculturist, William Parry, of Cinnaminson, New Jersey, which will be furnished to inquirers.]

THE MARKET.

By looking over the map the reader will perceive that it enjoys the best market in the Union, and has direct communication with New York and Philadelphia twice a day, being only thirty-two miles from the latter. Produce in this market brings double the price that it does at locations distant from the cities. In this location it can be put into market the same morning it is gathered, and for what the farmer sells he gets the highest price; whilst groceries and other articles he purchases, he gets at the lowest price. In the West, what he sells brings him a pittance, but for what he buys he pays 100 prices. In locating here the settler has many other advantages. He is within a few hours, by railroad, of all the great cities of New England and the Middle States. He is near his old friends and associations. He has school for his children, divine service, and all the advantages of civilization, and he is near a large city.

THE CLIMATE

Is delightful; the winters being salubrious and open, while the summers are no warmer than in the North. The location is upon the line of latitude with northern Virginia.

Persons wanting a change of climate for health, would be much benefitted in Vineland. The mildness of the climate and its bracing influences, makes it excellent for all pulmonary affections, dyspepsia, or general debility. Visitors will notice a difference in a few days. Chills and fevers are unknown.

CONVENIENCIES AT HAND.

Building material is plenty. Fish and Oysters are plentiful and cheap.
