COLUMBIA DEMOCRAT.

Saturday Morning, Dec. 23, '65.

☞ WE refer with profound satisfaction to our large list of important new advertisements in this "Columbia Democrat."

☞ Mr. O. R. EVERLY, of Montour Mills, on Monday last, slaughtered five splendid large hogs, one of which weighed 551 lbs.

☞ Messrs. John & H. C. Kelchner have purchased the Battle Mill and Furnace property in Light Street. Price $8,750.

☞ THE PHILOMATHEAN SOCIETY, of New Columbus, Pa., will give an Exhibition for the benefit of the Public Library, on Saturday evening, Dec. 30th, 1865.

☞ Mr. L. C. Moyer, has erected a fine Christmas Tree, in his Store window. He has a fine variety of Christmas Gifts. Children, now's your chance.

☞ We wish our friends and patrons a *Merry Christmas* and HAPPY NEW YEAR. No paper next week. Our next issue will appear on the 5th of January.

☞ Messrs. H. W. & D. A. Creasy, have purchased Mr. Battle's Store House property in Light Street. Price $2,475.

☞ Mrs. & Mr. Stohner, wish to inform their friends and the public, that they have an excellent assortment of Candies, Confectionaries and Christmas Toys, to which they invite general attention.

PORTRAIT OF GEN. LEE.—We acknowledge the receipt of a beautifully engraved steel-plate Portrait of Gen. Robert E. Lee, published by A. B. Walter, of Philadelphia.

☞ CHRISTMAS will be here next Monday, and our Coop has nary *Turkey!* Our good friend, JOHN KESSLER, came to our rescue, just in time, for last Thanksgiving. Who will now emulate his noble example.

☞ *The Ross Times*, is the title of a new and neat weekly paper just issued from the Oil Region of Venango county, Pa., by S. D. Page, Esq. It is chiefly devoted to the Oil interest, and appears rather neutral in politics. Price $2 per annum in advance.

☞ *The Little Pilgrim*, will enter upon its new volume on the first of January. Every parent should get it for their little ones. Published by Grace Greenwood, Philadelphia, at 60 cents per year.

☞ *Church Dedication.*—The newly erected Edifice of the M. E. Society, near the residence of Mr. Andrew Hess, in Sugarloaf township, Columbia co., will be Dedicated to the worship of Almighty God, on New Year's Day. Ministers from abroad will be present on that occasion. The public are cordially invited to attend.

☞ *The Germantown Telegraph*, published at Germantown, Philadelphia co., by Maj. Philip R. Freas, after some years of absence, again appears among our Exchanges. The Telegraph is emphatically a family newspaper. It is conducted with spirit, ability and gentility—and contains a well digested assortment of rich information as should adorn the columns of a good and great public Journal.

☞ On Tuesday, the 5th of December, 1865, on motion of Col. Freeze, GEO. D. HAUGHAWOUT, Esq., of Schuylkill co., was admitted to practice at the Bar of the several Courts in Columbia county.

On motion of R. F. Clark, Esq., M. M. L'VELLE, Esq., of Centralia, in this county was admitted to practice as an attorney in the several Courts of Columbia county.

On motion of R. F. Clark, Esq., A. P. SPINNEY, Esq., of Ashland, was admitted to practice as an Attorney in the several Courts of Columbia county.

☞ *Trouble ahead!—Dr. John* is getting himself into another tight place, or ugly fixation. He is, in the teeth of the Scripture declaration to the contrary notwithstanding, trying to "*serve two masters*," —viz: Johnson and Mercur, whilst their course of policy is in direct opposition to each other. We fear that *Mr. Dunn*, in attempting to ride two horses, will fall between them and break his neck. Look out, Thomas!

☞ We are in receipt of an exchange with that great paper, entitled the "*La Crosse Democrat*," published at La Crosse, Wisconsin, by Col. M. M. POMEROY. It is such a paper as only a brave and bold man dare publish, and just such an one as every *living democrat* in the country should liberally patronize. Col. POMEROY, is a terror to evil-doers and a perfect adept in the business of skinning political skunks and excoriating loyal thieves and scoundrels.

MR. CHAMBER'S GREAT SERMON.—We publish on the first page of the Columbia Democrat, this week, the great Sermon delivered by the Rev. John Chambers, of the Independent Presbyterian Church of Philadelphia, on last Thanksgiving day. It is the GOSPEL of the Bible and the Democracy. It will, every word and sentence, meet a hearty response in the heart of hearts of every Christian who loves *the law*, the Union and the Constitution.

RETURN OF DR. ELY.—J. J. ELY, M. D., formerly Professor in the Nashville (Tennessee,) Medical College, who has met with such signal success in the treatment of the various diseases of the Lungs, Liver, Spine and Kidneys, and in fact, about every other ill that flesh is heir to, has returned to spend a single week again in Bloomsburg. He can be consulted, *gratuitously*, at the Exchange Hotel. The great success that has attended all his Patients here, whom he treated about a month ago, is his highest recommendation, and we feel quite sure, that the announcement of the fact of his return here, will insure the prompt and early visitation of all the afflicted who desire a speedy cure.

There are a number of persons in Bloomsburg, of the highest respectability who can bear willing testimony as to the entire restoration of their health under the treatment of Dr. Ely. The Wilkes-barre Journals and others where he has been practicing, also, bear the highest testimony of his great success in curing the most intricate and hopeless ones of disease. We only say, give him a call.

MUSICAL CONCERT.—It is probably a source of regret to every one familliar with the fact, that the Soldier's Burying Ground in the Cemetry at this place, is without any ornament or mark whatever, to show that it contains the remains of individuals, except the mound-shapen earth of the grave. We are glad to learn that our military friends have not forgotten the brave dead, who shared with them the strife of battle and fell ere the victory was won. That the public may express their gratitude to the fallen, a Grand Musical Concert is to be given in the Lutheran Church, on Friday evening preceding New Years, the proceeds of which are to be appropriated towards enclosing the lot in which our soldiers are buried. A collection of musical talent is now being secured and a rich treat will be offered the public.

Of course everybody will attend.

☞ MR. BUCHANAN'S NEW BOOK, entitled his "Administration on the eve of the rebellion," is for sale by Col. Freeze at publishers prices. It is conclusive and unanswerable on every point it touches. No man who desires to be up to the times, can afford to be without it. It is a complete defence of the late President's policy, and a most damaging exposition of the policy, course and objects of the opposition.

MR. BUCHANAN discusses the rise of the slavery agitation, the Lecompton question, the Charleston Convention, the Peace Congress, the Crittenden Compromise, the bombardment of Fort Sumter, General Scott, the Monroe Doctrine, and many incidental topics.

It is unquestionably the book of the season and will be more generally read than any one published for many years.

☞ An article from the *Patriot & Union* in another part of our paper, gives a very graphic account of the doings of the Congress now in session. They are "all for the nigger, the sweet scented nigger." To show the negroe's proper place, you should read the "Bible view of Slavery" and "Negroes and Negro Slavery" for sale by Col. Freeze. Equality social and political, is not by any means consequent upon freedom, as the abolitionists so strenuously insist. Read up the question.

☞ A person who has been keeping count says that no less than *forty* amendments to the Federal Constitution have already been proposed in Congress by the Radical Disunionists. They are determined at all hazards to get rid—piecemeal—of that "covenant with death and compact with hell."

☞ A deranged woman who says her name is Eleanor Hilburn the wife of Abraham Hilburn, of Bloomsburg, but has been identified as a supposed resident of waverly came to the residence of Gen. Patton in Towanda on the 13th, and has evidently strayed from home. She is so imaginative in conversation that nothing reliable can be elicited from her in regard to her residence or past history. We hope this notice may reach her friends that she may be restored to their charge.—*Bradford Argus.*

☞ Many of the Southern Congressmen have left Washington for their homes, and others are about to follow.

☞ It is believed that Congress will authorize the issue of an additional one hundred millions of national currency.

It is stated that Napoleon has written to Secretary Seward, asking the recognition of Maximilian's empire as the *de facto* government of Mexico.

ALLCOCK'S POROUS PLASTERS—A Druggist said the other day, you have no need to advertise your Porous Plasters, every one sold certainly causes a dozen to be sold, and a dozen sells a gross, and so on. You will not be able to supply the demand soon. But we can supply a thousand yard a day.

AFFECTION OF THE SPINE CURED.

Hertford, Conn., Nov. 11, 1861.

Messrs. Thos. Allcock & Co—Please send with dispatch, twelve dozen Allcock's Porous Plasters. Our daily experience confirms their very superior excellence. At this moment of writing, a man applies for one, who, by entanglement in the shaft machinery, had both his legs broken, spine severely injured and was nearly a year entirely helpless. This man found relief very soon by the application of a plaster to his spine. He was soon enabled to work, and now he labors as well as ever. He would cheerfully pay $5 for a single Plaster if they could not be had at a lower rate. I am surprised that surgeons do not make use of these perforated plasters, to the exclusion of all others, as their flexibility and adhesiveness are greatly in advance of all other plasters with which I am acquainted while the perforations peculiar to them renders them greatly superior to all others for ordinary surgical uses. Knowing the Plasters to be useful, I have no scruples that my sentiments should be known.

Special Notice.

"Great oaks from little acorns grow." The worst diseases known to the human race spring from causes so small as to almost defy detection. The volumes of scientific lore that fill the tables and shelves of the medical fraternity only go to prove and elaborate these facts.

Then guard yourselves while you may. The smallest pimple on the skin is a tell-tale and indicator of disease. It may fade and die away from the surface of the body, but it will reach the vitals, perhaps, at last, and death be the result and final close. Maggiel's Bilious, Dyspeptic and Diarrhea Pills cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin, Maggiel's Salve is infallible. Sold by J. Maggiel, 43 Fulton Street, New York, and all Druggists, at 25 cents per box.

THE QUAKER CITY

BUSINESS COLLEGE

N. E. Cor. Tenth and Chestnut Streets. PHILADELPHIA.

The most complete and thoroughly appointed Business or Commercial College in the country.

The only one in the city possessing a Legislative Charter, and the only one in the United States authorized to confer Degrees of Merit. Diplomas awarded to graduates in the Commercial Course under its corporate seal by authority of law.

Conducted by gentlemen of liberal education and extensive experience in business, and affording unequalled advantages for the thorough theoretical and practical education of young men for the various duties and employments of business life.

THEORY AND PRACTICE COMBINED

by a system of

ACTUAL BUSINESS TRAINING

original and pre-eminently practical, giving the student in the shortest time a complete insight into the science of accounts, arranged and published by the proprietor of this Institution exclusively for his own use, saving one-half the ordinary labor of the student and giving him a complete knowledge of the practice of the best accountants.

THE COMMERCIAL COURSE

EMBRACES

Bookkeeping, Commercial Arithmetic, Penmanship, Business Correspondence, Commercial Law, Lectures on Business Affairs, Commercial Customs, Forms, and Actual Business Practice.

SPECIAL BRANCHES.

Algebra and the Higher Mathematics, Phonography, Ornamental Penmanship, the Art of Detecting Counterfeit Money, Engineering, Surveying, Navigation and Telegraphing

TELEGRAPHING.

The arrangements for Telegraphing are far more advanced than anything of the kind ever offered to the public. A regular Telegraph Line is connected with the institution with twenty branch offices in various parts of the city, where public business is transacted, and in which the students of this Institution are permitted to practice. No regular office practice can be had in any other school of instruction in the country, without which no one can obtain a position as a practical operator. Young men are cautioned against the deceptive representations of those who, without any such facilities, pretend to teach Telegraphing.

PATRONAGE.

This Institution is now enjoying the largest patronage ever bestowed upon any Commercial school in the State. Over five hundred students were in attendance the first year, and over seven hundred during the past year. The best class of students may invariably be found here, and all its associations are first class.

LOCATION AND ACCOMMODATIONS.

This Institution is located in the most central part of the city, and its accommodations, for extent, elegance and convenience, are unsurpassed. All the rooms have been fitted up in the very best style with BUSINESS OFFICES OR COUNTING HOUSES. TELEGRAPH OFFICE, STATIONARY STORE, AND A REGULAR BANK OF DEPOSIT AND ISSUE,

supplied with finely engraved lithographic notes used as a circulating medium in the Department of Actual Business.

TO YOUNG MEN

who desire the very best facilities for a

Practical Education for Business,

we guarantee a course of instruction no where else equalled, while the reputation and standing of the Institution among business men make its endorsement the best passport to success and advancement. All contemplating entering any Commercial College, are invited to send for an ILLUSTRATED

CIRCULAR AND CATALOGUE

containing complete interior views of the College, and full particulars of the course of instruction, terms, &c.
