BIG PIECE OF GROUND
can be bought on a rental basis.

If you have a few hundred dollars to pay down, you can pay the balance in rent from month to month. You do not have to give any mortgage, and, if at any time in the future you want to discontinue the payments, you can make an amicable settlement with me and no hard feeling.

The house is big enough for four or five people to be comfortable in and is small enough to make the housework easy. It is near enough to the station to walk and it is far enough away to get rid of the noise and smoke. There is enough ground to have your own vegetables or keep a few chickens.
