Shocking Case of Scrofula Cured.

New York, December 6, 1852

Dr. G. W. Halsey—Dear Sir:—I deem it but justice to you, as the inventor of a great medicine, to send you a short history of my own case. I am 27 years of age. At 13 I was attacked with scrofula which formed Pustules and broke out in large ulcers on my neck, near the collar bone, and from thence extended nearly up to the left ear. About six months since I commenced using your Forest Wine and Pills, (following the directions,) which in nine weeks cured me. The scars, although now sound bear testimony of the dreadful manner in which I was afflicted. After nearly fourteen years suffering, I now rejoice to say that my health is fully restored by your remedies, all others having proved quite ineffectual.

Yours, very respectfully SAM'L BOEN.

Cure of Palsy.

The following Testimony, given us by Mr. Jothan P. Condit, of Orange, N. J., shows the extraordinary effects of the Wine and Pills in paralysis.

Orange, N. J., Feb. 14, 1853.

Dr. G. W. Halsey—Dear Sir.—My wife had a stroke of the Palsy, so severe that her whole system was completely paralysed. She continued to grow weaker for nearly two years, losing nearly all use and sensibility of her body and limbs. We almost despaired of her recovery. At this time she began to take your medicines. Their good effects were soon experienced. She began gradually to improve in health, and in a few months recovered entirely. The extraordinary effects of your wine and Pills, in curing my wife of a complaint we never expected her to get better of and, as a duty I owe to yourself and the public, I send you this certificate. JOTHAN P. CONDIT.

I am acquainted with Mr. J. P. Condit, and know the above certificate to be true. H. P. HERDMAN.

23 Chambers street, N. Y.

READER! If you want not your constitution injured by that slow, but sure poison Calomel, or other mineral substances, touch not such Medicines as contain them, or any uncertain Medicine whatever, but procure those excellent and purely vegetable preparations, Halsey's Forest Wine and Pills.

If you have the Dyspepsia or are troubled with costiveness, take the Wine and the Pills, according to the directions, and you will then get well.

If you are nervous or weakly, or have emaciated countenance, or general debility, this Wine and the Pills will restore you to health and energy.

If you have unhealthy colored skin, or pimples, or pustules, or blotches, these Medicines will purify the blood, and eradicate all such humors from the skin.

If you have a weakly constitution and feel yourselves too old for your years, take these excellent Medicines, and they will invigorate your constitution and fortify it for longer life.

If you are Billious, (which may be known by such symptoms as Drowsiness, Loss of Appetite, Dizziness, Furred Tongue, &c.,) take a good dose of the Forest Pills, and they will purge from the stomach and bowels all morbid and billious matter, and thus prevent a fit of sickness, and save your doctor's bill of $10, $20, or $50.

If you have the Liver Complaint, the Forest Wine and Pills will cure it. These Medicines exert a powerful and most salutary action on the Liver, have been the means of curing thousands of this troublesome disease.

PARENTS, there is not perhaps a month in the year that some one of your children or members of your family do not complain of Headache, or Dizziness, or Sickness at Stomach, or have furred tongues, or some other unfavorable symptoms. These are the forebodings of disorder, and sickness, of some kind or other, soon follows, for such symptoms always show that bile or morbid matter exists in the stomach and bowels, or that the system is otherwise disordered. Timely use of the Forest Wine and Pills will, in all cases, prevent sickness from such causes, and will purify the blood, and produce strength and animation.

The Forest Medicines kept constantly on hand, to be taken whenever such symptoms are exhibited, will save your family almost entirely from sickness, as well as your doctor's bill, which frequently amounts to more in a week, than sufficient of these Medicines to keep your family in good health for years.

LADIES, the Forest Wine is your medicine. This pleasant, agreeable effective medicine, exactly suits your delicate constitutions. If you are weakly or nervous, or in general ill health, this wine will do more to restore you than all other medicines. In all cases where bile exists, or the bowels constipated, the Forest Pills also should be taken according to the directions.

Mariner and Traveller, if you wish to guard yourself against sickness and dangerous diseases, which may jeoperdize your life, provide yourself with the Forest Wine and Pills before starting out on a long voyage, that you may have them on hand when required.

The Forest Wine is put up in large square bottles, with Dr. Halsey's name blown in the glass. One Dollar per bottle, or six bottles for Five Dollars. Gum-coated Forest Pills 25 cents per Box. For Sale by the appointed Agents, at Wholesale and Retail. General Depot, 161 Duane street, one door from Hudson, New York.

Appointed Agents in Montrose, Abel Turrell; Great Bend, Lucien Scott.

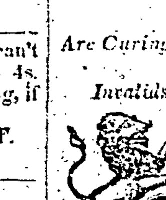
AYER'S PILLS

Are Curing the Sick to an extent never before known of any Medicine.

Invalids, Read and Judge for Yourselves.



JULES HAUEL, Esq., the well known perfumer, of Chestnut street, Philad., whose choice products are found at almost every toilet, says:

"I am happy to say of your Cathartic Pills, that I have found them to be a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them and coincide with me in believing that they possess extraordinary virtues for driving out disease and curing the sick. They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the public when they are known."

The venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1854:

"Dr. J. C. Ayer—Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite and Billious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure, and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co. says:

"Pa. R. R. Office, Philad., Dec. 13, 1853.

"Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth, N. H., writes—

"Having used your Cathartic Pills in my practice, I certify from experience, that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. I have for many years known your *Cherry Pectoral* as the best Cough medicine in the world, and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

"Acton, Me., Nov. 25, 1853.

"Dr. J. C. Ayer—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and now after 20 years' trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered, and how long.

"Never until now have I been free from this loathsome disease in some shape. At times it attacked my eyes and made me almost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair and has kept me partly bald all my days; sometimes it came out in my face and kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathartic Pills, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person.

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c.

MARIA RICKER."

"I have known the above named Maria Ricker from her childhood, and her statement is strictly true.

ANDREW J. MESERVE.

Overseer of the Portsmouth Manufacturing Co."

Capt. JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854—

"Your Pills have cured me from a billious attack, which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician and from every remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects.— They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months. He told me in a few days they had cured him. You make the best medicine in the world, and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

New Orleans, April 5, 1854.

"Sir—I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years,—indeed this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.

"You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmindful of it. Yours respectfully,

LEAVITT THAXTER."

Senate Chamber, Ohio, April 5th, 1854.

"Dr. J. C. Ayer—Honored Sir—I have made a thorough trial of the Cathartic Pills, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your Cathartic Pills. Yours with great respect,

LUCIUS B. METCALF."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.

GENTLEMEN:—We take much pleasure in recommending your Salamander Safes to Merchants and others in want of a secure means of preserving their books, papers, &c., from fire, as the one we purchased from you about seven months since has preserved our books, and cash in as good a condition as they were when put into it, before the great fire this morning, which destroyed the entire block of buildings corner of Chestnut and Fifth streets. The above was in use in our office, on the second floor of our building, from which place it fell into the cellar and remained there until the fire was out. The Safe was then removed and opened in the presence of at least 1000 persons, who witnessed the good condition of the contents. Will you please have the Safe and Locks repaired as we intend to put it in use again, having perfect confidence in its fire-proof qualities.

Yours, Respectfully,

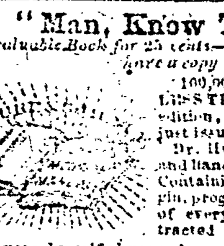
"Man, Know Thyself."

An Invaluable Book for 25 cents—Every family should have a copy.



100,000 COPIES SOLD IN LESS THAN A YEAR. A new edition, revised and improved, just issued.

Dr. Hunter's Medical Manual and Hand Book for the afflicted—Containing an outline of the origin, progress, treatment and cure of every form of disease contracted by promiscuous sexual intercourse, by self abuse or by sexual excess, with advice for their prevention, written in a familiar style, avoiding all medical technicalities, and everything that would offend the ear of decency; with an outline of complaints incident to Females, from the result of some twenty years' successful practice exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague.

Testimony of the Professor of Obstetrics in Penn College, Philadelphia.—"DR. HUNTER'S MEDICAL MANUAL."—The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.

JOS. S. LONGSHORE, M. D.

From A. Woodward, M. D., of Penn University, Philadelphia.—It gives me pleasure to add my testimony to the professional ability of the Author of the "MEDICAL MANUAL." Numerous cases of Disease of the Genital Organs, some of them of long standing, have come under my notice, in which his skill has been manifest, in restoring to perfect health, in some cases where the patient has been considered beyond medical aid. In the treatment of Seminal weakness, or disarrangement of the functions produced by self abuse or Excess of venery, I do not know his *superior* in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves. ALFRED WOODWARD, M. D.

"This is, without exception, the most comprehensive and intelligible work published on the class of disease of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent however fastidious, can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and, with too little breath to puff and too little presumption to impose, he has offered to the world, at the merely nominal price of 25 cents, the fruit of some twenty years' most successful practice."—*Herald.*

"No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow to the youth under their charge."—*People's Advocate.*

A Presbyterian clergyman in Ohio, writing of "Hunter's Medical Manual" says:—"Thousands upon thousands of our youth, by evil example and influence of the passions, have been led into the habit of self pollution, without realizing the sin and fearful consequences upon themselves and their posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Anything that can be done so to enlighten and influence the public mind as to check and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generation. Intemperance, or the use of intoxicating drinks, though it has slain thousands upon thousands, is not a greater scourge to the human race. Accept my thanks on behalf of the afflicted, and, believe me, your co-worker in the good work you are so actively engaged in."

One copy, (securely enveloped) will be forwarded, free of postage, to any part of the United States for 25 cents, or six copies for $1. Address, (post paid) COSDEN & CO., Publishers or Box 196 Philadelphia.

Helmbold's Genuine Preparations.

Helmbold's Highly Concentrated Compound Fluid Extract Buchu,

For Diseases of the Bladder and Kidneys, Secret Diseases, Strictures, Weaknesses, and all Diseases of the Sexual Organs,

Whether in Male or Female,

from whatever cause they may have originated and no matter of how long standing.

If you have contracted the terrible disease which, when once seated in the system will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminent Physicians *the greatest remedy ever known*. It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.

CONSTITUTIONAL DEBILITY,

brought on by self abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this *infallible remedy*. And as a medicine which must benefit everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, acting both as a cure and preventive.

Helmbold's Highly Concentrated

Compound Fluid Extract Sarsaparilla,

For purifying the Blood, removing all diseases arising from excesses of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the face, and all Scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.

NOTICE.—Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.

PRICES, Fluid Extract of Buchu, $1 per bottle, or 6 Bottles for $5; Sarsaparilla, same price, equal in strength to one gallon Syrup of Sarsaparilla.

Prepared and sold by H. T. HELMBOLD, Chemist, 263 Chestnut St., near the Girard House, Philadelphia.

To be had of Abel Turrell, Montrose, Pa., and of Druggists and dealers everywhere.

All Letters directed to the Proprietor or Agent receive immediate attention. 23y1
