SCHENCK'S MANDRAKE PILLS

FOR

SICK HEADACHE,

Its Simptoms Cause and Cure.

There has received its name from a constant nausea or sickness at the stomach, which attends the pain in the head. This headache is apt to begin in the morning on waking from a deep sleep, and when some irregularity of diet has been committed on the day before, or sometimes for several days previous. At first there is a distressingly oppressive feeling in the head, which gradually merges into a severe heavy pain in the temples, frequently attended by a tense of fullness and tenderness in one eye, and extending across the forehead. There is a clammy, unpleasant taste in the mouth, an offensive breath, and the tongue covered with a yellowish white fur. The sufferer desires to be alone in the dark room. As soon as the patient feels the fullness in the head and pain in the temples, take a large dose of Schenke's Mandrake Pills, and in an hour or two they will feel as well as well as ever. This has been tried by thousands, and is always sure to cure, and instead of the sick headache coming on every week or ten days, they will not be troubled with it once in three months.

Schenck's Mandrake Pills are composed of a number of roots besides Podophinin, or concentrated Mandrake all of which tend to relax the secretions of the liver, and act more prompt than blue pills or mercury, and without leaving any dangerous effects In a bilious person they will show themselves by the stools. They will expel worms, mucus, bile and all morbid matter from the system. In sick headaches if they are taken as directed above, (a full dose as soon as they feel the first symptoms of it Dr. Schenck will and has directed his agents to return the money if they do not give perfect satisfaction.

If a person has been compelled to stay out late at night and drink too much wine, by taking a dose of pills on going to bed, next morning he will feel as though he had not drank a drop, unless he forgets to go to bed at all.

They only cost 25 cents a box.

Whoever takes them will never use any other,—They are worth a dollar to a sick man for every cent they cost.

Dont forget the name—SCHENCK'S MANDRAKE PILLS.

Sold wholesale and retail at Dr. Schenck's Principal Office, No. 15. North Sixth street, Philadelphia and by Druggists and Storekeepers generally.

Price for Pulmonic Syrup, Seaweed Tonic, each $1 50 per bottle. $7 50 the half dozen, or two bottles of Syrup and one of Tonic, for $3 75.

Dr. Schenck will be at his office, No. 15 North Sixth Street, Philadelphia, every Saturday to see patients. He makes no charge for advice, but for a through examination of the lungs with his Respirometer, he charges $3.

MAGNIFICENT SALE.

Gold and Silver Watches, Jewelry &c.

ON THE ONE DOLLAR PLAN.

The entire stock of One Gold and Silver Watch Manufactory, Two Immense Jewelry Establishments, One Silver Plating Warehouse, One Gold Pen and Pencil Maker, to be disposed of with dispatch without regard to COST!

The Goods are of fashionable styles and most excellent workmanship, and are sacrificed in this manner to relieve the proprietors from embarrassment occasioned by a distracting civil war. It should be prominently stated, also, that they are mostly of

AMERICAN MANUFACTURE,

and therefore greatly superior to the goods imported from abroad and hawked about as the cheapest ever sold. The simple duty on imported goods, and this high premium on Gold (all foreign bills are payable in gold) amount to more than the entire cost of many of the articles offered by us to the public. To facilitate the sale

ONLY ONE DOLLAR

will be charged for any article on our list, and this can the purchaser need not pay until he knows what he is to get! This plan secures with the method recently become so popular for disposing of large stocks of Jewelry and similar products.

THE PLAN IS SIMPLE!

The name of each article offered for sale—as "Gold Hunting Watch," "Gold Oval-Band Bracelet," "Pearl Breastpin and Ear-Drops," "Gold Enamelled Ring," "Silver Plated Cake Basket" &c., is written on a card and enclosed in a sealed envelope; these envelopes are then placed in a drawer and well mixed; then as an order is received, with twenty-five cents for return postage and other charges, one of the cards or certificates is taken at random and sent by first mail to the customer, who will see at once what he can get for one Dollar. If he is pleased with his fortune he can forward the money according to directions on the certificate and secure the prize. If the article awarded should be unwanted to the purchaser—as for example, a set of Pearl Ear-Drops and Breastpin to a young man who could not wear them, and had no one to give them to—we will send any other article on the catalogue of equal price which may be preferred. Or if, for any reason, you choose to venture no further, then you can let the matter drop where it is and spend no more. Examine carefully our Catalogue!

MRS. MARIA THOMPSON

Sunbury, Oct 22 1863.—

Ayer's SARSAPARILLA,

THE WORLD'S GREAT REMEDY FOR

Scrofula and Scrofulous Diseases.

From Emery Eaton, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Bold. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an inflaming humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely known Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Sawin, Houston St., New York.

"DR. AYER. I seldom fail to remove *Eruptions* and *Scrofulous Sores* by the persevering use of your SARSAPARILLA, and I have just now cured an attack of *Malignant Erysipelas* with it. No alterative we possess equals the SARSAPARILLA, you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had that yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians round each, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general *debility*, and for *purifying the blood*, with very beneficial results, and I feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Seckler, Esq., the able editor of the Tuckahannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering wound completely which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Stout, of St. Louis, Missouri.

"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of *Syphilis* and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"DR. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for *Syphilis*, both of the *primary* and *secondary* type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or *mercurial disease*, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Ayer's SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him

Leucorrhœa, Whites, Female Weakness,

are generally produced by internal *Scrofulous Ulceration*, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia,

when caused by *Scrofula* in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

BEAWLEY'S

SOLIDIFIED

DENTAL CREAM,

For Cleansing, Whitening and Preserving the TEETH!

This article is prepared with the greatest care upon scientific principles, and warranted not to contain anything in the slightest degree deleterious to the teeth or gums. Some of our most eminent Dental Surgeons have given their sanction to, and cheerfully recommend it as a preparation of superior qualities for cleansing, whitening and preserving the TEETH. It cleans them readily, rendering them beautifully white and pearly, without the lightest injury to the enamel. It is healing to the gums where they are ulcerated and sore. It is also an excellent disinfectant for old decayed teeth, which are often exceedingly offensive. It gives a rich cleasny taste to the mouth, cleansing it thoroughly, and imparting a delightful fragrance to the breath.

PREPARED ONLY BY

A. HAWLEY & CO.,

N. W. Cor. 10th & Lombard Sts., Philadelphia.

And sold by all Druggists. PRICE 25 CENTS.

TESTIMONIALS.

The following opinion of Dr. White, as to the high esteem in which he holds the Dental Cream, must be sufficient evidence of its value; to quote other testimonials in detail is needless, contenting ourselves by simply giving the names and addresses of persons who speak of its excellency for the teeth.

Philadelphia, April 15th, 1863.

Having carefully examined A. Hawley's Solidified Dental Cream, I hereby cheerfully recommend it to the public generally. It is an excellent preparation for cleansing and preserving the teeth, and can be safely all persons with the utmost confidence, as its properties are perfectly harmless. Besides preserving the teeth, it promotes a healthy action to the gums, and imparts a pleasantness to the breath.
