Bedford Gazette

Bedford, Pa., Friday, April 27, 1866.

[illegible] that two of the most prominent men in Mr. Lincoln's cabinet are now acting with the Democrats? Hon. Edward Bates, Attorney General under Mr. Lincoln, is doing noble service in favor of the repeal of the oppressive reconstruction forced upon his State, Missouri, at the point of the bayonet. Hon. Montgomery Blair, Mr. Lincoln's Postmaster General, is also battling nobly for civil liberty in Maryland. These distinguished gentlemen have both been driven out of their party, and into the Democratic ranks, by the radicalism of the men who control the "Republican" organization. Messrs. Cowan, Doolittle and Dixon, three of the ablest men in the United States Senate, are also compelled to act with the Democrats, on the leading issues of the day. When these men find it necessary to pursue this course, there must be "something rotten in the Abolition Denmark."—*Bedford Gazette.*

——Preacher Evans, of Bedford, Indiana, an elector on the "Republican" ticket, during the last presidential campaign, although a married man, has run away with the wife of one Thomas Johnson. He is opposed to the "twin relics of barbarism, polygamy and slavery,"—especially the former.

——A New Orleans paper publishes a letter from General Beauregard, in which he states that at one time he tho't of going to Brazil, but the generous sentiments expressed by President Johnson towards the Southern States, induced him to remain in Louisiana.

To Make Boots Waterproof.—Yellow beeswax, Burgundy pitch, and turpentine, of each two ounces; boiled linseed oil, one pint. Apply to the boots with the hand, before the fire till well saturated.

——A miner who lately came from Virginia City, says vegetation is so scarce in that region, that "two mullen stalks and a bunch of thistles is called a grove!"

——Odors from boiling ham, cabbage, &c., are prevented by throwing red pepper pods, or a few pieces of charcoal into the pot.

NEW SKIRT FOR 1866.—The great Invention of the Age in HOOP SKIRTS.—J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double) SPRING SKIRT.

This invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge making the toughest, most flexible elastic and durable spring ever used. They seldom bend or break, like the single springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex elliptic skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress.

A lady having enjoyed the pleasure, and great convenience of wearing the Duplex elliptic steel spring skirt for a single day will never afterwards willingly dispense with their use. For children, misses and young ladies they are superior to all others.

The hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn, covering which is used on all single steel hoop skirts. The three bottom rods on every skirt are also double steel, and twice, or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, etc., etc. which they are constantly subject to when in use.

All are made of the new and elegant corded tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desirable, comfortable and economical skirt ever made.

WEST BRADLEY & CARY, PROPRIETORS of the invention, and SOLE MANUFACTURERS, 97 CHAMBERS, and 79 & 81 READE STREETS, New-York.

FOR SALE in all first-class Stores in this City, and throughout the United States and Canada, Havana de cuba, Mexico, South America, and the West Indies.

One Trial Will Convince!

Baltimore, Fa rie d Co., Ohio.
January 29, 1859.

Mr. R. E. Sellers—Dear Sir: I am entirely out of your "Imperial Cough Syrup." Will you send me, say six dozen? I do not want to be out of it, as it is the only medicine that will come so near raising the dead." It will cure the worst cough immediately. I have recommended it to person and given them one bottle on trial, and in every case they have given clear testimony that it gave immediate relief.

I have used it in my own family, and find it a sure cure for coughs and colds in all cases. One trial will convince any person that it is a sure cure for the worst of coughs and colds.

I am yours most respectfully,
A. L. SIMNONS.

The above is strong testimony, and offered without solicitation, in behalf of the best cough medicine of the day.

The Great Curative!

Pittsburg, *April* 19, 1856.

R. E. Sellers—I have been troubled with a cough for the last ten years, by reason of which I have frequently been unable to sleep more than half the night. I tried many remedies, but all in vain. I heard of your Cough Syrup, and resolved to try it, and now state that the use of a few bottles has cured me entirely. I cheerfully recommend it as a safe, speedy, and pleasant cure for coughs and colds.

Yours respectfully,
WM. WOODS.

JOHNSON'S RHEUMATIC COMPOUND AND BLOOD PURIFIER.

THIS GREAT
INTERNAL REMEDY
is the best medicine ever offered to the public For the effectual cure of rheumatism, gout, neuralgia, dyspepsia, and as a blood purifier, it has no equal, for all diseases arising from an impure state of the blood, such as scrofula or King's evil, scald head, tetter, ring-worm, female complaint, and all break-outs on the face and body. The vast number of rub-on medicines which formerly have been used for those diseases were merely temporary in their effects, and of doubtful virtue, but the
RHEUMATIC COMPOUND
reaches the source of all trouble, and actually banishes the disease from the system by its immediate action on the blood. We advise one and all to try it, and become satisfied of its wonderful power.

Having heard of your celebrated Liver Pills, I tried one box, which left me in a very low state. Having heard of your celebrated Liver Pills, being for sale by A. E. Sharp, West Liberty, and recommended to me by my physician, Dr. Smith, I concluded to give them a fair trial. I purchased one box and found them just what they are recommended—the best Liver Pills ever used, and after taking four boxes, I find myself entirely left the use, and am now perfectly well.
