She is also agent for the celebrated Frantz and Pope Knitting Machine. Call and see them. Office on Market street, east of the railroad.

WASHBURN'S LAST SENSATION will appear in Fry's Hall, this Friday evening, July 5th, with everything new and original; and attached to this troupe, is the finest Dutch and Irish comedian in the land.

A MINK invaded the chicken coop of Samuel C. Reun, in Lower Augusta township, on Thursday night of last week, and killed thirty chickens. His minkship must had a busy time for at least one night.

SUNSTROKE.—On Wednesday last, Wm. Houk, an employee at the P. & E. shops at the upper end of this town, was sunstruck while on duty at the shops. He was immediately carried home to his family and medical aid summoned.

DROWNED.—Wm. Keller, an old fisherman from Shamokin Dam, was drowned in the Pennsylvania Canal, opposite this place, on Wednesday last. Mr. Keller was fishing along the towpath and went to swim across the canal, and when about half way over sank to the bottom.

A GENERAL rush was made on Jacob Shipman, on Thursday last, for Accidental Insurance tickets. There are but few persons who will attempt to travel without procuring an insurance first. Mr. Shipman is the agent for the sale of the tickets at this place. They can be had at the depot when purchasing tickets for the cars.

DOUBLE POSTAGE.—The new regulations of the Postoffice Department, under the recent act of Congress, provide that where mail matter reaches its destination with the unpaid, double the prepaid rate shall be exacted on delivery.

THE berries in our market on Tuesday morning, were very abundant and could be bought in any quantities. Raspberries found ready sale at from 10 to 12 cents per quart. All the fruit had been picked day before and looked fresh.

THE CROPS.—The late rains have had a good effect upon the summer crops in this vicinity. Reports from everywhere are of the most cheering character. Grain in this section will yield better than was anticipated a month ago. The fruit crop will be very large and will yield more than an average crop.

ON Saturday evening last, Miss C. Dalius and Miss Flora Stroh made a narrow escape from meeting with a fatal accident. They were driving a fractious horse attached to a buggy in north Fourth street, when the horse took fright at a lime box, and in making a sudden turn, spilled the occupants out upon the side walk. Miss Dalius received severe injuries from the fall, and Miss Stroh some severe bruises.

WE are happy to notice that our young friend Lewis Dewart, son of Hon. Wm. L. Dewart, of this place, graduated last week at Princeton College. He was one of the orators of the commencement exercises, and demeaned himself with credit. His parents were attending the exercises, to whom it must be very gratifying to know that their son graduated with the highest honors.

WHETSTONE QUARRY.—Sometime ago some quarrymen at the limestone hill, four miles below this place, discovered a ledge of rocks which, upon testing, proved to be the very finest quality of whetstone. The stone is of a very fine grain, and can be readily used for honing razors or the finest cutlery. There is a large amount of the same quality of stone in that vicinity which will no doubt prove very valuable.

REMOVAL.—Mr. James Washington, of the editorial corps, has removed his barber shop in Miss C. Dalius' building, on Market street, where he will be found much better located for business. His new shop will be fitted up in the most modern style, and will not be surpassed for comfort and cleanliness in the place. Mr. Washington is running five chairs constantly, and keeps the best of workmen in his employ, by which he has gained a wide reputation for doing work satisfactorily for all who give him their patronage. Besides keeping a first-class barber shop, he manages to do considerable of truck raising every season. He manages his business affairs admirably, and we are happy to note that through his industry and energy, is fast falling in the good graces of all our citizens.

A TAKE-IN.—A traveling jeweler has lately coaxed some of our friends in Lower Augusta township, by selling them bogus jewelry. In order to effect his sales he represented poverty, bankruptcy, and even hunger, to work upon the feelings of people. A lot of the bogus stuff was claimed on a hardworking man near Selinsgrove station, which was represented worth $10, but that amount could not be raised, two dollars and eight cents in gold and silver, which had been laid up, was accepted with tears in the eyes of the jeweler for the coveted articles. The same dodge was practiced at other places. Since then it has been ascertained that all the jewelry purchased was probably worth twenty-five cents. Our farmer friends should remember that "all that glitters," and when these smooth tongued peddlers enter their houses with their cash, give them a good application of boot jack, which will generally act pretty well again.

THE CENTENNIAL CELEBRATION.—We have room only for a brief reference to the proceedings which characterized the celebration of our one hundredth anniversary on Thursday. At an early hour in the morning our dwellings and public places were all handsomely decorated with evergreen and portraits of the old citizens and heroes of the revolution, interspersed freely with bunting. The day opened with a warm sun, and the usual arrival of fourteen daily trains, largely increased by excursion additions, brought thousands of strangers to participate in the celebration, and see the sights. The parade was formed at 11 o'clock, and marched over the route laid down, forming a procession never equaled in appearance and good order in this section of Pennsylvania. The principal elements in the procession were the firemen and the military, who presented a very fine display, and were very much admired for their fine marching and manly bearing. The procession was over a mile long, and the several bands of music along the line, a fine drum corps from Harrisburg, and the beautiful banners and bright flags, altogether formed a lively spectacle for the assembled multitude to marvel at.

We judge there were over 12,000 strangers in town, and it was feared there might be frequent outbreaks of disorderly conduct, but the day wore away in an orderly manner, and only five arrests for disorderly conduct were made, two of which were our own citizens, and three strangers who did not belong to the visiting organizations.

The programme in the afternoon, we are sorry to say, was interfered with by the heavy fall of rain about three o'clock. The meeting was organized by the election of Hon. W. L. DEWART as chairman; Vice Presidents, Sebastian Boughner, Philip Reun, Col. Elisha Kline, Jacob Seasholtz, Jacob Eckman, Isaac Kline, Mr. Kneese, Samuel T. Brown, Peter Baldy, John Moore, Hugh Teats, Dr. John Raker, John D. Conrad, Daniel Hileman, Mr. Strosser, Jacob Bloom, Benjamin Knous (Treverton), John Starner, John Taggart, Jesse Horton, Wm. Forsyth, John Hileman, Francis Bucher, John Shive, Henry Billington, George Prince, Wm. H. Muench, Mordecai Lawrence, Andrew C. Huston; Secretaries, Sol. Mallick, A. N. Brice, M. B. Priestley, B. M. Babb, Frank John, C. O. Bachman, R. M. Frick. The orator of the day, Hon. A. Jordan, delivered a very fine address, which, with the proceedings, will be reported in full next week. After the delivery of the oration, the orator and Hon. Simon Cameron measured and staked off the site of the soldiers' monument, when Gen. Cameron gave to the anxious crowd an impromptu address of much interest and feeling. He was followed by T. H. Purdy, Esq., with his interesting narration of local historical incidents, but before he was through a heavy rain arrested the progress of the proceedings. It was expected by the crowd that addresses would be delivered by Hon. John B. Packer and Hon. Frank Bound, and we are sorry the rain deprived us of their well arranged thoughts.

However, at about 5 o'clock the rain ceased, and the saloon, which had been inflating during the day, was making ready to ascend, and at 6 o'clock, everything ready, Professor Light sailed out in his basket into mid-air, moving rapidly in the direction of North East. He landed about three miles from Sunbury, after an ascension of about half an hour. In alighting, he dorpped a little more rapidly than was expected, and the Professor injured his ankle. He was brought back to town on the same evening, with his balloon, by Charles Moore.

WE were much pleased on the 4th, with the due demeanor of the Washington Rifles, Capt. Jno. McElleee, from Locust Gap, this county. This company numbered 82 men rank and file, and is composed principally of Irishmen, who have seen service. They are a fine orderly set of men, and they left a good impression upon our citizens. Capt. McElleee may well be proud of his company as it will rank favorably with any in the county.

PERSONAL.—We were pleased to receive the visit in our sanctum, on the 4th, of Col. J. F. Michener, Capt. J. M. Nesbitt, Capt. J. E. Toomey and Capt. A. A. Shissler, front Washington city, who visited our town on the centennial. They gave us most encouraging news of the re-election of Gen. Grant.

We were much gratified on the 4th on meeting Messrs. H. D. Wharton and Jacob Youngman, our correspondents from Washington, and Mr. N. F. Lightner, now residing in Philadelphia. They all paid a visit to their former home to participate in Centennial celebration.

ACCIDENT AND DEATH.—On Wednesday evening, as the passenger train was coming from Harrisburg, a young man named Geo. P. Lower, who was accompanying the Good Will and Mt. Vernon Fire Companies to this place, for the purpose of participating in our centennial celebration, was killed at Stony Creek bridge near Dauphin. Not noticing the bridge he put his head out of the window when his head struck the bridge killing him almost instantly. His remains were taken back to Harrisburg on the next train southward. He was about 23 years of age. The death of Mr. Lower cast gloom and sadness over the firemen from Harrisburg, and under the circumstances they were prevented from many pleasures and sociabilities which they otherwise would have had.

A LARGE quantity of lumber was rafted down the river during the late freshet. Lumbermen appeared happy once more when they could float upon the water over the riffles in the Susquehanna river. Every passenger train coming north was filled with the hardy and sturdy pioneers of the forests from the northern part of the State. We are informed that the largest portion of timber has been got out of the smaller streams, but that a large quantity is still in waiting to be rafted down the river to market. The mills along the river are now well supplied with logs, and we may expect our lumbermen to be kept busy during the summer season.

CAKE PRESENTATION.—Miss Harriet Jenkins, of Northumberland, on Wednesday evening last, presented a fine cake to the Hon. Simon Cameron at the residence of Hon. J. B. Packer, baked in a tin pan brought from England by her mother in 1773.

WE are glad to see that Lewis Haupt has opened a tobacco store on Third street, below Market. Mr. Haupt is a young man of excellent habits and is the support of a soldier's widow, and is deserving of patronage.

WE return our thanks to the Repaz Cornet Band of Williamsport for their serenade on the 4th. Come again gentlemen.

A SERIOUS accident occurred at the Car Works on Saturday last. Some workmen were engaged in getting a pair of car wheels from a wrecked car, when Solomon Yordy discovered that one of the wheels was loose on the axel, and endeavored to hold it to its place as it was being taken down from the car. But a sudden lurch threw the wheel from the axel which struck Mr. Yordy and knocked him from the car, the wheel following and striking him on the right foot, badly crushing it. The escape from death was a narrow one—as the wheel would have destroyed life had it struck the falling man fairly. Dr. J. P. McCleery attended the wounded man, and he is doing as well as could be expected with the impress of a carwheel on his foot.—*Miltonian.*

A somewhat novel freak of electricity occured at Muncy on Saturday during a thunder shower. The lightning struck a peach tree in a garden, shattered it badly, then flew to a galvanized wire clothes line, passing both ways along the wire, striking the stable at one end and the house at the other end and then disappearing, no doubt chuckling in secret over its cleverness.—*Miltonian.*

CROPS.—Riding through Buffalo Valley on Saturday last, we were struck with the fine appearance of the crops of all kinds. While the wheat is not so thick on the ground and there will be short straw, it is headed out finely and will yield about as well as it usually does unless something in the future injures it. Oats we never saw look so well. Rye and other grain are full as good as usual. Corn only is backward, and there is yet time for that to mature and do well.—*Miltonian.*

HOW'S THIS FOR CATS.—If a cat doth meet a cat, upon a garden wall; and if a cat doth greet a cat, oh need they both to squall? Every Tommy has his Tabby waiting on the wall, and yet he welcomes her approach always with a yawl. And if a kitten wish to court, upon the garden wall, why don't he sit and sweetly smile, and not stand up and bawl; lift his precious back up high, and show his teeth and moan, as if 'twere colic more than love, that made that fellow groan?

Tribute of Respect.

GEORGETOWN, June 29, 1872.

At a stated meeting of Stone Valley Lodge, No. 564, I. O. of O. F., the following preamble and resolutions were unanimously adopted:

WHEREAS, It has pleased God, in His infinite wisdom to remove by death, our friend and brother PAST GRAND, DAVID L. DITTY; therefore

Resolved, That while we humbly bow to the will of our Heavenly Father who doeth all things well, we at the same time deeply feel our bereavement in the loss by death, of a brother of this Lodge, who was one of its most zealous members.

Resolved, That while we lament the loss of our brother, we are also reminded by his death that man is mortal and that we should so live that, when the hour of death comes, we can hail with joy the summons of Him on High to enter that Lodge where there is eternal rest.

Resolved, That in the death of our brother, this Lodge has lost a zealous member, one whose life and character is worthy of imitation, the church a devoted member, the Sunday school a warm friend, and the community an exemplary citizen.

Resolved, That we deeply sympathize with the family of the deceased in their bereavement, and that the Omnipotent Arm may give them Divine support in this their sorrow. Assuring them "that our loss is his gain," and that "he is not dead but liveth."

Resolved, That as a token of respect, we drape our charter in mourning for thirty days.

Resolved, That a copy of the above resolutions be forwarded to the family of the deceased, and that they be published in the SUNBURY AMERICAN.

Editors' Table.

THE LADY'S FRIEND FOR JULY.—The leading plate in this number is a copy of Millais' famous picture of the Huguenot Lovers, accompanying which is a poem of remarkable beauty. The great St. Bernard Convent and Lake, is also a highly interesting picture. The Fashion illustrations are abundant and tasteful; and the Matchless Schottische a new and lively piece of music. Ella Rodman Church and Miss F. Hodgson have good stories,—the latter especially fine. Mrs. Wood's novel is intensely interesting; and "An Everyday Heroine," by Amanda M. Douglas, is one of her best. There is a poem by Eleanor Donnelly, who always writes well, and a Song in the wood, by Louise Chandler Moulton. With such names the literary matter could not fail of high excellence. Price, $2.00 a year. Four copies, $6. Eight copies (and one gratis) $12. "The Lady's Friend" and "The Saturday Evening Post," $4. Published by Deacon & Peterson, Philadelphia.

YOUNG AMERICA for July is the most interesting periodical we know for juveniles. The Editor gives us an excellent full length portrait of himself in the present number. Mice at Play, and Just my Luck are continued, more interesting than ever. Published by W. JENNINGS DEMOREST, 838 Broadway, New York. $1.00 per year.

DEMOREST'S MONTHLY MAGAZINE for July contains an ample store of refreshing literature, including a continuation of BECK AT THE FARM, by NEIL FORREST; choice poems and music, splendid illustrations, fashions, household, etc., etc., and a four page engraving of the city of Vienna, the scene of the World's Exposition in 1872. Price, $2 yearly. Published by W. JENNINGS DEMOREST, 838 Broadway, New York.

DEEDS.—A large lot of Blank Deeds, Mortgages, Bonds, and all kinds of Justices' Blanks for sale at this office.

TIME and enlightened experience have shown that certain substances formerly used and relied on in medical practice, are unnecessary and dangerous; yet some of these substances have found their way into medical compounds. Dr. Walker's California Vinegar Bitters, however, contain nothing injurious, being composed exclusively of vegetable substances from California. For all disorders of the liver, kidneys, bladder, skin, and digestive organs, and for purifying the blood, they are the most wonderful remedy known. 1j29

THERE is no disputing the fact that J. F. Schaffer competes with any tailor in the country in making up fashionable clothing. His goods are selected with the greatest care, and none ever complain of not getting a first-class article, when made up at his establishment. Call at the corner building, opposite the Central Hotel.

THE many suits worn on the 4th, which were made up by T. G. Nott, merchant tailor, on Third street, were so much admired by visitors, that a large number of orders were left for new suits, to be sent to different parts by express. It is a singular fact that wherever garments are made at Mr. Nott's establishment, there are sure to be new orders sent in.

AHEAD AGAIN.—Wm. H. Miller, the enterprising boot and shoe dealer at the Excelsior store, on Market Square, purchased the first ticket sold at the new depot, at this place, on Monday of last week. Mr. Miller is always wide awake in business, and manages to get ahead everywhere, partienlarly in boots and shoes. He gets the best article at the lowest prices, and then gives his customers the benefit. Men like Mr. Miller make lively towns, and their patrons are always satisfied.

Deaths.

At Georgetown, this county, on Friday, the 28th of June, Mr. DAVID L. DITTY, aged 26 years, 7 months and 24 days.

The deceased was one of the most exemplary young men in the lower end of this county. Having carried on the mercantile business in connection with his father for a number of years, he was widely and favorably known as an upright and thorough business man. In all his business relations every one that came in contact with him learned to love him, and none to hate him. In his dealings with his customers, he was most liberal, fair and honorable. His early death has cast a gloom over the whole neighborhood, as his loss cannot well be restored. In his demise his parents have lost an obedient son, the church a worthy member, the Sunday school a zealous worker, the fraternaty of Odd Fellows one its worthiest members, and the community one of its best citizens. His funeral was attended by the largest concourse of relatives and friends that has ever assembled in that place. His remains were interred by the honors of the Independent Order of Odd Fellows, of which Order he was a brilliant member.

In this place, on the 30th ult., Mr. JOHN WEITZEL, aged 29 years, 8 months and 20 days.

At Northumberland, on the 28th ult., Mrs. CORA H. BOYER, wife of G. F. Boyer, aged 23 years.

AN APPEAL

To Debilitated Persons,
To Dyspeptics,
To Sufferers from Liver Complaint,
To those having no Appetite,
To those with Broken Down Constitutions,
To Nervous People,
To Children Wasting Away,
Many with Debilitated Digestive Organs,

Or suffering with any of the following Symptoms, which indicate Disordered Liver Stomach,

such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations, when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden flushes of Heat, Burning in the Flesh Constant Imaginings of Evil, and Great Depression of Spirits.

Hoofland's German Bitters.

A Bitters without Alcohol or Spirits of any kind. It is different from all others. It is composed of the pure Juices, or VITAL PRINCIPLE or Roots, Herbs and Barks, (or as medicinally termed Extracts,) the worthless or inert portions of the ingredients not being used. Therefore in one bottle of this Bitters there is contained as much medical virtue as will be found in several gallons of ordinary mixtures. The Roots, &c., used in this Bitters are grown in Germany, their vital principles extracted in that country by a scientific Chemist, and forwarded to the manufactory in this city, where they are compounded and bottled. Containing no spirituous ingredients, this Bitters is free from the objections urged against all others: no desire for stimulants can be induced from their use; they cannot make drunkards, and cannot, under any circumstances, have any but a beneficial effect.

HOOFLAND'S GERMAN TONIC,

Was compounded for those not inclined to extreme bitters, and is intended for use in cases when some alcoholic stimulant is required in connection with the tonic properties of the Bitters. Each bottle of the Tonic contains one bottle of the Bitters, combined with pure SANTA CRUZ RUM, and flavored in such a manner that the extreme bitterness of the bitters is overcome, forming a preparation highly agreeable and pleasant to the palate, and containing the medicinal virtues of the Bitters. The price of the Tonic is $1.50 per Bottle, which many persons think too high. They must take into consideration that the stimulant used is guaranteed to be of a pure quality. A poor article could be furnished at a cheaper price, but is it not better to pay a little more and have a good article? A medicinal preparation should contain none but the best ingredients; and they who expect to obtain a cheap compound, and be benefited by it will most certainly be cheated.

Hoofland's German Bitters, or HOOFLAND'S GERMAN TONIC, with HOOFLAND'S Podophyllin Pill,

will cure you. They are the Greatest BLOOD PURIFIERS known to the Medical world, and will eradicate diseases arising from impure blood, Debility of the Digestive Organs, or Diseased Liver, in a shorter time than any other known remedies.

THE WHOLE SUPREME COURT OF PENNSYLVANIA SPEAK FOR THESE REMEDIES.

WHO WOULD ASK FOR MORE DIGNIFIED AND STRONGER TESTIMONY!

Hon. GEORGE W. WOODWARD, formerly Chief Justice of the Supreme Court of Pennsylvania, at present Member of Congress from Pennsylvania writes:

PHILADELPHIA, March 16th, 1867.

I find "Hoofland's German Bitters" is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours, truly, GEO. W. WOODWARD.

Hon. JAMES THOMPSON, Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, April 28, 1867.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it.

Yours, JAMES THOMPSON.

Hon. GEORGE SHARSWOOD, Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, June 1, 1868.

I have found by experience that "Hoofland's German Bitters" is a very good tonic, relieving dyspeptic symptoms almost directly.

GEORGE SHARSWOOD.

Hon. *Wm. F. Rogers*, Mayor of the City of Buffalo, N. Y.

Mayor's Office, Buffalo, June 22, 1866.

I have used "Hoofland's German Bitters and Tonic" in my family during the past year, and can recommend them as an excellent tonic, imparting tone and vigor to the system. Their use has been productive of decidedly beneficial effects. WM. F. ROGERS.

Hon. *James M. Wood*, Ex-Mayor of Williamsport, Pa.

I take great pleasure in recommending "Hoofland's German Tonic" to any one who may be afflicted with Dyspepsia.—I had the Dyspepsia so badly it was impossible to keep any food on my stomach, and I became so weak as not to be able to walk half a mile. Two bottles effected a perfect cure. JAMES M. WOOD.

HOOFLAND'S GERMAN REMEDIES

Are the medicines you require to purify the Blood, excite the torpid Liver to healthy action, and to enable you to pass safely through any hardships or exposure.

DR. HOOFLAND'S
PODOPHYLLIN,

or substitute for Mercury Pills. Two Pills a Dose. The most Powerful, yet Innocent Cathartic known.

It is not necessary to take a handful of these Pills to produce the desired effect; two of them act quickly and powerfully, cleansing the Liver, Stomach and Bowels of all impurities. The principal ingredient is Podophyllin, or the Alcoholic Extract of Mandrake, which is by many times more powerful, acting and searching than the Mandrake itself. Its peculiar action is upon the Liver, cleaning it speedily from all obstructions, with all the power of Mercury, yet free from the injurious results attached to the use of that mineral.

For all diseases, in which the use of a cathartic is indicated, these pills will give entire satisfaction in every case. They never fail.

In cases of Liver Complaint, Dyspepsia and extreme costiveness, Dr. Hoofland's German Bitters or Tonic should be used in connection with the Pills. The tonic effect of the Bitters or Tonic builds up the system. The bitters or Tonic purifies the Blood, strengthens the Nerves, regulates the Liver, and gives strength, energy and vigor.

Keep your Bowels active with the Pills, and tone up the system with Bitters or Tonic, and no disease can retain the hold, or even assail you.

Recollect that it is DR. HOOFLAND'S GERMAN Remedies that are so universally used and highly recommended; and do not allow the Druggist to induce you to take anything else that he may say is just as good, because he makes a larger profit on it. These Remedies will be sent by Express to any locality, upon application to the PRINCIPAL OFFICE, at the GERMAN MEDICINE STORE, 631 ARCH ST., PHILADELPHIA.
