MEDICAL.

IT NEVER FAILS!

Dr. CULLEN'S INDIAN VEGETABLE PANACEA

PERSONS afflicted with Scrofula, King's Evil Cancer, Erysipelas, Old Sores, Ulcers, Tetter Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.

READ! READ!! READ!!!

We the undersigned, having visited Mr. Isaac Brooks, Jr. at the 6th office of Messrs. Rowand and Walton, 375 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of.

His disease was SCROFULA, and terrible must have been his twelve years' conflict with the destroyer.

His Palate, the entire roof of his mouth, Nose, Upper Lip, and lower Lid of the Right Eye have been destroyed, his Face nearly eaten up, and part of the Jaw Bone carried away. And yet we can give as description of his case.

Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face was a mass of deep and painful ulcers!

On the 14th of January last, he commenced taking Dr. CULLEN'S INDIAN VEGETABLE PANACEA, which checked the disease in a few days, and from that time the cure has progressed without interruption.

New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound, and his general health is restored.

We are assured that in the treatment of Mr. Brooks' case, no Mercurials, Ointments, or Caustic applications have been used—and all he took was the PANACEA ALONE, his wrought this wonderful change

SEVERAL REASONS WHY DR. LEIDY'S SARSAPARILLA BLOOD PILLS are becoming so universally popular:

First, Because they are prepared by Dr N B Leidy himself, a regular Druggist, Chemist and Physician of Philadelphia, who knows the nature, the quality and character of the Medicines used in his pills and their adaptation to disease.

Second, Because the public can take them with greater confidence than most other pills which are prepared by persons ignorant both of medicine and diseases.

Third, Because of their combined effects, properties not contained in any other pills; namely, purging from the stomach and bowels all unhealthy substances, and at the same time purifying the blood and fluids of the body.

Fourth, Because they are the cheapest and best medicine known—a single box costing but 25 cents, and containing 40 pills, saving to persons as many dollars oft-times in Doctor's bills, and numerous medicines bought & tried on the recommendation of others.

WHOLESOME ADVICE.

Whenever you have occasion to take any medicine, do not be trifling with your constitution by trying all kinds of pills or other medicines you see published and recommended by one and another but take at once

Dr. Leidy's Sarsaparilla Blood Pills

and you will not have occasion to take anything else. They will always be found good in almost all worms of disease, inflamation of the stomach, bowels, etc, liver and intestines, cramps of the stomach; colic, Waterbrash: inward fevers, foul breath, bad taste in the mouth, Sour eructations and acidity of the stomach, costiveness and indigestion, want of appetite, billious affections, diseases of the spleen and kidneys, diseases of the skin, scaly eruptions and watery pimples or blotches of the face and body, tetter, rush, prickle heat and salt rheum, headache, giddiness, faintness, pains over the heart, of the breast, side, along the back and spine, rheumatism and gout, fevers of all kinds, small pox, variolid, measels, scrofula, erysipelas, and in short they are good in all diseases having their origin in the stomach, liver, and intestines, and impurity of the blood.

MEDICAL AND SURGICAL OFFICE

No. 45 DIAMOND ALLEY, a few doors below Wood street, towards the market.

DR. BROWN, Having been regularly educated in the medical profession, and been for some time in general practice, now confines his attention to the treatment of those private and delicate complaints and infirmities peculiarly unsuitable for the study and treatment of those complaints; (during which time he has had more practice and has cured more patients than can ever fall to the lot of any private practitioner) among all qualifies him to offer assurances of speedy, permanent and satisfactory cure in all SECRET and PRIVATE diseases, and all diseases arising therefrom.

Dr. Brown would inform those afflicted with private diseases which have become chronic by time or aggravated by the use of any of the common nostrums of the day, that their complaints can be radically and thoroughly cured, by having given his careful attention to the treatment of such cases, and succeeded in hundreds of instances in curing persons of inflammation of the neck of the bladder, and kindred diseases which often result from those cases where others have consigned them to hopeless despair. He particularly invites such as have been long and unsuccessfully treated by others to consult him, which every satisfaction will be given them and their cases treated in a careful, thorough and intelligent manner, pointed out by long experience, study and investigation, which it is impossible for those engaged in general practice of medicine to give any one class of diseases.

☞ Hernia or Rupture—Dr. Brown also invites persons afflicted with Hernia to call, as he has paticular attention this disease.

☞ Dr Dassenne's Male Pills, Patty, etc. specially cured Chargeas very low.

N. B.—Patients of either sex living at a distance by stating their disease in writing, giving all the symptoms, can obtain medicines with directions for use, by addressing T BROWN, M. D. post paid and enclosing a fee.

Office No. 45 Diamond alley, opposite the Waverly House.

☞ No cure, no pay! de19

DR. JAYNE'S FAMILY MEDICINES.—It is our principle in the management of this paper to notice anything which we find out, from personal investigation, to be of utility to the public. Some of Dr. Jayne's medicines we have found in our family for many years. For instance the EXPECTORANT, the CARMINATIVE, and VERMIFUGE, which we know to be good for the complaints they profess to cure. We recommend Dr. Lake Ontario the best summer, when several of our travelling companions, from having, in Western New York, drank, for many days, the limestone water of that region, were badly attacked with violent Diarrhea, and Dysentery. Dr. B. had provided himself, previous to leaving home, with "The Carminative of Dr Jayne," and in all cases of its use, among fifty gentlemen, it was successful in effecting a speedy cure.

The Expectorant we have known used among our intimate friends with equal success; and we feel that we shall do a good act to families (especially those living in and so they cannot have access to immediate medical skill) to advise them to keep on hand both the Expectorant and the Carminative. The Expectorant is believed by good physicians to be the best recipe for Pulmonary Consumptive Complaints, that has never yet been compounded. The reason is, Dr. Jayne is not a quack, but a regular, scientific, and elder medical practitioner himself. His medicines are sold by the best physicians.

Consumptives Consolation.

Does sickness weigh upon your heart?
Or pains afflict your breast?
Try Dr Donncan's Healing Art,
And it will give you rest.

It clears away the misty cloud
Disease spreads o'er the soul,
And whispers through the gloomy shroud,
"Your health may yet be whole."

See yonder rose of lovely hue!
'Tis withering with decay
It scarcely sips the morning dew,
Before it fades away.

The Worm of Death was in the germ,
And strengthened as it grew—
And when it bloomed, (a lovely gem)
It nipped through and through.

That Worm of Death might be defied,
If Dr. Duncan's art were tried;
And many lovely damsels saved
The use of an untimely grave.

MEDICAL.

CHILD BIRTH.

DR. BORDELOQUE'S CELEBRATED REMEDY.

FOR relieving the pains and dangers incident to Pregnancy and Child Birth, which insures the easy and unfractured process of the functions of woman which Nature, when uninfluenced by the luxuries of civilized life, intended should be performed expeditiously, with little pain, and without subsequent indisposition.

Dr Bordeloque during his travels in Asia, observed this remarkable fact. That the women of those countries are peculiarly different from all other lands, in this respect—that they are free from the pains and dangers which make the period of Pregnancy an object of so much anticipated suffering and risk. Curiosity, and the zeal for Scientific discoveries prompted him to investigate the cause of this remarkable exception to the severe trials to which the married females are generally subjected, and the result was the discovery of the fact that the women of those countries were in the habit of using during the last stages of Pregnancy, certain plants which have the faculty of imparting that degree of tone and elasticity to the nerves and blood vessels of the Uterus, or Womb which enables it to perform its functions in all their native simplicity of action and freedom from pain.

It is a singular fact, also, that the Indian women of North America are in a remarkable degree free from those pains and dangers of pregnancy and child birth to which the white woman are subjected—Whether they use the same plants as do the women of Asia we cannot tell. Certain it is that the fact is no less remarkable than true.

This Remedy is now extensively used throughout France with the most marked success and recommendes when were once fright through apprehensions of the dangers consequent to the state of marriage are now by the use of this medicine, performing the duties of wives and mothers with comfort and happiness.

It is at this time now first presented to the women of America, by Dr Bordeloque, through his sole agent, Dr A C MORTIMER, and he feels confident that independent of its intrinsic merits it will recommend itself to the moral part of the community, as it is fully calculated to do away with that horrid crime of which some, through fear of pain of child birth, are guilty, (the production of premature delivery.)

This medicine is also remarkable for remedying that hitherto incurable disease Barrenness, and its almost constant accompaniment Fluor Albus. It is a fact that relaxed and fallen state of the Womb which accompanies this disease is never left after the shortest use of this medicine.

This medicine is prepared in such a way as to be agreeable and pleasant to the taste.

Dr A C MORTIMER No 56 1-2 Liespenard st., New York, has been appointed sole agent for the United States, by Dr Bordeloque, and is the only person in this country who is authorized to vend this invaluable medicine, as the following letter will show.

(Translated from the French.)

PARIS, June 10, 1847.

Dr A C MORTIMER—Dear Sir—According to the agreement entered into between us, I wish by this letter to give you that written authority to sell throughout the United States, (my Remedy for relieving the pains and dangers incident to pregnancy and child birth,) which it is necessary for you to have to satisfy the public of its genuineness and purity. As you are well acquainted with all the medicine to the influence of the sea air obliged me to send it to you in air tight vessels. I have also sent with it, a specimen of my handwriting in which I sign my name in Paris. In like manner I should wish it to appear in the United States. Sir, with great respect I remain yours, F E BORDELOQUE, M D.

P S—I also send you a copy of a letter received by me from the Royal Academy of Science, in Paris.

(Translated from the French.)

Paris, Jan 25, 1846.

To M. BORDELOQUE—Sir—The commissioners of the Academy have appointed the undersigned to examine, another, as a committee to report upon the merits of the remedy said before us by you (for relieving the pains and dangers incident to pregnancy and child birth.) Several eminent Surgeons having submitted to the Academy the results of their experience in the use of your remedy, we have to say it before you, believing it to be the best decision regarding its claim to distinction, and of its great value, that either you or the public could have wished. Whatever influence, this body may possess on the members of the profession will exerted to further that adoption of the remedy in private use, which as a scientific discovery and as unfailing remedy, it so richly deserves. Eight Physicians having used this medicine, each in fifty cases of delivery, found it entirely successful in promoting a remarkable safe and easy delivery, free from pain and danger. With the exception of three patients of Dr Evquet there was a perfect immunity from any subsequent weakness or disease; one of these three a laboring woman who had met with a severe fall a week previous to delivery, was taken immediately after that event with a profuse hemorrhage, which was with difficulty arrested. The other two malformations of the pelvis, were in no wise relieved of pain. These few exceptions is so great a number of cases as four hundred, show the undoubted efficacy of your remedy, and have determined us to give it that recommendation and approval which is due to it, and the furtherance of scientific medicine (Signed) M BRESCHET, M D.
L MAGENDIE, M D.

Con of the Commissioners of the R. Academy of Science.

The public are cautioned against purchasing this medicine from any persons except of the sole agent Dr A C Mortimer, No 56 1-2 Liespenard st, New York, where this medicine is put up in packages suitable for being sent by mail to any part of the country.

Price Two dollars a package containing full directions.

Persons desirous of obtaining this Great Remedy who reside at a distance, can do so by forwarding Two Dollars, post paid, to

DR A C MORTIMER, Sole Agent for the U S
sept27 5w No 56 1-2 Liespenard st, New York.

STANTON'S EXTERNAL REMEDY,
CALLED
HUNT'S LINIMENT,

IS now universally acknowledged to be the INFALLIBLE REMEDY for Rheumatism, Pain and Affection of the Joints, Stiffness of the Joints and Spines, Issues, Old Ulcers, Pains in the Back and Chest, Agues in the Breast and Face, Tooth Ache, Sprains, Bruises, Salt Rheum, Burns, Creup, Frosted Feet, and all Inverted Diseases.

The TRIUMPHANT SUCCESS which has attended the application of this most WONDERFUL MEDICINE in curing the most severe cases of the different diseases above named,—and the HIGH ENCOMIUMS that have been bestowed upon it, wherever it has been introduced, gives me the right to sell on the AFFIRMED fact that it is now the ONLY REMEDY THAT CAN BE RELIED ON.

☞ The faculty unite in recommending the celebrated External Remedy, Hunt's Liniment.

The following letter from the highly eminent Physicians who have been attached to the Mount Pleasant State Prison for many years, is the best evidence of the value of this celebrated Liniment.

SING SING, December 25, 1845.

My Dear Sir—I received your notice of yesterday, asking my opinion in relation to Hunt's Liniment, as prepared by Mr. George E Stanton. Knowing its composition, and having frequently used it, I can recommend it to you as a safe External Remedy, and in my opinion, the best Liniment now in use.

Very truly and respectfully yours,
A KIPPYMAN.

Col Pierre Van Cortlandt, Croton Manor.

I fully concur in the above opinion.

W A BELCHER.

YONKERS, Jan. 16, 1846.

Sir—In reply to your letter, I would say that I have used your External Remedy, called Hunt's Liniment, in my practice since you made me acquainted with its composition, and unhesitatingly say that I believe it to be the best External Remedy now in use for the complaints for which you recommend it. Yours respectfully,

BENJ D MILLER, M. D.

Geo E Stanton, Esq.

☞ Among the mass of worthless articles and humbugs that are poured forth at the present day upon the country, it is really refreshing to find something of real practical utility, something simple, speedy and effectual in its operation, and at the same time free from those injurious effects which generally attend powerful remedies. Hunt's Liniment, prepared by Geo. E Stanton of Sing Sing, though it has been but a short time before the public, has already obtained the confidence, not only of our most wealthy and influential citizens, but our most eminent physicians. All acknowledge it to be a sovereign balm for many of the ills that flesh is heir to, soothing the aching limb, and by its genuine stimulating influence, banishing disease from the system.

Mr. Stanton—Sir—Seeing your advertisement of Hunt's Liniment, I was induced to try its effects on my son, who had been crippled with a lame back from an infant, and was cured in a few days. Testimony to its wonderful healing properties. My child, who is now five years of age, is now in a fair way of recovery. Yours, &c.,

DENMON CNICKERSON.

POST OFFICE, TOWNERS, Putnam Co.

I certify that I am personally acquainted with the above named child, and think the father would be safe in saying that his son is almost well.

JAS W DYKMAN,
Deputy Post Master.

Nov 5, 1845.

D. S. I would also state that I have been for a number of years subject to frequent attacks of the Rheumatism, which in many instances prevented my attending to my business. Two or three applications of the Liniment invariably remove all affections of the kind. In cases of bruises, sprains and sores, too numerous to mention, it has in this vicinity proved a certain remedy, its value can only be estimated by those who have given it a fair trial.

This Liniment is sold at 25 and 50 cents per bottle, by all the Principal Druggists and Merchants throughout the country.

SCROFULA AND SCROFULOUS, SWELLINGS.—Scrofula is all its multiplied forms whether in the form of King's Evil, enlargements of the glands or bones, Goitre, White Swellings, Chronic Rheumatism, Cancer, diseases of the Skin or Spine, or of Pulmonary Consumption, emanate from one and the same cause, which is a poisonous principle more or less inherent in the human system. Therefore, unless this principle can be destroyed, no radical cure can be effected, but if the principle upon which the disease depends, is removed, a cure must of necessity follow, no matter under what form the disease should manifest itself. This, therefore, is the reason why JAYNE'S ALTERATIVE is so universally successful in removing so many malignant diseases. It destroys the virus or principle from which those diseases have their origin, by entering into the circulation, and with the blood is conveyed to the minutest fibre, removing every particle of disease from the system. Prepared and sold at No. 2 South Third Street, Philadelphia.

Sold by Fahnestock & Co, 77 Fourth street.

MEDICAL.

DR. TOWNSEND'S

SARSAPARILLA.

Most extraordinary Medicine in the World.

This extract is put up in Quart bottles: it is as cheap as molasses, and warranted superior to any sold. It cures diseases without vomiting, purging, sickness or debilitating the system.

GREAT SPRING AND SUMMER MEDICINE

The great beauty and superiority of this Sarsaparilla over all other Medicine is, whilst it Eradicates Disease it invigorates the Body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it *Creates New Pure and Rich Blood*; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the past two years, more than 35,000 cures of Severe Cases of Disease; at least 5,000 of these were considered incurable. More than

3,000 cases of Chronic Rheumatism;
3,000 cases of Dyspepsia;
400 cases of General Debility and Want of Energy;
7,000 cases of different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of Disease of the Kidney and Dropsy;
3,000 cases of Consumption;

And Thousands of cases of Disease of the Blood, viz: Ulcers, Erysipelas, Salt Rheum, Pimples on the Face, &c. &c. Together with numerous cases of Sick Headache, Pain in the Side and Chest, Spinal Affections, &c., &c.

This, we are aware, must appear incredible, but we have letters from physicians and our agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character. It is the best medicine for the prevention of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON!

As it regulates the course of disease, and prepared them for the Summer season.

UNITED STATES OFFICE,
CAPT. G. W. CALDWELL, of the UNITED STATES NAVY, and member of the New Jersey Legislature, has kindly sent us the following certificate. It tells his own story.

BARNEY, Jan. 25, 1847.

A year since I was taken with the lameness, and my whole system left in a feeble state. I was induced to try Dr Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the Sarsaparilla. I have used two more since then for the cure, I improve every day: I believe it saved my life, and would not be without it under any circumstances.

G. W. MCLEAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three months after the cure was pronounced.

THREE CHILDREN.

Dr. TOWNSEND—Dear Sir—I take the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were given up by our family physician as incurable, only after four bottles; it took them away, for which I feel myself under deep obligation. Yours, respectfully,

W. CRAIG, 103 Wooster st.

New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhea, or Whites, inflammation of the Womb, Pain in the Back, Prolapsus or Falling of the Womb, Gravel, Retention of Urine, or involuntary discharge thereof, and for the general debility of the Female Constitution, it is unrivalled by any other medicine. It is particularly adapted to the wants of the fairest cases or sickness, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languishing, taking it, at once become strong and full of energy under its influence. It wonderfully counteracts the nervousness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that cures have been made in hundreds of cases to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.

Dr. Townsend; My wife being greatly distressed by confinement and Spinal Affection, which she constantly complained by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine had effected a cure; and also being unwilling to risk her life in a premature delivery, I was induced to try it. Accordingly I procured of you a bottle of your Extract of Sarsaparilla, which she took according to your directions, and before she had finished the contents of the first bottle, she felt the benefit of it. She persevered, and before she had finished the second bottle, she was able to walk to church, a thing she had not done for a long time previous. If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged friend,
S S JAMES M.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has tried it, can suppose any other than a Specific for them. The term of "life" should neglect to take it, as it is a certain preventive for any of those numerous diseases to which females are subject at this time of life. This medicine may be delayed for several years by using this medicine. Nor will it be exhibited to those who are in a state of pregnancy, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is available for all of the diseases for which women are subject.

It brings the whole system, renews permanently the natural energy of the system, promotes the purposes of the body—and in fact, strengthens the system so to produce a subsequent regular, healthy and easy state of mind. Medicine taken for female weakness and disease.

GIRLS READ THIS.

You who have pimples, blotches, tetter, salt rheum, blotches on the face, rough skin, or freckles, and are "out of spirits" use a bottle or two of Dr Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of paramount value to unmarried ladies.

DYSPEPSIA.

No field or medicine has ever been discovered which so nearly resembles the gastic juice or salivia in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

DYSPEPTIC DEPARTMENT, Albany, May 10, 1845.

Dr Townsend; Sir—I have been afflicted for several years with dyspepsia in its most aggravated form, attended with great weakness, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat,) I was obliged to throw it up immediately after it was in my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months ago, to try your Extract of Sarsaparilla, and, I must say with little confidence, but after using nearly two bottles, I found my appetite improved, the distress in my stomach entirely removed, and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c.,

W. W. SAUNDERS.

Nov 28, 1846. Stated Island.

ALMOST A MIRACLE.

Read the following, and doubt if you can, that consumption cannot be cured. This is only one of the several hundred cases that Townsend's Sarsaparilla has cured.

Dr Townsend—Dear Sir. I was taken, a little over a year ago, with a severe cough and pain in my side. It increased so very fast, that I was soon confined to my bed. I was pronounced by my physician to have the quick consumption. I raised large quantities of bad matter, had night sweats, and nothing rest my cough. My friends despaired of my life. I was given up by my doctor and he said I was fast sinking into the hospital in hopes of being benefited, but was pronounced there as incurable. I was then induced to try your Sarsaparilla, and had hardly breathe (I was bedfast,) when I commenced, and expected to die; was confined to my bed, and was obliged to have my plasters and blisters taken off, I was so feeble. I continued to use it, and I was supposed by my friends to be past recovery. I had tried a great deal of other remedies, but they had done me no good. My friends, I read of some extraordinary cures performed by your medicine, and to tell you the truth, I thought it was a last resort, and I was persuaded to try it, I did so, and am very thankful I did. I cannot say that I am entirely well, but am so far recovered as to be able to walk about the house. I weighed 98, it will in a few weeks. My cough and pain in the side, and night sweats have left me, and I can sleep but very little, on account of my strength being so much improved. I tell it a duty to give you a statement of my case, to publish if you please.

Yours Respectfully, ELIZABETH FOWLER, 27 Lafayette st, Brooklyn.

Opinions of Physicians.

Dr Townsend is authorized to receive following orders from physicians in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the City of Albany, have been in the habit of prescribe Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations of the Sarsaparilla in the market.

R P FULTON, M D,
J WILSON, M D,
A H STEVENS, M D,
F KELSBORGH, M D.

Albany, April 1, 1845.

This is to certify that we, the undersigned, practicing Thomsonian Physicians of the City of Albany, have frequently prescribed Dr Townsend's Compound Extract of Sarsaparilla, and believe it to be a good tonic; some of the ornamental landscape paintings are beautiful, which, together with the excellent work, I hold, entitled to the cash, which I have recently expended in Broadway. We take this opportunity to say we believe the extract of the Sarsaparilla deserves the very great popularity it has acquired.

Nervous Debility.

NEW YORK, March 27, 1847.

Dr. Townsend;—I have been afflicted more or less for 12 years, with a nervous debility, attended with a variety of ills, loss of appetite, pain in the limbs, and general debility, brought on so badly by the continual heat and cold to which I am subjected in my business, that I was obliged to take other medicines, too numerous to mention, but with little or no success. I was induced to try your Sarsaparilla, and have used three bottles of your Sarsaparilla, from which I found great relief. I have since taken several more bottles, and I can enthusiastically say it is the best medicine I ever took—the pain of the chest is gone, and I feel quite a different man altogether since I have taken your Sarsaparilla. I have recommended it to many of my friends, who I know have taken it with the same beneficial results. I would recommend it as a family medicine generally, and I feel convinced that if no used there would not be half the sickness there is, and consequently not so many Doctor's bills; for while it restores appetite, it also gives to the stomach and bowels their regular tone; it keeps the blood in a healthy state, so that disease is not so likely to attack the system. And to all those who are not in a healthy state, I say try Dr. Townsend's Sarsaparilla.

THOMAS SMITH, 70 Allen st.

Cankers in the Mouth.

Below is an account of another child saved: Dr Townsend's Sarsaparilla has saved the lives of thousands of children.—The following certificate is selected from a great number received this week.

NEW YORK, April 9, 1847.

Dr Townsend: Dear sir—One of my children was very sick with the Cancer in the mouth and throat, attended with great debility. It came near dying; I obtained some of your excellent medicine, and it cured it directly, for which I can assure you I feel very grateful. Yours respectfully,

ELIZABETH FOWLER, 27 Dearborn st.

For sale by R E SELLERS Druggist, No 57 Wood st, between 3d and 4th sts, who has been appointed, by Dr TOWNSEND sole Agent for Allegheny co. jel4-ly

Husband's Celebrated Fluid Magnesia.

THIS is a mild, safe and elegant anti-acid and aperient; being a perfect solution of chemically pure carbonate of Magnesia, possesses all the medical qualities of the finest properties of Magnesia, without being liable to form concretions in the bowels or to act injuriously upon the coats of the stomach. One table spoonful of the Fluid Magnesia is equivalent to a half a teaspoonful of Magnesia.

OFFER for sale at the lowest prices, all the articles of the first quality, Sperm Oil, Spermaceti, Whale Oil, and the following certificate. It tells its own story.

BARNEY, Jan. 25, 1847.

A year since I was taken with the lameness, and my whole system left in a feeble state. I was induced to try Dr Townsend's Sarsaparilla, and after taking two or three bottles, I was very much relieved, and attribute it entirely to the Sarsaparilla. I have used two more since then for the cure, I improve every day: I believe it saved my life, and would not be without it under any circumstances.

G. W. MCLEAN, late U. S. N.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate disease of the blood. Three months after the cure was pronounced.

THREE CHILDREN.

Dr. TOWNSEND—Dear Sir—I take the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were given up by our family physician as incurable, only after four bottles; it took them away, for which I feel myself under deep obligation. Yours, respectfully,

W. CRAIG, 103 Wooster st.

New York, March 1, 1847.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Leucorrhea, or Whites, inflammation of the Womb, Pain in the Back, Prolapsus or Falling of the Womb, Gravel, Retention of Urine, or involuntary discharge thereof, and for the general debility of the Female Constitution, it is unrivalled by any other medicine. It is particularly adapted to the wants of the fairest cases or sickness, produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons, all weakness and languishing, taking it, at once become strong and full of energy under its influence. It wonderfully counteracts the nervousness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that cures have been made in hundreds of cases to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blest with healthy offspring.

Dr. Townsend; My wife being greatly distressed by confinement and Spinal Affection, which she constantly complained by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine had effected a cure; and also being unwilling to risk her life in a premature delivery, I was induced to try it. Accordingly I procured of you a bottle of your Extract of Sarsaparilla, which she took according to your directions, and before she had finished the contents of the first bottle, she felt the benefit of it. She persevered, and before she had finished the second bottle, she was able to walk to church, a thing she had not done for a long time previous. If this will be of any service to you or any one who doubts the success of the medicine, you are entirely welcome to it.

I subscribe myself your most obedient and obliged friend,
S S JAMES M.

TO MOTHERS AND MARRIED LADIES.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has tried it, can suppose any other than a Specific for them. The term of "life" should neglect to take it, as it is a certain preventive for any of those numerous diseases to which females are subject at this time of life. This medicine may be delayed for several years by using this medicine. Nor will it be exhibited to those who are in a state of pregnancy, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is available for all of the diseases for which women are subject.

It brings the whole system, renews permanently the natural energy of the system, promotes the purposes of the body—and in fact, strengthens the system so to produce a subsequent regular, healthy and easy state of mind. Medicine taken for female weakness and disease.

GIRLS READ THIS.

You who have pimples, blotches, tetter, salt rheum, blotches on the face, rough skin, or freckles, and are "out of spirits" use a bottle or two of Dr Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits, and beautiful complexion—all of which are of paramount value to unmarried ladies.

DYSPEPSIA.

No field or medicine has ever been discovered which so nearly resembles the gastic juice or salivia in decomposing food and strengthening the organs of digestion, as this preparation of Sarsaparilla.

DYSPEPTIC DEPARTMENT, Albany, May 10, 1845.

Dr Townsend; Sir—I have been afflicted for several years with dyspepsia in its most aggravated form, attended with great weakness, loss of appetite, extreme heartburn, and a great aversion to all kinds of food, and for weeks (what I could eat,) I was obliged to throw it up immediately after it was in my stomach. I tried the usual remedies, but they had but little or no effect in removing the complaint. I was induced, about two months ago, to try your Extract of Sarsaparilla, and, I must say with little confidence, but after using nearly two bottles, I found my appetite improved, the distress in my stomach entirely removed, and I would earnestly recommend the use of it to those who have been afflicted as I have been. Yours, &c.,

W. W. SAUNDERS.

Nov 28, 1846. Stated Island.

ALMOST A MIRACLE.

Read the following, and doubt if you can, that consumption cannot be cured. This is only one of the several hundred cases that Townsend's Sarsaparilla has cured.

Dr Townsend—Dear Sir. I was taken, a little over a year ago, with a severe cough and pain in my side. It increased so very fast, that I was soon confined to my bed. I was pronounced by my physician to have the quick consumption. I raised large quantities of bad matter, had night sweats, and nothing rest my cough. My friends despaired of my life. I was given up by our doctor and he said I was fast sinking into the hospital in
