SATURDAY, FEBRUARY 10, 1866.

Meeting of the Union Executive Committee.

A meeting of the Union Executive Committee of Northumberland County, will be held in the Union League Hall, in the Borough of Sunbury, at 1 o'clock P. M., on THURSDAY the 22d day of FEBRUARY, next. Punctual attendance is requested as business of importance will be transacted.

EM'L. WILVERT, Chairman.

Sunbury, January 23, 1866.

COMMITTEE:

Dunkleberger; Zerbe, E. C. Hanna; Jackson Daniel Seal; Lower Mahonoy, Aaron Seiler; Jordan, Moses Troutman; Washington, Andrew Bucher; Upper Mahonoy, Dan'l Heim; Little Mahonoy, E. Dunkleberger; Shamokin, Jacob F. Muench; Mt. Carmel twp., Jas. Adams.

Local Affairs.

☞ Selling Winter Goods at cost, at the Continental Bazaar, Sunbury.

☞ We publish a price list of the markets in New York, which may be interesting to producers and consumers.

☞ The Reviere House in Lewisburg has been sold to J. M. & C. F. Hess, of Lewisburg and J. W. Jordan, of Virginia, for twenty thousand dollars.

☞ The borough of Pottsville does not owe a dollar and has $7,000 in the treasury.

☞ The following persons were elected directors of the First National Bank of Selinsgrove, on Tuesday of last week:

George Schnure, H. N. Backus, W. F. Wagenseller, W. F. Eckbert, *H. C.* Eyer, Daniel Cary, Geo. C. Moyer, M. B. Hohman and S. R. Yearick.

☞ HAPPINESS abounds most with the lowly; there are more blossoms in the valley than on the hills. Both high and low procure their clothing from J. E. Smick, opposite Weaver's Hotel, as it is conceded that he keeps the best at the lowest prices.

☞ ESCAPED.—Samuel Lenhart and Mr. Lackey, who were confined in the jail at this place, made their escape on Saturday last by scaling the wall of the jail yard by means of a poker tied to the end of a rope. One of them while engaged in a fracas at Georgetown, on Tuesday, was arrested by Constable Seiler, and brought up to jail, but the Constable was not aware that the Sheriff had offered a reward for the same prisoner until the latter pointed to the advertisement and said to the Constable, "I am the fellow." Lenhart is well known here, as a peddler, and was in prison on a charge of bigamy. The other was confined on a charge of larceny.

☞ The markets for grain, provision and almost every thing else are rated as dull. There is a gradual decline in all the cities, east and west which must continue until all products reach their normal condition. Those who hold back, expecting higher prices, will find themselves greedy mistakes. Many articles are now selling 25 per cent higher here, than in the cities, and perhaps 50 per cent. higher than they will be in a few months hence.

☞ The offices in the new court house will be completed in a few months, when the Register, Prothonotary, Commissioners, &c., will have an opportunity of putting things in order. In the mean time, it is but just to say, that the manner in which the the office of Register and Recorder of this county is kept, under the circumstance, is very creditable to its present incumbent. Mr. Cummings has gone to a good deal of trouble in arranging the papers and documents of the office, and has succeeded in keeping his accounts in such a manner as to give entire satisfaction to all who have occasion to transact business in his office.

☞ RESTAURANT AT NORTHUMBERLAND.—Mr. John Deen, jr., formerly of Danville, has taken the Restaurant in the L. & B. R. R. Depot building at Northumberland and has refitted the establishment. His many friends, and the traveling community will be glad to learn of this, as he is well known to possess the ability to cater for the inner man.

☞ A CARD.—The undersigned would take this occasion to tender their sincere thanks and grateful acknowledgments to all those who so kindly ministered to them during their recent illness at Sunbury, and particularly the "Masonic Fraternity," who so generously contributed all in their power to their comfort and rapid recovery, and may a kind Providence give them that reward due those who show such kindness and sympathy to strangers.

Mrs. & Mr. C. L. KING.

☞ THE SNYDER COUNTY REMOVAL QUESTION.—Our Selinsgrove friends have succeeded in defeating the two bills in the legislature, intended to prevent the removal of the seat of Justice from Middleburg to Selinsgrove. One of which was to repeal the act of removal, and the other to submit it to a vote of the people. Both bills were defeated in committee, and received a negative recommendation. The Selinsgrove *Times* man who veered around and took a position against the interest of his own town, a few weeks since, has thus been placed in rather an awkward position. Like an ass between two stacks of hay, it is more than probable that he will have to fodder on thistles at last.

☞ The numerous lawless outrages committed in the mining regions of Schuylkill, have compelled the citizens to apply to the Legislature for a law authorizing a Detective police force.

☞ JEFF. DAVIS.—It is again asserted that Jeff. Davis is to be tried shortly by a military commission.

☞ TO THOSE INDEBTED.—Our patrons all know that our expenses are now twice as much as formerly. In our business we must pay the cash for all we consume. We therefore ask the favor of our patrons to remit us the amount due us, though it may be small. The large amount of small bills outstanding when brought together, will be an important item and greatly aid us in our business.

CONSTITUTION WATER.

The astonishing results which has attended this invaluable medicine proves it to be the most perfect remedy ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions to the debilitated and shattered system. In fact it stands unrivalled as a remedy for the permanent cure of Diabetes, Impotency, Loss of Muscular Energy, Physical Prostration, Indigestion, Non-retention or Incontinence of Urine, Irritation, Inflammation or Ulceration of the Bladder and Kidneys, Diseases of the Prostrate Gland, Stone in the Bladder, Calculus, Gravel, or Brickdust Deposit, and all diseases or affections of the Bladder and Kidneys, and Dropsical Swellings existing in Men, Women, or Children.

For those Diseases peculiar to Females, Constitution Water is a Sovereign Remedy.

These irregularities are the cause of frequently recurring diseases and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the difficulty becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and *consumption* finally ends her career.

CONSTITUTION

LIFE SYRUP.

A positive and specific remedy for all diseases originating from an Impure State of the Blood, and for all (hereditary) Diseases transmitted from parent to child.

L

SCROFULA!

STRUMA, GLANDULAR SWELLINGS, ULCERATION, KING'S EVIL, ERYSIPELAS, SALT RHEUM.

This taint (hereditary and acquired,) filling life with untold misery, is by all usual medical remedies incurable.

RHEUMATISM.

If there is any disease in which the Constitution Life Syrup is a sovereign, it is in rheumatism and its kindred affections. The most intense pains are almost instantly alleviated—enormous swellings are reduced. Cases, chronic or vocarious, of twenty or thirty years standing have been cured.

I

NERVOUSNESS,

Nervous Debility, Shattered Nerves, St. Vitus' Dance, Loss of Power, Confusion of Thoughts, Epilepsy.

Thousands who have suffered for years will bless the day on which they read these lines. Particularly to weak, suffering women will this medicine prove an inestimable blessing—directing their footsteps to a Hope which fulfills more than in promises.

MERCURIAL DISEASES.

Salivation, Rotting of Bones, Bad Complexion, Aches in Bones, Feeling of Weariness, Depression of Spirits.

F

Constitution Life Syrup purges the system entirely from all the evil effects of Mercury, removing the Bad Breath, curing the Weak Joints and Rheumatic Pains which the use of Calomel is sure to produce. It hardens spongy Gums and secures the Teeth as firmly as ever.

CONSTITUTION LIFE SYRUP.

Eradicates, root and branch, all Eruptive Diseases, of the skin like

ULCERS, PIMPLES, BLOTCHES,

and all other difficulties of this kind, which so much disfigure the outward appearance of both males and females, often making them a disgusting object to themselves and their friends.

E

CONSTITUTION LIFE SYRUP

Cures all Swelling of the Glands.

Either of the Face, Neck, or Female Breast, it should be taken as soon as the swelling is detected, thus preventing their breaking, and producing troublesome discharging sores, which disfigure so many of the younger portion of the community, from six to twenty years of age. Young children are very subject to discharges from the ears, which depends upon a scrofulous constitution. These cases soon recover by taking a few doses of the Life Syrup.

S

All scrofulous persons suffering from general Debility, Dyspepsia and Dropsy of the limbs, abdomen, and in the female, Dropsy of the ovaries and womb, generally accompanied with Inflamation and Ulceration of the Uterus, are permanently cured by Constitution Life Syrup. The disease known as Goitre or Swelled Neck, the Life Syrup will remove entirely. The remedy should be taken for some time, as the disease is exceedingly chronic and stubborn, and will not be removed without extra effort.

Tumors of the Ovaries, Tumors of the Breast, and swelling of other glands of the body, will be completely reduced without resorting to the knife, or operations of any kind.

Y

Epileptic fits, sympathetic or organic diseases of the heart, as palpitation, diseases of the valves, producing a grating or filing sound, dropsy of the heart case and all the affections of this important organ (persons suffering from any acute pain in the region of the heart), will be greatly relieved by Constitution Life Syrup.

Broken-Down and Delicate Constitutions suffering from Indisposition to Exertion, Pain in the Back, Loss of Memory, Forebodings, Horror of Calamity, Fear of Disease, Dimness of Vision, Dry, Hot Skin and Extremities, Want of Sleep, Restlessness, Pale Haggard Countenance, and Inactitude of the Muscular System, all require the aid of the Constitution Life Syrup.

R

FOR ALL FORMS OF

ULCERATIVE DISEASES,

Either of the Nose, Throat, Tongue, Spine, Forehead, or Scalp, no remedy has ever proved its equal.

Moth Patches upon the female face depending upon the diseased action of the liver are very annoying to the young wife and mother. A few bottles of Constitution Life Syrup, will correct the secretion and remove the deposit which is directly under the skin.

In the diseases of the Liver, giving rise to Languor, Dizziness, Indigestion, Weak Stomach or an ulcerated or cancerous condition of that organ, accompanied with burning or other unpleasant symptoms, will be relieved by the use of Constitution Life Syrup.

U

☞ As a general Blood Purifying Agent the Life Syrup stands unrivalled by any preparation in the World.

THE RICH AND POOR

are liable to the same diseases. Nature and Science has made the Constitution Life Syrup for the benefit of all.

PURE BLOOD

produces healthy men and women; and if the constitution is neglected in youth, disease and early death is the result.

NEW SKIRT FOR 1865-66.

The Great Invention of the Age is

HOOP SKIRTS.

J. W. BRADLEY'S New Patent DUPLEX ELLIPTIC (or double) SPRING SKIRT.

This invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge, making the toughest, most flexible, elastic and durable Spring ever used. They seldom bend or break, like the single Springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Rail road Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

The Hoops are covered with 2 ply twisted thread and will wear twice as long as the single yarn covering which is used on all Single Steel Hoop Skirts. The three bottom rebows every Skirt are also Double Steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, etc., etc., which they are constantly subject to when in use.

All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desirable, comfortable and economical Skirt ever made.

a new discovery in medicine which

by supplying the Blood with its VITAL PRINCIPLE, OR LIFE ELEMENT—IRON.

This is the secret of the wonderful success of this remedy in curing

Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints,

and all diseases originating in a

BAD STATE OF THE BLOOD

or accompanied by DEBILITY or A LOW STATE OF THE SYSTEM.

Being free from Alcohol in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing STRENGTH, VIGOR and NEW LIFE into all parts of the system, and building up an IRON CONSTITUTION.

DYSPEPSIA AND DEBILITY.

From the Venerable Archdeacon SCOTT, D. D

DUNHAM, Canada East, March 24, 1865.

* * * "I am an inveterate Dyspeptic of more than 25 years standing."

* * * "I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. People who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me." * * *

One of the most Distinguished Jurists in New England Writes to a Friend as follows:

"I have tried the PERUVIAN SYRUP, and the result fully sustains your prediction. It has made a new man of me; infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

An Eminent Divine of Boston, says:

"I have been using the PERUVIAN SYRUP for some time past; it gives me NEW VIGOR, BUOYANCY OF SPIRITS, ELASTICITY OF MUSCLE."

Thousands have been changed by the use of this remedy; from weak, sickly, suffering creatures, to strong healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physician, clergymen, and others, will be sent free to any address.

AS A MEDICINE,

SEYMOUR THATCHER, M. D.,

of Herman, N. Y., writes as follows:—

"WISTAR'S Balsam of Wild Cherry gives universal satisfaction. It seems to cure a Cough by loosening and cleansing the lungs, and allaying irritation, thus removing the cause, instead of driving up the cough and leaving the cause behind. I consider the Balsam as good as any, if not the best Cough medicine with which I am acquainted."

From Hon. Judge SPRAKER, of Canajoharie, N. Y.

Gentlemen.—This is to certify that myself and family have used Dr. Wistar's Balsam of Wild Cherry, for several years, and that I take great pleasure in recommending it in preference to anything of the kind for the purpose for which it is intended. In cases of Asthma, Phthisis, or affections of the Throat, I have never met with anything equal to it.

Very respectfully,
DAVID SPRAKER.

The Rev. JACOB SECHLER, of Hanover, Pa., Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted.

Dear Sir:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case made frequent use of your valuable medicine, and have always been benefitted by it.

97 MARKET STREET.

Having supplied ourselves with a new and superior lot of Goods, of the latest styles and patterns, and having secured from the importers many articles of great beauty and value, we are now prepared to make for the Spring and Winter better arrangements, and present greater inducements to purchasers, than we have ever before offered. We have 50,000 valuable and beautiful articles of Goods, comprising Pianos, Watches, Diamonds, plain and ornamental Jewelry, and Fancy Goods of every description, that we will sell at $2 each regardless of value or cost.

How we dispose of our Goods.

We have 50,000 Oil Colored Photographs, comprising every subject—Religious, Sentimental, Gentle and Fancy—that we will sell at Thirty Cents each, or four for One Dollar; and with each Photograph we give two numbered notices. The notices are numbered from 1 to 50,000, and put into envelopes, sealed up, and thoroughly mixed; and when Photographs are purchased, two for each Photograph are taken out and sent with it. The articles of Goods are numbered from 1 to 50,000, and any article, no matter what the value may be, corresponding with the number on the notice, will be sent for Two Dollars, free of cost, except when sent by express, then at the expense of the receiver.

We do assure you that should the notice correspond with a Piano or other valuable article of goods, it will be sent to the purchaser for Two Dollars.

Take Notice!

FARMERS and DEALERS in FERTILIZERS will please take notice that we have adopted the following Trade Mark to protect ourselves and prevent those who use our RAW BONE SUPERPHOSPHATE from being deceived when purchasing manures.

We have been obliged to give this protection to our customers, in consequence of several parties having unlawfully used our distinctive name, viz: "Raw Bone," in offering their article to the public. This Trade Mark is adopted in addition to the title "Raw Bone," which is our exclusive property, and we caution all manufacturers from using it in future. We would state to the trade and consumers, that they will find it to their interest to see that the "Trade Mark" is upon every bag and barrel they purchase, as none other is genuine.

BAUGH & SONS.

TRADE MARK

BAUGH'S

RAW BONE

SUPERPHOSPHATE OF LIME,

Manufactured by BAUGH & SONS,

No. 20 SOUTH DELAWARE AVENUE,

PHILADELPHIA.

The great popularity of our article has been found sufficient inducement to exhibit imitators to manufacture and advertise articles "Bone Phosphate," a name which originated with us, and is our own rightful property. We will state for the information of all, that we are the exclusive manufacturers of this article—the original and sole proprietors of it—having been manufactured by us for a period of twelve years. Also that it is covered by several letters patent, held only by ourselves.

We are now ready to supply it in large quantities—having made recent additions and improvements. Vessels drawing 18 feet of water can load directly from the windows of the works, which are located at the foot of Morris Street, Delaware River. We call the attention of DEALERS to this great advantage.

The present indications are that we shall have a greatly increased demand over last spring and fall season, and we advise Farmers to send in their orders to their respective Dealers at an early day, that all may be supplied promptly.

Soliciting a continued patronage,

We remain,

Yours very truly,
