NEW ARRANGEMENTS IN THE

BRICK BLOCK.

THE undersigned having taken the Rooms formerly occupied by W. B. DEANS, is now prepared to furnish all who may desire with a good and truthful Portrait.
Being well posted in the production of the various kinds of Pictures of the day, I flatter myself that my work is not excelled by any in this section of the country.
Among the various kinds taken at my Rooms are the
AMBROTYPE, PHOTOGRAPH, MELAINOTYPE, NEILLOGRAPH.
Locket Pictures down to the smallest sized miniature Ring. Transferred Ambrotypes—the finest thing out, for sending by Post to any part of the World without extra postage. My Pictures are bold, vigorous, and expressive—not those faint, lifeless shadows often sold about the country. Pictures taken in all kinds of weather, equally well, except those of young children. No picture need be taken unless perfect satisfaction is given.
In dressing for a picture, avoid light colors,—such as blue, purple, scarlet, pink, etc. Most others take well as green, black, red, snuff, brown, orange, yellow, etc.
☞ Remember that the place to get your "picture" is in the Brick Block, over Read, Watrous & Foster's store.

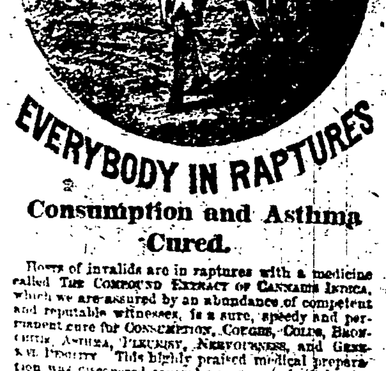
Dr. H. JAMES' Great East Indian Remedy



EVERYBODY IN RAPTURES

Consumption and Asthma Cured.

Hosts of invalids are in raptures with a medicine called THE COMPOUND EXTRACT OF CANNABIS INDICA, which we are assured by an abundance of competent and reputable witnesses, is a sure, speedy and permanent cure for CONSUMPTION, COUGHS, COLDS, BRONCHITIS, ASTHMA, PLEURISY, NERVOUSNESS, and GENERAL DEBILITY. This highly praised medical preparation was discovered several years ago, in Calcutta, by Dr. H. James, a well known physician of great eminence, who had taken his only child—a daughter—there with him, hoping that the climate would prolong her life. She was pronounced an incurable case of CONSUMPTION. He had heard much of the wonderful restorative and healing qualities of preparations made from the East India Hemp; and the thought occurred to him that he might compound a remedy for his child. He studied hard, and succeeded in realizing his wishes. His child was cured. This wonderful remedy has since been administered to thousands of sufferers in all parts of the world, and has never failed of making them completely healthy and happy. The original recipe for preparing, and successfully using this great remedy will be furnished to all applicants by the undersigned, on receipt of a stamp for return postage. A small work, written by the Doctor himself, on the above complaints, will be sent FREE, *post-paid*, to all those who may apply for the recipe. Those who wish the medicine prepared, can obtain it at $2 per single bottle, three bottles for $5.—Sent to any part of the United States by Express.

MISCELLANEOUS.

THE AMALGAMATION OF LANGUAGES.—There is a growing tendency in this age to appropriate the most expressive words of other languages, and after a while to incorporate them into our own; thus the word Cephalic, which is from the Greek, signifying "for the head," is now becoming popularized in connection with Mr. Spalding's great Headache remedy, but it will soon be used in a more general way, and the word Cephalic will become as common as Electrotype and many others whose distinction as foreign words has been worn away by common usage until they seem "native to the manor born."

'ardly Realized.

Hi 'ad 'n 'orrible 'eadache this hafternoon, hand I stepped into the hapothecaries hand says hi to the man, "Can you hease me of an 'eadache?" "Does it hache 'ard," says 'e. "Hexceedingly," says hi, hand upon that 'e gave me a Cephalic Pill, hand 'pon me 'onor it cured me so quick that I 'ardly realized I 'ad 'ad an 'eadache.

☞ HEADACHE is the favorite sign by which nature makes known any deviation whatever from the natural state of the brain, and viewed in this light it may be looked on as a safeguard intended to give notice of disease which might otherwise escape attention, till too late to be remedied; and its indications should never be neglected. Headaches may be classified under two names, viz: Symptomatic and Idiopathic. Symptomatic Headache is exceedingly common and is the precursor of a great variety of diseases, among which are Apoplexy, Gout, Rheumatism and all febrile diseases. In its nervous form it is sympathetic of disease of the stomach constituting *sick headache*, of hepatic disease constituting *billious headache*, of worms, constipation and other disorders of the bowels, as well as renal and uterine affections. Diseases of the heart are very frequently attended with Headaches; Anæmia and plethora are also affections which frequently occasion headache. Idiopathic Headache is also very common, being usually distinguished by the name of *nervous headache*, sometimes coming on suddenly in a state of apparently sound health and prostrating at once the mental and physical energies, and in other instances it comes on slowly, heralded by depression of spirits or acerbity of temper. In most instances the pain is in the front part of the head, over one or both eyes, and sometimes provoking vomiting; under this class may also be named *Neuralgia*.

For the treatment of either class of Headache the Cephalic Pills have been found a sure and safe remedy, relieving the most acute pains in a few minutes, and by its subtle power eradicating the diseases of which Headache is the unerring index.

BRIDGET.—Missus wants you to send her a box of Cephalic Glue, no, a bottle of Prepared Pills, but I'm thinking that's not just it naither; but perhaps ye'll be afther knowing what it is. Ye see she's nigh dead and gone with the Sick Headache, and wants some more of that same as relaived her before.
Druggist.—You must mean Spalding's Cephalic Pills.
Bridget.—Och! sure now and you've sed it, here's the quarther and giv me the Pills and dont be all day about it aither.

Constipation or Costiveness.

No one of the "many ills flesh is heir to" is so prevalent, so little understood, and so much neglected as Costiveness. Often originating in carelessness, or sedentary habits; it is regarded as a slight disorder of too little consequence to excite anxiety, while in reality it is the precursor and companion of many of the most fatal and dangerous diseases, and unless early eradicated it will bring the sufferer to an untimely grave. Among the lighter evils of which costiveness is the usual attendant are Headache, Colic, Rheumatism, Foul Breath, Piles and others of like nature, while a long train of frightful diseases such as Malignant Fevers, Abcesses, Dysentary, Diarrhœa, Dyspepsia, Apoplexy, Epilepsy, Paralysis, Hysteria, Hypochondriasis, Melancholy and Insanity, first indicate their presence in the system by this alarming symptom. Not unfrequently the diseases named originate in Constipation, but take on an independent existence unless the cause is eradicated in an early stage. From all these considerations it follows that the disorder should receive immediate attention whenever it occurs, and no person should neglect to get a box of Cephalic Pills on the first appearance of the complaint, as their timely use will expel the insidious approaches of disease and destroy this dangerous foe to human life.

Cephalic Pills CURE Sick Headache CURE Nervous Headache CURE All kinds of Headache.

By the use of these Pills the periodic attacks of *Nervous or Sick Headache* may be prevented; and if taken at the commencement of an attack immediate relief from pain and sickness will be obtained.

They seldom fail in removing the *Nausea* and *Headache* to which females are so subject.

They act gently upon the bowels,—removing *Costiveness*.

For *Literary Men, Students*, Delicate Females, and all persons of *sedentary habits*, they are valuable as a *laxative*, improving the *appetite*, giving tone and vigor to the digestive organs, and restoring the natural elasticity and strength of the whole system.

The CEPHALIC PILLS are the result of long investigation and carefully conducted experiments, having been in use many years, during which time they have prevented and relieved a vast amount of pain and suffering from Headache, whether originating in the *nervous* system or from a deranged state of the *stomach*.

They are entirely vegetable in their composition, and may be taken at all times with perfect safety without making any change of diet, *and the absence of any disagreeable taste renders it easy to administer them to children.*

Beware of Counterfeits.

The genuine have five signatures of Henry C. Spalding on each box.

THE GLOBE:

THE OFFICIAL PAPER OF CONGRESS.

WE publish now the annual prospectus of the DAILY GLOBE, and the *Congressional Globe and Appendix*, to remind subscribers, and inform those who may desire to subscribe, that Congress will meet on the first Monday in December next, when I shall resume publishing the above named papers. They have published so long, that most public men know their character, and therefore I deem it needless to give a minute account of the kind of matter they will contain.

The Daily Globe will contain a report of the debates in both branches of Congress as taken down by Reporters, equal at least to any corps of short-hand writers in this, or in any other country. A majority of them will, each, be able to report, *verbatim*, 10000 words an hour. When the debates of a day do not make over 45 columns, they will appear in the Daily Globe of the next morning, which will also contain the news of the day, together with editorial articles, such as may be suggested by passing events.

The Congressional Globe and Appendix will contain a report of all the debates in Congress, revised by the speakers, the Messages of the President of the United States, the Annual Reports of the Heads of the Executive Departments, the Laws passed during the session, and copious indexes to all. They will be printed on a double royal sheet in book form, royal quarto size, each number containing 16 pages. The whole will make, it is believed, at least 2,000 pages. This is acknowledged to be the cheapest work ever sold in any country, whether a reprint or printed from manuscript copy, taking for *data* the average number of words it contains.

The coming session, will without doubt, be an unusually interesting one, because the debates will, in a great measure, be upon the policy of the President elect, and because it has been for many years past, the GLOBE will be, as it has been for many years past, the only source from which the full debates of Congress can be obtained.

The Congressional Globe and Appendix pass *FREE* thro' the mails of the United States, as may be seen by a joint resolution passed by Congress on the 6th of August, 1852.

TERMS.

For a copy of the Daily Globe for four months	$3 00
Congressional Globe & Appendix during the session	3 00
Two copies " " ordered at the same time	5 00

No attention will be paid to any order unless the money accompanies it.

Bank Notes, current in the section of the country where a subscriber resides, will be received at par. The whole or any part of a subscription may be remitted in postage stamps, which are preferable to any currency except gold or silver.

CERTIFICATE.

This is to certify, that Mrs. Emory has been afflicted for years past with that distressing complaint known as the "Piles," and that having failed in securing relief from various Physicians, she was induced from reports to try Mr. Williams' "Pile Solution," which we obtained at one of his Agencies in Tunkhannock, Pa. The result has been the most favorable. The trial was made with it last fall, and after using as directed for a few days, what we have good reason to think was a permanent cure was effected. Several other cases of a similar nature in this vicinity, have used it with like results. With Mr. Williams motto "no cure no pay" every one thus afflicted, will certainly do well to try it. B. B. UDOLPHO WOLFE'S AROMATIC SCHIEDAM SCHNAPPS

A SUPERLATIVE

TONIC, DIURETIC, ANTI DYSPEPTIC

—AND—

INVIGORATING CORDIAL

To the Citizens of Pennsylvania.

Apothecaries, Druggists, Grocers and Private Families.

Wolfe's Pure Cognac Brandy.
Wolfe's Pure Maderia, Sherry and Port Wine.
Wolfe's Pure Jamaica and St. Croix Rum.
Wolfe's Pure Scotch and Irish Whiskey.

ALL IN BOTTLES.

I BEG LEAVE to call the attention of the citizens of the United States to the above WINES and LIQUORS, imported by UDOLPHO WOLFE, of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHIEDAM SCHNAPPS. Mr. Wolfe, in a letter to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the City of N. Y., that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the Wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call & examine for themselves. For sale at Retail by all the Apothecaries and Grocers in Philadelphia.
GEO. H. ASHTON, No. 832 Market st., Phila.
Sole Agent for Philadelphia.

Read the following from the New York Courier:

ENORMOUS BUSINESS FOR ONE N. Y. MERCHANT.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it is well worth a stranger or citizen to visit Udolpho Wolfe's extensive warehouse, Nos. 18, 20 & 22, Beaver st., and Nos. 17, 19 & 21, Marketfield st. His stock of Schnapps on hand ready for shipment could not have been less than 30,000 cases; the Brandy, some 10,000 cases—Vintages of 1836 to 56; and 10,000 cases of Madeira, Sherry, and Port Wine, Scotch & Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He had also three large cellars, filled with Brandy, Wine, &c., in casks, under the Custom House key, ready for bottling. Mr. Wolfe's sale of Schnapps last year amounted to 180,000 dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines & Liquors for medical use should send their orders direct to Mr. W., until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness. HEALTH AND ITS PLEASURES.

Or Disease With Its Agonies:

Choose Between Them.

HOLLOWAY'S PILLS.

NERVOUS DISORDERS.

WHAT is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one:—drink but little wine, beer, or spirits, or far better, none; take no coffee,—weak tea being preferable; get all the fresh air you can; take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and if these golden rules are followed, you will be happy in mind, strong in body, and forget you have nerves.

Mothers & Daughters.

If there is one thing more than another for which these Pills are famous, it is their purifying properties, especially their power of cleansing the blood from all impurities, & removing dangerous and suspended secretions. Universally adopted as the grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.

Sick Headache and Want of Appetite.

These feelings which so sadden us, most frequently arise from annoyances or trouble, from perspiration, or from eating and drinking what is unfit for us, thus disordering the stomach and liver. These organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restore a healthy action to both liver and stomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

DISORDERS OF THE KIDNEYS.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel, or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions, and the Ointment should be well rubbed into the small of the back at bed-time. This treatment will give almost immediate relief when all other means have failed.

For Stomachs out of Order.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they never fail in curing all disorders of the Liver and stomach.

Holloway's Pills are the best remedy known in the world for the following diseases:

Ague,	Fits,	Sore Throats,
Asthma,	Gout,	Stone and Gravel,
Bilious Complaints,	Headache,	Secondary Symptoms,
Blotches on Skin,	Indigestion,	Tic Douloureux,
Bowel Complaints,	Inflammation,	Tumors,
Colics,	Jaundice,	Ulcers,
Constipation of the Bowels,	Liver Complaints, Lumbago,	Venereal Affections, Worms of all kinds,
Consumption,	Piles,	Weakness from
Debility,	Rheumatism,	whatever cause,
Dropsy,	Retention of Urine,	&c. &c.
Dysentery,		
Erysipelas,	Scrofula, or King's Evil,	&c. &c.
Female Irregularities,	Fevers of all kinds.	(35)

CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents, 62 cents, and $1 each.

☞ There is considerable saving by taking larger boxes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.
