Agricultural.

GEISER SEPERATOR, OR COMBINED THRESHER, CLEANER AND BAGGER

has no equal. It is simple, easily managed, reliable, durable, compact and cleanly to work by, not as dusty as the common threshing machine It is permanently fixed on two wheels for hauling and thresing, and one man can move or shift it about in a barn floor more easily than a common threshing machine. It is adapted to *any common four-horse or two-horse tread power,* and requires less hands and no more power than a common threshing machine and shaker; it actually runs lighter and enables you to *thresh and clean your crop* in one half the time; it will thresh and clean all kinds of grain thoroughly clean by one operation, *ready for market,* no matter how filthy. Give it a trial. It is *warranted* to give satisfaction, and I am willing to be responsible if it does not come up to to all that is claimed for it. For the truth of the above statements, I would refer all persons to the undersigned, who have purchased and used them for some time

THE WORLD-RENOWNED SINGER SEWING MACHINE.

There can be no greater evidence of its superiority over all others, than the simple fact that all of the *tailors,* without an exception, all of the *milliners,* without an exception, and all of the *manua-makers* and *dress makers, without* an exception, in Centre county, are using it in preference to any other; this is a fact that cannot be disputed. There are also hundreds of private families and farmers in every township in this county who can and *will testify* to its unrivaled merits—in a word it is the only machine that will sew all kinds of *goods, from* the heaviest to the finest, and all kinds of thread. This I will warrant it to do, *or no sale* The Singer has been lately improved so as to make it *almost noiseless, and simple in the extreme,* and the price reduced It will stitch, quilt, hem, fell, braid, tuck, cord, gather and sew on the band at the same time, any child can *operate it, and* it is warranted not to get out of order I give full and complete *practical* instructions on the machine to every purchaser. Call and see them.

KEELER'S LANCASTER GRAIN DRILL, AND STEEL TOOTH HORSE RAKE.

THE CELEBRATED TRIPLE GEAR HORSE POWER.

This power is all made of iron except the arms; it needs no recommendation, as its gradual introduction into all parts of this county establishes its great superiority over all others.—It applies to either belt or geared machinery.
