PITTSBURGH BOARD OF TRADE.
COMMITTEE FOR NOVEMBER.
J. SHIPTON. J. SHEA. J. S. CLARKE.

OFFICE PITTSBURGH GAZETTE, Saturday Morning, November 20.

We have still no important change to notice in the general feeling of the market. Sales, in a regular way, have been fair, considering the inclemency of the weather, which, since the recent rains, has become cold and disagreeable for out door business.

Flour—Nothing has occurred in the market out of the range of regular or retail sales, which amount to some 150 bbls at the usual rates, viz: $4,50 to 5,12½ by drey load, and 5,25 by single bbl.

Cornmeal—is very little in demand, and the supply is quite limited. We notice moderate sales from store at 45@50c ⅌ bu.

Buckwheat Flour—This article is in brisk demand at $2 ⅌ 100 lbs, from store. Our retail grocers are anxious to purchase at $1,50.

Rye Flour—is in fair request, with regular sales from store at $3,00@3,62½ ⅌ bbl.

Grain—We have no change to notice in the market, which continues quiet, with moderate sales at the following rates:—Wheat, 95; Barley, 45@50; Rye, 45; Corn 43@45, and Oats at 27c ⅌ bu.

Ashes—All kinds continue in good demand at full prices, with an upward tendency. Sales of 4 tons of Saleratus at 7½c—3 tons Pearls at 7½@7½c—10 bbls Scorchings at 5@5½—of Pots, we notice moderate sales at 5¼@5½c, and Soda Ash at 5¼@5½ ⅌ lb.

Bacon—The market maintains its usual quietness, with regular moderate sales at, for Hams, 8¼@9c—Sides 7¼—Shoulders 6¼@7c ⅌ lb.

Butter—Regular sales in keg from store at 9½ ⅌ lb.

Cheese—Sales of 150 hxs W R at 6¼@6½c ⅌ lb.

Whiskey—Sales of Raw at 18@18½c, and 6 rectified at 21c ⅌ gal.

Killed Hogs—Limited sales at $4,00@4,25 ⅌ 100 lbs.

Beef Cattle—Meet ready sale. in our market at $3,50@4,50 ⅌ 100 lbs nett.

Beeswax—Sales of 100 lbs at 22c.

Flaxseed—We notice moderate sales at 85@87c ⅌ bu.

Flaxseed Oil—Sales at 58@60c ⅌ gal.

Lard Oil—Sales of 5 bbls at 73c ⅌ gal, with pay for bbls.

Tanner's Oil—Has recently advanced, with sales at $17 ⅌ bbl.

Tallow—Sales of 500 lbs at 8¼@8½c ⅌ lb.

Groceries—The market, generally, is without change.

We notice an improvement in our currency, the rates being reduced from 3 to 4 ⅌ per cent.

SPECIE.—The steamer Washington carried out, on her present trip, $250,000 in specie.

THE PITTSBURGH MARKET.—Where does our friend Allison, of the Steubenville Herald, get his reports of the Pittsburgh Market? They are published in his paper without date or credit, and present, generally, an erroneous idea of the prices of our market. Some of the articles of our trade being placed at about 50 per cent lower than the correct prices—as reported in the Gazette. Some of our business men complain of this, as having a tendency to injure the trade.—[Gaz. Rep.

The fine steamer Mountaineer, says the Louisville Journal, will hereafter run as a mail packet from that place to Owensborough and Henderson. The Mountaineer is a superb boat, and, under the command of Capt Henry, will, doubtless, under this new arrangement, become profitable to her owners, as well as a great public convenience.

WESTERN WATERS.
Pittsburgh, Nov 20.

The river, during the last 48 hours, prior to last evening, rose about 6 feet and was still swelling.—[Signal.

St Louis, Nov 10.

The Illinois river is rising, with 3½ feet water on the bars. The Missouri and Upper Mississippi continue very low. There is 32 inches water in the channel of the former, and 20 inches on the Lower Rapids, of the latter, with scant three feet from Keokuk to this place. There is from 4½ to 5 feet water on the principal bars hence to Cairo.—[Un.

HEMP.—The Cincinnati Gazette gives the following letter from St Louis, received by one of the merchants of that city:

"The most carefully formed estimates of the Hemp crop of the Missouri river, gives the product this year as in round numbers, 15,000 tons." Add to this the product of the whole west beside, which may be set down at 17,000 tons; and you have an amount equal to 30,000 tons—from this, deduct the quantity used in the west in manufactures, say 12,000 tons, and you have for export from 18 to 20,000 tons, or more than equal to the requirements of all northern seaports, and leaving a considerable quantity for export. The spirit of speculation, which has pervaded all classes, has recently affected this article considerably—which the quantity of anything that this vast region produces is so large, and so fearful that speculation can be gotten up in it; that it can be, illustrates fully the restless and daring spirit which characterises our people in everything.

CANAL TOLLS.

The amount received for tolls on all the N Y State canals during the 1st week in Nov, inclusive $151,545 00
Same period in 1846 ..... 128,412 00

Increase $23,602 40

The aggregate amount received for tolls from the commencement of navigation to the 7th of Nov, inclusive (191 days) $3,322,431 40
During the same period in 1846 (208 days) 2,483,541 26

Increase $838,910 14

The amount received for tolls to the 7th of Nov, inclusive, exceeds by $295,390 51, the entire receipts of 1846.—[Evening Jour.

The amount received for tolls at Buffalo, Rochester and Oswego, during the last week in November, in the years 1845, '46 and '47, is as follows.

Buffalo.....	$21,561 05	31,331 51	53,354 79
Rochester.....	11,387 78	15,885 07	11,783 88
Oswego.....	6,479 06	9,754 77	6,901 59
Totals.....	$42,627 89	$57,976 35	$72,040 26

The steamer South American reports that the steamer Memphis, bound from New Orleans to Memphis, with a full cargo, struck a snag on the night of the 6th inst., eight miles above Bayou Sara, and sunk. She careened over, and the water is over her lower deck. The machinery and cargo will be saved. No lives lost.—[Louisville Jour.

☞ Balm of Columbia—Hair Tonic—To the Bald and Grey—If you wish a new growth of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness it will more than exceed your expectations. Many who have lost their hair by 20 years have had it restored to its original perfection by the use of this balm. Age, state or condition appears to be no obstacle where it is also cause the blood to flow with which the delicate hair tube is filled, by which means thousands (whose hair was gray as the Antarctic Eagle) have had their hair restored to its natural color by the use of this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used. A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequaled; it holds three times as much as other miscalled hair restoratives and is more effectual. The genuine manufactured by Comstock & Co, 91 Cortlandt st, New York.

IMPUDENCE.

FROM a published card of McCallister & Bond, of Philadelphia, the public would be led to believe that we have been claiming a privilege we had no right to. That they have abandoned some time since the existence of a "larger system," and that we have no right to claim "exclusive privileges with their seas." I never pretended to sell the seas of this spurious concern. I have been selling the seas of the New York Pekin Tea Co for the last two years, as the public are aware, and have been in New York four times in that time, and never heard of this new concern until lately but as wool dealers.
