Clothing! Clothing!! Clothing!!!
The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Clothing! Clothing!!

THE Spring and Summer stock that is now ready to be offered at the old original
THREE BIG DOORS,
Is one of the largest and choicest in selection that has ever been exhibited by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments of articles which I now have to offer them; but will simply tell them that if they only favor me with a call, I will lay before them 175,000 different garments to make a choice out of, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, to the astonishment of the beholder, with both mouth and eyes open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of trade. Without any intention of boasting, on my part, I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what their magnitude may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring an article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.
Now, let me say a word or two to my country merchants in the trade; If you wish to save from at least 25 to 30 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly increasing its fame by the making all over the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy; all stages of this complaint immediately relieved, no matter of how long standing. (See pamphlet for testimony.)
Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other article can relieve you; and the cures testified to will convince the most skeptical:—(see pamphlet.) Liver Complaint, Bilious Diseases, Fever and Ague. To the Great West especially, and wherever these complaints prevail, this medicine is offered. No mineral agent, no deleterious compound is a part of this mixture; it cures these diseases with certainty and celerity, and does not leave the system torpid. (See pamphlet.) Piles, a complaint of a most painful character, is immediately relieved, and a cure follows by a few days use of this article. It is far beyond any other preparation for this disease, or for any other disease originating from impure blood. (See pamphlet.) Debility of the System, Weak Back, Weakness of the Kidneys, &c., or Inflamation of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as a certain remedy for such complaints, and also for derangements of the female frame, Irregularities, Suppressions, painful menstruations. No article has ever been offered, except this, which would touch this kind of derangements. It may be relied upon as a sure and effective remedy; and, did we feel permitted to do so, could give a thousand names as proof of cures in this distressing class of complaints.—See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous mineral eradicated from the system.
Eruptive Diseases will find the alterative properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement, will not permit to be named here; Agents give them away; they contain 32 pages of certificates of high character; and a stronger array of proof of the virtues of a medicine, never appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid HOPE ON, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which come out under the heads of SARSAPARILLAS, SYRUPS, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary: TOUCH THEM NOT. Their inventors never thought of curing such diseases till this article had done it. *A particular study of the pamphlet is earnestly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Put up in 30 oz. bottles, at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look, and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.
Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, wholesale and retail. No attention given to letters unless post-paid—*orders from regularly authorized Agents excepted.* Post-paid letters, or verbal communications soliciting advice, promptly attended to gratis.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the sea-ports, as we take charge of them the moment they report themselves, and see to their well-being, and despatch them without any detention by the first ships. We say this fearlessly, as we defy any of our passengers to show that they were detained 48 hours by us in Liverpool, whilst thousands of others were detained months until they could be sent in some old craft, at a cheap rate, which too frequently proved their coffins.
We intend to perform our contracts honorably, *cost what it may*, and not act as was the case last season with other offices, who either performed not at all, or when it suited their convenience.

Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption!—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendence of the inventor.
The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam has cured, and will cure, the most desperate cases. It is no quack nostrum, but a standard English medicine, of known and established efficacy.
Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive of the climate, but to be used as a preventive medicine in all cases of colds, coughs, spitting of blood, pain in the side and chest, irritation and soreness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.
Sold in large bottles at $1 per bottle, with full directions for the restoration of health.
Pamphlets, containing a mass of English and American certificates, and other evidence, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

Connell's Magical Pain Extractor.

IT is now conceded by medical men, that Connell's Magical Pain Extractor, manufactured by Comstock & Co., 21 Courtland st., New York, is the greatest wonder of the 19th century. Its effects are truly miraculous. All pains are removed from burns, scalds, &c., and all external sores, in a few minutes after its application; healing the same on the most delicate skin, leaving no scar. It is equally beneficial in all kinds of inflammatory diseases, such as sore Nipples, and Eyes, Sprains, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Piles, Tic Doloreux, &c. We might add as proof to all the above, the names of many eminent physicians who use it in their practice, and hundreds of the clergy, who praise it to their people. Kind parent *keep it constantly in the house*, in case of accidents by fire life may be lost without it, but by its use all burns are subject to its control, unless the vitals are destroyed. *Caution*—remember and ask for *Connell's Magical Pain Extractor*, manufactured by Comstock & Co., N. Y., and take no other.
Piles, Sores, &c.—The Genuine Hays' Liniment, is an article more justly celebrated as a cure for the above, than any of all others. Its cures are almost immediate, and it is only necessary to let those who suffer know it, and use it with such great success, that it is to be had true and genuine of Comstock & Co. 21 Courtland st., N. Y., sole proprietor.
Sold only genuine in Pittsburgh, Pa., by Wm. Jackson, 89 Liberty st., head of Wood; also in Washington, Pa., by A. Clark; in Brownsville by Bennett & Crocker, also by our agent in every town in Pennsylvania, Ohio, Maryland and Virginia. nov1-d&wly

"It is the best Cough Medicine I ever Saw."

READ the following proof of the superiority of Dr. Willard's Oriental Cough Mixture, from a respectable citizen, who has tried it:—
Pittsburgh, Dec. 15, 1847.
Messrs. Hays & Brockway:—After laboring for several weeks under the disadvantages of a harassing cough and most distressing cold, which had thus far, resisted the effects of several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise after using only one half of the bottle I was entirely cured. "It is the best Cough Medicine I ever saw."

Drugs and Medicines.

LIVER COMPLAINT, JAUNDICE, DYSPEPSIA, NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, ASTHMA, and all affections arising from derangement of disease in the Biliary, Digestive, Vascular, Respiratory, and Nervous Systems; such as constipation, inward piles, heartburn, loss of appetite, coated tongue, acidity of the stomach, swimming of the head, fullness or weight in the stomach, dimness of vision, palpitation of the heart,
Choking or suffocating sensations, depression of spirits, sudden flushes of heat, pain in the side or back, weakness of the limbs, cold feet, constant imaginings of evil, fever and dull pain in the head, pain and difficulty of breathing when lying upon the side, frightful dreams, sour eructations, yellowness of the skin and eyes, deficiency of perspiration, &c. &c. can be effectually cured
by DOCTOR HOOFLAND'S
CELEBRATED GERMAN BITTERS.
Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures in this city attest, in many cases after skilful physicians had failed.
Derangement in the liver and stomach are sources of insanity—from disorder or obstruction a morbid action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; as nerves are the conducting medium between mind and matter, it follows from the reciprocal action that both must be more or less implicated and deranged simultaneously; derangement there will also produce disease of the SKIN, LUNGS, UTERUS and KIDNEYS, as well as the brain. The thousands who die with YELLOW FEVER, CHOLERA or INFLUENZA, is owing to the same cause; and the majority of cases of that most painful disease, CONSUMPTION, originates from the same. In fact the stomach is the important organ in the system of matter, as upon it you depend for the success and all the advantages to be derived from the administration of internal medicines. Its functions are of the utmost importance to every one in constituting the source and fountain of life, which is nutrition. No organ possesses such remarkable sympathies; none such remarkable power in affecting every part of the system.
The rare success in treating disease of the liver and stomach successfully has not been a want of pathological knowledge of their functions, but the preparation of a compound that would act upon the disease and all the sympathetic affections. That point has been gained in these Bitters, and they are ENTIRELY VEGETABLE, and will in every case permanently destroy costiveness, and give strength and vigor to the frame, at no time debilitating the patient, and they are grateful to the most delicate stomach under any circumstances.
ALL CAN BE CURED,
WHO WILL USE THEM AS DIRECTED,
(IF WITHIN THE POWER OF MEDICINE.)
The few months this preparation has been before the public has, from its infallible efficacy, elicited the eulogy of the press through the land; their object being for the benefit of suffering humanity, its success has surpassed all precedents, and it is free from all alcoholic stimulant, syrup, mercury, aloes, quinine, acids, and all injurious ingredients, and especially adapted to the diseases of the variable climate of the United States, and the West India Islands.
WEEK AND DELICATE CHILDREN,
are made strong by using it—in fact it is a family medicine, and can be administered with safety to a child one year old, the delicate female, or a man of ninety.
The Philadelphia Democrat says:—"This medicine has an extraordinary virtue and efficacy, and is in great demand. We can speak from experience, that it has produced a wonderful effect."
The Daily Sun says:—"We believe it is one of the best medicines of the age—a friend having used it in his own family with great satisfaction in the Jaundice and Liver Complaint."
The Spirit of the Times and Keystone says:—"Do our readers desire that they or their friends should get rid of this disease, [illegible] celebrated German Bitters. If they do not, we recommend them to the German Medicine Store, 278 Race street, all who are afflicted with Liver Complaint, Jaundice, Dyspepsia or Nervous Debility, the Doctor has cured many of our citizens, after the best physicians had failed. We have used them, and they have proved to be a medicine that every one should know of, and we cannot refrain giving our testimony in their favor, and that which gives the greatest claim upon our humble effort, they are entirely vegetable."
The Evening Bulletin says—"The Celebrated German Bitters are an invaluable remedy for Jaundice, Dyspepsia, and nervous complaints."
Neal's Gazette says:—"It is not often we notice the various excellent medicines advertised in our columns, because we are unwilling to speak except from personal experience, and a good constitution fortunately makes us generally strangers to such articles. A word, however, of Dr. Hoofland's German Bitters. This we know to be an excellent article fulfilling in every respect what is claimed for it by the advertiser."
The Daily News says:—
A Medicine.—We speak knowingly of Dr. Hoofland's celebrated German Bitters, when we say it is a blessing of the age, and in diseases of the biliary, digestive and nervous systems, it has not, we think, an equal—it is a VEGETABLE PREPARATION AND MADE WITHOUT ALCOHOL, and to all invalids we would recommend it as worthy their confidence."
What stronger testimony can a medicine have? At the Depot can be seen thousands of letters of many of our most respectable citizens, of Cures in all the foregoing diseases.
Principal Depot, German Medicine Store, 278 RACE Street, and for sale in Lancaster by John F. Logan; Harrisburg, by B. W. Gross; and respectable dealers generally throughout the country.

SILENCE THAT DREADFUL COUGH!—The Lungs are in danger, the work of the destroyer has been begun, the Cough of Consumption has in it a sound of death.
Are you a Mother? Your darling child, your idol and earthly joy, is now perhaps confined to her chamber by a dangerous cold—her pale cheeks, her thin shrunken fingers, tell the hold disease has already gained upon her—the sound of her sepulchral cough pierces your soul.
Young Man, when just about to enter life, disease sheds a heart crushing blight over the fair prospects of the future—your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is
Sherman's All-Healing Balsam.
Mrs. Attree, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.
Mrs. Garrabrantz, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases, where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.
Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy street, gave it to a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.
Mrs. Lucretia Wells, 95 Christie st., suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.
Price 25 cents and $1 per bottle.

Jaynes' Family Medicines.

DR. S. S. COOK, Piqua, Ohio, writes, March, 1846: "I have used your *Vermifuge, Carminative Balsam*, and *Expectorant*, in my practice, for the last three years, and have been exceedingly well pleased with them, and never, as yet, to my recollection, failed of realizing my fullest expectation in their curative properties. Your other medicines I cannot speak of from experience; but, judging from those I have used, I doubt not but that they claim, and are entitled to all the confidence reposed in them, by those who have used them. I was formerly very partial to ***** Vermifuge, until I became acquainted with yours, which has my decided preference to any other now in use."

CHINESE HAIR CREAM.—A matchless article for growth, beauty, and restoration of the Hair. This Cream, when once known, will supersede all other articles of the kind now in use. Where the hair is dead, harsh, thin, unhealthy, or turning grey, a few applications will make the hair soft and dark, and give it a beautiful, lively appearance; and will also make it maintain its liveliness and healthy color, twice as long as all the preparations that are generally used. Where the hair is thin, or has fallen off, it may be restored by using this Cream. Every lady and gentleman who is in the habit of using oils on their hair should at once purchase a bottle of the Chinese Hair Cream, as it is so composed that it will not injure the hair like the other preparations, but will beautify it and give perfect satisfaction in every instance.
For testimony to its very superior qualities, see the following letter from the Rev. Mr. Caldwell to Messrs. Hendershott & Stretch, Nashville, general agents for the Southern States:
Letter of the Rev. R. Caldwell, Pastor of the Presbyterian Church, Pulaski.
Messrs. Hendershott & Stretch, Gentlemen—I take pleasure in adding my testimony in favor of the excellent preparation called *Dr. Parish's Chinese Hair Cream*; for, about two years ago my hair was very dry, brittle, and disposed to come out; but having procured a bottle of the Cream, and used it according to the prescription, it is now elastic, soft, and firm to the head. Many balsams and oils were applied, each leaving my hair in a worse state than before. This Cream, however, has met my expectations.
As an article for the toilet, my wife gives it preference over all others, being delicately perfumed and not disposed to rancidity. The ladies, especially, will find the Chinese Cream to be a desideratum in their preparations for the toilet. Respectfully, &c.,
R. CALDWELL.

LADIES are cautioned against using Common Prepared Chalk. They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides, it is injurious, containing a large quantity of lead! We have prepared a beautiful vegetable article, which we call Jones' Spanish Lilly White. It is perfectly innocent, being purified of all deleterious qualities, and it imparts to the skin a natural, healthy, alabaster, clear, lively white; at the same time acting as a cosmetic on the skin, making it soft and smooth.
Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analysing Jones' Spanish Lilly White, I find it possesses the most beautiful and natural, and at the same time innocent, white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying." Price 25 cents a box. Directions—the best way to apply Lilly White, is with soft leather or wool—the former is preferable.
A fine set of Teeth for 25 cents.—White teeth, foul breath, healthy gums. Yellow and unhealthy teeth, after being once or twice cleaned with Jones' Amber Tooth Paste, have the appearance of the most beautiful ivory, and, at the same time it is so perfectly innocent and exquisitely fine, that its constant daily use is highly advantageous, even to those teeth that are in good condition, giving them a beautiful polish, and preventing a premature decay. Those already decayed it prevents from becoming worse—it also fastens such as is becoming loose, and by perseverance it will render the foulest teeth delicately white, and make the breath deliciously sweet. Price 25 or 37½ cents a box. All the above are sold only at 82 Chatham st., sign of the American Eagle, New York, and by the appointed Agents whose names appear in the next column.
Will you marry, and get a rich husband, lady? "Your face is your fortune." Is't beautiful, clear, fair? Is it white? If not it can be made so even though it be yellow, disfigured, sunburnt, tanned and freckled. Thousands have been made thus who have washed once or twice with Jones' Italian Chemical Soap. The effect is glorious and magnificent. But be sure you get the genuine Jones' Soap, at the sign of the American Eagle, 82 Chatham street.
Ringworm, Salt-rheum, Scurvy, Erysipelas, Barber's Itch, are often cured by Jones' Italian Chemical Soap, when every kind of remedy has failed. That it cures pimples, freckles, and clears the skin, all know. Sold at the American Eagle, 82 Chatham street. Mind, reader, this is seldom or never fails.

She can have beautiful white teeth and sweet breath by using a 2s box of *Jones' Amber Tooth Paste*; a skin white, pure and exquisite as snow, by using a cake of the genuine *Jones' Italian Chemical Soap*; and a beautiful head of hair by using a 3s bottle of *Jones' Coral Hair Restorative.* Do not form an opinion against this before you try, or you will regret it; but be sure to ask for Jones' articles. CANCER, SCROFULA AND GOITRE.—Ample experience has proved that no combination of medicine have ever been so efficacious in removing the above diseases, as Dr. JAYNE'S ALTERATIVE. It has effected cures truly astonishing, not only of Cancer and other diseases of the Skin, Swellings, Dyspepsia, &c. This medicine enters into the circulation, and eradicates diseases wherever located. It purifies the blood and other fluids of the body, removes obstruction in the pores of the skin, and reduces enlargement of the glands or bones. It increases the appetite, removes headache and drowsiness, and invigorates the whole system, and imparts animation to the diseased and debilitated constitution. "BEST COUGH MEDICINE IN THE WORLD!"
Another evidence of the superiority of Dr. Willard's Cough Mixture over all others. Read the following certificate from a respectable citizen of the Fifth Ward:
Pittsburgh, Nov. 3, 1847.
This certifies that for some weeks past I was troubled with a very serious Cough, which was evidently becoming seated on the lungs to such an extent as to resist the effect of every medicine which I had been using. I was finally persuaded to call at Hays & Brockway's Drug Store, and get a bottle of Dr. Willard's Oriental Cough Mixture, which, to my great surprise, relieved me very much; after taking only two or three doses, and before I had used one bottle, I was entirely cured. I was so much pleased with its effects, that I have brought others to buy it, and shall continue to recommend it to my friends, as *I firmly believe it to be the best Cough Medicine in the world.*

CONSUMPTION, COUGH, SPITTING OF BLOOD, BRONCHITIS, ASTHMA, &c.—To Consumptives. Four-fifths of you are really suffering from neglected Colds, or an obstruction and consequent inflammation of the delicate lining of those tubes through which the air we breathe is distributed to the lungs. This obstruction produces pain and soreness, hoarseness, cough, difficulty of breathing, hectic fever, and a spitting of blood, matter or phlegm, which finally exhausts the strength of the patient—and death ensues. JAYNES' EXPECTORANT *never fails* to remove this obstruction, and produces the most pleasing and happy results. It is certain in its effects, and cannot fail to relieve.

THE GREAT REMEDY OF NATURE

AMERICAN OIL, procured from a well in Kentucky a few feet below the surface of the earth; a certain and infallible cure for Sprains, Strains, Cuts, Bruises, Scalds, Burns, Tetter, Erysipelas, Scald Head, Croup, Whooping Cough, Inflammatory Sore Throat, Sore and Inflamed Eyes, Flatulence, Ulcers, Fever Sores, and
INFLAMMATORY RHEUMATISM,
which yields to its effects in a surprising manner.
It has never yet failed when used according to directions. Read the following:
Manchester, Allegheny co., Pa., November 18, 1846.
This is to certify, that my wife, Margaret Ghriest, was cured of a Rheumatic Complaint of seven years standing, by which she was so lame as to be obliged to use crutches. In one week she was cured by using the American Oil, and could walk about as usual without her crutches.
JONATHAN GHREIST.
The following is communicated by Mr. Wm. Nash, Mr. Jackson's agent for Steubenville, O.:
A gentleman near Steubenville, who had not been able to put either of his feet to the ground for twelve years, in consequence of lameness, by the use of one bottle was enabled to walk two miles to a township election. It is likewise a sovereign remedy for
CONTRACTION OF THE MUSCLES AND TENDONS.
The following is communicated by Mr. Wm. Nash, Wm. Jackson's agent for Steubenville:
A lady residing in Steubenville, the finger of whose hand was so contracted as to deprive her of the use of it for thirty-five years, was entirely cured by the use of one bottle of the Oil, so that she now has the perfect use of her hand fully equal to the other which had never been affected. It has also been found to be a safe and invincible agent in the speedy and certain cure of
DEAFNESS,
in all cases not organically incurable.
A lady residing in Allegheny city was effectually cured of obstinate deafness, of years continuance, by the use of less than one bottle of the Oil, so that she said she heard better than she had ever done before.
A gentleman well known in Pittsburgh, was cured of deafness of nine years standing, by the use of a small quantity of the Oil. The names and residences of the lady and gentleman will be given to those who desire it, at the office of the advertiser.
Its properties are highly developed in the certain and surprisingly speedy cure of all cases of
CHOLIC, CRAMP, AND SPASMS.
Several cases of Cramp Cholic have been effectually cured by one dose of the Oil in the short space of half an hour, when the parties have been agonized with pain. Its curative properties have been remarkably manifested in the radical cure of
DISEASES OF THE SPINE.
A lady, the wife of a planter in Kentucky, was cured effectually of one of the worst cases of diseased Spine, which had confined her to her bed for a considerable time, in which she could not turn herself. It is also a sure remedy and perfect cure for pains in the small of the back, and
INFLAMMATION OF THE KIDNEYS.
Read the following:
Pittsburgh, Dec. 18, 1846.
This is to certify that I was afflicted with great pain in the small of my back and kidneys, which affected me so much that I could not stand upright. By rubbing externally, and using half a teaspoonful internally, night and morning, I was entirely cured. JOHN RIDDLE,
near Warren, Armstrong co., Pa.
A gentleman of Pittsburgh, afflicted with a violent inflammation of the kidneys—the pain of which caused him to faint—was completely cured, in three days, by the use of the American Oil.
The qualities of this
NATURE'S OWN REMEDY,
is extremely penetrating and anti-inflammatory, consequently is confidently recommended as a sovereign remedy, wherever inflammation exists, either external or internal. Used immediately after a cut, bruise or wound, it will cure and prevent
GANGRENE AND MORTIFICATION.
It has, in addition, been found a salutary, cleansing and effective remedy for those very unpleasant and inconvenient diseases,
GRAVEL AND URINARY COMPLAINTS.
☞ Price, 50 cents per bottle.

Caution—Be on Your Guard.

The surprising excellence and growing popularity of the American Oil, has induced some dishonest persons to palm upon the public, miserable imitations of this truly valuable medicine, for the purpose of deceiving the unwary, and defrauding the proprietor.
In order to be sure of obtaining the genuine, observe the following marks:
1st. See that the name "Wm. Jackson, 89 Liberty st., head of Wood st.," is printed on the label of the wrapper of each bottle, to imitate which is felony.
2d. That each bottle is inclosed in a pamphlet containing full directions for use, and also containing the name and address of "Wm. Jackson, General Agent for the proprietors," likewise the name and address of the proprietors, D. Hall & Co., Kentucky.
3d. Purchase only of the advertised Agents, all of whom have a show bill, on which is printed the names of the Proprietors and General Agents—thus: D. Hall & Co., Proprietors, Kentucky. Wm. Jackson, Pittsburgh, Pa., General Agent for Western Pennsylvania, and Northern Ohio and Western Virginia; and the printers' names—M'Millin & Shryock, Pittsburgh—printed at the bottom of said show bill.
4th. Observe—the genuine American Oil is of a dark green color, without any sediment, and its specific gravity lighter than water. The counterfeits are mostly of a black color,—some white, like Spirits of Turpentine, said to be refined and clarified,—some Seneca Oil—others a mixture of other common oils, and one a black filthy looking mixture, purporting to come from the Pittsburgh and Allegheny Dispensary Co. None of these counterfeits possess either the virtue or the power of the true *AMERICAN OIL.*
☞ Sold wholesale and retail by WM. JACKSON, General and Sole Agent for the Proprietor in Western Pennsylvania, Western Virginia, and Northern Ohio; and by the following duly appointed Agents in Allegheny county, Pa.:
J. M. Marshall, Dr. Brown, J. R. Johnson, Allegheny city.

DR. WILLARD'S *Oriental Cough Mixture.*—"Let its works praise it." Those who have not had an opportunity of trying the great remedy for the permanent cure of every affection of the lungs, should not fail to give it a trial. Certificates of its efficiency from our own citizens, which we are constantly receiving, cannot fail to convince the skeptical. Read the following from a lady of high standing in Allegheny:
Allegheny City, Feb. 7, 1848.
"*Messrs. Hays & Brockway*: It affords me great pleasure to be able to add my testimony in favor of Dr. Willard's truly valuable cough medicine. About three months since I was attacked with a violent cold, and was much distressed with the cough, from which I could get no relief, until I was induced to call at your store and purchase some of the Oriental Cough Mixture. I am happy to state that the use of the second bottle has entirely cured me, and I have great confidence in it, I have, and shall continue to recommend it to my friends.

FROM the New York Gazette, Oct. 6, 1839, a daily paper, deservedly at the head of the daily press in this country.
Bristol's Extract of Sarsaparilla.—It were but courtesy to call the attention of our readers to this invaluable preparation which will be found advertised in another column. Mr. Bristol is a brother, and issues a highly interesting newspaper, every now and then, one or two numbers of which we have already noticed; and the medicine itself has been eulogised by nearly all the press of the western country, and, we doubt not, justly eulogised. It has in its favor, moreover, very flattering testimonials from the most eminent practitioners in every part of the country where it has been used. There is beauty and taste enough in the bottles, and in the engraved labels in which they are enveloped, to induce a purchase, even if the preparation itself were not one of the "sovereignest in the world," as every person must believe it is—that is, every one must believe it—that is, every one who would not resist a mass of documentary evidence conclusive enough to convert a Turk to Christianity. Buy one of the bottles, gentle reader, and see whether you do not agree with us on this point.

RHEUMATISM, GOUT, AND TIC DOLOREUX.—A respectable gentleman called at our office, as he said, to inform us that he had been afflicted for 15 years with Rheumatism or Gout, and occasionally with Tic Doloreux; that he had been frequently confined to his room for months together, and often suffered the most intense and excruciating pain, but that lately he had been using *Jayne's Alterative*, from which he found the most signal and unexpected relief. He says, he found the medicine very pleasant and effective, and that he now considers himself perfectly cured.—*Philadelphia North American.*
A Fact Worth Knowing.—A gentleman of Scrofulous habit, from indiscretion in his younger days, became affected with Ulcerations in the Throat and Nose, and a disagreeable eruption of the Skin. Indeed, his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful, and offensive ulcers, and were as hollow and porous as an honey-comb. It was at this stage of his complaint, when death appeared inevitable from a loathsome disease, that he commenced the use of Jayne's Alterative, and having taken sixteen bottles is now perfectly cured.
The Alterative operates through the circulation, and purifies the blood and eradicates disease from the system, wherever located, and the numerous cures it has performed in diseases of the skin, cancer, scrofula, gout, liver complaint, dyspepsia and other chronic diseases, is truly astonishing.—*Spirit of the Times.*

"IT IS THE BEST COUGH MEDICINE I EVER USED."—This was expressed in our hearing yesterday, by an intelligent gentleman, who had used but about one half of a bottle of Dr. Willard's Oriental Cough Mixture, before he was entirely cured. Come and get a bottle of it, and if the most obstinate cough or cold does not disappear by its use, your money will be refunded. Compounded as it is, of the most effective, though harmless and pleasant remedies, its use for years has not, nor indeed can it, fail to give entire satisfaction.
