Petroleum or Rock Oil!

"There are more things in heaven and earth
Than are dreamt of in philosophy."

THE VIRTUES of this remarkable remedy, and the constant application for it, to the proprietor, has induced him to have it put up in bottles, with labels and directions, for the benefit of the public.

The PETROLEUM or ROCK OIL is procured from a well in this County, at a depth of four hundred feet; is a pure unadulterated article, without any chemical change, but just as it flows from Nature's Great Laboratory! That it contains properties capable of reaching a number of diseases, is no longer a matter of uncertainty. There are many things in the arcana of nature, which, if known, might be of vast usefulness in alleviating suffering and restoring the bloom of health and vigor to many a sufferer. Long before the proprietor thought of putting it up in bottles, it had a reputation for the cure of disease. The constantly and daily increasing calls for it, and several remarkable cures it has performed, is a sure indication of its future popularity and wide spread application in the cure of disease.

We do not wish to make a long parade of certificates, as we are conscious that the medicine can soon work its way into the favor of those who suffer and wish to be healed. Whilst we do not claim for it a universal application in every disease, we unhesitatingly say, that in a number of Chronic Diseases it is unrivalled. Among these may be enumerated—all diseases of the mucous tissues, such as CHRONIC BRONCHITIS, CONSUMPTION (in its early stage,) Asthma, and all diseases of the air passages, LIVER COMPLAINT, DYSPEPSIA, Diarrhoea, Diseases of the Bladder and Kidneys, Pains in the Back or Side, Nervous Diseases, Neuralgia, Palsy, Rheumatic Pains, Gout, Erysipelas, Tetter, Ringworms, Burns, Scalds, Bruises, Old Sores, &c., &c. In cases of debility resulting from exposure, or long and protracted cases of disease, this medicine will bring relief. It will act as a general TONIC and ALTERATIVE in such cases, imparting tone and energy to the whole frame, removing obstructions, opening the sluggish functions, which cause disease and a broken constitution, and giving increased and renewed energy to all the organs of Life! The proprietor knows of several cures of PILES that resisted every other treatment, get well under the use of the PETROLEUM or ROCK OIL for a short time. The proof can be given to any person who desires it.—None genuine without the signature of the proprietor.

Use Howe's Cough Candy!

THE celebrity of which is now established beyond all precedent for the cure of Coughs, Colds, Hoarseness, Sore Throat, Whooping Cough, Bronchitis, and general Affections of the Lungs. It is pleasant to the taste, and may be used by either children or adults with perfect safety.

From the Rev. Wm. Young, late of the Methodist Church, Cincinnati.

Dear Sir: Not long since, while laboring under the influence of a painfully embarrassing cold, from speaking in the open air, a friend handed me a piece of your Hoarhound and Liverwort Candy; from the use of which I experienced great and almost immediate relief. Since then I have frequently used it with the same beneficial effects. I therefore feel no hesitation in recommending your Candy as a certain specific for Coughs, Colds, Hoarseness, etc. WM. YOUNG.

M'Dowell's Cholera Mixture.

SYMPTOMS—Cholera.—This disease generally commences with watery discharges from the bowels, of a white, or yellow, or pearl color, with white flakes on standing a short time. These are well described as *rice water* evacuations. Vomiting is a usual attendant on these evacuations, but not an *invariable* one. The vomiting is generally of the same character as the discharges from the bowels. These evacuations are attended with great uneasiness and pain in the stomach and bowels.—The tongue and breath are icy cold; the tongue is sometimes clean, but generally slightly coated; the voice becomes weak and husky; cramps and spasms of the arms, legs and body, are general and painful symptoms. The skin is shriveled and of a purple hue; the pulse becomes weak and frequent, and in the collapse stage entirely lost at the wrist; the breathing labored and hurried. These symptoms usually succeed each other in the order stated.

M'DOWELL'S CHOLERA MIXTURE.

This mixture is prepared from the prescription of the late Dr. A. N. M'Dowell, of Pittsburgh. In his extensive practice, he had used it with complete success in the epidemic of 1833 and the present season. Steamboat men have given it to many passengers who have been attacked with the disease the present season, and in every case effected a speedy cure—after they had been pronounced incurable by physicians on board. Prepared solely by the proprietor. WM. THORN, Druggist,

Patent Chilled Rollers.

BOLLMANS & GARRISON, *Circuit Court United States.* Case for Infringement of HARLEY'S Patent Right for casting Chilled Rollers.

PARRY, SCOTT & Co.

Defendant gave in evidence a Patent to John C. Parry for some purpose.

CHARGE OF COURT.

A question of infringement is one of fact, of which the jury are the judges. The construction of the patent is for the Court.

"After reading and commenting on the specification of Plaintiff's patent, the Court observed: In doubtful cases it is not the custom of the Court to express any opinion of the facts of the case; but in this case the facts are undisputed, and the Court think it is proper to state, as the opinion of both, the Judges on the true construction of Plaintiff's Patent, that the Defendant's Patent is a gross and palpable piracy of the Plaintiff's invention.

"It has evidently been obtained on the ground that it was an improvement on Plaintiff's patented invention, and now seeks to usurp his rights under pretence of an improvement—a pretence which is proved also to be unfounded. Per Curiam. R. C. GRIER.

The above decision gives to the subscribers alone the right to manufacture Chilled Rollers by the only process known to produce a good article.

They are prepared, as heretofore, to furnish all sizes required, and with the least possible delay.

Miscellaneous.

BURNS AND SCALDS.

I CHALLENGE THE WORLD to prove, that in any one single instance, McDalley's Magical Pain Extractor to that is in any the genuine article, has, since its first introduction by me in 1839, up to this period ever failed to cure the worst forms of Burns and Scalds!

LIFE SAVED!—AWFUL CASE OF SCALD.

WHEATFIELD, Niagara Co., N. Y., Feb. 22, 1848.

MR. DALLEY—Dear Sir: While my son, 15 years old, was at work in the shingle manufactory of E. K. Rose, he had the misfortune to slip and fall into a large vat, used for the purpose of boiling blocks preparatory to cutting. The blocks had just been removed from the vat, containing a large quantity of boiling water. He fell forward, scalding both hands and arms, all one side and one leg badly, and the other partially. The scalds were so bad on his arms and leg, that most of the flesh came off with his garments, and his life was despaired of by both his physicians and friends.

Dalley's Pain Extractor was procured as soon as possible (which was in about six hours) and applied, and which relieved him from all pain, preventing inflammation and swelling, and in a few days commenced healing his sores. There appeared a general improvement, so much so that in three weeks he was removed to his father's house, distant about one mile and a half.

We continued the use of the above medicine about two months, and we believe it was the means, under Providence, of saving his life; and we would cheerfully recommend it in all similar cases as a safe and invaluable remedy. With sentiments of respect, I remain dear sir, your most obedient and humble servant,
ADDAE CLARK,
SUSANNAH CLARK,
CHS. CLARK.

We the undersigned, being personally acquainted with the case of Mr. Clark's son, believe the above statement substantially correct:

M. Dewey, Louisa Dewey, J. S. Kelsey, Henry B. Pearce, Wm. Evans, E. Clark, L. F. Rose, Ira Newman, Wm. Newman, Mary J. Rose.

CAUTION.

Drugs and Medicines.

Chas.'s patent graduated galvanic Battery AND PATENT INSULATED POLES.

FOR MEDICAL AND OTHER PURPOSES.—This is the only instrument of the kind that has ever been presented in this country or Europe for medical purposes, and is the only one ever known to man, by which the galvanic fluid can be conveyed to the human eye, the ear, the brain, or to any part of the body, either externally or internally, in a definite, gentle stream, without shocks or pain, with perfect safety—and often with the happiest effects.

This important apparatus is now highly approved of by many of the most eminent physicians of this country and Europe, to whom the afflicted and others whom it may concern can be referred. Reference will also be given to many highly respectable citizens, who have been cured, by means of this most valuable apparatus, of some of the most inveterate nervous disorders, which could not be removed by any other known means.

Among various others, it has been proved to be admirably adapted for the cure of the following diseases, viz: nervous headache and other disorders of the brain. It is with this apparatus alone that the operator can convey the galvanic fluid with ease and safety to the eye, to restore sight, or cure amaurosis; to the ear to restore hearing; to the tongue or other organs, to restore speech; and to the various parts of the body, for the cure of chronic rheumatism, asthma, neuralgia, or tic doloureux, paralysis, or palsy, gout, chorea or St. Vitus' dance, epilepsy, weakness from sprains, some diseases peculiar to females, contraction of the limbs, lock-jaw, etc., etc.

Rights for surrounding counties of Western Pa., and privileges, with the instrument, may be purchased, and so tested for the cure of diseases.

Full instructions will be given for the various chemicals to be used for various diseases, and the best manner for operating for the cure of these diseases, will also be fully explained to the purchaser, and a pamphlet put into his hands expressly for these purposes, carefully prepared by the patentee. LADIES are cautioned against using Common Prepared Chalk: They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides it is injurious, containing a large quantity of lead! We have prepared a beautiful vegetable article, which we call Jones' Spanish Lilly White. It is perfectly innocent, being purified of all deleterious qualities, and it imparts to the skin a natural, healthy, alabaster, clear, lively white; at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analysing Jones' Spanish Lilly White, I find it possesses the most beautiful and natural, and at the same time innocent, white I ever saw. I certainly can conscientiously recommend its use to all whose skin requires beautifying." Price 25 cents a box. Directions—the best way to apply Lilly White, is with soft leather or wool—the former is preferable.

A FINE SET OF TEETH FOR 25 CENTS.—White teeth, foul breath, healthy gums. Yellow and unhealthy teeth, after being once or twice cleaned with Jones' Amber Tooth Paste, have the appearance of the most beautiful ivory, and, at the same time it is so perfectly innocent and exquisitely fine, that its constant daily use is highly advantageous, even to those teeth that are in good condition, giving them a beautiful polish, and preventing a premature decay. Those already decayed it prevents from becoming worse—it also fastens such as is becoming loose, and by perseverance it will render the foulest teeth delicately white, and make the breath deliciously sweet. Price 25 or 37½ cents a box. All the above are sold only at 82 Chatham st., sign of the American Eagle, New York, and by the appointed Agents whose names appear in the next column.

WILL YOU MARRY, and get a rich husband, lady? "Your face is your fortune." Is't beautiful, clear, fair? Is it white? If not, it can be made so even though it be yellow, disfigured, sunburnt, tanned and freckled. Thousands have been made thus who have washed once or twice with Jones' Italian Chemical Soap. The effect is glorious and magnificent. But be sure you get the genuine Jones' Soap, at the sign of the American Eagle, 82 Chatham street.

Ring-worm, Salt-rheum, Scurvey, Erysipelas, Barber's Itch, are often cured by Jones' Italian Chemical Soap, when every kind of remedy has failed. That it cures pimples, freckles, and clears the skin, all know. Sold at the American Eagle, 85 Chatham street. Mind, reader, this seldom or never fails.
C. INGLIS, Jr., Patterson.

SALT RHEUM, SCURVY, OLD SORES, ERYSIPELAS, *Barber's Itch, Chaps, Sore Beards, Pimples.*—This is used by many physicians in this city in curing the above, and we would not conscienciously sell unless we knew it to be all we state.

As a cosmetic, the true JONES'S SOAP is perhaps the only article ever known that removed impurities, and cleared and beautified the skin, making it soft, clear, smooth and white as an infants. But mind, it is sold at 82 Chatham st., N. Y., and by

RHEUMATISM, GOUT, AND TIC DOLOREUX.—A respectable gentleman called at our office, as he said, to inform us that he had been afflicted for 15 years with Rheumatism or Gout, and occasionally with Tic Doloreux; that he had been frequently confined to his room for months together, and often suffered the most intense and excruciating pain, but that lately he had been using *Jayne's Alterative*, from which he found the most signal and unexpected relief. He says he found the medicine very pleasant and effective, and that he now considers himself perfectly cured.—*Philadelphia North American.*

A FACT WORTH KNOWING.—A gentleman of Scrofulous habit, from indiscretion in his younger days, became affected with Ulcerations in the Throat and Nose, and a disagreeable eruption of the Skin. Indeed, his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful, and offensive ulcers, and were as hollow and porous as an honey-comb. It was at this stage of his complaint, when death appeared inevitable from a loathsome disease, that he commenced the use of Jayne's Alterative, and having taken sixteen bottles, is now perfectly cured.

The Alterative operates through the circulation, and purifies the blood and eradicates disease from the system wherever located, and the numerous cures it has performed in diseases of the skin, cancer, scrofula, gout, liver complaint, dyspepsia and other chronic diseases, is truly astonishing.—*Spirit of the Times.*

Jaynes' Family Medicines.

DR. S. S. COOK, Piqua, Ohio, writes, March, 1846. "I have used your *Vermifuge, Carminative Balsam and Expectorant*, in my practice, for the last three years, and have been exceedingly well pleased with them, and never, as yet, to my recollection, failed of realizing my fullest expectation in their curative properties. Your other medicines I cannot speak of from experience, but judging from those I have used, I doubt not but they claim and are entitled to all the confidence reposed in them, by those who have used them. I was formerly very partial to **** Vermifuge, until I became acquainted with yours, which has my decided preference to any other now in use.

Respectfully, yours, &c., S. S. COOK, M. D."

FITS OF COUGHING in the night are very troublesome. They break in upon the hours of repose and exhaust the strength of the sufferer. B. A. Fahnestock & Co.'s COUGH BALSAM has been eminently successful in easing and curing these unpleasant spells. If a person is roused in the night by a spasm of coughing, a tea spoonful of the Cough Balsam will soothe it, give him relief, and, as it is palatable, leaves no unpleasant taste behind. If once used, it will take precedence over all others, as a remedy for coughs, colds, &c.

Prepared and sold by B. A. FAHNESTOCK & Co., corner 1st and Wood streets, and corner 6th and Wood streets. nov30

CONSUMPTION seizes more victims than any other disease in our country. The young, the old, the beautiful and gay, are all alike subject to its invidious ravages, and many a hectic check has been supposed the bloom with the glow of health. But every case originates in a cold and a cough—perhaps deemed unworthy of attention at first—and only met with remedies when too late. Watch the first symptoms with jealous care, and make immediate use of the Cough Balsam of B. A. Fahnestock & Co., which will certainly check its further progress, and restore the inflamed organs to a beautiful action.
