We have repeatedly been asked what is the meaning of "8 o'clock," that appears in our advertising columns. It refers to a new kind of coffee a New York party wishes to introduce, called the 8 o'clock breakfast coffee.

Sad Death.—On the 15th of March, 1871, Mr. Henry Otto, a very respectable citizen of Moon tp., this county, received a kick from a horse, which resulted fatally. Mr. Otto died on the 22, aged 43 years. He leaves a wife and two children.

Penitentiary Convicts.—On last Friday there were three hundred and sixty-eight convicts in the Penitentiary at Allegheny city. This is a less number than they have had there for the last four years and six months. There has been but one death in the institution for the past eighteen months, and but one preconcerted attempt to escape within the year just passed.

Colored Candies.—Those of our readers who are in the habit of indulging their children with candies, should bear in mind, that most of the colored candies are poisonous. The New York Health Department, recently, with a view to the detection of poisonous ingredients, examined a large variety of them. They report that the red coloring matters were found to be either carmine or aniline red, both harmless. Greens were found also to be harmless although the public is recommended to beware of highly colored green candies; but one half the yellows examined were found colored with poison, generally chromate of lead or gamboge. Among the flavoring ingredients it was found that oil of peppermint is often adulterated with oil of terpentine and that the other flavors are generally artificial ethers, many of which are considered injurious.

About Applications for License to Sell Liquors.—We notice that the License Board of Allegheny county have ordered the publication in the papers, the names of all applicants for license, to sell intoxicating liquors, with the names of their "indorsers" and bondsmen. All remonstrances are to be laid before this license board. The publication of the names of the indorsers is a good idea, and we would be much gratified to see it adopted in this county. A law, we presume, to that end, would be necessary. But if we had it, we apprehend that any number of gentlemen who are now in the "indorsing" business, would feel like giving it up, if the certainty of their names appearing in the public papers, in that connection, stared them in the face. Why don't the temperance men of this county, move in that direction? If the indorsement of men of standing can thus be prevented, the indorsement of others would likely have little or no weight with the courts.

Hardware and Cutlery.—Messrs. Lane Bros., corner Liberty and Sixth streets, (late St. Clair street), having disposed of all their old stock, damaged by the late fire, have opened for the spring trade the largest and most complete assortment of Hardware and Cutlery ever offered in Pittsburgh.

This house, established in 1833, is the oldest in the city, and purchasers may depend upon their selections being of the best quality. They offer liberal inducements to the country Jobbing Trade.

Beaver Drug Store.—We have the pleasure of informing our readers today, that Mr. Hugo Andriessen has removed his popular "Beaver Drug Store" to the corner of Third street and Diamond, opposite the Radical Building. He has fitted it up in the most attractive style, and offers for sale an entirely new, most complete and carefully selected stock of Pure Drugs and Medicines, Chemicals, Paints, Oils and Varnishes, Dye Stuffs, Perfumery, Toilet articles, &c., &c., &c. In compounding of Physicians' Prescriptions Mr. Andriessen certainly has no superior having a theoretical and practical experience of eight years. He will continue to be manufacturers' agent for Fahnestock, Haslett & Schwartz's strictly Pure White Lead. Mr. Arthur Andriessen, we are glad to learn, will remain in charge of the Confectionery Department. We doubt not that the "Beaver Drug Store," in its present central location, will meet with the same success as formerly, and we invite the reader to call and examine for himself. [arp5;1w.

The Sprague Mower.—The attention of Farmers and others is directed to the card of Messrs. Spratt, Johnston & Co., Pittsburgh, Pa. This highly responsible house has now for sale the Sprague Mower. It is compact and simple in construction, lightest draft in the country, and has given general satisfaction to all who have used it.

By all means examine the Sprague Mower, before purchasing any other.

School Room Troubles.—A Miss Capron who is teaching a school in Lincoln tp., Allegheny county, got into trouble last week. She had occasion, in her judgment, to correct one of her scholars, James McCracken, a boy about twelve years of ago. While she was punishing him he turned his face in such a position as to receive a stroke across the lips, which was not intended. Miss Capron, as soon as school was dismissed, accompanied the boy to his foster father, David McCracken, and explained why she had punished him, and how he had received the injury to the lip. Mr. McCracken would not accept the explanation as satisfactory, and a few days after called a meeting of the School Board to consider the matter. The Board, however, after hearing his statement, regarded the case as "too trifling for action," and dismissed the complaint. This, it was thought, would have ended the case; but not so. On Thursday last the mother of the boy went up from her home to the school house, and having assembled a few female friends at a convenient distance, called Miss Capron out and beat her with some rods which she had plaited together for the purpose. Legal proceedings have been commenced by Miss Capron against all the parties concerned in the assault upon her, and the case is one which is likely to come before the Courts for settlement.

Lecture.—The Rev. W. H. Locke will discuss "The True and the False Idea of a Gentleman," in the M. E. Church of this place, Thursday evening, 13th inst. This lecture will be given under the auspices of the Ladies Working Society, and those who have had the pleasure of listening to the gentleman on the platform, assure us that we may expect a treat.

Lecture in Bridgewater.—James H. Hopkins, esq., of Pittsburgh, will deliver a lecture in the Presbyterian Church in Bridgewater, on next Friday evening, April 7th, at 7 o'clock. Subject: Christian Knighthood. Admittance 25 cents; proceeds to be applied to the benefit of the Masonic Home for widows and orphans. The purpose of the lecture and the well known ability of the lecturer should secure a crowded house.

A Law Library in Beaver.—An act establishing a library in Beaver has been passed by the Legislature and approved by the Governor. We have not seen the act but are informed that it requires the county commissioners to appropriate $1,500 for the purchase of books, and to fit up a suitable room in the Court House to keep them in, and after that all the money from fines, forfeited recognizances, amusements &c., &., which has heretofore gone into the county treasury, is to be used to replenish the library referred to.

Parents will bear in mind the opening of the Seminary and Institute this week, where both sexes are received. We understand its prospects are deservedly flattering. Prof. Beuter and Mrs. Taylor should receive large additions to their music class.

How it is Done.

Below we give, for the information and protection of our readers, a copy of the patent right note which has been extensively used in Ohio and other States to swindle farmers and others. We will suppose A. Stone to be agent for a seeding machine, and John Smith to be an honest farmer, whom A. Stone induces to act as his agent. Good terms are offered, the farmer being offered all the profit on the seeding machines, except that, after he has sold $275 worth of seeders, he is to remit ten dollars to the principal agent. Then a note similar to the following is produced and signed by the unsuspecting farmer:

Manchester, Iowa. Feb. 15th, 1871.

One year after date I promise to pay A. Stone or order, Two Hundred and Seventy-Five Dollars for value received, at ten per cent. per annum, payable at Manchester. Iowa.

bearer ten dollars when I sell by worth of Seeding Machines, said ten dollars when due is.

JOHN SMITH, *Agent for A. Stone.*

Witness: John Doe.

On its face this purports to be a common contract note, only conditionally payable, and which no third party would ever purchase. But when the swindler gets the note safe in his own hands, he cuts it in two at the vacant space that will be seen running perpendicularly thro' the document just after the word "or," whereby the left end of it becomes a note of hand, which the rascal sells at whatever price he can get, and leaves the swindled farmer and the innocent purchaser of the note to settle the matter as best they may.

A Faithless Wife—A Business Husband.—On last Saturday morning one week ago, a woman, who, with her husband, resided near the mouth of Yellow Creek, in Columbiana county, Ohio, eloped with one of her boarders. In the evening the forsaken husband put in an appearance at his home, and was not slow in comprehending the whole situation. On the following day (Sunday) he put his goods up at auction, and on Monday morning left on the train for Pittsburgh in search of the "festive couple." Himself and wife had only been married six months, and, as he was an industrious, prudent man, they had been getting along well financially speaking. At last accounts, he had not overtaken his faithless wife, and her paramour.

Pensions to Soldiers of 1812.

The following is the text of the Act granting pensions to soldiers and sailors of the war of 1812, and the widows of deceased soldiers:

"Be it enacted" &c., That the Secretary be, and he is hereby, authorized and required to place on the pension roll the surviving officers and enlisted and drafted men, including militia and volunteers, of the military and naval service of the United States who served sixty days in the war with Great Britain of 1812, and were honorably discharged, and to such officers and soldiers as may have been personally named in any resolution of Congress for any specific service in said war, although their term of service may have been less than sixty days, and who at no time during the late rebellion against the authority of the United States adhered to the cause of the enemies of the government, giving aid and comfort, or exercised the functions of any office whatever under any authority or pretended authority in hostility to the United States, and who shall take and subscribe an oath to support the Constitution of the United States, and the surviving widows of such officers and enlisted and drafted men: PROVIDED, That such widow shall have been married prior to the treaty of peace which terminated said war to an officer or enlisted or drafted man, who served as aforesaid, in said war, and shall not have remarried.

SEC. 2. That this act shall not apply to any person who is receiving a pension at the rate of eight dollars or more per month, nor to any person receiving a pension less than eight dollars per month, except for the difference between the pension now received and eight dollars per month. Pensions under this act shall be at the rate of eight dollars per month, except as herein provided when a person is receiving a pension of less than eight dollars per month, and shall be paid to the persons entitled thereto from and after the passage of this act, for and during the term of their natural lives.

SEC. 3. That before the name of any person shall be placed upon the pension roll under this act, proof shall be made under such rules and regulations as the Secretary of the Interior may prescribe, that the applicant is entitled to a pension under its provisions; and any person who shall falsely take any oath required to be taken under the provisions of this act shall be guilty of perjury, and the Secretary of the Interior shall cause to be stricken from the pension roll the name of any person whenever it shall appear by proof satisfactory to him that such name was put upon such roll through false or fraudulent representations as to the right of such person to a pension under the provisions of this act. The loss of certificate of discharge shall not deprive the applicant of the benefits of this act, but other proof of service performed and of an honorable discharge, if satisfactory, shall be deemed sufficient.

SEC. 4. That the provisions of sections 12 and 13 of an act entitled "An act supplementary to 'An act to grant pensions,'" approved July 4th, 1864, and of sections 2, 3 and 4 of an act entitled "An act supplementary to several acts relating to pensions," approved June 6, 1866, shall be applicable to the pensions granted by this act.

PENSION OFFICE, February, 1871.

By an act of Congress approved February 14, 1871, pensions at the rate of eight dollars per month are granted to the officers and enlisted and drafted men (both militia and volunteers) of the military and naval service of the United States in the war of 1812 who served for a period of sixty days, and to the widows of those who have died who were married prior to the treaty of peace (December 24, 1814,) which terminated said war. Also to such officers and soldiers who served less than sixty days who have been personally named in any resolution of Congress for any specific service in said war.

Under this act three classes of claims will arise:

1st. Of officers, soldiers and sailors who served for sixty days, who have never been pensioned for a disability incurred in the service of the United States. These will be entitled to a full pension of eight dollars per month, from February 14, 1871.

2d. Of officers, soldiers and sailors who served for sixty days, but who are in receipt of a pension for a disability incurred in the service of the United States. These will be entitled to an increase of their pension to eight dollars per month, from February 14, 1871.

3d. Of widows of officers, soldiers and sailors who served sixty days, who were married to the soldier prior to the treaty of peace which terminated said war (Dec. 24, 1814,) and "who have not since remarried." These will be entitled to eight dollars per month, from February 14, 1871.

If the term of service was less than sixty days there is no claim for pension under this act, unless the person who served has been personally mentioned in a resolution of Congress for some specific service in said war; in which case he or his widow is entitled to the same benefits under its provisions as though he had served for the full period of sixty days.

An honorable discharge in all cases is necessary.

Declarations of these claimants must be made before a court of record, or before some officer thereof having custody of its seal, said officer being fully authorized and empowered to administer and certify any oath or affirmation relating to any pension or application therefor.

The claimant's identity and loyalty must be proven by two witnesses, certified by the judicial officer to be respectable and credible, who are present and witness the signature of the declarant, and certify to his identity and loyalty under oath or affirmation.

The declaration must recite the name, age, and residence of the claimant; whether married or unmarried; that the term of service was the full period of sixty days; or that he has been mentioned in a resolution of Congress, giving date of resolution, the place and time of enlistment and discharge, and the company, regiment, brigade and division in which he served; the places, capacity and manner of service, and his participation in or connection with any historical event of the war, are particularly desired to be mentioned. The declaration must also contain the following oath or affirmation:

"That I; [if a widow, 'That neither I, nor my said husband,'] at no time during the late rebellion against the authority of the United States, adhered to the cause of the enemies of his Government, giving them aid and comfort, or exercised the functions of any office, under any authority, or pretended authority, in hostility to the United States, and that I will support the constitution of the United States."

Whitewashing.—The well-known Barber of Bridgewater, and no less renowned and skillful whitewasher—Mr. Banks—desires us to make known to the public that he holds himself in readiness to fill all orders for whitewashing during this Spring season of house-cleaning and repairing. It would be supererrogatory to say he understands his business in that line. The community of Bridgewater, Beaver and Rochester are acquainted with his merits, Mr. John Williams, whose tonsorial ability, is well-known, will continue to carry on the Barber Shop, opposite Smith's Drug Store. apr5;2w.

Mr. Jelly has been granted a short "leave of absence" by his congregation, and will in the meantime make a visit to Philadelphia, Easton, Baltimore and Washington, D. C., for the purpose of recruiting his his health, which for some time past has been impaired.

Pennsylvania Legislature.

SENATE, March 27.—Several ineffectual attempts were made to take up House bills, when the bill to introduce cumulative voting came up; but pending the discussion upon it the Senate adjourned.

HOUSE.—Very many private bills were introduced, but none of material interest. No bills were passed.

SENATE, March 28—Mr. Rutan presented a petition of citizens of New Brighton for prohibitory liquor law. Also, a joint resolution for a special session in August next, to consider the Report of the Civil Code Commissioners. Many resolutions were introduced; and one adopted instructing the Finance Committee to investigate the recent defalcation of the Secretary of the Western House of Refuge.

HOUSE.—A bill passed transferring certain counties from the eastern to the Western Penitentiary district. A number of private bills were passed.

SENATE, March 29.—Senate refused to take up any House bills; but was prevailed upon to confirm several military nominations made by the Governor. The bill to introduce cumulative voting in borough elections, passed and went to the House.

HOUSE.—The Committee on apportionment reported a bill. The Senate bill to restore spring elections passed. Nothing further of general interest. The following is the Republican apportionment bill:

SENATE, March 30.—Among the bills presented were: One, providing that in suits against telegraph companies, service of summons on any operator of the company in the county in which suit is brought shall be sufficient; One authorizing common carmen and others to sell goods, wares and merchandise unclaimed, or upon which they have a lein; and one, securing to married women their seperate earnings. Adjourned till Tuesday morning.

HOUSE.—The bill compensating persons injured in person or property by sale or giving liquors by suit for damages was discussed and defeated. The bill for preventing the sale of intoxicating drinks on election day, was so amended as not to apply after closing the polls, and passed. It punishes by fine and imprisonment. The Republican apportionment bill passed to second reading.

SENATE, March 31st.—The Senate was not in session.

HOUSE.—The House devoted its whole time to the Republican Apportionment bill, which passed finally by a party vote, and will go to the Senate as reported by the House Committee on Apportionment without amendment. The Democrats alleged openly that the Senate would refuse to adjourn till a satisfactory bill was passed. The Republicans, in response, asserted they would carry a bill fair to them, or be satisfied till next election with the apportionment of 1864. The Senate and House are certainly at a dead lock on this question, The House adjourned till Tuesday morning.

Pittsburgh Markets.

OFFICE OF THE PITTS. GAZETTE, *Monday, April 3, 1871.*

APPLES—Good sound apples in very limited supply may be quoted at $5@5.50 per bbl. The demand is light and the season is about over.

BEANS—In good supply and light request; may be quoted at 1.50@2 per bbl.

BUTTER—The market remains as about last reported. There is a continued good demand for the best grades for home consumption, and the sales of such being fully up to the receipts, the market is very firm. Qualities below prime, however, are neglected and dull. We quote prime to choice roll at 33@35 and good at 30 cts.

CHEESE—New York Goshen, is quoted at 18½@19. Market almost bare of Ohio Cheese.

FLOUR—Continues quiet and unchanged. We continue to quote at $6.75 @7.00 for good spring extras; $7.25 for choice Minnesota baker's flour; 6.75@7.00 for red winter wheat; and $7.25@7.50, for white; Rye Flour, small lots, in store, $6.00.

GRAIN—With continued liberal receipts and no improvement in the demand, the market is weak and prices tending downward; we now now quote $1.38@1.42 for fair to prime red and $1.48 @1.52 for white. There seems to be no inquiry for export, and, consequently, the demand is entirely local. Oats appear to be dull and weaker and the receipts seem to be increasing, but as yet there is no quotable decline in prices; 55@56 buying and 57a58 selling—small lots 60. Corn is quiet and seemingly dull, though the receipts are not large and the stocks are light; we continued to quote at 70a72 on wharf and track—usual advance for small lots. Rye is steady at $1.05, and the rivals continue light. Barley, dull but unchanged at 90a85 for spring and 90a95 for fall.

COFFEE—Fancy Rio, 20; Prime, 19; Good, 18; Fair, 17; Roasting, 16@16½.

SUGARS—Choice New Orleans, 12½; prime, 10½ good, 10, fully fair, 10; Porto Rico Sugars 10½@11½; Cuba, 10@11; Demarara, 11½@12.

REFINED SUGARS—Hard Sugars, 13½; A Coffee, 12½; "B," 12½ Extra C, 12¼; C, yellow, 12½.

MOLASSES—New Orleans, choice, 70; prime, 68; good, 65.

HAY—Is being sold from country wagons at $14@20 per ton. Baled, on wharf, $14@16.

HIDES—Green salted (all weights) 10½@11½; green butchers (cow and steer) 7@8; green salted kip 14@16; do calf, 16@18 Dry.

MAPLE SYRUP—May be quoted at $1.70a1.75 in gallon jugs.

PROVISIONS—Plain shoulder, 9a9½; Sugar Cured do, 10½; Ribbed Sides, 11½; Clear Sides, 13½ Sugar Cured Hams, 15½. Prime kettle Lard, 12½ in tcs, and 13½ in buckets and kegs. Country lard, 11a12c. Mess Pork, $21a21.50. Dried Beef, 19a19½.

The Following card appears in last week's Lawrence *Journal*:

FRIENDS AND NEIGHBORS:—You are hereby notified that since last court, we have been engaged in and continuing the business of making drunkards, paupers, and beggars. I will furnish you with liquors that will excite you to robbery and bloodshed; I will for a small amount undertake on short notice, and without delay, to prepare men for the Poor House, the Prison and the Gallows. I will warrant my liquors to deprive some of life, many of reason, property and peace. I will cause the rising generation to grow up in ignorance, and be a nuisance to the nation. If any one should ask what inducement I have to bring such misery upon the neighbors, my reply is "greenbacks." All can see it is profitable business. Some temperance men, and professing Christians, give it countenance, and besides, I live in the land of Liberty and have a license to shorten men's lives, and ruin their souls. So, come one, come all. I pledge, myself do all I herein promise.

Medicines.

A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS

Hundreds of Thousands Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE FANCY DRINK.

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia, or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.
