This Company, National in its character, offers, by reason of its Large Capital, Low Rates of Premium and New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium, being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complication and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-Holders.

Several new and attractive tables are now presented which need only to be understood to prove acceptable to the public, such as the Income-Producing Policy and Return Premium Policy. In the former the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an annual income equal to ten per cent. (10 per cent.) of the par of his policy. In the latter, the Company agrees to return to the assured the total amount of money he has paid in, in addition to the amount of his policy.

The attention of persons contemplating insuring their lives or increasing the amount of insurance they already have, is called to the special advantages offered by the National Life Insurance Company.

Circulars, Pamphlets and full particulars given on application to the Branch Office of the Company in Philadelphia, or to its General Agents.

☞ Local Agents are Wanted in every City and Town; and applications from competent parties for such agencies, with suitable endorsement, should be addressed to the Company's General Agents only, in their respective districts.

We do not wish to inform you, reader, that Dr. Wonderful, or any other man, has discovered a remedy that cures Consumption, when the lungs are half consumed, in short, will cure all diseases whether of mind, body or estate, make men live forever, and leave death to pray for want of work, and is designed to make our sublunary sphere a blissful paradise, to which Heaven itself shall be but a side show. You have heard enough of that kind of humbuggery, and we do not wonder that you have by this time become disgusted with it. But when we tell you that Dr. Sage's Catarrh Remedy *will positively cure the worst cases of Catarrh*, we only assert that which thousands can testify to. Try it and you will be convinced. We will pay $500 REWARD for a case of Catarrh that we cannot cure.

FOR SALE BY MOST DRUGGISTS EVERYWHERE.

PRICE ONLY 50 CENTS.

1

No HUMBUG. It is *warranted* to cure Ist or Impaired Taste, Smell or Hearing, Watering or Weak Eyes, offensive Breath, Ulcerated Throat or Mouth, Pain and Pressure in the Head, and loss of Memory when caused as all of them frequently are, by the ravages of Catarrh. It is pleasant and painless to use, contains no strong poisonous or caustic drugs, but cures by its mild soothing action.

We will pay $500 Reward for a case of Catarrh that we cannot cure.

FOR SALE BY MOST DRUGGISTS EVERYWHERE. PRICE ONLY 50 CENTS.

If your Druggist has not yet got it on sale, don't be put off with some worse than worthless strong snuff, "fumigator" or poisonous caustic solution, which will drive the disease to the lungs instead of curing it, but send sixty cents to us and the remedy will reach you by return mail.

Send stamp for Dr. Sage's pamphlet on Catarrh.

R. V. PIERCE, M. D.,
Buffalo, N. Y.

3

This INTELLIGENT REMEDY does not, like the poisonous irritating snuffs and strong caustic solutions with which the people have long been humbugged, simply palliate for a short time, or drive the disease to the lungs, as there is danger of doing in the use of such nostrums, but it produces perfect and permanent cures of the worst cases of chronic catarrh, as thousands can testify. "Cold in the Head" is cured with a few applications. Catarrhal Headache is relieved and cured as if by magic. It removes offensive Breath, Loss or Impairment of the sense of taste, smell or hearing, Watering or Weak Eyes, and Impaired Memory, when caused by the violence of Catarrh, as they all frequently are. We offer in good faith a standing reward of $500 for a case of Catarrh that we cannot cure.

FOR SALE BY MOST DRUGGISTS EVERYWHERE. PRICE ONLY 50 CENTS.

Ask your Druggist for the REMEDY, but if he has not yet got it on sale, don't be put off by accepting any miserable, worse than worthless substitute, but enclose sixty cents to us, and the Remedy will be sent you post paid. Four packages $2 00, or one dozen for $5.00. Send stamp for Dr. Sage's pamphlet on Catarrh.

R. V. PIERCE, M. D.,
Buffalo, N. Y.

4

This is NO PATENT MEDICINE HUMBUG, gotten up to dupe the ignorant and credulous, nor is it represented as being composed of rare and precious substances brought from the four corners of the earth, carried seven times across the Great Desert of Sahara on the backs of fourteen camels, and brought across the Atlantic Ocean on two Ships. It is a simple, mild, soothing remedy, a perfect Specific for CATARRH and "COLD IN THE HEAD," also for offensive Breath, Loss or Impairment of the Sense of Smell, Taste or Hearing, Watering or Weak Eyes, Pain or Pressure in the Head, when caused, as they all not unfrequently are, by the violence of Catarrh.

We offer, in good faith, a standing Reward of $500 for a case of Catarrh that we cannot cure.

FOR SALE BY MOST DRUGGISTS EVERYWHERE. PRICE 50 CENTS.

Sent by mail, post paid, on receipt of SIXTY CENTS. Four packages for $2.00, or 1 Dozen for $5.00. Send stamp for Dr. Sage's pamphlet on Catarrh.

NATURE'S GREAT RESTORER.
SCHEETZ'S
CELEBRATED
Bitter Cordial.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a Cure All, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for Diarrhœa, Dysentery, Bowel Complaint, Dyspepsia, Lowness of Spirits, Faintings, Sick-Headache, &c. For Chills and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

JACOB SCHEETZ, Sole Proprietor,

BALTIMORE LOCK HOSPITAL.

ESTABLISHED AS A SPECIFIC FOR SECRET DISEASES.

THE ONLY PLACE WHERE A CURE CAN BE OBTAINED.

DR. JOHNSON has devoted his entire time to the treatment of Private Diseases, Weakness of the Back and Limbs, Affections of the Kidneys and Bladder, Inflammatory Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Diseases of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—these Terrible Disorders arising from that Secret Habit of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most bright hopes or anticipations, rendering marriage, &c., improper.

Young Men

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listeners with the thunders of eloquence or wakened to ecstacy the living lyre, may call with full confidence.

Marriage.

Married Persons or Young Men contemplating marriage, being aware of physical weakness, organic debility, or any other cause, speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, confidently rely upon his skill as a Physician.

Organic Weakness

Immediately Cured, and Full Vigor Restored.

This Distressing Affection—which renders life miserable and marriage impossible—is a penalty paid by the victims of improper indulgences. Young persons are too apt to commit excesses from not knowing the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent? Besides being deprived the pleasures of healthy offspring, the most serious of destructive symptoms to both body and mind arise. The system becomes Deranged, the Physical and Mental Functions Weakened, Loss of Procreative Power, Nervous Irritability, Dyspepsia, Palpitation of the Heart, Indigestion, Constitutional Debility, a Wasting of the Frame, Cough, Consumption, Decay and Death.

Office, No. 7 South Frederick Street

Left hand side going from Baltimore street, a few doors from the corner. Full and to above name and number. Letters must be paid and contain stamp. The Doctor's Diplomas hang in his office.

A Cure Warranted in Two Days.

No Mercury or Nauseous Drugs.

Dr. Johnson,

Member of the Royal College of Surgeons, London, Graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many treated with ridicule by friends and cuts whose asleep, given up to consumption, have been raised to perfect health and strength by his skillful treatment. Obstinate cases, attended sometimes with but trifling expense and no detention from business. Date of cure published immediately.

Take Particular Notice.

Dr. J. addresses all those who have injured themselves by improper indulgence and solitary habits, which ruin both body and mind, unfitting them for either business, study, society or marriage.

Times are some of the sad and lamentable effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, nervous and emaciated, having a singular appearance about the eyes, cough and symptoms of consumption.

Young Men

Who have injured themselves by a certain practice indulged in when alone, a habit frequent with those in early companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders a happy marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be cut off from all prospects and enjoyments of life, by the consequence of deeds done in the secret habit. Such persons must, before contemplating marriage, reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, the married through life becomes miserable, the prospect hourly darkens to the view, and death closes the scene with despair and misery, with the only reflection that the happiness of another become blighted with our own.

Disease of Imprudence.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it is often happens that all the boasted power of science, the art of discovery, deters him from applying for relief, whose education and respectability can alone be trusted him, till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, discolored pimples on the face and limbs, pains in the head and joints, dimness of sight, deafness, nodes on the shin bones and roof of the mouth, ulcerations of the throat and nostrils, &c., &c. Then the palate of the mouth or the bones of the nose fall in, and the system of the unfortunate becomes a mass of corruption, and finally death puts a period to the horrible sufferings. Such are the consequences of neglecting to cure the first symptom of this disease. Many who are now in the silent grave might have been alive had they but applied in time to a skillful and honorable physician, and have their constitution so thoroughly purified that no trace of the disease should remain, and have their offspring inherit the vigor of health, instead of being cursed with a miserable existence.
