We, the undersigned auditors of Columbia County, being elected to adjust and settle the accounts of the Commissioners and the Treasurer of Columbia County, do hereby certify that we met at the Court House, in Bloomsburg, Pa., on Monday, January 1st, 1900, at ten o'clock A. M., organized and proceeded to audit the accounts of the above named officers. After examining, correcting and restating the same from January 2nd, 1899 to January 1st, 1900, we do certify them to be correct. We have exercised our best judgment in arriving at our conclusions, and have endeavored to discharge the duties of our office faithfully, and to the best of our knowledge, and submit the above report.

We find in arriving at amount in hands of Treasurer at the beginning of the year 1899, statement should have read $6931.13 instead of $7040.37, there being the following items omitted: By amount making 27 deeds to county at $2.62, amounting to $70 74, and amount paid for advertising 77 tracts of land at 50 cents, amounting to $38.50. Total amount $109.24. These items were allowed by the auditors and not discovered by Treasurer until too late to appeal. This being a clerical error we are satisfied that the Treasurer is justly entitled to the amount and have so allowed him.

We still find some surcharges remain unpaid, and again suggest that the Commissioners endeavor to collect them.

Auditors { WM. BOGERT, Z. A. BUTT, G. H. SHARPLESS.

ATTEST: W. F. STOHNER, Clerk.

I concur in the foregoing statement as to county's part, except that the amount charged to the Treasurer, the auditors and Treasurer have put at $6931.13, whereas the amount should be $7040.37 which is the amount charged up to him as balance in the treasury, January 1, 1899. And further, that the sum or amount of $44.60 allowed the Treasurer for box rent, stamps, &c., is not a just credit for the auditors to allow him out of the county funds. These two items of $109.24 being the difference between $7040.37 and $6931.13 and $44.60, making $153.84, should be charged to said Treasurer additional to the amount as found and stated in said report, thus making it to read balance in hands of County Treasurer $15253.78 instead of $15099.94.

WM. KRICKBAUM, County Commissioner.

The foregoing report of the County Treasurer having been presented, and the same having been examined, the following named errors have been discovered, and the same are hereby corrected, as follows, to-wit:

1st. The amount of balance found to be in his hands by the auditors at their last settlement with him is $7040.37, while the amount now is put down at $6931.13, a difference of $109.24. The $7040.37 being the correct amount he should be and therefore hereby is charged with balance in hands at last settlement of $7040.37, and not $6931.13.

2nd. The item of "blanks, box rent, receipts, stamps," amounting to $44.60, is a claim never approved or allowed, nor warrant drawn for, as the same ever presented to the Board of Commissioners for their approval or payment, and said credit is not allowed, his remedy being with the Commissioners and the Courts as to the justice and legality of the same.

3rd. The item of commission on hotel and restaurant licenses appropriated by him to his use from said fund as far as relates to Bloomsburg and Centralia is in excess of his lawful commission. The amount in excess in Bloomsburg is $12.80, and Centralia $22.40. These sums of money belong not to him, but to the Town of Bloomsburg and Centralia respectively.

WM. KRICKBAUM, County Commissioner.
