The best method for the Abolition of Disease is to cleanse and purify the Body.

WRIGHT'S INDIAN VEGETABLE PILLS

OF THE

North American College of Health,

Are now acknowledged to be the best Medicine in the World for the cure of

EVERY VARIETY OF DISEASE.

BECAUSE they completely cleanse the stomach and bowels from those bilious and corrupt humors which are the cause not only of Headache, Giddiness, Palpitation of the Heart, Pains in the Bones, Rheumatism and Gout, but every malady incident to man. SAID INDIAN VEGETABLE PILLS are a certain cure for intermittent, remitting, nervous, inflamatory and putrid Fevers, because they cleanse the body from those morbid humors, which, when confined to the circulation, are the cause of all kinds of FEVERS. So, also, when the same impurity is deposited on the membrane and muscle, causing pains, inflamations and swellings called RHEUMATISM, GOUT, &c. Wright's Indian Vegetable Pills may be relied on as always certain to give relief, and if persevered with, according to directions will most assuredly, and without fail, make a perfect cure of the above painful maladies. From three to six of said Indian Vegetable Pills taken every night going to bed, will in a short time so completely rid the body from every thing that is opposed to health, that Rheumatism, Gout, and pain of every description, will be literally DRIVEN FROM THE BODY. For the same reason, when, from sudden changes of atmosphere, or any other cause, the perspiration is checked, and the humors which should pass off by the skin are thrown inwardly, causing HEADACHE, GIDDINESS, nausea and sickness, pain in the bones, watery and inflamed eyes, sore throat, hoarseness, coughs, consumptions, rheumatic pains in various parts of the body, and many other symptoms of CATCHING COLD, *Wright's Indian Vegetable Pills* will invariably give immediate relief. From three to six of said Pills taken every night on going to bed, will in a short time, not only remove all the above unpleasant symptoms, but the body will, in a short time, be restored to even sounder health than before.

ASTHMA, or DIFFICULTY OF BREATHING.—*Wright's Indian Vegetable Pills* will loosen and carry off, by the stomach and bowels, those tough phlegmy humors, which stop up all the air cells of the lungs, and are the cause, not only of the above distressing complaint, but when neglected, often terminates in that most dreadful malady called CONSUMPTION. It should be also remembered that *Wright's Indian Vegetable Pills* are a certain cure for PAIN IN THE SIDE, Oppression, nausea, and sickness, loss of appetite, costiveness, a yellow tinge of the skin and eyes, and every other symptom of a torpid or diseased state of the liver; because they purge from the body those impurities which if deposited upon this important organ, are the cause of every variety of LIVER COMPLAINT. When a nation is convulsed by riot, outbreaks and rebellion the only means of preventing the dreadful consequences of a CIVIL WAR is to expel all traitors, and evil disposed ones from the country. In like manner, when pain or sickness of any kind, indicate that the body is struggling with internal foes, the true remedy is to EXPEL ALL MORBID HUMORS, (Traitors to health and life,) *Health will be the certain result.*

That the principle of curing disease, by cleansing and purifying the body, is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of the above named WRIGHT'S INDIAN VEGETABLE PILLS, will certainly result in the complete Abolition of Disease; we offer the following testimonials, from persons of the highest respectability in New York, who have recently been cured of the most obstinate complaints, solely by the use of WRIGHT'S INDIAN VEGETABLE PILLS, of the *North American College of Health:*

JAMAICA, L. I., June 9th, 1841.

Doctor William Wright—Dear Sir—It is with great satisfaction I inform you of my having been entirely cured of Dyspepsia, of five years standing, by the use of your INDIAN VEGETABLE PILLS.

Previous to meeting with your celebrated medicine, I had been under the hands of several Physicians, and had tried various medicines; but all to no effect. After using one 25 cent box of your Pills, however, I experienced so much benefit, that I resolved to persevere in the use of them according to directions, which I am happy to state, has resulted in a perfect cure. Ingratitude to you for the great benefit I have received, and also in the hope that others similarly afflicted may be induced to make trial of your extraordinary medicine, I send you this statement with full liberty to publish the same, if you think proper. Yours, &c.

New York, June 19, 1841. G. C. BLACK.

Mr. Richard Dennis, agent for Wright's Indian Vegetable Pills.

Dear Sir—I have been afflicted for several years with inward weakness and general debility, accompanied at times with pains in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state, have relieved me in a most wonderful manner. I have used the medicine as yet but a short time, and have no doubt, by a perseverance in the use of the medicine according to directions, that I shall in a short time be perfectly restored.

I most willingly recommend said Pills to all persons similarly afflicted, and in the full belief that the same beneficial results will follow their use, I remain yours sincerely. HENRY A. FOOTE.

Wawarsing, Ulster co. N. Y.

New York, Sept. 29, 1841.

This is to certify that I have used WRIGHT'S INDIAN VEGETABLE PILLS with the greatest benefit; having entirely cured myself of the frequent attacks of Sick Headache, to which I had previously been subject. ANN MARIA THOMPSON,

392 Greenwich street, N. Y.

To Mr. Richard Dennis, Agent for Wright's Indian Vegetable Pills.

CAUTION.

As there are at this time many wicked persons based engaged in selling a counterfeit medicine under the name of the Indian Vegetable Pills—and as these desperate men are so utterly reckless of consequences, that many valuable lives may be lost in consequence of using their dreadful compound, the public are cautioned against purchasing any Pills, unless on the sides of the boxes the following wording is found:

WRIGHT'S INDIAN VEGETABLE PILLS,

(*Indian Purgative.*)

OF THE NORTH AMERICAN COLLEGE OF HEALTH.

And also to be especially careful against purchasing said medicine of any person except the regularly advertised agents.

ROSE OINTMENT,

FOR TETTER.

RINGWORMS, PIMPLES ON THE FACE, AND OTHER CUTANEOUS ERUPTIONS.

☞ *The following certificate describes one of the most extraordinary cures ever effected by any application.*

PHILADELPHIA, February 10, 1838.

FOR twenty years I was severely afflicted with TETTER on the Face and Head: the disease commenced when I was seventeen years old, and continued until the Fall of 1836, varying in violence, but without ever disappearing. During most of the time, great part of my face was covered with the eruption, frequently attended with violent itching; my head swelled at times until it felt as if it would burst—the swelling was so great, that I could scarcely get my hat on. During the long period that I was afflicted with the disease, I used a great many applications, (among them several celebrated preparations) as well as taking inward remedies, including a number of bottles of *Swaim's Panacea, Extract of Sarsaparilla, &c.* In fact, it would be impossible to enumerate all the medicines I used. I was also under the care of two of the most distinguished physicians of this city, but without receiving much benefit, and I despaired of ever being cured. In the fall of 1836, the disease at the time being very violent, I commenced using the *Rose Ointment*, (prepared by Vaughan & Davis.) In a few applications the violent itching ceased, the swelling abated, the eruption began to disappear and before I had used a jar the disease was entirely cured. It has now been nearly a year and a half since, and there is not a vestige of the disease remaining, except the scars from the deep pits formed by the disease. It is impossible for me to describe in a certificate the severity of the disease and my suffering, but I will be pleased to give a fuller account to any person wanting further satisfaction, who will call on me. At the time I commenced using the Rose Ointment I would have given hundreds of dollars to be rid of the disease. Since using it, I have recommended it to several persons, (among them my mother, who had the disease badly on her arm,) who were all cured by it.

Rose Ointment, for Tetter.

A PROOF OF ITS EFFICACY.

PHILADELPHIA, May 27th, 1839.

THIS is to certify that I was severely afflicted with Tetter in the hands and feet for upwards of forty years; the disease was attended generally with violent itching and swelling. I applied to a number of physicians, and used a great many applications without effecting a cure. About a year since, I applied the Rose Ointment, which entirely stopped the itching, and a few applications immediately cured the disease, which there has been no return of, although I had never been rid of it at any time for forty years. Eleventh, below Spruce Street.

MEDICAL APPROBATION

Of the ROSE OINTMENT, for Tetter.

ALTHOUGH the superiority of the preparation over all others is fully established, the proprietors take pleasure in laying before the public the following certificate from a respectable physician, a graduate of the University of Pennsylvania. Dr. Baugh, having found in this remedy that relief for a tedious and disagreeable affection which the means within the range of his profession failed to afford, has not hesitated to give it his approbation, although the prejudices and interests of that profession are opposed to secret Remedies.

PHILADELPHIA, Sept. 19, 1836.

I was recently troubled with a tedious herpetic eruption, which covered nearly one side of my face, and extended over the ear. Mr. Vaughan, proprietor of the Rose Ointment, observing my face, insisted on my trying his preparation, of which he handed me a jar. Although in common with the members of my profession, I discountenance and disapprove of the numerous nostrums palmed upon the public by ignorant pretenders, I feel in justice bound to except the Rose Ointment from that class of medicines, and to give it my approbation, as it entirely cured the eruption, although it had resisted the usual applications. DANL. BAUGH, M. D.

WINSLOW'S BALSAM OF

HOREHOUND.

AN unparelleled remedy for common Colds, Coughs, Asthma, Influenza, Whooping Cough, Bronchitis, and all diseases of the Breast and Lungs, leading to consumption; composed of the concentrated virtues of Horehound, Bonset, Blood Root, Liverwort and several other vegetable substances. Prepared only by J. M. WINSLOW, Rochester, New York.

The innocence and universally admitted pectoral virtues of the Herbs from which the *Balsam of Horehound* is made, are too generally known to require recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other vegetable substances, as to render it the most speedy, mild and certain remedy, now in use, for the complaints above mentioned.

The Balsam removes all inflammation and soreness of the Lungs, loosens tough visid phlegm, enabling the patient to expectorate with ease and freedom, assuages cough, relieves athmatic and difficult respiration, heals the injured parts, opens the pores, and composes the disturbed nerves, and gives strength to the tender lungs, and thus produces a speedy and lasting cure.

INGRATITUDE IS THE BASEST CRIME IN MAN.—We are not among that class of Editors who for a few dollars will, (at the expense of truth and honesty) "crack up" an article and bring it into rapid sale; neither are we willing to remain silent, after having tested the utility of an improvement or discovery in science or art.—Our readers will recollect we told them we were unwell with a sore throat and violent cold some few weeks ago. Well, we purchased two bottles of WINSLOW'S BALSAM OF HOREHOUND, and so sudden was the cure, that we forgot we ever had a cold. Those who are afflicted, may try it upon our recommendation. —*Lewiston Telegraph.* For sale by

HENRY YOXTHEIMER, *Sunbury,*

JACOB BRIGHT, *Northumberland.*

Also, by Druggists generally throughout the country. ☞ Price, 50 cents per bottle.

Females.

WHO are troubled with sick headache, pain in the side, breast and back, loss of appetite, flatulency, lowness of spirits, palpitation of the heart, fainting or giddiness, sickness at the stomach, bilious affections, tightness at the chest, nausea, vomiting, noise in the stomach, flushings of heat, and chillness, diseases of the nerves, and organs of digestion, &c. &c., those who may be thus affected, should not neglect to procure *Dr. Harlich's Compound Strengthening Tonic and German Aperient Pills*, which are warranted to give immediate relief. Thousands do we almost daily behold, whose countenances and pale emaciated cheeks bear occular witness to sickness and affliction. Could those persons be persuaded to use this invaluable medicine, they would soon find their weak and debilitated frames strengthened, their minds composed and all pain, and distress driven from the system, when the body will again renew its lost vigor, and put on a "new life," and death for a while be deprived of its prey. What heart but feels glad to behold their near relatives and dear friends, snatched as if by magic from that fatal destroyer *Death*—ye who are laboring under disease let not another day or night pass without procuring this medicine, as it will in a majority of cases effect a permanant cure. *Remember delays are dangerous;* and if disease is neglected, its ravages will doubly increase.

☞ Principle Office for the United States, No 19, NORTH EIGHTH street, where reccommendations of hundreds of persons may be seen, all of which have been cured or benefitted by the medicine. HENRY YOXTHEIMER,

Liver Complaint.

THIS disease is discovered by a fixed obtuse pain in the right side under the short ribs, attended with heat, uneasiness about the pit of the stomach, there is in the right side also a distention; the patient loses his appetite, and becomes sick and troubled with vomiting. The tongue becomes rough and black, the countenance changes to a pale or citron color, or yellow like those afflicted with jaundice, difficulty of breathing, disturbed rest, attended with a dry cough, difficulty of laying on the left side, the body becomes weak, and finally the disease terminates into another of a more serious nature, which in all probability is far
