JOSEPH LIPPENCOTT .... WM. C. BARR
LIPPENCOTT & BARR,
(LATE J. S. STRICKLER & CO.)
Manufacturers of Phenix Fire Proof Safes,
Second street, between Wood and Smithfield.
ON Tuesday afternoon, July 25, 1848, the undersigned were called upon by Messrs. Lippencott & Barr, to witness an honest and fair test of one of their Phenix Safes. The furnace being prepared, the Safe was placed inside thereof, with books, papers and some money; when the door of the Safe was closed and the fire kindled at a quarter past 2 o'clock, and in a short time the Safe was red hot, and continued till half past 6 o'clock, being about four and a half hours, when the committee expressed their satisfaction that the time occupied with such heat was sufficient. The furnace was then pulled down, Safe cooled, and door opened—the books, papers and money safe. The heat was so great as to melt off the brass mountings. We therefore take pleasure in recommending these Safes to the public, as being, in our judgment, entirely fire proof.

In calling upon the above gentlemen for their signatures, they all spoke in the highest terms of the fairness of the test, and their full confidence of the Safe's being entirely fire-proof. We have constantly on hand and for sale a full assortment of the above Safes.

Coal Land for Sale.
THE Subscriber offers for sale a very valuable COAL PROPERTY at the mouth of Watson's Run, near Lock No. 3, on the Monongahela River, consisting of about 80 Acres of Land, and in addition thereto, about 180 acres of Coal. It has a wide front on the River, with deep water at all seasons, and a natural Basin near the mouth of the Run, which, with little expense, could be improved so as to load and keep afloat fifty boats at a time, protecting them from the drought of summer, and the ice of winter.

It affords an excellent site for a steamboat yard, and for a Saw Mill near the mouth, where a head of some 28 feet may be obtained, commanding all the water of Watson's Run and its branches. It is, besides, the natural outlet of more than 1000 Acres of Coal. Limestone of the best quality abounds near the mouth.

The Watson's Run route is regarded as one of the best for the Hempfield Railroad, and if this is adopted, the value of the property will be greatly enhanced.

The Property will be sold at a bargain, and on liberal terms of payment. A portion of the purchase money might remain on bond and mortgage for 6 or 8 years.
