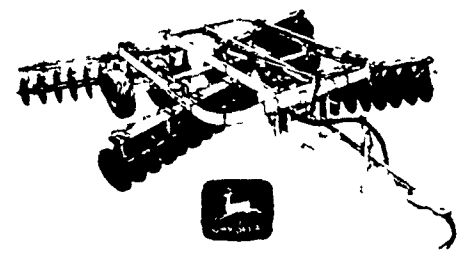
John Deere discounts these new tillage tools by 5 to 10 percent and waives finance charge to March 1, 1984



Just as you're getting into the fall/spring tillage season John Deere announces a big dollar saving offer on major tillage tools. Depending on the tillage tool you buy (see the chart) your dealer will deduct 5 or 10 percent from the latest base machine price. For example, the discount on an 18½ foot 235 Disk would save you more than $1,100.

On any of these you can save even more by financing with John Deere. Finance charge will be waived to March 1, 1984, for qualified buyers.*
