VALUABLE FARM

Of the late Wm. The land, about 140 acres of which are cleared, is of very excellent quality and in the highest state of cultivation, well watered, fenced, &c. A large portion is very fine meadow land. The improvements

This property is considered one of the most desirable and valuable in this section of country, the land not being surpassed for fertility by any in the State. Its proximity to Danville and Pottsville gives it an advantage over others in always having a ready cash market for all kinds of produce.

Persons wishing to view the property, previous to the day of sale, may call on the subscribers residing in Danville, or on Mr. Samuel Garrett, who lives on the premises. Sale to commence at 1 o'clock P. M. of said day, when terms will be made known by

Democratic Review.

Greatly Reduced Price—From $5 to $3 per Annum.—Single copy 25 cents.

PROSPECTUS OF THE NEXT, OR 17TH VOLUME.

THE PRICE of the DEMOCRATIC REVIEW has heretofore been too high—not for the size, cost and character, but for the means of tens of thousands of readers who would be glad to receive it, and among whom it is highly desirable that it should circulate. For the purpose, therefore, of widening the range of its usefulness, and of multiplying the numbers of those to whom it may be accessable it has been determined, simultaneously with the great reduction in the expense of the postage, to reduce its subscription price also, from FIVE to only THREE dollars; and when several unite in subscription, to as low as $2 50, or even $2 30 per annum.

This very large reduction in the receipts (accompanied with but a comparatively small diminution of its expense) involves, of course, an entire sacrifice of profit upon it, unless compensated by a vast multiplication of subscribers.—There will be at the outset only a small reduction in its number of pages; soon to be restored to its old number, without increase of price, when the anticipated success of the experiment shall justify it.

THE PORTRAITS OF DISTINGUISHED DEMOCRATS will be continued—engraved in better and more costly style than heretofore.

The POSTAGE will hereafter, for any distance, be only *five and a half cents*; it has heretofore been, for 100 miles, *eighteen cents.*

We look for an extension of circulation to be reckoned by *tens of thousands*, as the result and compensation of this great reduction of price.—Every friend of the work, and of the Democratic principles and cause, is confidently appealed to to exert himself with an active interest to procure it subscribers; both to extend its usefulness, and to carry it successfully through the crisis of this great reduction of its prices.

Those who have paid in advance for the coming year, will receive it, at a reduced rate, for a year and a half.

TERMS HENCEFORWARD.
(INVARIABLY IN ADVANCE.)

Single copy	$3 00	Eight copies,	$20 00
Four copies	11 00	Thirteen "	30 00

It will then be seen that when thirteen copies are ordered at once, the price is brought down to about $2 30 each. For six months, half these rates.

These rates afford high inducements to agents and others to interest themselves to procure subscribers.

The *cash system and payment in advance* must be uncompromisingly adhered to. The past relaxation of it has caused an accumulation of not far from $40 000 of debts due to the work. Hereafter this must be wholly reformed, nor must either the most eminent political friend, or the most intimate personal one, be displeased on experiencing its application, in the stoppage of their numbers, if they neglect this rule, the vital necessity of which, at the present reduced rates, must be obvious to all.

No communication will be taken from the Post office unless free of postage.

All communications, both on editorial and publishing business, must be addressed henceforward to the undersigned. Those relating to the settlement of the past debt due the work will be still addressed to Mr. H. G. LANGLEY 8 *Astor House*, the past arrangements with whom, as publisher have reached their termination.

J. L. O'SULLIVAN.

LAST LIKENESS OF GEN. JACKSON.

The admirable Daguerreotype of Gen. Jackson, taken by Anthony, Edwards & Co. a few weeks before his death, has been purchased for the use of the Democratic Review. It is in the hands of the artist, and will be engraved in the finest style of mezzotint, of extra size. It is a most beautiful and interesting work, declared by Mr. Van Buren and others to give a more perfect idea of the great and good old man than any other likeness; and ought to be possessed by every man who loves and reveres his memory.—Those who subscribe early will receive it as one of the regular series of Portraits.

"Sugar Coated Pills."

IF we were willing to limit the office of taste to its proper sphere, and to cease eating when appetite expressed content, indigestion would be a much rarer occurrence in civilized communities than it is observed to be. Hippocrates remarked that a vere perspirations arising during sleep, without any other apparent cause, are a sure sign that too much nourishment is made use of. The day of reckoning will follow such a state of repletion, which clogs the bodily functions, and may lead to sudden death by some acute disease, when the individual is apparently in good health.

DR. SMITH'S ("SUGAR COATED") "IMPROVED INDIAN VEGETABLE PILLS," are all-efficacious to regulate the state of the stomach, improve digestion, and purify the fluids. As they are pleasant and perfectly harmless, they are resorted to extensively by the dyspeptic, and all persons of sedentary habits. No family should be without them.

☞ CAUTION.—As a miserable imitation has been made, by the name of "Sugar Coated Pills," it is necessary to be sure that DR. G BENJ. SMITH'S signature is on every box. Price 25 cents.

FRESH ARRIVAL
PIANOS.

THE SUBSCRIBER has been appointed agent, for the sale of CONRAD MEYER'S CELEBRATED PREMIUM ROSE WOOD PIANOS, at this place. These Pianos have a plain, massive and beautiful exterior finish, and for depth and sweetness of tone, and elegance of workmanship, are not surpassed by any in the United States. The following is a recommendation from CHAS. DIETS, a celebrated performer, and himself a manufacturer:

A CARD.

HAVING had the pleasure of trying the excellent Piano Fortes manufactured by Mr. Meyer, and exhibited at the last exhibition of the Franklin Institute, I feel it due to the true merit of the maker to declare that these instruments are quite equal, and in some respects even superior, to all the Piano Fortes, I saw at the capitals of Europe, and during a sojourn of two years at Paris.

These Pianos will be sold at the manufacturer's lowest Philadelphia prices, if not something lower. Persons are requested to call and examine for themselves, at the residence of the subscriber.
