IMPORTANT TO HOUSEKEEPERS!

Something Better and more Economical than Soda, Cream Tartar, or any other Preparation in existence for Baking.

DURKEE'S CHEMICAL YEAST, OR BAKING POWDER.—For raising Bread, Biscuit, Griddle and Johnny Cakes, Puddings, Pot-Pies, Corn Bread, Sweet Cakes, Apple Dumplings, Pastry, &c. This article is one that every FAMILY, HOTEL, BOARDING HOUSE, Eating Saloon, Ship, Steamboat, Vessel, Canal Boat, &c. will find, upon a careful trial, to be the very thing needed every single day of their existence.

Its most important advantages over the old system, are—

1. It saves the expense of milk, eggs, shortening, spoiled bread, and the trouble and expense of procuring good yeast, —water only being necessary.

2. No time is required for the dough to rise before baking —consequently, bread may be made in a few minutes.

3. A cook can always depend upon having light, sweet, tender and palatable bread and biscuit, whether the flour be of the best quality or not.

4. Bread made by this process is much more nutritious, easier of digestion, better fitted for a weak stomach, sweeter, whiter and lighter, than when made with yeast.

5. The bread made by fermentation, does not afford the same amount of nourishment to the system, that it does when made with this compound; because the vegetable acid contained in fermented bread, prevents the proper action of the gastric fluid upon it, and consequently, a part only goes to nourish the body, while the acids tend to produce dyspepsia and its attendant evils.

This article has been thoroughly tested, and is universally liked. When used according to the directions, it is warranted to suit.

Be careful to ask for DURKEE'S BAKING POWDER, and take no other, and you will not be deceived. Principal office, 139 Water street, New York. Sold by the the best grocers and druggists generally.

JARVIS, Register in Chancery.

Dover, April 7, 1853. apr11:3m

I HAVE introduced an elegant article of CLOTH and HAIR BRUSHES, superior to anything of the kind ever before manufactured in this city. They will compare with any Eastern Brushes ever brought to this market, not only in material, but also in finish. The best of workmen are employed to ornament them, and thus make them in every respect, equal to any manufactured in any of the Eastern cities.

Also, a large assortment of Paint, Varnish, Sash, Shoe, Horse, Dusting, Scrubbing, Sweeping and Window Brushes.

Also, a large assortment of Nailed and Tied Whitewash Brushes.

Also, a fine variety of Tooth, Nail and Brushes, flat Varnish, Blenders, &c., &c.

All of which I will sell as low as they can be purchased in any Eastern market. All who doubt the above statement are most respectfully invited to call and judge for themselves.

N. B.—As I have concluded to confine my attention entirely to the manufacture of Brushes, I feel that I can offer as great inducements as any manufacturer in the Union.

Testimony from Tennessee IN FAVOR OF **B. A. FAHNESTOCK'S VERMIFUGE.**

THE NASHVILLE REPUBLICAN BANNER, says:—Mr. John Herriford, a well known citizen of this State, speaks highly of the value of B. A. Fahnestock's Vermifuge, in another column. This Vermifuge, when pure, is an invariable specific for Worms—those torments of children.

Messrs. B. A. Fahnestock & Co.:

Gentlemen—For the benefit of others, I take pleasure in testifying to the valuable qualities of your Vermifuge. About ten years ago my attention was first called to it by a friend, an officer in one of the Banks in Nashville, in whose estimation it was then a standard article, having used it in his family with very satisfactory results. By his advice, I took a vial home for one of my children, who had until then been very feeble, and subject to frequent sickness. The Vermifuge expelled a great number of Worms, and the child afterwards gradually recovered good health. I have since used it regularly in my own family for most of the ailments of children, and generally with good effect.

One remarkable case, in the family of a near relation, I will mention in particular. The child was about four years of age; had always been puny; often attacked with severe pains, and at the age mentioned, nearly lost the use of the lower extremities. I recommended the use of your Vermifuge in the case, and left the half of a vial, which I was taking home, with directions for its use. I learned afterwards that the child passed an enormous bulk of large Worms—the number not remembered—and in a short time, by the use of the Vermifuge, the fits ceased, and its health began to improve. When I next saw the child she was walking, and enjoying perfect health. This recovery from the very jaws of death, the friends attribute to the use of your Vermifuge. JOHN HERRIFORD.

CHERRY PECTORAL

FOR THE CURE OF COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA and CONSUMPTION.

TO CURE A COLD, with Headache and Soreness of the Body—Take Cherry Pectoral on going to bed, and wrap up warm, to sweat during the night.

FOR A COLD AND COUGH, take it morning, noon and evening, according to directions on the bottle, and the difficulty will soon be removed. None will long suffer from this trouble when they find it can be so readily cured. Persons afflicted with a seated cough, which breaks them of their rest at night, will find, by taking the Cherry Pectoral on going to bed, they may be sure of sound, unbroken sleep, and consequently refreshing rest. Great relief from suffering, and an ultimate cure, is afforded to thousands who are thus afflicted, by this invaluable remedy.

From its agreeable effect in these cases, many find themselves unwilling to forego its use when the necessity for it has ceased.

From two eminent Physicians in Fayetteville, Tenn., April 16, 1851.

Sir:—We have given your Cherry Pectoral an extensive trial in our practice, and find it to surpass every other remedy we have for curing affections of the respiratory organs. DRS. DIEMER & HAMPTON.

TO SINGERS AND PUBLIC SPEAKERS this remedy is invaluable, as by its action on the throat and lungs, when taken in small quantities, it removes all hoarseness in a few hours, and wonderfully increases the power and flexibility of the voice.

ASTHMA is generally much relieved, and often wholly cured by Cherry Pectoral. But there are some cases so obstinate as to yield entirely to no medicine. Cherry Pectoral will cure them, if they can be cured.

BRONCHITIS, or irritation of the throat and upper part of the lungs, may be cured by taking Cherry Pectoral in small and frequent doses. The uncomfortable oppression is soon relieved.

Rev. Dr. Lansing, of Brooklyn, New York, states:— "I have seen the Cherry Pectoral cure such cases of Asthma and Bronchitis as leads me to believe it can rarely fail to cure those diseases."

FOR CROUP. Give an emetic of antimony, to be followed by large and frequent doses of the Cherry Pectoral, until it subdues the disease. If taken in season, it will not fail to cure.

WHOOPING COUGH may be broken up and soon cured by the use of Cherry Pectoral.

THE INFLUENZA is speedily removed by this remedy. Numerous instances have been noticed where whole families were protected from any serious consequences, while their neighbors, without the Cherry Pectoral, were suffering from the disease.

Dr. J. C. Ayer:— Salem, Ohio, June 11, 1851.

I write to inform you of the truly remarkable effect of your CHERRY PECTORAL in this place, and in my own family. One of my daughters was completely cured in three days of a dreadful Whooping Cough, by taking it. Dr. Means, one of our very best physicians, freely states that it is the best remedy we have for pulmonary diseases, and that he has cured more cases of Croup with it than any other medicine he ever administered.

Our clergyman of the Baptist Church, says, that during the run of Influenza here this season, he has seen cures from your medicine he could scarcely have believed without seeing. Yours, respectfully, J. D. SINCLAIR, Deputy Postmaster.

From the distinguished Professor of Chemistry and Materia Medica, Bowdoin College.

I have found the Cherry Pectoral, as its ingredients show, a powerful remedy for colds and coughs, and pulmonary diseases. Parker Cleveland, M. D.

Brunswick, Me., Feb. 5, 1847.

DR. VALENTINE MOTT, The widely celebrated Professor of Surgery in the Medical College, New York City, says:—

"It gives me pleasure to certify the value and efficacy of 'Ayer's Cherry Pectoral,' which I consider peculiarly adapted to cure diseases of the Throat and Lungs."

Cures of severe diseases upon the Lungs have been effected by Cherry Pectoral in such extreme cases as warrant the belief that a remedy has at length been found that can be depended on to cure the Coughs, Colds and Consumption which carry from our midst thousands every year. It is indeed a medicine to which the afflicted can look with confidence for relief, and they should not fail to avail themselves of it.

Prepared and sold by JAMES C. AYER, Practical Chemist, Lowell, Mass.

Sold in Pittsburgh by B. A. Fahnestock & Co.; in Allegheny, by H. P. Schwartz; and by Druggists and Dealers in Medicine everywhere. mar8:3md&w
