PIC-NIC.—A social Pic-Nic is to be held in Cunningham's woods, Freedom township, on Saturday the 14th inst.

LARCENY.—Last week, Isaac Smith, colored, was committed to jail, charged with stealing $5 or $6 at the residence of Jacob Brinkerhoff, of this place.

CONSECRATED.—The Yellow Hill Church, (colored,) about one mile west of Middletown, will be consecrated on Sunday the 15th instant, Rev. Mr. Stevens officiating.

LARGEH.—Mr. Samuel M. Allison, of Mounjoy township, took from one of his fields a stalk of Oats, which measures 6 feet 3 inches, above the roots—being three inches taller than that noticed last week. The head of this stalk measures 15 inches in length.

BALLOON ASCENSION.—Prof. John A. Light is announced to make a Balloon Ascention, from the Public Square in Hanover, on Wednesday next, between the hours of 9 A. M., and 3 P. M., if the weather be favorable. In case of rain or high wind, the ascension will take place the first fair day thereafter.

SOLD.—Wm. Guinn has sold house, on York, street, to Ellen Stewart, at $2,500.

Wm. S. Hamilton has sold a half-lot of ground on Carlisle street, to George F. Kalbfleish, for $575.

John Houck has sold to Jacob A. Kitzmiller the house and lot of ground, on South Baltimore street, nearly opposite the Battle-field Hotel, and adjoining Mr. Kitzmiller's present residence, for $650.

HANOVER COLLEGIATE INSTITUTE.—The exercises of this well-known Classical School will commence on the 1st of September. The Principal, Rev. H. S. Koons, A. M., has a well established reputation as a successful educator, and this Institution presents rare advantages to the community in which it is located. See advertisement.

ACCIDENT.—A painful accident happened to one of the soldiers connected with Lieut. Turtle's Engineer Corps on the 27th ult. As a wagon containing a number of them was returning from Cemetery Hill, Albert Burke, private, fell from the vehicle and had his left shoulder thrown out of joint. The dislocation was promptly reduced by Dr. O'Neal, the sufferer having been placed under the influence of chloroform.—*Compiler.*

GOOD PRICES.—At the sale of the effects of Wm. Douglass, deceased, in this place, on Tuesday last, 14 shares of stock of Gettysburg National Bank Stock brought $75 per share, the par value being $50.—Four shares of the Gettysburg Gas Company, brought $62.50 per share—par value $50; and 10 shares of the Gettysburg Water Company $30—par value $15. John M. Stevenson, Esq., of Baltimore, was the purchaser. The bidding was spirited, and the large premiums over the par value show that the Companies are in good condition, and the stock desirable.

SPRINGS HOTEL.—We are glad to notice the daily arrivals of guests for the Springs Hotel. The popular management of the House is making a favorable impression, and by the time the Company complete their contemplated improvements and the merits of the Hotel become known, it will attract visitors from all parts of the country. In all its management it is a first-class Hotel, second to none in the country.

For the accommodation of transient visitors and citizens, arrangements have been completed to furnish Ice Cream and other refreshments at the saloon of the Hotel, on orders left at the office.

EPISCOPAL SERVICE.—On last Sabbath morning, the Rev. W. G. Hawkins, Rector of Trinity church, Chambersburg, held religious services in the Court-house, according to the usages of the Protestant Episcopal Church. The services attracted a large audience. At night Rev. Mr. Hawkins held religious services at the Springs Hotel. We understand that arrangements are in contemplation to secure regular services in this place under the auspices of the Episcopal church, and to organize a congregation if practicable. Mr. Hawkins, we believe, made a favorable impression during his stay in town.

SERIOUS ACCIDENT.—We regret to learn that Mr. Adam Noel, residing at Mount Rock, in this county, met with a most painful and serious accident on last Friday, under the following circumstances: Mr. Noel had been to Gettysburg on Friday, and after his return home, it is supposed, whilst in the act of stooping down to get a currycomb to clean his horse, he was kicked by him, on the top of the head, causing a fearful and dangerous fracture. Dr. Hombaugh, of Mechanicstown, was called in and rendered surgical aid. Mr. Noel had been in an entire state of unconsciousness up to Monday evening, since which time, however, we understand he has rallied, and there are now hopes for his recovery.—*Press.*

INCENDIARISM.—A grain shed, belonging to Mr. J. Hildebrech, on the road leading from Littlestown to Taneytown, about three miles from the latter place, was totally destroyed by fire on last Thursday night, with all its contents. We learn that Mr. H. had nearly his entire crop of grain in the shed at the time, and also a number of tons of hay. Suspicion at once rested upon a notorious character named John Black, who had previously made threats that he would burn Mr. H's. property, and who was seen in that locality on the evening of the fire. He was promptly arrested and taken to jail at Westminster to await a trial, which will no doubt place him beyond the power of doing mischief for some time to come.—*Press.*

PASSENGER RAILWAY.—The Managers of the Passenger Railway have adopted the following schedule for the future running of the cars between the Springs Hotel and town:—Leave Gettysburg for the Springs at 6.30, 8.30, and 10.30 A. M.; 12.30, 2.30, 4.30, 6.30, 7.30 and 8.30 P. M. Returning, leave the Springs at 7.30, 9.30 and 11.30 A. M.; 1.30, 3.30, 5.30, 7.00, 8.00 and 10.00 P. M.

On Sundays, to accommodate guests at the Hotel wishing to attend religious services in town, a car will leave the Springs at 10 A. M., returning at 12; and also one at 7 P. M., returning at 9. No other cars will be permitted to run on Sundays.

The fare either way will be 10 cents, as heretofore; but packages of 12 tickets can be had for $1, on application to R. G. McCreary, Esq.

NEWSPAPER LAWS.—Postmasters are required to give notice *by letter* when a subscriber does not take his paper from the office, and give the reason for its not being taken.

Neglecting to do so makes the postmaster responsible to the publishers for the payment.

Any person who takes a paper regularly from the post office, whether he has subscribed or not, is responsible for the subscription.

A person ordering his paper to be discontinued must pay all arrearages, or the publisher may continue to send it until payment is made, and collect the whole amount, whether it is taken out of the office or not.

The courts have decided that refusing to take newspapers and periodicals from the post office, or removing and leaving them uncalled for, is *prima facie* evidence of intentional fraud.

RE-UNION.—In accordance with the resolutions adopted by the Battle-field Memorial Association, the Secretary, D. McConaughy, Esq., has addressed a circular to a number of the leading officers who commanded Corps, Divisions and Brigades, at the Battle of Gettysburg, inviting them to attend a Re-union in Gettysburg, during the fourth week in August. The purpose of the Association is to put up memorials on different parts of the field, to indicate to visitors important points, and permanently mark the positions and movements of the Armies, Corps, Divisions and important commands in the battle. To enable the Association to do this intelligently and accurately, they desire to avail themselves of the suggestions of the officers who participated in the fight, and hence the proposed Re-union. The meeting will be held at the Springs Hotel, where the visiting officers will be quartered at reduced rates. Arrangements are also in progress to secure a reduction of railroad fare for the occasion.

Gov. Geary is President of the Association, with a number of prominent gentlemen constituting the Directory.

The local officers are:

Vice President—R. G. McCreary, Esq.
Treasurer—George Arnold, Esq.
Secretary—D. McConaughy, Esq.

DEATH OF JUDGE ROBINSON.—A portion of our edition last week contained the announcement of the death of Hon. Isaac Robinson, which took place on the 29th ult., after a lingering illness. Judge Robinson was born in Carroll's Tract on the 18th of March, 1801, and has always resided in Adams county. He was a high-toned gentleman, courteous in manner, and while tenacious of his opinions once found, was careful in reaching conclusions of duty. Although modest and unobtrusive, he was at various times honored with official position—having filled the offices of County Surveyor, Justice of the Peace, Member of the Legislature, and Associate Judge. In the latter position, which he was compelled to resign because of impaired health, he enjoyed the esteem of the Bar, but reason of the uniform courtesy and uprightness, which characterized his administration of the duties, and the respectful, generous confidence which he at all times manifested in his intercourse with them. On the announcement of his death, although not in official connection with the Court, a meeting of the members of the Bar and officers of the Court was held, at which appropriate resolutions were adopted, and which will be found in another column. The funeral, which was largely attended, took place on Friday afternoon, his remains being interred in Ever-Green Cemetery.

REPUBLICAN COMMITTEE.—The Republican County Committee met at the Eagle Hotel on Saturday last. Owing to the absence of Hon. Edward McPherson, Capt. E. McGinley was appointed Chairman *pro tem.* After an interchange of opinions, it was unanimously resolved that the Republican County Convention meet in Gettysburg, on the fourth Monday in August, the 23d. The call will be found in to-day's paper. We hope our Republican friends in the townships will not neglect the Delegate elections, to be held on the Saturday previous. The campaign this fall will be an important one, involving the election of a Governor and Supreme Judge, besides the usual County officers. Send good discreet men as delegates to the Convention, charged with the duty of nominating a ticket that shall command the confidence and cordial support of every Republican in the county. The administration of the county offices needs reforming badly, and the nomination of good men may largely tend to secure this desirable end.

DEATH OF JUDGE ROBINSON.

At a meeting of the Judges, members of the Bar, and Officers of the Court, on the 30th day of July, 1869, called on the occasion of the death of Hon. Isaac Robinson, on motion, Hon. R. G. Harper was called to the chair, and Hon. S. R. Russell appointed Secretary.

Hon. Moses McClean stated the object of the meeting, and made some pertinent remarks in allusion to his long and intimate acquaintance, from boyhood, with the late Judge Robinson, and held the expression of his many virtues and worth.

D. McConaughy, Esq., spoke in terms of hearty commendation of him, as a gentle of the old school, as a useful and exemplary magistrate and legislator, and as an upright and impartial Judge.

On motion, Wm. McClean, D. McConaughy, and W. A. Duncan, Esqs., were appointed a Committee to draft resolutions, expressive of the sense of the meeting, and reported the following:

WHEREAS, in the providence of God, Hon. Isaac Robinson, one of the Associate Judges of the Court of Common Pleas of this County, became afflicted with serious and painful disease, making it necessary for him to resign his commission, and which, after a protracted period of suffering, has resulted in his death:

Resolved, that we deeply sympathized with Judge Robinson in his affliction, regretted the necessity of his resignation, and bear unanimous and earnest testimony to his pure and unspotted life, to his honor as a high-minded gentleman, to the worth of his example in the various social relations he sustained, to the value of his services as a useful citizen, Legislator and Magistrate, to his uprightness, impartiality and integrity as a Judge, and the ability and fidelity with which he discharged the duties of the several public positions to which he was called by his fellow citizens.

Resolved, that we, in a body, attend his funeral that these proceedings be entered upon the records of the County, published in the newspapers of the County, and a copy thereof presented to his family, with our sincere sympathy and condolence.

R. G. McCreary, Esq., in seconding the motion for the adoption of the resolutions, expressed his entire concurrence in the tribute which they offered. They were unanimously adopted and the meeting adjourned.

R. G. HARPER, *Ch'n.*
S. R. RUSSELL, *Sec'y.*

NEW STORE.—Mr. Hezekiah Keefer has purchased the Store of Mrs. Paxton, on Baltimore street, and will keep for sale all kinds of Groceries, Flour, Meal, Confections, Notions, &c. Mr. K. is a clever young man, and deserves a good share of custom, which he will doubtless receive.

A CONVENIENCE.—We understand that arrangements have been made to establish a Baggage Depot in this place which will be under the charge of responsible parties. Passengers arriving in the trains can leave their checks at the Ticket office, and their baggage will be delivered wherever ordered. Persons intending to leave in the cars can have their baggage called for at their residences and delivered at the depot. tf

IMPROVED MORNING GLORY.—The famous Morning Glory Stove, so popular as a parlor and office stove, has sometimes been objected to for use in chambers and by families needing but one fire, because not adapted to heat water, &c.—This difficulty has been overcome, and last Monday we saw one of the improved Morning Glories in operation at the Warehouse of Col. G. H. Buehler, on Carlisle street, which seems not only to obviate objections but to meet every desired want. It is nothing more or less than the ordinary Morning Glory, with an Oven about 15 inches in diameter attached, and ingeniously arranged dampers by which the heat can be thrown around the oven at pleasure, and making it as hot as the ovens of the best cooking stoves. Water can be boiled, pies baked, and even meat roasted as readily as in a cooking stove. This contrivance, while preserving all the qualities of the Morning Glory as a heater, adapts it for the sick chamber, or use in small families requiring but little cooking. tf

☞ Think you the proprietor of Dr. Sage's Catarrh Remedy would offer $500 reward for a case of Catarrh which he cannot cure if his Remedy was a humbug? Preposterous idea! Sold by all druggists everywhere at fifty cents, and it prepares a full pint of the medicine ready for use. 1t

GETTING WARM.—The Democratic nominating Convention will meet on Monday next. As the time approaches, the contest which has been going on for some weeks between the rival aspirants for the various offices becomes more active, and when the delegates get together a lively time may be expected. Hitherto the interest has circled about the Sheriffalty, for which Messrs. Klunk and Myers seem to have the inside track, with a strong reserve backing up Col. Swope: but recently the fight for Associate Judge and County Treasurer has waxed warm and monopolized special attention. For the former the contestants are Messrs. Krise, McCurdy and Ziegler. The friends of Henry A. Picking, Esq., early in the canvass manifested a disposition to press his candidacy; but being strongly suspected of a leaning towards Temperance—which, by the way, don't belong to the Democratic creed—Mr. P., probably seeing breakers ahead, promptly and peremptorily withdrew his name. Mr. Krise has been working hard, but without any show—the contest being narrowed down to McCurdy and Ziegler, the chances in favor of the latter, who is working like a beaver, persistently and boldly. The fight for Treasurer is between Martin and Brinkerhoff, the other candidates for that office, although clever men, being evidently not in the ring. The contest, however, is complicated by rumored combinations between candidates for different offices, on the principle of "you support me and I'll support you."

We don't know that the Convention will care to consult us either in the nomination of candidates or the fixing up a platform. Doubtless some of the knowing ones have resolutions already blocked out. If not, we tender the following free of charge:

1—*Resolved*, That Thomas Jefferson made a mistake when he declared that "all men are created free and equal," and "endowed by their Creator with certain inalienable rights." He forgot that this is a "white man's" government, and that "niggers have no rights which white men are bound to respect."

2—*Resolved*, That the Declaration of Independence being simply a "string of pretty, but inexact generalities," of doubtful expediency, its doctrines are not binding on the Democratic party of the present day.

3—*Resolved*, That Rebellion is *not* a crime—that Lincoln was "an ape," Jeff. Davis a gentleman—Grant a "butcher," Gen. Lee a military genius—and that Lincoln's "hirelings" deserve the lasting opprobrium of all true Democrats for thwarting our Southern brethern in their patriotic efforts to establish a Confederacy, with "Slavery as its corner stone," on the ruins of the present Federal Union.

4—That the "lost cause" is dear to our hearts, and upon reaching political power we will evince our gratitude to the brave men who bled and died for it, by pensioning their widows and children, and giving the most lucrative offices to their surviving comrades.

5—*Resolved*, That money—not brains—should be a passport to public confidence, and we hail the nomination of Asa Packer for Governor, with profound joy—assured that he will "bleed freely" the "ding bats." But we insist, as a condition of our cordial support, that the Democracy of Adams county be permitted to share in the spoils, and that Alderman McMullen and the Philadelphia Democrats shall not monopolize them.

6—That free-voting, like free whiskey, is a cardinal principle of Democracy—that the Democrats of Philadelphia ought to vote twice or thrice as often as they please—and that the Register Law, which proposes to limit them to one ballot, is unjust and unconstitutional.

7—The Temperance and Prohibition are the offspring of a morbid fanaticism.—They cannot live in the Democratic creed, and we hereby notify the Judges of our Court of Quarter Sessions, (Judge Fisher especially,) that we expect them in future to grant all applications for Tavern License—especially when the applicant comes endorsed as a sound Democrat.

8—*Resolved*, That the rigid economy displayed by Governor Geary in the State, and by Gen. Grant in the National, Administrations the last year, the State and National Debts are being liquidated too rapidly, and the contrast between Democratic and Republican rule is thereby made too patent. We demand a restoration to office of the tried and trusty Democrats, whom long experience in office made adepts at stealing and plundering, and whose restoration will not only give us plenty of "spoils" in political campaigns, but prevent a too speedy payment of the State and National Debt.

8—*Resolved*, That the "nigger" has been the stock in trade of the Democratic party for more than a third of a century; that the projection of Gen. Grant and his allies the Republican allies to settle the negro question and remove it from the arena of politics, will be fatal, if consummated, to the Democratic party—and we therefore oppose the ratification of the 15th Constitutional Amendment.

We submit the foregoing for the consideration of the "Committee on Resolutions." It not sufficient, the Committee can extend them *ad libitum*.

NEW OXFORD, PENNA., July 31 1869.

EDITORS OF STAR & SENTINEL:—Mr. James Hersh, of this village, raised this season 285 pounds of potatoes, of the Early Rose variety, the product of 3 pounds planted on 384 square feet of ground. The potatoes are large and fine, many of them weighing 15 ounces each.

Another item of product raised in our town.—A leaf cut from a stalk of cabbage growing in the garden of our townsman, Mr. Wm. King, measured 73 inches in circumference, being a new variety, the first introduced here, called the "Stone Mason Marblehead." These items are given for the benefit of our agricultural friends, who are invited to beat us if they can. If so, they may hear from us again.

AGRICULTURE.

☞ Especial attention is called to the advertisement of that celebrated Specialist, Q. VAN HUMMELL, M. D., of New York City, who treats throat and lung diseases by *inhalation*—the only acknowledged cure for Consumption. He uses *Abbott's Inhaling Fluid*, a remedy not known to the profession. Thousands have been snatched from the jaws of death by this wonderful remedy, and those afflicted should not hesitate to immediately place themselves under the Doctor's care. 1t

☞ At a recent meeting of the Board of health of New York, a letter was received from Dr. Harris concerning cholera in the West. He says the disease has not become epidemic this summer at any point west of the Alleghenies or north of the Ohio, but it is spreading in a fearful manner west of the Mississipi, upon the great routes of travel. The Zingari Bitters will prevent and cure cholera as well as all other affections of the bowels. It is the greatest tonic ex tant. 1t

☞ IT GREW.—All "Topsy" could say about herself was that she "growed." And all than can be said in answer to the often asked question, "How did Oak Hall become so great?" is that *it grew*. There was nothing miraculous about it, nothing beyond the ordinary laws of business development and expansion. Strict integrity, close and constant application to business, an untiring study of the wants of the people, must lead to permanent and large success. 1t
