The Great English Remedy.

Dr. Barber's Liniment

FOR HORSES.

This most valuable Embrocation has been used with wonderful success in the cure of some of the most troublesome diseases with which the horse is affected, (without destroying the hair) such as old strains, swellings, stiffness of joints, galls produced by the collar and saddle, strains of the shoulders, stifle, hoof, pastern and coffin joints, strains of the whirl bone, knee, and fetlock, poll evil, fistules, curbs, splints, spavin, windgalls, pains, &c.

It very soon cures old or fresh wounds, cuts, bruises, fistules, poll evil, curbs, etc., and gives instant relief in the scratches, grease, etc., and the diseases incident to horses having white feet and noses produced by St John's Wort, which so often destroys the hoofs and bones of the foot, and resists the action of sulphur and vitriol ointments, and other remedies equally powerful.

No application has heretofore proved so useful in relaying stiffness of the tendons and joints, and producing such immediate and beneficial effects in cracked heels, brought on by high feeding, splints and sprains.

This Embrocation is highly recommended to farriers, keepers of livery stables, wagoners, stage proprietors, and private gentlemen owning horses, as an invaluable remedy, and should be constantly kept in their stables.

Also farmers, whose horses are so liable to kicks, cuts and wounds, will find it equally advantageous to keep it constantly on hand.—It is equally beneficial in the treatment of working cattle, for galls, sore necks, cuts, wounds, etc.

To the Citizens of Cumberland Co.

"There is something more precious than Gold or Diamonds—HEALTH!

THERE are some diseases that visit us at stated seasons of the year, and which not unfrequently become alarmingly fatal, during the summer and autumn months; especially the young; there being not less than seventy thousand dying annually with derangements of the stomach and bowels alone. Does not every feeling of our nature become enlisted in the human desire to lessen this frightful mortality, are we not bound by every principle of religion to administer relief when in our power; and we discharge our duty when we point out the greatest remedy ever yet discovered, for this purpose, to the public.—If there be one, or if they have a friend, or a child, or a neighbor, who may chance to read this notice, that is suffering with Diarrhoea, Dysentary, Cholera Morbus, Summer Complaints, Colic, Flatulency, &c., &c., then let them try Dr. Keeler's Cordial and Carminative, and we guarantee a speedy cure.

Lancaster Co., Neffville, Dec. 11, 1846.

Dr Keeler—Sometime last summer, your agent left me some of your Infant cordial and Carminative, urging me to try it. It so happened that I had a case, a young child about six months old, whose stomach and bowels were in a very disordered condition, caused by a deficiency of its mother's milk. The child was a mere skeleton; there was much tormina, tenesmus and constant evacuations. I administered every medicine I could think of, with but a slight alleviation of the complaint. I then thought of giving your medicine a trial commencing with small doses, soon however perceived the child could bear full dose as recommended in directions; before it had taken half a bottle, the stomach and bowels had recovered their natural tone, every other bad symptom yielded, and the child rapidly recovered.

I have no hesitation in saying that your medicine is the very best for the above complaints I have administered in a 21 years' practice.

Very respectfully, your friend,

H. H. BOWMAN, M. D.

GARLEGAN'S BALSAM OF HEALTH.

An Approved Remedy o Dyspepsia, colics &c., &c.

To two reasons why this medi be recommended to the public, —*one is*, that most persons who have so ight it buy itagain, thereby showing that they regard it as a valuable Family medicine; the other is that certificates are in the possession of the Proprietor of permanent cures having been effected not only in persons afflicted for a short time, but also in cases of long standing

It is composed altogether of a vegetable matter, is perfectly harmless, can be taken at all times, and is no hindrance to business. It restores and revives the animal spirits, cleanses the stomach from all morbid humors which cause indigestion and acidities. It also removes nervous tremors, rhumatic pains, and prevents their return; cures all colics of the stomachs and bowels, almost immediately takes away palpitation of the heart, and promotes the free circulation of the blood.

The direction accompanying each bottle contains a number of certificates one of which is given in this advertisement.

DEAR SIR:—about two years ago I was severely afflicted with dispepsia, which I had for the last fifteen years previous to the above named time, which was very much increased by my having a blood vessel ruptured upon my lungs, occasioned by lifting—which increased my complaint, dispepsia and general debility and weakness, to such a degree, that two or three years previous to my using the Garlegant's Balsam, I never ate a meal but my stomach became so painful that I had immediately to throw it up. Seeing Garlegant's Balsam advertised I was induced to try a bottle; after taken the very first dose it appeared to strengthen my stomach; and every dose of the first bottle helped me so much that in the course of a few days my stomach began to retain and digest every thing I ate. I continued to use the Balsam until I used several bottles, which cured me entirely, and restored me to perfect health, which I have enjoyed ever since, and not before for fifteen years. I cheerfully recommend it to all, persons who are afflicted with dispepsia or dibility of stomach,

Medicines.

DR. LE ROY'S

VEGETABLE UNIVERSAL PILLS.

THE only known medicine that at the same time purges, purifies, and strengthens the system. Dr. Le Roy's Pills are a new medicine which has lately appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen, and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's Pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner, and hence persons taken them do not become pale and emaciated, but the contrary, for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

Therefore beware of all other mixtures that contain, or professes to contain Tar, and purchase of them only who are known not to deal in Spurious articles.

Read the following testimony to the value of the above medicine, from a well known citizen of Cumberland county.

DICKINSON TOWNSHIP, Nov. 20, 1847.

About six years since, in consequence of the sedentary nature of my business, I was attacked with severe pains in the breast, palpitation of the heart and shortness of breath which were soon followed by a failure of appetite, extreme wakefulness at night, and patial paralysis of my limbs—these symptoms of a deranged system being frequently attended with spitting of blood. For about two years I was also occasionally thrown into convulsions which left me in a miserable state of feebleness and began to affect my mind. From time to time my sufferings were more or less severe until at length they increased to such a degree, and the violence of the symptoms were so augmented, that for a whole year I was unable to attend to attend to any business. During this time I consulted some able physicians and attended to their prescriptions; but all their skill was unavailing to procure me relief, and at length they regarded my recovery as entirely hopeless. In this condition I was informed of the salutary effects of Thomson's Compound Syrup of Tar and Wood Naphtha, in a case somewhat similar to mine, and though I had given up all expectations of a recovery of my former health by human means, yet being strongly advised to try the medicine, I was at length prevailed upon to do so, and I have now to say, that by the use of six bottles my health has been restored, and I am now able to attend to business with as much facility as usual.

ASA FURTHER EVIDENCE

That the principle of curing disease by cleansing and purifying the body is strictly in accordance with the laws which govern the animal economy; and if properly carried out by the use of

WRIGHT'S INDIAN VEGETABLE PILLS,

Will certainly result in the complete abolition of disease; we offer the following testimonials, from persons of the highest respectability in New York who have recently been cured of the most obstinate complaints, solely by the use of Wright's Indian Vegetable Pills of the North American College of Health.

CERTIFICATES OF CURES.

From New York City.

DR. WM. WRIGHT—Dear Sir,—At your recommendation, I some time since made trial of Wright's Indian Vegetable Pills, of the North American College of Health, and can conscientiously assert that for Purifying the blood and removing the system, I have received more benefit from their use than from any other medicine it has heretofore been my good fortune to meet with.

I am, dear sir, with many thanks, your obliged friend, CHARLES M. TATE,

No. 60 Hammersly street, New York.

From Warwarsing, N. Y.

DEAR SIR,—I have been afflicted for several years with inward weakness and general debility, accompanied at times with pain in the side and other distressing complaints. After having tried various medicines without effect, I was persuaded by a friend to make trial of Dr. Wright's Indian Vegetable Pills, which I am happy to state have relieved me in a most wonderful manner. I have used the medicine as yet but a short time, and have no doubt, by a perseverence in the use of the medicine according to directions, that I shall in a short time be perfectly repaired.

I most willingly recommend said Pills to all persons similarly afflicted, and in the full belief that the same beneficial results will follow their use.

I remain, yours sincerely,

HENRY A. FOOTE,

Warwarsing, Ulster Co., New York.
