Gettysburg, Friday, May 27, 1870.

DECORATION DAY.—We are glad to learn that the "Gettysburg Zouaves," who are about re-organizing, have concluded to move in the matter of decorating the Soldiers' graves on Monday next. The Zouaves will meet to-night, (Thursday,) at 7½ o'clock, in the Arbitration room, to re-organize and take the necessary steps for a proper observance of "Decoration Day." They will be glad to have citizens meet with them to-night, and unite in the arrangements.

We are further requested to announce that contributions of Flowers from ladies in town and country will be thankfully received at Capt. Norris' store, in the diamond, up to 12 o'clock on Monday.

☞Our thanks are due to Senator Duncan for sundry documents.

FAIR.—The Ladies' Fair at McSherrystown, in aid of St. Joseph's Academy, netted $1,190.

☞Wm. Hay, Esq., of York, Pa., of the Class of 1856, will deliver the annual address before the Alumni of Pennsylvania College, at the next commencement.

ORE.—Mr. Josiah Wickersham, of Menallen township, has discovered a very rich bank of Magnectic Iron Ore on his farm, which promises to be very valuable.

ARGUED.—The Gettysburg Railroad case was argued in the Supreme Court, on Tuesday, on exceptions to the Master's Report—David Wills, Esq., for the exceptions, and H. M. North, Esq., of Columbia, for the Report. The decision of the Court will probably not be made for several months.

IN PRINT.—We see it stated that Hon. EDWARD MCPHERSON, who was nominated by Hon. Thaddeus Stevens with his political papers and correspondence, and who has been engaged in writing the life of the great Commoner, will soon present it to the public, in an elegant style of typography and binding.

RATTLE SNAKE KILLED.—While Messrs. A. B. Scott and Aaron Musselman were engaged, on the 25th of May, in cutting down timber on the farm of Mr. David Musselman, in Hamiltonban township, they encountered a Rattle Snake 3 feet 8 inches in length, and 6½ inches in circumference. It was not discovered till it was within a few feet of them when they speedily despatched it and secured the rattles, being ten in number.

ASSIGNED.—The final examination of the Senior Class of Pennsylvania College took place this week. On Wednesday morning the "honors" were assigned by the Faculty—John A. Himes, of McAllisterville, taking the 1st honor; John L. Kendlehart, of Gettysburg, the 2d; Benjamin J. Hickman, of Bolington, Va., the 3d; and Wm. A. List, of Wheeling, Va., the 4th. Mr. List will deliver the valedictory at the next commencement.

ACCIDENT.—On the afternoon of the 13th inst., a little girl, by the name of Tate, daughter of Alexander Tate, of this borough, was playing along the railroad track, near Webel's brewery, and while thus engaged, was struck by the cow-catcher of the afternoon train going south. The engineer did not discover the child until it was too late to stop the train, and the little innocent was thrown upon the hard ground with so much violence as to inflict serious and, it is feared, fatal injuries. The child is only about four years old.—*York Democrat.*

SMASH UP.—On Tuesday last, as Sheriff Hann was adjusting the bridle to a spirited horse, hitched to a buggy, in front of the Keystone House, on Chambersburg street, the horse made off, dashing along the pavement, tearing down Mr. Winter's sign, and thence around into the diamond, where he was stopped, the buggy being a perfect wreck. The large show window of A. D. Buehler had a narrow escape. Part of the buggy struck the wood work, but was thrown off by the wheel striking a granite step.

EMMITTSBURG ELECTION.—The annual election for Corporation Officers took place on the 2d inst. No regular nominations were made by either party, and very little interest taken in the election, which passed off quietly, with the following result: Martin Sweeney, Burgress; J. Witherow, Jacob S. Gelwicks, Isaac Hyder, Lewis M. Motter, Geo. W. Rowe and James A. Elder, Commissioners. O. A. Horner, Pres't, Fire Company; Bennet J. Tyson, Vice President; N. Rowe, 1st Engineer; James T. Hays, 2d Engineer; Robert H. Gelwicks, Secretary.

ELECTIONS.—The following gentlemen were, on the 14th inst., elected managers of the Gettysburg Water Company, for the ensuing year: Geo. W. McClellan, E. B. Buehler, S. R. Russell, Mathew Eichelburger and H. J. Stahle. The Board organized by re-electing Geo. W. McClellan President ahd S. R. Russell Secretary and Treasurer.

The Littlestown Building Association has elected the following officers for the ensuing year: President, Isaac Staub; Vice President, Levi D. Maus; Secretary, James A. Lefevre; Treasurer, James H. Colehouse; Directors, Henry Rahter, Wm. Kuhns, Simon S. Bishop, Martin Sieffy and J. H. Miller.

A FEROCIOUS RAT.—We are informed that on last Sabbath whilst the infant of Mr. Tempus Graef, of Abbottstown, lay sleeping in its cradle, it was attacked by a large and ferocious rat. The screams of the child attracted the attention of the family, when it was discovered that the animal had bitten the child in several places on its body.

RELIGIOUS.—The Tunkers, or German Baptists, composing the Middle Conference, extending from the Susquehanna to the Allegheny Mountains, commenced their annual meeting on Saturday the 14th inst., (and which closed on Sunday evening,) at Muminert's Meeting House, two miles North of Abbottstown. The concourse of people in attendance on Saturday night and Sunday was very large.—The most important subject under consideration during their deliberations, was that of providing an educated ministry.—About sixty ministers were in attendance.—*Hanover Spectator.*

THE INDIANS COMING.—On Saturday next, May 28, the citizens of Gettysburg will have another opportunity of hearing the famous troupe of Indian Vocalists, under the direction of Prof. P. E. Flanders. The programme will consist of sacred, secular and sentimental music, and we advise all who enjoy *good* music and wish to spend a pleasant evening not to fail to be present. This troupe have been singing in the leading cities and towns of the United States, and everywhere have made a most favorable impression, the Press speaking of them in terms of unqualified commendation. Some time ago, Prof. Flanders visited Gettysburg with his troupe of vocalists, but the weather was so extremely unpleasant that but few of citizens had an opportunity of hearing.—Those who did pronounce them the best Vocalists that have visted our town. There is no humbug about Prof. Flanders and his party. Don't fail to secure good seats on Saturday.

COOK WANTED.—A first-class COOK can have a permanent place by calling at the "Keystone Hotel" immediately. None but a No. 1 Cook wanted, to whom good wages will be paid. 1t

DODGE'S PATENT REAPER AND MOWER AND SELF-RAKER.

This machine has met with the most complete success. In every section where it has been introduced it has taken precedence over those machines which have heretofore ranked as first-class. It is a perfect Self-Raker and a superior Mower.

A careful examination will convince any one of the superior merits over all others, in simplicity, strength and durability. As a Self-raking Reaper it has no equal or competitor.

The Dodge rake is attached to no other machine in the United States, except to this machine. Built by the DODGE & STAVENSON Manufacturing Co., Auburn, New York.

READ THE NOTICE OF THE COMPANY TO OUR AGENTS:

Having been informed that certain manufacturers in Ohio and elsewhere are building Reapers, with DODGE'S SELF-RAKE attached, we ask you to furnish us the name of all persons vending or purchasing such machines, as we have never licensed any person or persons to manufacture and SELF-RAKE, or any part thereof, and will prosecute to the full extent of the law all persons manufacturing, selling or using said Self-Rake except of our own manufacture.

JOHN A. DODGE, President.

We have that confidence in this machine that we are willing to let those wanting a machine test it with any other machine they may wish, and keep the one that gives the most satisfaction.

Farmers wanting Droppers attached can be accommodated.

For the benefit of those wanting machines we append refer them to a few of those to whom we have sold, viz:
