The Star and Sentinel.

Friday Morning Nov. 4, 1870.

LOCAL ITEMS.

LARGE BEET.—Mrs. Christian Byers, sen., of Highland township, sends us a large Red Beet, which weighs 7 pounds.

HAIL STORM.—Yesterday (Thursday) morning, about 6 o'clock, our town was visited by a hail storm. The hail was about the size of hazel nuts and covered the ground. It was accompanied by heavy thunder.

STOLEN.—On Saturday night the 22d ult., a horse, belonging to Adam Black, living near Creagerstown, Md., and in the possession of James Black, near Littlestown, was stolen from the stable of the latter. The thief also took a buggy belonging to Rahter & Stover, from their shops; a set of Harness from Jerome Hemler; cushions and whip from Jacob Sheely. There is no clue to the thief or his whereabouts.—*Compiler.*

STREET PAVING.—The Town Council are busily engaged at work repairing Chambersburg street, which has been in bad condition for several years. From the Eagle Hotel west, it has been piked. Between the Hotel and the Diamond, the street, up to the line of the turn-pike, is being paved with cobble stones. The Turnpike Company and Railway Company should now be required to complete the work, by putting the centre of this street in good repair.

NEW ROOF.—The roof on the main College building, having given a good deal of trouble for some years, by reason of leaks, the Board, at their last meeting, ordered it to be removed and a tin roof substituted. Messrs. Doudle of York, and Cook of this place, have taken the contract, and are now at work—W. C. Stallsmith & Son, of this place, doing the Carpenter work. It is a large building and the roof completed will cost about $1500.

☞ Among the new subscribers to the "STAR AND SENTINEL," during the past week, is that of Thomas Jefferson Burr, of Rockville, Indiana. Our old friend, F. W. Dinwiddie, in transmitting the name with a year's advance subscription, says, "Thomas is an aged colored man, living a few miles from here. Forty years ago he lived with Alexander Homer, sen., of Adams county. He came to the polls at the recent election, and threw his first ballot for the Republican ticket."

GOOD TEMPLARS.—A convention of Good Templars, composed of representatives from the Lodges in this county, convened in York Springs on Tuesday last, continuing in session two days. Eight Lodges were represented. The next convention will meet in Bendersville on the 25th of Febuary.

A Dramatic Entertainment will be given this and to-morrow evening, (Friday and Saturday,) in the Odd Fellows Hall, York Springs, for the benefit of "Geary Lodge" of Good Templars. The drama of "Ten Nights in a Bar Room," in 5 Acts, will be rendered with scenery, costumes, music &c., by ladies and gentlemen of the Order, besides various Tableaux. Prof. Rheem, of Carlisle, will lead the music. Admission 25 cents; children under 12 years 10 cents.

ORGANIZED.—On Saturday last Francis Will, County Commissioner elect, was sworn into office, and the Board organized by appointing Moses Hartman, President; J. Jefferson Myers, Clerk; Wm. McClean, Counsel; Dr. J. W. C. O'Neal, Physician to the jail; Michael Rupp, Janitor of the Court House.

There was a sharp fight over the Clerkship, between Henry A. Picking, Esq., and Mr. Myers. The Board was to have been organized on Friday afternoon, but the active contest for the Clerkship monopolized exclusive attention, and the organization was postponed to Saturday morning. During Friday evening the Democratic camp gave evidence of serious trouble, Ramer's Hotel being the centre of active caucussing, in which most of the Borough workers participated. It seems to be understood that Messrs Neidig and Will were committed to Picking, but the friends of Myers rallied in such formidable numbers, that the former on Saturday morning sent in a communication withdrawing from the contest. Whereupon, Mr. Myers was unanimously elected Clerk.

SALES.—John Brinkerhoff, Executor of Henry Brinkerhoff, deceased, has sold the house and lot of decedent, on Baltimore street, Gettysburg, to Henry J. Brinkerhoff, of Mummasburg, for $2,000.

Henry J. Brinkerhoff has sold his dwelling and tannery, to Henry Brinkerhoff jr. and Mr. Irwin, for $4,000

David C. Brinkerhoff has sold his farm in Straban township, 75 acres, to Capt. Wm. H. Adams of Arentsville, for $3,000—taking Capt. Adams' land, 17½ acres near Arentsville, in part payment at $2,000.

Samuel Lentz has sold his farm, in Butler township, to Josiah Wickersham—88 acres, with improvements, at $3,700 cash. Mr. Lentz has purchased the farm of J. Scott Wilson, in Highland township—286 acres, with impsovements, at $6,000 cash.

On Saturday last, the Administrators of the estate of Charles Myers, deceased, sold at public sale the following real estate, viz:—33 acres timber land for $389.-90, and 17 acres do. for $601.80, to Abdiel F. Gitt; 11 acres of clear land for $481.25 to Gibson Ross; 4 acres and 120 perches for $153.37 to Thomas Sewers; 4 acres and 44 perches for $298 to Aaron Paxton; 6 acres for $296.50 to Wm. Starner; 4 acres for $680 to J. Burkholder & Meals; 3acres for $276.75 to George McCreary; 4 acres for $680 to J. Burkholder & Meals; town lot No. 27 for $422 to Hiram Myers; 2½ acres laid out in ten lots for $1887.50—Daniel Livingston purchasing one, Jacob Rouanzahn two, John Morrison for, Solomon Cline two, and H. W. Bender one.

RE-UNION.—The annual Re-Union of the officers of the 87th Pennsylvania Regiment took place on Thursday night of last week, at the Springs Hotel in this place. Mr. Hoppes, the proprietor, who has acquired a high reputation as a caterer on such occasions, served up a capital supper to which about twenty officers and invited guests sat down. After doing full justice to the edibles, an hour or more was devoted to speeches, reminiscences of the war, &c. Rev. Dr. Brown, who served as Chaplain to the Regiment, was called on during the evening, and made an excellent and well-timed address, in the course of which, while deploring the horrors of war, he held that the War for the suppression of the Rebellion was a righteous one, being waged in defence of the nation's life, and alluded to some marked features of the rebellion and their influence on the nation and world. Gen. Hay, Col. Schall, Capt. Lannius, and other gentlemen also made pertinent speeches in response to calls.

The next Re-Union will be held in York, Pa., and the Executive Committee was authorized to make it a regimental Re-Union, to include private as well as officers.

UNION IND. DISTRICT—(Irishtown), Term, 6 months.

No. 1.	——	Francis A. Noel,

There may be a few slight inaccuracies in the above, as from a number of districts I have as yet no official report, and was obliged to give the facts from my own memoranda; but it will be found to be, in the main, correct. In many districts the terms are to short and the compensation insufficient. It will be a happy day for us, when no District in the county will have less than 6 months of school, and the lowest salary will be $35. Then our best Teachers will not be continually leaving the profession, or removing to other localities. Then we can begin to enforce a standard, which will give us competent Teachers. In Hamiltonban, I understand, the Directors had intended to either engage the term or increase the salary, if they obtained the State Approbation, which had been forfeited by the employment of a Teacher without a valid certificate. As I have obtained this for them, the figures of this township may be improved a little.

From the foregoing figures, it appears that the average length of term for the 161 Schools is a small fraction in excess of 5 months, and the average pay per month, is $30.15 nearly.

FACTS

FOR THE PEOPLE.

IN the last issue of this paper, appeared an advertisement of the "Howe Machine Co." F. B. Hine, manager," in which the public are asked to believe some very silly stuff, grossly styled "facts." They are no facts at all but pure fiction.

We do not wish to provoke a controversy on this subject but it is our duty we owe to ourselves to set the public right in this matter. We will do so briefly as we can by giving one after another the seven "facts" and fictions of Mr. "Manager Hine," and giving the real facts in each case:

"FACT" NO, 1,

That A. B. Howe, for several years before his death manufactured and sold a machine which he styled the "Howe." We do not pretend to deny, but that this was the original and genuine Howe machine in no its senses, who is conversant with the facts, will for a moment claim.

"FACT" NO. 2.

That this same machine is still manufactured and sold as the same place, is not a little matter of surprise. The world is full of imitators and impostors, but it is rarely happens that each of this description glory in their shame. Is it not a fact that the Grover & Baker Company owns the principal part of the stock of this Bogus Howe Concern, and virtually controls the Business?

FICTION NO. 3.

How the old and original Elias Howe Machine, every part of which is secured by patent, can be an imitation of a much later and inferior production, is a mystery that can only be understood by unprincipled parties, who find it to their interest to set up such preposterous claims. History has long since acknowledged Elias Howe, Jr., as the inventor and originator of Sewing Machines. This is too late a day to rob him of that honor.

The facts are as follows: About the year 1841 Elias Howe, Jr., directed his attention to the construction of a Sewing Machine. After incessant labor he completed the first Sewing Machine ever made.

Unsuccessful at first in inducing the people of his own country to see the value of his patent, he went to England, where he also sought letters patent. When he reached his own country again, he found his invention appropriated by a wealthy Company; but with the aid of a Patent he asserted his rights and succeeded in establishing them in the Courts.

The original machine invented by Elias Howe, Jr., was improved from time to time until September 10, 1846, when a patent was granted him for the first complete Sewing Machine designed for general purposes.

Other inventions afterward appeared that were essentially novel, and yet were dependent upon some part of the patented apparatus of Elias Howe, Jr., the right to use which had to be obtained from him. Thus all the essential features of the most approved Sewing Machine (including the spurious one by A. B. Howe and Hason) were first brought in use by Elias Howe, Jr., and the machines of later date are in fact but modifications of it. In a suit brought before the U. S. Circuit Court for Massachusetts in 1854, Judge Sprague stated in his opinion, "There is no evidence in the case that leaves the shadow of a doubt that for all the benefit conferred upon the public by the introduction of the Sewing Machine, the public are indebted to Elias Howe, Jr."

In regard to "Manager Hine's" fact (?) No. 4, we would say we believe he has been misinformed as regards the originality of the Elias Howe machines. For proof or the correctness of our statements, we refer the reader to Appleton's American Cyclopedia, Vol. XI., page 333, Chambers' Encyclopedia, Vol. VII., page 544, and the Atlantic Monthly for May, 1867.

FICTION NO. 5,

Is a repetition of fiction No. 3, and really contains little that is worthy of notice. The Medal, Bon Head of the late Elias Howe, Jr., which the genuine Howe Company have seen fit to affix to their machines as their "Trade Mark," seems to be a thorn in the flesh of the usurpers. Ah! well they know that every time one looks upon the Medallion he is reminded of the great obligation which mankind owe to Elias Howe, Jr., for his matchless invention. We think their "trade mark" (the Medallion Head) adopted a few years ago by the Company, is very appropriate and will not soon be changed.

FICTION NO. 7,

Sets forth that the Original Howe machine can be bought at F. B. Hine's, "when—not much!. Seven cities disputed for the honor of the birthplace of Homer, and no less than eight individuals have advanced claims for the invention of printing, and the ghost of Elias Howe, Jr., may think he sees that by individuality is not entirely ignored by HIS Sewing Machine spirits.

Monday, December 26th, 1870.

Every Teacher in the County is expected to be present. To others of Adams, let us make this the best Institute, that has yet been held. I will do all I can to make the exercises varied and valuable.—There will be Quizzes in Orthography, Mental Arithmetic and U. S. History, with valuable prizes. The other exercises will consist of Lectures, Class
