DAILY MORNING POST.

WEDNESDAY MORNING::::::::FEBRUARY 8.

BURY ME IN THE MORNING.

BY MRS. HALE.

Bury me in the morning, mother,
Oh! let me have the light
Of one bright day on my grave, mother,
Ere you leave me alone with the night;
Alone in the night of the grave, mother,
'Tis a thought of terrible fear!—
And you will be here, alone, mother,
And stars will be shining here
So bury me in the morning, mother,
And let me have the light
Of one bright day on my grave, mother,
Ere I am alone with night.

You tell me of the Savior's love, mother—
I feel it in my heart;
But oh! from this beautiful world, mother,
'Tis hard for the young to part!
Forever to part, when here, mother,
The soul is fain to stay,
For the grave is deep and dark, mother,
And Heaven seems far away.
Then bury me in the morning, mother,
And let me have the light
Of one bright day on my grave, mother,
Ere I am alone with night.

Never unclasp my hand, mother,
Till it falls away from thine—
Let me hold the pledge of my love, mother,
Till I feel the love divine;
The love divine—oh! look, mother,
Above its beam I see;
And there an angel's face, mother,
Is smiling down on me!
So bury me in the morning, mother,
When sunbeams flood the sky—
For death is the gate of life, mother,
And leads to light on high.

☞ Two gentlemen were walking together in Paris.

"I will engage," said one to the other, "to give that man before me, a good kicking and yet he shall not be angry."

He did as he had undertaken to do. The stranger turned round and looked astonished.

"I beg your pardon," said the kicker, "I took you for the Duke de la Tremonville."

The Duke was very handsome—the man was very plain—he was gratified by the mistake under which he believed he had suffered, shook himself, smiled, bowed and went on his way.

Is your Life Insured,

IF NOT, read what someone has written. Among all the contrivances of man to protect the family circle from want, none can be found more simple in its character, noble in its feature, or certain in its results, than LIFE INSURANCE. It is the prop which the dying husband leaves to support the wife of his bosom,
It is the unseen hand of the Provident father reaching forth from the grave, and still nourishing his offspring, and keeping together the family group.

NEW PATENT AMALGAM PEN.—This important invention removes the two great obstacles to the universal use of the Steel Pen, viz: their rigidity, and their rapid destruction by the corrosive action of the ink. In minutely examining the quill pen in the act of writing, it will be seen that *the action is compound*, consisting, first, of a gentle yielding backward action immediately above the nib of the pen, and second, the "scissors" action, or spreading open of the points to permit the flow of the ink. This compound movement—which steel pens hitherto never have had—gives to the quill its flexibility, and that peculiar springy play which is so grateful to the hand, and which seems to suit the action of the muscles of the fingers; yielding, as it does, to the slightest pressure, without causing the hand. The efforts of all steel pen makers have been directed to the attainment of this essential quality of flexibility, and they have had recourse to innumerable variety of cracks and piercings to attain it. The inventors of the Patent Amalgam Pen found, from a series of experiments, that the whole practice of the trade had in this respect been erroneous—that no combination of "cracks" and "piercings" could produce the desired action, *if the ordinary form of the steel pen were adhered to.* This point being gained, they avoided the plan hitherto adopted for attaining flexibility, and gave a peculiar form to the metal, by which they managed to combine the "scissors" action of the ordinary steel pen with the agreeable flexibility of the quill. The second difficulty to be overcome was of less magnitude, but still of great importance to the consumers of steel pens. Every one is aware of the corrosive action of the ink on the ordinary steel pen. Even with the greatest care, it speedily destroys the delicately smooth surface of the pen. So serious a drawback is this from the utility of the steel pen, that thousands are induced to purchase gold pens, at an enormous cost, almost exclusively because of the anti-corrosive quality of that metal. The inventors have removed this evil by their compound metal, which possesses all the necessary qualities of steel, with the additional merit of resisting the chemical action of the ink.
These Pens will last more than twenty times longer than the Steel Pen, thus rendering them the cheapest ever introduced.

DRUGS AND MEDICINES.

Carter's Spanish Mixture.
THE GREAT PURIFIER OF THE BLOOD.
NOT A PARTICLE OF MERCURY IN IT.
AN INVALUABLE REMEDY FOR SCROFULA, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stubborn Ulcers, Syphilitic Disorders, Lumbago, Spinal Complaints, and all Diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.
This valuable Medicine, which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties. The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all from gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond, Va.
P. BOYDEN, Esq., of the Exchange Hotel, Richmond, known everywhere, says he has seen the medicine called Carter's Spanish Mixture administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishingly good results. He says it is the most extraordinary medicine he has ever seen.
AGUE AND FEVER—GREAT CURE.—I hereby certify that for three years I had Ague and Fever of the most violent description. I had several Physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without any permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually cured me, and I am happy to say I have had neither chills or fever since. I consider it the best Tonic in the world, and the only medicine that ever reached my case.
JOHN LONGDEN.
Beaver Dam, near Richmond, Va.
C. B. LUCK, Esq., now in the city of Richmond, and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture, that he has bought upwards of fifty bottles, which he has given away to the afflicted. Mr. Luck says he has never known it to fail, when taken according to directions.
Dr. MINGE, a practising Physician, and formerly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances the effects of Carter's Spanish Mixture, which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed.
SAMUEL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver Complaint of eight years standing, by the use of two bottles of Carter's Spanish Mixture.
GREAT CURE OF SCROFULA.—The Editors of the Richmond Republican had a servant employed in their press room cured of violent Scrofula, combined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Editors, in a public notice, say they "cheerfully recommend it to all who are afflicted with any disease of the blood."
STILL ANOTHER CURE OF SCROFULA.—I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it truly a valuable medicine.
JAMES M. TAYLOR,
Conductor on the R. F. and P. R. R. Co., Richmond, Va.
SALT RHEUM OF TWENTY YEARS STANDING CURED.—Mr. JOHN THOMPSON, residing in the city of Richmond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had nearly twenty years, and which all the physicians of the city could not cure. Mr. Thompson is a well known merchant in the city of Richmond, Va., and his cure is most remarkable.
WM. A. MATTHEWS, of Richmond, had a servant cured of Syphilis, in the worst form, by Carter's Spanish Mixture. He says he cheerfully recommends it, and considers it an invaluable medicine.
RICHARD E. WEST, of Richmond, was cured of Scrofula, and what physicians call confirmed Consumption, by three bottles of Carter's Spanish Mixture.
EDWARD BURTON, commissioner of the revenue, says he has seen the good effects of Carter's Spanish Mixture in a number of Syphilitic cases, and says it is a perfect cure for that horrible disease.
WM. G. HARWOOD, of Richmond, cured of Old Sores and Ulcers, which disabled him from walking. Took a few bottles of Carter's Spanish Mixture, and was enabled to walk without a crutch; in a short time permanently cured.

DR. DE LANEY'S
CELEBRATED
CURATIVE INSTRUMENT,
The only Infallible Cure for that Dreadful Disease known as SPERMATORRHEA OR INVOLUNTARY NOCTURNAL EMISSIONS, so harrassing and destructive, and producing the most mischief to the nervous system, incapacitating the man for business, society and matrimony.
This Instrument is simple, comprehensive and never failing, and may be used without the slightest inconvenience or the knowledge of the most intimate friend. It is to be used externally, producing no pain or injury whatever, nor preventing any one from attending to his business; and while in use not *a single emission* can take place, *invigorating the organs, in a short time, to such an extent that they* REGAIN THEIR PRIMITIVE POWERS OF RETENTION, the loss of which, caused by early abuse, is the disease in question, and the cause of the thousand concomitant complaints, viz: Nervousness, Prostration, Dyspepsia, Pain in the Head and Dimness of Vision, Weakness of the Back and Lower Extremities, Affections of the Eyes, Impotence, Pimples on the Face, Premature Decline of Virility, Weakness of Memory and Power for Mental Application, Dejection, Aversion to Society, Timidity, Self-Distrust, Love of Solitude, &c. *All these complaints invariably disappear, as soon as the source is stopped from which they emanated.*
Be it also remembered, that those complaints are but little understood by the profession in general; and that all the medicine in the world never has, and never will, stop those losses, which, if allowed to continue unchecked, are sure to produce the most distressing consequences.
The price of the complete instrument, carefully secured against all observation in a box, is only $10. It can be sent by express to any address, in any part of the United States, Canada, &c., according to order, accompanied by full directions, and important advice to the married and single, the expenses, even to the remotest parts of the country, being very trifling.
All applications and remittances must be directed (post-paid) to the Doctor himself, he having no Agencies established but in London and Paris.
Address, (post-paid) Dr. B. De Laney, 51 Lispenard street, New York.
Office hours, daily, from 9 A. M. till 3 P. M., and from 7 to 8 P. M., the Sabbath excepted.
*** The undersigned certify, with great pleasure, that the above mentioned Instrument is not only constructed on scientific principles, but that from its use the happiest results may always, with confidence, be anticipated, there being, for the cure of those diseases, *no other certain remedy extant.*

Jayne's Expectorant.
CONSUMPTION.—This term is frequently inappropriately applied to other affections of the lungs and Bronchia. So far as the treatment is concerned, this is of very little consequence, as the remedies are the same. The EXPECTORANT should be given as often as may be necessary to relieve the cough, and produce a free and easy expectoration, and also to remove the tightness, or pain, or oppression about the throat or chest. The bowels should be regulated by the use of the SANATIVE PILLS whenever necessary. If there be much debility, with night sweats, from one to two tea-spoonfuls of TONIC VERMIFUGE should be given about half an hour before each meal. It should be mixed in two or three spoonsful of cold water, and sweetened to please the taste. But if there be no night-sweats, or if they disappear, then give the ALTERATIVE three times a day, according to the directions, instead of the VERMIFUGE.
