THE peculiar taint of infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The disease it originates takes various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaint; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous diseases leave you. With feeble, foul, or contaminated blood you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it contains. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine the virtues in a degree transcendent in their effect upon the worst of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. These cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of the benefits from personal experience. Scrofula depresses the vital energies, and thus leaves the system far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and it does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. We now offer to the public under the name of AYER'S SARSAPARILLA, although it is compounded of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power, by its aid you may protect yourselves from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of *Sarsaparilla*, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S

CHERRY PECTORAL.

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

MAGIC TIME OBSERVERS.

Being a Hunting or Open Face or Lady's or Gentleman's Watch Combine, with Patent Self Winding Improvement a most Pleasing Novelty.

ONE OF THE PRETTIEST, MOST CONVENIENT, AND decidedly the best and cheapest time piece for general and reliable use ever offered. It has within it and connected with its machinery, its own winding attachment, rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being fine 16 carat gold. It has the improved ruby action lever movement, and is warranted an accurate time-piece. Price superbly engraved, per case of half dozen, $20!! Same style Watches in neat morocco boxes, $25.

SILVER WATCHES!

First Class Hunting Time-Pieces for accuracy of movement, beauty of material, and above all, cheapness in price, these watches must insure universal approbation.

An imitation so faultless that it can hardly be detected by the most experienced judges. The material being of two metals, the outer one first quality Sterling Silver, while the inner one is German Silver, it cannot be recognised by cutting or heavy engraving, making it, not in appearance, but in durability, the best resemblance of SOLID STERLING SILVER in existence.

The sale of these Watches in the Army is a source of enormous profit, retailing, as they very readily do, at $25 and upwards. Many hundred dollars can be made in a single pay day by any one of ordinary business ability.

☞AT WHOLESALE ONLY! In heavy hunting cases, beautifully engraved, white enamel dial, and fancy cut hands, in good running order, by the half dozen, $72. Sold only by the case of six!

Upon receipt of two dollars, as guarantee of good faith, we will send watches by express to any part of the loyal States, collecting balance of bill on delivery. This ensures buyers against fraud, giving them their watches before payment is required.

Soldiers in *the disloyal states* MUST remit CASH IN ADVANCE, as the express companies *peremptorily refuse* making collections in such dangerous localities. Remember, *Cash in advance from within the army lines in rebel states!* *We guarantee the safe delivery of all watches*, whether they are sent by mail or express.
