LOCAL ITEMS.

FINISHED.—It is stated in the Philadelphia papers, that the painting of the battle of Gettysburg, by Mr. P. F. Rothermel, will be finished in a few days. It is then to be opened for exhibition at the Academy of Music.

☞ Messrs. Maltby and Townsend arrived here on Wednesday evening, to arrange the transfer of the railroad to the new purchasers. Yesterday they left to examine the line of the old tape-worm running west.

ALMS-HOUSE APPOINTMENTS.—The Directors of the Poor, on Monday last, reappointed the old officers, viz: Steward, Jonas Johns; Physician, Dr. J. W. C. O'Neal; Counsel, J. C. Neely, Esq.; Clerk, H. A. Picking Esq.; and Treasurer, Jacob Benner.

DISTRIBUTION.—Samuel G. Thompson, appointed by the Supreme Court to distribute among bond-holders the fund arising from the sale of the Gettysburg Railroad, gives notice that he will sit at his office in Philadelphia, on the 28th of December, to make distribution. Holders of Bonds should see that they are properly represented.

POST OFFICE ITEMS.—Rev. J.M. Mickley has been appointed Postmaster at McKnightstown, *vice* M. A. Miller resigned.

The Green Ridge Postoffice has been discontinued, mail matter for that office to be sent to New Oxford.

GOOD JOB.—In passing the new dwelling of Mr. Abraham Krise, on Carlisle street, now nearly completed, our attention was directed to the plastering, done by Mr. David Culp, of this place. The entire plastering seems to be unusually well executed, the walls presenting a hard, polished surface, while the ornamental cornice and centre piece in the parlor are creditable specimens of workmanship.

MORE LARGE HOGS.—Mr. John Laucks, of New Oxford, one day last week, slaughtered two hogs, that out-weighed the two mentioned in our last, from the same place. The hogs of Mr. Laucks were of common stock, twenty months old—one weighing 416½ and the other 475½ pounds, a total weight of 892 pounds.—Who can beat this?

LARGER STILL—Wm. Wible of Straban township, slaughtered on Thursday last a hog weighing 517 lbs. It was a full blood Chester white.

SHOOTING AFFAIR.—We hear from Littlestown that on Tuesday night, a noisy party of boys went to the residence of Mr. Samuel P. Young, recently married, to give him a "handillion" serenade.—Mr. Young, being annoyed by the persistent noise, fired a blank cartridge from the window to frighten them off. This not having the desired effect, he fired a second load, charged with small shot.

The charge took effect in the neck and shoulder of Charles Weikert. The shot were promptly extracted, the wound not being considered dangerous.

GOING SOUTH.—Mr. Samuel Herbst, of this place, recently returned from a visit to Lexington, N. Carolina, where he has purchased a Farm of 300 Acres. It is good land, with excellent improvements, including a large two story Brick Dwelling, about 100 acres of timber, &c. Yet Mr. Herbst pays but $2500 for the entire property, a pretty fair illustration of the cheapness of land in that State since the War. It is located three miles from Lexington, the leading trunk line of railway from Washington and Richmond to the Gulf passing within one mile of the farm.

It is the intention of Mr. Herbst, with his son Jacob C., to remove to North Carolina in the Spring, personally to work the farm. Mr. Herbst will be missed in this community, having a large acquaintance and being possessed of excellent business qualifications. For four years he has efficiently and acceptably filled the position of President of the Adams County Agricultural Society.

Last Spring Mr. J. J. Biesecker, of Franklin township, removed to the same county, in North Carolina, having purchased a farm near Lexington. Mr. P. Wysotskey, of this place, has also purchased near Lexington, and contemplates removing to North Carolina at an early day.

SALES.—Messrs. Levi Minter & Jacob Mickley have sold their farm in Cumberland township, 116 acres, (the Hall farm,) to F. Bream, for $3,600.

Levi Minter has sold his farm in Franklin township, 55 acres, to Jacob Mickley, for $3,350.

Fred Breighner has sold his property situate in Oxford township, to Mrs. Alwine, for $1,625.

Adam Minter, Esq., has purchased the farm of Abraham Sheely, in Franklin township—100 acres, with improvements —at $6,000.

John P. King has purchased the farm of William T. Williams, in Reading township—96 acres, with improvements—at $4,000.

Jacob Smith has bought the Lee farm on the Mummasburg road—100 acres —at $1,550.

J. B. Meals, Executor of Samuel Meals, deced, has sold the home farm in Menallen township, 116 acres, to Samuel Meals, at $30 per acre; and a House and Lot in Bendersville to R. E. Elden for $1100.

Enoch Routzahn has sold the Foundry and two vacant lots in Bendersville to John B. Hoffman for $1700.

Joseph Stocksladge and Joseph Davis, Assignees of John W. Davis, sold his farm and mills, in Mountjoy township, 120½ acres, to J. W. Barr for $6000.

Michael Stambach has purchased the Peter Wolford Mill property, in Latimore township, at $5,650 cash. About 40 acres of land are connected with the mill.

I. O. O. F.—On Thursday evening, the 1st instant, a new Lodge of the Independent Order of Odd Fellows, to be called "Valley Home Lodge, No. 740," was instituted in Fairfield, by District Deputy Col. John Wolford. Representatives were present from four different lodges, viz: Harrisburg Lodge No. 68, Gettys Lodge No. 124, York Springs Lodge No. 211, and Montana Lodge No. 653. In instituting the new Lodge and installing the officers, Col. Wolford was assisted by the following officers, viz:—G. M., John Wolford; G. W., C. A. Boyer; G. Mar., F. H. Hemperly; G. S., H. C. Peters; G. T., D. Kitzmiller; G. G., Henry Culp.

The following officers of "Valley Home Lodge," were regularly installed, viz:—N. G., A. C. Musselman; V. G., Henry Musselman; S., G. W. Worts; A. S., James B. Myers; T., Charles F. Hinkle; R. and L. S. to N. G., Peter Harbaugh and John Ogden; R. and L. S. to V. G., Henry Bennet and J. M. Musselman; S. W., Peter Stoner; Con., E. McGinley; R. and L. S. S., Joseph Gelbach and Charles Sefton; Chap., Wm. Yingling.

During the evening a complimentary supper was given to the visitors by the members of Home Valley Lodge, at Shirely's Hotel, which was served up in capital style by Mr. Shirely and his accomplished lady.

COURT DOCKET.—The trial of the New Oxford homicide case occupied the term of the Court for nearly five days, to the exclusion of other business. We annex a record of cases disposed of, additional to those noted last week:

Com. vs. Daniel L. Baker.—Convicted on indictment for adultery, &c., on information of Elvira L. Snyder. In this case, defendant's counsel had filed a motion in arrest of judgment and for a new trial.—On Friday, this motion was withdrawn, and Court sentenced defendant to pay a fine of $15 to the county, $40 to prosecutrix, and three months imprisonment in the county jail.

Com. vs. Keller Culp.—Indicted for assault and battery, on information of George Yount. Deft plead guilty, and was sentenced to pay a fine of $1, six months imprisonment in the county jail, and at the expiration of the imprisonment to give security in $100 to keep the peace, &c.

Com. vs. Miller Degroff.—Indicted for assault and batterry, on the information of Geo. Pensyl. Deft plead guilty, and was sentenced to pay a fine of $1, six months imprisonment in the county jail, and at the expiration of the imprisonment to give security in $100 to keep the peace, &c.

Com. vs. Isaac Buckmaster.—There were two cases against the defendant, one for desertion, and the other surety of the peace, both on the information of Jane E. Buckmaster. The Court dismissed both complaints, and ordered the prosecutrix to pay costs.

Com. vs. William Colton.—Indictment for Murder and Voluntary Manslaughter, growing out of the death of John Bond, in New Oxford, in August last. The count for murder was ignored by the grand jury, and the defendant was put on trial on the second count—voluntary manslaughter. The trial commenced on Thursday of last week, and was continued over to this week. The leading facts in the case were not controverted on either side. The defendant is the constable for Oxford township. John Bond was an elderly man, residing near New Oxford.—On the day of the homicide, Colton had been to Gettysburg to make his return to Court. In the evening he returned to New Oxford, and under the influence of liquor, and undertook to arrest Bond for alledged disturbance of the peace. He seized Bond by the back of the neck, and on the way to the Justice's office, Bond sank to the ground; and when Colton was forced by parties coming up to release his hold, Bond was found to be lifeless.

The Commonwealth held that the arrest was without a warrant, causeless, and without color of authority—that death ensued from strangulation caused by Colton's violence—and that the facts evidenced an intention on Colton's part to do Bond serious bodily harm, thus constituting the offence of voluntary manslaughter.

The defence maintained, on the other hand, that the arrest was legal and proper—that no unnecessary violence was used by Colton—that there was no certainty that death resulted from strangulation—and even if it did, the facts in the case negatived all idea of purposed injury on the part of Colton, the intention being an essential ingredient in voluntary manslaughter.

The case was given to the Jury on Tuesday, after a very able charge by Judge Fisher, in which he clearly drew the distinction between the different grades of homicide—murder, voluntary and involuntary manslaughter, &c. There being no count in the in indictment for involuntary manslaughter, the jury must acquit the prisoner unless they believe the offence of voluntary manslaughter had been made out.

On Wednesday morning the jury rendered a verdict of Not Guilty. The Court, in discharging the defendant, admonished him strongly against indulgence in intoxicating liquors, as a fruitful cause of violence, wrong and crime.

This homicide case being disposed of the civil callendar was called, the first case taken up being that of Mary McAllister and Margaret M. Scott vs. Ephraim H. Minnigh—an action for Trapass, involving a dispute as to the boundary line between the lots now occupied by the Plaintiffs and Defendant on Chambersburg street. On trial.

In the matter of the application of John Hoffman, for license to keep an Eating Saloon in Gettysburg, to which a remonstrance had been filed, the Associate Judges disposed of the case without a formal hearing, and granted the license.

CENSUS ITEMS.—We are indebted to Marshal Gregory for an official statement of the results of the recent census in Adams county, so far as concerns population, making the entire population of the county 30,315. DELINQUENT SUBSCRIBERS.

The printed addresses which appear upon the margin of every issue of our paper, afford a good opportunity to delinquents to ascertain how their subscription accounts stand with the office. For instance, if the address reads: "John Jones, 11nov68," it means that the said John Jones owes on his paper for two years, up to November 11, 1870. We hope, therefore, that these gentle marginal reminders will serve to secure the payment of backstanding subscriptions, and, furthermore, that the remittances will be promptly made.

We renew the offer to receive $2 per annum on all back subscriptions that may be paid between this date and the 1st of January, 1871. Those who desire to save 50 cents a year, will find it to their own interest promptly to avail themselves of this offer.

☞ That Iron is valuable as a Medicine has long been known, but it is only since its preparation in the particular form of Peruvian Syrup that its full power over disease has been brought to light. Its effect in case of dyspepsia and debility is most salutary. 1t

GLOTT.—On the 2nd inst., in Freedom township this County, Mrs. Mary Louisa Scott, wife of Wm. C. Scott, aged 30 years 8 months and 11 days.

In her original form a sweet temper, fair face, modest mother, an affectionate friend, and above all an consistent Christian.

Hysterical indeed are the ways of Providence and Fate, when a wife and mother in the bloom of her youth, and in the full tide of her earthly joys, of loved ones, which nothing but the love of God and a Redeemer, could give a bright evidence of acceptation with God and Christ. We feel that our loss is her gain, and we can weep only for the loss of a friend, so will we submit to our loss, for we know our sorrows are groundless, yet not so deep without hope. May the Christian reader find evidence enough to renewed diligence in our Master's service. Husband, children, friends, to you, ready that when the summons come, we may, like her, sweetly fall asleep in Jesus. A. V. S.

A Great Medical Discovery

DR. WALKER'S CALIFORNIA

VINEGAR BITTERS.

Hundreds of thousands bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE FANCY DRINK

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and a LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all the poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell, provided the bones are not destroyed by mineral poison or other means and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Intermittent and Intermittent Fevers, Diseases of the Blood, Liver, Stomach and Bowels, these Bitters have been most successful. Such Diseases are caused by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys and a thousand other painful symptoms, are the offsprings of Dyspepsia.

BILIOUS, REMITTENT and INTERMITTENT FEVERS, which are so prevalent in the valleys of our great Rivers throughout the United States, especially those of the Mississippi, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Pearl, Alabama, Mobile, Savannah, Roanoke, James and many others with their vast tributaries, during the Summer and Autumn and remarkably so during the season of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. These are always more or less obstructed and in a state of weakness and irritable state of the stomach, and nature, in her efforts to throw off the disease, fails to throw off the disease, fails to throw off the disease, fails
