On the Wing.

The dog days are upon us.

We don't need a thermometer to tell us it is hot.

Yellow linen caps are the rage among the youth of this place.

Siglerville, Mifflin county, has a pert and lively four-legged chicken.

More iron ore has been discovered at Mattawanna station, Mifflin county.

The Sunbury and Lewistown Railroad is being pushed forward rapidly.

A Spanish proverb says: One "I did" is worth two "I wish I had."

A large number of deaths from sunstroke occur in the cities.

A little child of Samuel Mowry, of Juniata county, died from chewing matches.

Pittsburgh had a boat race on Saturday, three young ladies being the contestants: distance one mile.

The office-seeking brigade in Blair county has invaded over a column of the newspapers.

A head of oats from a field near Spruce Creek, this county, measured sixteen inches in length and contained two hundred and ninety grains.

Our quondam cotemporary, J. Irvin Stools, has been renominated for the Legislature by the Democrats of Schuylkill county.

A boy's life in Lycoming county was saved by applying gunpowder salt and indigo to a snake bite he had received.

The Juniata county soldiers monument has arrived at Mifflin, but no time has been set for the dedicatory ceromony.

The five great evils of life are said to be standing collars, stovepipe hats, tight boots, bad whiskey, and cross women.

The Huntingdon Light Infantry paraded through town on Saturday evening last. They give evidence of strict attention to drill.

A woman in Cambria county was bitten by a rattlesnake that had secreted itself in a meal barrel. It is believed she will recover.

A lad named John Hoover, residing at Williamsburg, Blair county, has saved three boys from drowning, this season.—Noble-boy.

A little child fell down a well in McAlisterville, Juniata county, and was saved from sinking by its father, Mr. North, twisting a pole in its clothing, until relief was obtained.

The Phœnix fire engine for this borough is being repaired. If all the money appropriated to "repairs" was counted up, it would show a sum sufficient to buy a new one.

An Ohio youth sitting in church, mistook the gentle touch of the plume on the jaunty hat of a young lady for a fly on his neck, and with the energy of exasperation sent plume, hat and chignon flying into a distant pew.

The case of Dr. Bigelow, of Mifflin county, charged with poisoning his wife, is still in suspense, no report having been received from Prof. Rogers, who is examining the stomach.

The editor of the Mahoning Courier went up in a balloon recently. He went up two miles high, and eight miles horizontally, all in fifty minutes. He is the first editor on record who got so near Heaven.

Stephen Trewick and James Long, the former charged with forgery and the latter with rape, made their escape from the Lewistown jail, on Sunday, the 17th, but were arrested six miles from town on the same evening, by Sheriff Jones.

A new post road has been established in this county, from Mapleton to Three Springs, and two new postoffices thereon—one in Cass township, named "Hare Valley," with Joseph Stover as Postmaster, and the other "Saltillo," with Samuel McVitty, Esq., as Postmaster.

The census marshals make some strange discoveries. The other day one of them found a family in Bangor, in which the father was fifty-five years old, the mother thirty, and the eldest son twenty-two! The information must have been correct, because he got it from the mother herself.

A young man named Orlando Kelly was found dead in a hog pen in Rostraver township, Westmoreland county, not long since. He had been out hunting, and a rain coming up, he took refuge in the hog pen, where from some unknown cause, the gun was discharged and the contents entered his forehead.

The Supreme Court has affirmed the judgment of the Cumberland county Court in the case of Doctor Paul Schoeppe, convicted of the murder of Miss Steinecke. A WHOLESOME FIELD DRINK.—The excessive use of cold water during the sweltering heat of summer often results in serious and alarming illness. It is therefore advisable that some beverage should be substituted for it, of which those oppressed can partake with safety. For this purpose I am aware of no better or more refreshing drink than the following: Take of the best white Jamaica ginger root, carefully bruised, two ounces; cream of tartar, one ounce; water six quarts, to be boiled for about five minutes, then strained; to the strained liquor add one pound of sugar, and again place it over the fire; keep it well stirred until the sugar is perfectly dissolved, and then pour it into an earthen vessel, into which you have previously put two drachms of tartaric acid, and the rind of one lemon, and let it remain till the heat is reduced to a luke-warm temperature; then add a tablespoonful of yeast, stirring them well together and bottle for use. The corks must be well secured. The drink will be in high perfection in four days. This is a very refreshing and wholesome beverage, and one which may be partaken of without any unpleasant results even in the hottest weather.

RUDE SPORT.—A new game called "Shoo Fly" (for want of a better name we suppose) has been introduced in Huntingdon. One game was played on Friday evening last, and a number of youths engaged in it. The game is novel, but we cannot see where the amusement comes in, and we suppose a large majority of the young men who engaged in the first game have thought better of it, and would not engage in another. The game consists of getting a common live duck and burying it in the ground, leaving the head and neck exposed. Then, for five cents, the boy can throw a club at it, from a distance of about thirty feet, and whoever hits it, wins the biped. No sensible boy can fail to see the barbarity of this species of sport, and we are glad to know that our boys had humanity enough to make one game suffice.

HOW TO STOP A PAPER.—"You have an undoubted right to stop a newspaper whenever you are disposed, upon payment of all arrearages. Do not hesitate to do so on account of any tenderness of feeling for the editor. Don't you suppose he would stop buying sugar of you, or meat, clothing, dry goods, &c., &c., if he thought he was not getting his money's worth? And when you discontinue a paper, do so manfully. Don't be so pitiful as to throw it back to the postmaster with a contemptuous, 'I don't want it any longer!' and have refused written on the margin, and have the paper returned to the editor. No gentleman ever stopped a paper in that way, no matter if his head is covered with gray hairs that should be honorable. If you do not wish longer to receive a newspaper write a note to the editor like a man, saying so—and be sure that arrearages are paid. This is the way to stop a newspaper."

TO MAIMED SOLDIERS.—A law was passed, and approved by the President, providing "that every soldier who was disabled during the late war for the suppression of the rebellion, and who was furnished by the War Department with an artificial limb or apparatus for resection, shall be entitled to receive a new limb or apparatus as soon after the passage of this act as the same can be practicably furnished, and at the expiration of every five years thereafter, under such regulations as may be prescribed by the Surgeon General of the army: *Provided*, That the soldiers may, if he so elect, receive instead of said limb or apparatus, the money value thereof, at the following rates, viz: For artificial legs, seventy-five dollars; for arms, fifty dollars; for feet, fifty dollars; for apparatus for resection, fifty dollars.

—The second annual Camp Meeting for Saxton Circuit will be held on the old grounds near Riddlesburg, commencing August 19, and continuing one week.

All goods for camp purposes shipped over the H. & B. T. R. R. free. Tickets at excursion rates sold at all the offices on the road. All passenger trains stop at the grounds. Good board tents, 14x16 for rent at $6 00. A boarding tent, well equipped, will be kept on the grounds. All intending to tent with us will please inform either of the undersigned at the earliest possible date. Pastors and people of neighboring charges are earnestly invited to tent with us.

C. V. WILSON, }
J. R. AKERS, } Pastors.

An Interesting Trio.

The world might be traversed over, and it is doubtful if another trio exists that does the same as the one of which we write. In this town are three old ladies, aged respectively 77, 75 and 59—(combined ages 211 years)—who cook for a family of twelve, and control all the household affairs in a satisfactory manner. The youngest does the chief part of the cooking, assisted by the next, while the oldest has charge of the chamber work. The "chief cook" says she can beat the generality of "girls" nowadays in putting through work. The combined weight of the trio would range in the neighborhood of 400 lbs., and over. One is married and the other two are widows.

PIC NIC.—Pic nics are the order of the day everywhere. The Red Men of this place intend holding one at Drennen's place on the 16th of September next. The success which attended the first one that this order gave is sufficient guarantee of what may be expected of the next. The Red Men know how to get up a good thing, and such their next pic nic will be.

A BEAR FEAT.—A live bear was brought to town on Friday last by a Frenchman, and traversed the streets of our borough, going through some evolutions that showed it had been well trained. Of course the keeper's object was to make money, and we have no doubt the fellow succeeded in obtaining a considerable sum, as the exhibition was novel, and interesting. The bear and its keepers traveled the towpath in the direction of Mill Creek.

☞ Farmers who want to buy a first class article of Boots, would do well to call and see the stock at S. B. Chaney & Co's. 1t,

☞ A very pleasant and harmless beverage can be made from Luke Reilly's superior Syrups. These, with his excellent Candies, are in constant demand, and orders are rolling in fast and thick. Those wanting anything in this line will find the Union Steam Bakery and Candy Manufactory the place to call.

Camp Meeting.

The Methodist Episcopal church will commence a camp meeting August 12, on the Taylor grounds four miles from Cassville.

Ministers and Members from adjoining charges are most cordially invited to tent with us in our *Forest of Tabernacles*.

MARRIED,

On the 19th, by the Rev. J. W. Plannett, Mr. JOHN P. DAVIS to Miss ADALANDA BARD, both of Shirley township.

DIED,

At McConnellstown, Sunday, July 10th, 1870, Miss MARY VANDEVANDER, aged 25 years, 1 month 15 days.

Another Mary's taken flight
To that eternal home,
Another youthful voice is heard
Around our Father's throne.

How calmly died our darling leave
This world of tears and care!
While on the verge of time she sang,
"There'll be sorrow there."

She dwells among the angels now,
Beyond death's darkened tide;
Her ransomed feet now gently tread
Just on the other side.

On 16th ult. in Cass township OSCAR, infant son of Calvin and Maggie Shaffer, aged 8 months 13 days.

She was amiable in her disposition, as a christian, and will many friends, whom she leaves with a husband and five children to mourn their loss.
