Special Notices.

A Word to the Boys going South.

It would not be strange if, with the change of climate and exposure to which you will be exposed in the land of "Dixie," you should stand in need of some medicine to be used immediately; such a remedy is the Pain Killer. The Pain Killer has been tried by the missionary and the traveller on sea and land—for the cure of Colds, Coughs, Weak Stomach and General Debility, Indigestion, Cramp and Pain in the Stomach, Bowel Complaint, Colic, Diarrhea, Cholera, etc. Don't go without a bottle in your knapsacks. To be had at the Drug stores.—(Prescott Journal.)

Price 35 cents, 75 cents, and $1.50 per bottle.

The Philadelphia Tract and Mission Society will hold a meeting in the Sixth Presbyterian Church, Spruce, below 6th, on Sabbath evening, 14th inst., at 7½. Rev. F. R. Harbaugh and others will address the meeting. A collection will be taken up to aid the Society. Tract Distributors and all friendly to the cause invited to attend. J. H. SCHREINER, Agent, 929 Chestnut.

THE WONDER OF THE MICROSCOPE.—We understand it is through the agency of this marvel viewing instrument that Dr. Ayer has at last succeeded in finding the PALUDAL MIASM and determining its character. Of its effects we in this section have abundant evidence in the FEVER AND AGUE which it alone produces when absorbed through the lungs into the blood. It has long been held to be a vapor or something in the vapor of water from decayed and decaying vegetation. Under a great magnifying power, the Doctor has found this vapor to contain distinct organisms or living bodies, corresponding precisely with those found in the blood of Ague subjects. They are 13,000 times less than visible to the naked eye, but have distinct character and form.—He thinks they are reproductive in decaying matter or in the blood, and hence the long continued life of the remote effects of them in the system. He maintains that they resemble in character the other fermentative poisons, or such as the virus of rabies or of a dead body, &c., all of which are known to reproduce themselves with great rapidity, like yeast in moistened flour, so that the slightest quantity impregnates the whole mass. Yeast through a powerful magnifier is seen to be a forest of vegation which grows, blossoms and goes to seed in a short time. Miasm is not so distinctly vegetable, but has more the appearance of animal life, although its motion cannot be perfectly distinguished. What the Doctor claims to have settled is that it is an organic substance, and he has further found and embodied in his "Ague Cure" what will destroy it.—(Leader, St. Louis, Mo.

"READ THIS CERTIFICATE."

I am happy to add my testimony to the great value of the "London Hair Color Restorer," three bottles of which restored my Hair, which was very gray, to its original dark color, and the hue appears to be permanent. I am satisfied that the preparation is nothing like a dye, but operates upon the secretions. It is also a beautiful hair dressing, and promotes the growth. I purchased the first bottle from Mr. Garrigues, Druggist, Tenth and Coates streets, who can also testify my hair was very gray when I commenced its use.

OLD SABBATH-SCHOOL BOOKS.

Second-hand Sunday-School Books, if in good condition, can be used very profitably by our Publication Committee in the Western States. And so also can old Church Psalmists. In some of the older churches those without the Supplement have been replaced by the later edition; such books would be of use in our frontier churches. Perhaps a good donation to supply the missionary churches with Hymn-Books and Sunday School Books would meet the want as well. But the second-hand books can be advantageously disposed of if sent to the PRESBYTERIAN HOUSE,

From Rev. Joseph H. Kennard, Pastor of the Tenth Baptist Church:

DR. JACKSON,—*Dear Sir:*—I have been frequently requested to connect my name with commendations of different kinds of medicine, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the use of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,
J. H. KENNARD, Eighth below Coates St., Phila.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown:

DR. C. M. JACKSON,—*Dear Sir:*—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others. Yours truly,
Germantown, Pa., May 31, 1860. W. RANDOLPH.

From Rev. J. H. Turner, Pastor of Hedding M. E. Church:
Philadelphia, April 20, 1859.

DR. JACKSON,—*Dear Sir:*—Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.
Yours respectfully, J. H. TURNER, 726 N. 19th St.

From the Rev. Thomas Winter, Pastor of Roxborough Baptist Church:

DR. JACKSON,—*Dear Sir:*—I feel it due to your excellent preparation—Hoofland's German Bitters—to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and experienced great and unexpected relief. My health has been very materially benefited. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.
Respectfully yours, T. WINTER.
Roxborough, Pa., Dec. 1858.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge:

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was specifically assured, when I first used them, that my impression that they were chiefly an alcoholic mixture, I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.
Philada., June 23, 1861. J. NEWTON BROWN.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For a Liquor Bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters *and mix with* Three Quarts of Good Brandy or Whiskey, *and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of* Hoofland's Bitters *in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.*

ATTENTION, SOLDIERS!
AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army to the fact that "HOOFLANDS German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

BEWARE OF COUNTERFEITS!

See that the signature of "C. M. JACKSON," is on the WRAPPER of each bottle.

PROSPECTUS
OF THE
AMERICAN PRESBYTERIAN
AND THE
BANNER OF THE COVENANT
FOR 1864.

These two papers are now issued from the office, 1334 Chestnut St., Second Story, in an enlarged form, and as

DOUBLE SHEETS.

Though of larger size, the *price will not be raised,* and they are therefore the cheapest religious papers in this city, or in the Presbyterian church.

We shall seek not only enlargement but in every way shall labour to improve the character of the paper.

Particular attention will be paid to the remarkable progress of

PRESBYTERIANISM IN GREAT BRITAIN AND ON THE CONTINENT.

Our Correspondence will be unusually attractive. We have one of the

BEST ARMY CORRESPONDENTS

in the field, whose original and striking letters come fresh from the front every week.

OUR ROCHESTER CORRESPONDENT

is an experienced writer, who acquaints our readers fully with events of interests in that important section of the church and country—Central and Western New York. He is making arrangements still further to increase the value of his weekly letters.

OUR LONDON CORRESPONDENT

has excellent and peculiar advantages for gaining information. His very full and valuable letters will appear twice a month.

REV. J. J. MARKS, D.D.,

author of the remarkable and popular volume "The Peninsula Campaign," in which he has proved himself an independent thinker, a fearless, patriotic, and devoted man, and able writer, is our regular.

WASHENGTON CORRESPONDENT.

Our excellent contributor, known as "M. E. M." Mrs. COLONEL SANGSTER, will furnish articles of a miscellaneous character, and will also wield her pen in the

JUVENILE DEPARTMENT,

a sphere in which she has won decided success as the author of a number of volumes for the young, issued by one of the largest of our religious publication societies.
