And others, who have them constantly in their own use, but also from our resident Professors. The following is an extract from a letter of
PROFESSOR HENRY ROHBOCK.
After describing the particular style two of which he wants for his own use—one Grand and one Square—he speaks as follows of their excellent qualities:
"My little daughter, who plays very well, must, with myself, have a good instrument, and yours are the only ones which can satisfy me.
"Instruments are offered me on the most accommodating terms. I, however, do not like them; they have not the elastic touch and the tone of yours.

Notice to Whom it May Concern.
THE PUBLIC SPRING SALES of Real Estate at Rochester are now closed, and the *Building Season* has fairly commenced. Every citizen of Rochester is busily employed. Even 30 or 40 new families who have become citizens the present Spring, find constant employment; and in a few days a hundred families more will be required to carry on the work of the present season.
The *Car Building Establishment* is now near completion, and will be in full operation in June. Several Cars will be ready for delivery, by contract, the 1st of July, 1855.
Two or three new churches, in Rochester, will be contracted for immediately, and numerous other improvements will be commenced, requiring a great amount of mechanical and other labor independent of the Car Establishment, which will probably employ from one to two hundred.
A prominent brickmaker from Pittsburgh has just purchased nine large lots, and contracted to make upon them forthwith 500,000 bricks. Two gangs of hands commence work the present week, besides the other yards heretofore established in the neighborhood.
Our *Stone Quarries* are already alive with workmen, and the road leading to them lined with teams.
Lumber is becoming *abundant* and *cheap*, and tenements will soon spring up to relieve some of our houses, which now have 5 families, 4 families, 3 families, and dozens of them 2 families each.
Any who do not buy cheap lots at the four public sales last season, or the four public sales the present spring, can still secure good bargains at *private sale* by calling on the subscriber in Rochester. Terms—¼ down, ¼ in one year and ½ in two years. M. T. C. GOULD.
P. S.—A few lots can yet be had at $60 to $100 each; if applied for before the 20th May. These lots are twice as large as usual city lots, viz: 40 feet by 125, and the price only from $1,60 to $2,50 per foot front. The present reserved homestead and magnificent profit of Ovid Pinney, 4 acres in the centre of the borough of Rochester; also, the beautiful 20 acres, building, orchard, &c., of F. Reno, can be bought through the subscriber at great bargains, and there are not *two such bargains* within a hundred miles. G.

IN THE numerous suspensions of Banks and Bankers throughout the country during the last six months, we are satisfied that in almost every instance their troubles have grown out of a departure from their legitimate business; and we, therefore, take occasion to assure the public in advance, that no speculations in "fancy stocks," or other "outside operations," shall tempt us from the strict and legitimate line of our business—believing that in avoiding all such investments we shall not only be better able to serve our customers and ensure their safety, but that in adopting such a course we shall promote our own ultimate benefit. THE GREATEST
MEDICAL DISCOVERY
OF THE AGE.
DR. KENNEDY, of Roxbury, has discovered in one of our *common pasture weeds* a remedy that cures
EVERY KIND OF HUMOR,
From the worst Scrofula down to a common pimple.
He has tried it in over 1100 cases, and never failed except in two cases, (both thunder humor). He has now in his possession over two hundred certificates of its virtue, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of Pimples on the face.
Two to three bottles will clear the system of Biles.
Two bottles are warranted to cure the worst Canker in the Mouth and Stomach.
Three to five bottles are warranted to cure the worst case of Erysipelas.
One to two bottles are warranted to cure all Humor in the Eyes.
Two bottles are warranted to cure Running of the Ears and Blotches among the Hair.
Four to six bottles are warranted to cure Corrupt and Running Ulcers.
One bottle will cure Scaly Eruption of the Skin.
Two to three bottles are warranted to cure the worst case of Ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure the Salt Rheum.
Five to eight bottles will cure the worst case of Scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
Reader, I peddled over a thousand bottles of this in the vicinity of Boston. I know the effect of it in every case. So sure as water will extinguish fire, so sure will this cure humor. I never sold a bottle of it but that sold another; after a trial, it always speaks for itself. There are two things about this herb that appear to me surprising: first, that it grows in our pastures, in some places quite plentiful, and yet its value has never been known until I discovered it in 1846—second, that it should cure all kinds of humor.
In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it and sold about six bottles per day—in April, 1854, I sold over one thousand bottles per day of it.
Some of the wholesale druggists, who have been in business twenty and thirty years, say that nothing in the annals of patent medicines was ever like it. There is a universal praise of it from all quarters.
In my own practice I always kept it strictly for humors, but since its introduction as a general family medicine, great and wonderful virtues have been found in it that I never suspected.
Several cases of epileptic fits—a disease which was always considered incurable—have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady;—there are but few who have seen more of it than I have.
I know of several cases of Dropsy, all of them aged people, cured by it. For the various diseases of the Liver, Sick Headache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Diseases of the Spine, and particularly in Diseases of the Kidneys, &c., the discovery has done more good than any medicine ever known.
No change of diet ever necessary. Eat the best you get, and enough of it.
Directions for Use.—Adults, one table spoonful per day. Children over ten years, dessert spoonful. Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
