THE MINERS' JOURNAL.

A SIMILE.

BY MRS. DR. C. S. WILSON.

The flow'rs o'er which the frost has pass'd
Again shall blossom never;
The tree uptorn by lightning's blast
Shall rise no more forever.

And thus the wretch who never knows
A glow of tender feeling,
When mercy points out all its woes,
The cause and cure revealing;

Shall find no gracious hand to rend
The chains that fast have bound him,
And see no light of glory blend
Amid the shades around him.

A Voice from the other side.—The Dublin Freeman's Journal contains the very just, sensible and candid advice below. It speaks just as the honest, well informed, and well-meaning foreigner should. Its sentiments are eminently true and are honorable to the writer, and what is more the intelligent naturalized citizens of this country regard the position of the immigrant to this land, in precisely the same light. We wish we could say as much for the American born, of all parties; but we cannot. We, however, commend the article that follows, to the attention of all;

'It is better for Irishmen in America, to spread through the country, than to congregate in cities; and, until they have resided long enough in America, to be thoroughly acquainted with the merits of American politics, and have learned to feel and act as Americans solely, it were better to waive any political privileges they may acquire, than listen to the solicitations of men who will urge them on to vote *as Irishmen*. Even towards the Abolition party, Irishmen when naturalized in America should feel, not as Irishmen but as Americans. The question is American—their privilege is conferred on the voters as naturalized Americans, not as Irishmen, and as Americans they should use it.'

The Poor.—There should be more sympathy for the poor. It is unfair as well as unsophistical to stigmatize every one who bows to the pressure of pecuniary embarrassment as the architect of his own misery. In the language of the worlds' poet:

There's a tide in the affairs of men
Which taken at the flood leads on to fortune.

And there is also a tide whose current is downwards—rolling, forever, its irresistible waves in opposition to every well planned enterprise and filled with shoals and quick sands which the utmost exertion of human prudence and forecast are incompetent to avoid.

The smiling current oft conceals
The fatal sands or dreadful rock:
No index paints the hidden curse
Until we feel the rending shock.
Despair, encircling, shrouds the wreck
And Hope, despairing, flees the deck."

When we review our own lives, and perceive how frequently the best aid, schemes have proved abortive, how often Hope has been shipwrecked, and anticipation falsified, we shall learn a lesson of humility that will doubtless be of service, for it will teach us that at first sight, may often seem the result of imprudence, is, in reality, but the effect of hidden causes, whose operations mock all the efforts of wisdom, and which it is impossible for it either to foresee or avoid.—*Maine Cultivator*,

---

A Son's Vindication of his Father.—A gentleman who has lately visited the battle field of Lunday's Lane, narrates the following in regard to a son of the late Gen. Hull:—

The height which Miller stormed is now a graveyard. In its bosom repose, side by side, and in peace till the great trump shall sound, the remains of those who on that field struck at each other's life. A generous warrior spirit gave to both equal honors and a common grave. Among the dead of the day there buried, the name of Hull, a captain in the American Army, caught my eye. He fell in the battle, in his 23d year, as he desired to fall. He was the son of Gen. Hull, who ignominiously surrended Detroit at the commencement of the war, and was sentenced to die a coward's death. Deeply did his high-spirited son feel this stain upon his name, and he sought for every opportunity of washing it out, if need be, with his heart's blood. He did wash it out; and here sword in hand, beneath his country's flag, on the crown of the enemy's works and in the arms of Victory—he died! A soldier's death and a soldier's grave attest that he *did* wash it out.

Alluding to the results of the election, the Baltimore Patriot, says:

Henry Clay has received in this election more votes than were ever given before to any man for any office in this country—a fact which demonstrates that the Whig Party is now of itself stronger than at any time since its formation. Of what a noble host is it composed, it is unnecessary to say—of the wisdom of its principles; even many of those who have recently opposed it, are convinced—and of the ultimate triumph of the principles the whig party, few will doubt, who know who these men are, and look to the principles they advocate, and then regard the means by which they were so recently defeated, and the spirit which the exposure of these means has excited in the minds of the American people.

Pane-ful Poetry.—The Boston Post says it they requested one of their poetical correspondents to favor them with something sentimental, when they received the following:—

Suppose a tree's long-reaching limbs
Should 'gainst a window dash,
In one of Nature's breezy whims,
And knock it all to smash!
Amid the clitter and dismay,
"Ye minsters of grace defend us!"
Not that, friend Charles, they'd cry "tree-mend-us!"

Good.—A man in New Hampshire gave us a reason for not voting for the abolition of capital punishment, that all who deserved to be hung, would not move to New Hampshire, and they have quite enough of that class already.

"Hard Words."—Rocks, cannon balls, bludgeons, thunder bolts, thick skulls, imposing stones &c.

"Soft Words."—Soft-sauder, soft soap, pudin', rotten pumpkins, and *soft*-heads.

INDIAN VEGETABLE ELIXER & LINIMENT.—A cure for Rheumatic affections. This article penetrates to every nerve and sinew of the person using it, and it has attained a reputation unequalled by any other article in Rheumatism. This will cure the most severe cases—extend contracted muscles, and bring feeling and sensibility to limbs long paralyzed and useless. We only need refer to some cases below to obtain the confidence of the public for these articles.

The following are two respectable, and the gentlemen too well known to require comment. Let them be read.

I have been afflicted most grievously since 1832 with Rheumatism and contraction of the cords of my legs, caused by the cramps of the cholera, which I then had in its most severe form. After trying many remedies in vain, I have found relief—had the cords of my legs relaxed—the swelling reduced—and am greatly benefitted by the use of one bottle of Liniment, used externally and one bottle of Indian Vegetable Elixir, used internally at the same time. I can now walk with ease in positions that I could not a week ago endure at all.
JAMES G. REYNOLDS,
144 Chrystie street, corner of Delancey street.

Though this was given more than a year since, Mr Reynolds, was a few days ago at the office, where this remedy was obtained in full health and perfect possession of his legs and feet, and though over sixty years old, stood up on his toes repeatedly to show the spectators how complete he was cured. This remedy reaches and soothes the nerves, and allays pains most effectually on its first application, and by a few repetitions removes more effectually and speedily Rheumatic pains, than any other application was ever known to do. Its effects are powerful and immediate. Let those afflicted try it but once, and they will be convinced.

The Liniment is often counterfeited as to external look, and the only test of genuiness is to find the fac simile signature of Comstock & Co. If that cannot be found it is counterfeit. Buy only at Comstock's Branch House, No. 2, North 5th street, Philadelphia, and in Pottsville of

PURE WHITE LEAD.
Whetherill & Brother,

MANUFACTURERS, No 65 north Front street Philadelphia, have now a good supply of their warranted pure white lead, and those customers who have been sparingly supplied in consequence of a run on the article, shall now have their orders filled.

No known substance possesses those preservative and beautifying properties so desirable in a paint, to an equal extent with unadulterated white lead; hence any admixture of other materials only mars its value. It has therefore been the steady aim of the manufactures, for many years, to supply to the public a perfectly pure white lead, and the unceasing demand for the article, is proof that it has met with favor. It is invariably branded on one head—WETHERILL & BROTHER in full, and on the other, WARRANTED PURE—all in red letters.

GLENN'S AROMATIC ROSE TOOTH PASTE.

This very pleasant and truly efficacious dentrifice, is prepared from ingredients perfectly harmless, it gives a pearly whiteness to the teeth, firmness to the gums, and fragancy to the breath, removing spots or incipient decay, and preserving the teeth effectually. It has been used and recommended by dentists in their practice, and is believed to be equal to any article of the kind in use. It is put in neat China boxes, and having a solid form, is not liable to waste or spill, and is free from the grit of Tooth Powders in general, price 25 cts. per box.

GLENN'S INDIAN HAIR DYE, is warranted to change grey or red hair to a handsome brown or jet black, without injury to the hair, or even staining to the skin, and may be used with perfect safety. To those who have become prematurely grey, it is invaluable, and to gentlemen who are troubled with grey whiskers it is strongly recommended, the color produced is natural, and will not rub off, or soil the whitest muslin. Price 50 cents.

MICHAUX'S FRECKLE WASH.—A complete remedy for Freckles. This remedy was invented by Dr. Chs Michaux, of Lombardy, a distinguished Physician of the last century. The proprietor has every confidence in it; as a superior preparation for the purpose designed, it may be used without the least caution, and for pimples and other affections of the skin, it is a certain cure. Price 37½ cents per bottle.

The above named articles have been sold very extensively by the subscriber for many years, and are conscientiously recommended to the public, as preparations of real value, and not to be ranked with the humbugs of the day, a single trial will convince the most skeptical, that their good qualities are not over rated.

"A Good Shave and Yet no Shave."

GLENN'S UNRIVALLED SAPONACEOUS COMPOUND FOR SHAVING.

TO Gentlemen who shave themselves, this article is offered with the greatest confidence as equal, if not superior to any other Shaving Soap in use. For a delightful and consistent lather, which will not dry upon the face or irritate the most delicate skin, for the ease and comfort it gives to the often troublesome operation of shaving, rendering it surpassingly easy, this compound can be safely recommended. It is equally effectual in warm or cold water, and after using it, the face is left soft and pleasant, and entirely free from the irritation and roughness often caused by the use of strong alkaline Soaps and Shaving Creams. The compound is pleasantly perfumed and put up in a neat china box, answering all the purposes of a shaving box, and on trial will be found very economical and convenient, during the few years this article has been before the public, the proprietor has sold 35,000 boxes of it, and the demand is constantly increasing as its merits become known. The agents are authorized to return the purchase money, where it does not give entire satisfaction.

'The Saponaceous Compound is composed of ingredients, so admirably compounded, that shaving with it, is an absolute pleasure.'—U. S. Gazette.

'The Saponaceous Compound, is the best preparation extant for shaving purposes. It is extensively patronized, and deserves to be; every gentleman who shaves himself, should buy it.'—Philadelphia Gazette.

'We beg to call the attention of the bearded portion of our subscribers, to the Saponaceous Compound. It is, without exception, the best shaving soap, we ever used.'—Philada. Transcript.

'The Saponaceous Compound for shaving, is the best—perhaps the very best article in use, for scraping the beard from the human face divine. What with a keen razor and this compound, you may shave your face in half the time, you are pronouncing the word. It is an anomaly in language—it is a very good shave, and yet no shave.'—Boston Daily Times

MEDICINE

TO THE WHOLE WORLD!
It is admitted by all who have used them, Can
who has not?) that
DR. PETERS' VEGETABLE ANTIBILIOUS PILLS,

ARE the most unrivalled remedy ever discovered by the ingenuity of man. They are a sovereign cure for the following complaints: Yellow and Bilious Fevers, Fever and Ague, Dyspepsia, Croup, liver Complaint, Sick Headache, Jaundice, Asthma, Dropsy, Rheumatism, Enlargement of the Spleen, Piles Cholic, Female Obstructions, Heart-burn, Furred Tongue, Nausea, Distentions of the Stomach and Bowels, Incipient Diarrhœa, Flatulence, Habitual Costiveness, Loss of Appetite, Blotched or Sallow Complexion, and in all cases of Torpor of the Bowels, where a Cathartic or an Aperient is needed.

They are exceedingly mild in their operation, producing neither Nausea, Griping, or Debility. They are extensively used and commended by PRACTISING PHYSICIANS, in all parts of the Union, from whom any quantity of Certificates of their value can be obtained.

SHERMAN'S COUGH LOZENGERS

Are the safest, most sure and effectual remedy for Colds, Consumption, Whooping Cough, Asthma, tightness of the Lungs of Chest, &c. &c.

Mr. John Starks, foot of Gouverneur st., cured of cough of eighteen month's standing, supposed to be a settled Consumption, by these Lozenges, when the physicians could do nothing for him.

Mr. Charles W. Perkins, 71 Bowery, was cured of a severe cough and cold of three month's standing, by half a box of the Lozenges.

Rev. Mr. Hancock, 497 Pearl st., has used them in his family with invariable success, and recommends them to all who are afflicted with coughs, colds, or any affections of the lungs.

Mr M. E. Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours.

Mr. James W. Hale, No 5 Tontine Buildings, Will st. gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with some distressing cough; he was enabled to take away his life. The Lozenges made him raise easy, and enabled him to sleep well at night. He had tried every thing else he heard of, and nothing else afforded the least relief—another instance of saving a fellow-being from an untimely grave.

SHERMAN'S WORM LOZENGERS,

Proved in more than 40,000 cases to be infallible the only certain worm-destroying medicine ever discovered.

SYMPTOMS OF WORMS.—Pain in the joints or limbs offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shiverings, head ache, drowsiness, vertigo, torpor, disturbed dreams sudden starting in sleep, with fright and screaming sometimes a troublesome cough, feverishness, thirst, bad taste, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatigue, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, and sometimes discharges of slime and mucus.

Dr. Galen Hunter, 168 Sixth Avenue, knew a child that was cured of fits by these Lozengers, after three year's suffering, and when nothing else would give the least relief. A boy on board of one of the Havre packets was cured of fits by only one dose of them.

Mr. John R. Wood, 37 Third street, gave them to his child, and they brought away the worms by thousands.

Dr. Zabriskie, 78 Duane st. has used them in over 700 cases, some of them of the most alarming character, and always with the greatest success.

Benjamin F. Goodspeed, 130 Sixth Avenue, has used them in his family for two years, with entire success. Twenty-five cents per box.

Sherman's Camphor or Headache Lozengers

Give immediate relief in nervous or sick Headache, palpitation of the heart, lowness of spirits, despondency, inflammatory, or putrid sore throat, bowel or summer complaint, fainting, oppression of a sense of sinking of the chest, cholic, spasms, cramps, of the stomach or bowels, hysterical affections and all nervous diseases, drowsiness through the day and wakefulness at night; cholera or cholera morbus, diarrhea lassitude, or licence or fatigue. Persons travelling or attending large parties, will find the Lozenges really revive, and impart the buoyancy of youth—used after dissipation, they restore the tone of the system generally, and remove all the unpleasant symptoms of too free living.

John M. Moore, Esq. Editor of the Brother Jonathan, was cured of a severe headache in six minutes by three of the Camphor Lozenges—he was prejudice against them.

Joseph B. Nones, Esq. Vice President of the Washington Marine Insurance Company, has suffered 50 years with nervous headache, that nothing would relieve till he used these Lozenges who removed it entirely in fifteen minutes.

Dr. G. Hunter, 168 Sixth Avenue, has been subject to violent attacks of headache, so as to make him almost blind for two or three hours at a time. Nothing ever afforded him any relief till he tried these Lozenges, and they cured him in a few minutes.

W. H. Attree Esq. of the New York Herald, has used them for the last year for headache or lassitude and always found immediate relief from them.

It cannot be Denied
(For Truth is mighty) that
☞ *DR. LEIDY'S SARSAPARILLA* ☜

Is the purest, strongest, and most efficacious of any other preparation of Sarsaparilla that is made.

IT is warranted to be stronger than 6 bottles of MOST others—stronger than four of SOME, and stronger than three of the STRONGEST prepared by any other in the United States.

Dr. Leidy's Sarsaparilla is recommended by all respectable physicians in *preference to* any other. All who have ever used it, have derived MORE BENEFIT from one bottle than three to ten of others; and those who, after having used other's preparations, without benefit, will use Dr. Leidy's, will soon be convinced (as thousands have already been) of the foregoing assertion.

The apparatus with which Dr. Leidy's extracts used in his preparation of Sarsaparilla as prepared, is the only one in the United States, imported by Dr. Leidy himself, from the celebrated house of Pelletier & Caventon, in Paris, at a great expense, and is capable of extracting the medical virtues of Sarsaparilla and other roots, more effectually than by any other process.

As SEVERAL HUNDRED CERTIFICATES of remarkable cures and recommendations from clergymen and physicians have been from time to time published it is only thought necessary to *keep the public acquainted* as to where Dr. Leidy's Sarsaparilla can be obtained *genuine*; namely, at Dr. LEIDY'S HEALTH EMPORIUM, 191 North SECOND Street, near Vine St., (sign of the Golden Eagle and Serpents) Fred. Brown's and Fred. Klett's Drug Stores, Philadelphia.

Price ONE DOLLAR per bottle; 3 bottle's for $2 50, and 6 bottles for $4 50.

Also by J. F. Long, Lancaster; and at J. G. BROWN'S Drug Store, formerly W. T. Epting's, Centre Street, Pottsville.

MEDICINE

DEAFNESS CURED.

Scarpa's Compound Kreosote Acoustic Oil,

FOR the cure of DEAFNESS, pains, and the discharge of matter from the ears; also all those disagreeable noises like the buzzing of insects, falling of water, buzzing of steam, &c., &c. which are symptoms of approaching deafness and also attendant with the disease.

CERTIFICATES.

The following Editorials and certificates will be read with interest as they speak facts, which are "stubborn things."

MOST EXTRAORDINARY CURE!—If any have doubts they may now dismiss them, and the most incredulous may consider deafness as curable. Numerous cases of cures, and many of them very remarkable—by the use of 'Scarpa's Oil,' have been published, but this 'caps the climax.' Young or old may yet recover hearing. A lady in Smithfield, Pennsylvania, and now about 60 years of age had been gradually getting deaf for more than 40 years, so that it was next to impossible to make her hear conversation in the loudest tones of voice; Last winter she was induced to try 'Scarpa's Oil for Deafness.' It is only necessary to add that she has used two bottles, and that her hearing is perfectly restored—she is cured.

DEAFNESS CURED.—The following extract from a letter written by Mr. Johnson of Boston, to a friend in this city is important.

'The bottle of Scarpa's Oil for Deafness, that you sent me, with the wish that my daughter would try it, has been used, and in its effects, have astonished all; you know how very deaf she has been since she was three years old—she now hears quite well, but as the medicine has all been used, I wish you to send me an other bottle, which I have every reason to believe will cure her entirely.'—[Times.

Concentrated Compound Fluid Extract of
SARSAPARILLA.

FOR the cure of Scrofula, Chronic Rheumatism, General Debility, Cutaneous Diseases, Scaly Eruptions of the Skin, Tetter, Pimples or Pustules on the Face, Liver Affections, Mercurial and Syphileid Diseases, Biles, from an impure habit of body, Ulcerations of the Throat and Leg, Pains and Swelling of the Bones, and all Diseases arising from an impure state of the Blood, Exposures and Imprudences in Life, Excessive use of Mercury, &c.

An immense effort has been lately made to introduce various compounds called "Extracts of Sarsaparilla," as positive and specific cure-alls. If we were to believe the extravagant assertions of the advertisers who are pushing them, all disease that "flesh is heir to," can be governed and removed by these wonderful "extracts." Now, we want no customers to our articles but persons of common sense at least; and those who have that, will find it impossible to believe these extravagant and ridiculous assertions. Depend upon it then, if you get COMSTOCK'S true extract of the real Sarsaparilla, every disease that can be cured by this and various other roots that form the compound, will be cured by it. Such, particularly, as Scrofula, Rheumatism, and all diseases of the blood, and particularly disease and suffering from the abuse of mercury. COMSTOCK'S SARSAPARILLA is warranted as good as any in the city and at just half the price of others, and in as large bottles, viz:—50 cents per bottle, or $4 per dozen. WHO EVER HEARD OF
Dr. Leidy's Ceebrated Ointment

FAILING to cure the Tetter, Itch, Dry and Watery Pimples of the face and body, Scaly Eruptions, and

All Diseases of the Skin?

Of the many thousand bottles, (it is put in bottles with the words "Dr. Leidy's Tetter and Itch Ointment" blown in the side,) never has an instance been known or heard from where it had failed. A number of references can be made, where it has been used in schools factories, on board of vessels, and in families, and certificates could be published of them, but for the delicacy in having names published in connection with such loathsome and disagreeable affections.

☞ Price 25 cents per Bottle.

It is prepared only and sold wholesale and retail at Dr. Leidy's Health Emporium, No 191 North SECOND street, below Vine street, sign of the Golden Eagle and Serpents,) Philadelphia, and by all the different Druggists and Storekeepers attached to Dr. Leidy's advertisement of his "Blood Pills" in another column, (which please refer to and read, (besides many others through out the country.

Facts for the People.

THE continually increasing popularity and sale of B. A. Fahnestock's Vermifuge has induced persons who are envious of its success to palm off upon the public preparations which all medical men know to be inefficacious in expelling worms from the system.

This Vermifuge has made its way into public favour upon the ground of its own intrinsic merits, more than any other medicine of the kind now used; and while many worm remedies have by dint of puffing been forced into sale, and shortly after gone into the obscurity which their worthlessness justly merited, B. A. Fahnestock's Vermifuge continues to be triumphantly sustained. It has only to be used and its effects will fully sustain all that is said of its wonderful expelling power.

Certificate.

Wales, Erie Co., New Y., Jan. 7, 1843.

We certify that we have used B. A. Fahnestock's Vermifuge in our families, and in every case it has proved a decided and effectual remedy for expelling worms from the system. We cordially recommend it to parents who have children afflicted with that dangerous malady.

JOYFUL NEWS.

ALmost every disease that flesh is heir to may be cured by the timely use of OAKELEY'S COMPOUND DEPURATIVE SYRUP. This may be proved satisfactorily to those who will call at any of the stores where this invaluable medicine is sold, by certificates (properly authenticated) of cures performed on individuals who had lost all hopes of relief—certificates of Physicians who had the most severe cases under treatment, their patients having taken the medicine by their advice and been cured; certificates from the Prothonotary, Clerk of Orphans' Court, Notary, &c., stating their acquaintance with persons of respectability and standing, who having the good of their fellow men at heart, have voluntarily come forward and given a statement of their case and its cure, for publication, &c. &c. The number of these certificates being too great for newspaper publication, the subscriber has deemed it advisable to have a copy of the most important certificates properly authenticated, under seal, to be placed at the stores of agents, who have the medicine for sale, where persons afflicted with Scrofula or King's evil White Swelling, Chronic Rheumatism, Ulcers, Mercurial diseases, Eruptions of the skin, Cancers of long standing or incipient Consumption, Sick Head-ache &c. &c. may have an opportunity of ascertaining the names and residences of those who have been cured by its use, and who will be willing, if called upon, to give every information required.

As a more general evidence that this is no quack medicine, I would refer to the names of the following well known physicians, who have attested to its efficacy.—Dr. J. P. Hiester; Dr. G. Birch; Dr. Jno. Otto, Dr. H. H. Muhlenberg, Dr. J. E. Forbes.
