FUNNY MONEY SPREE

Advances in photographic and printing techniques are fostering a rise in counterfeiting. Since mid-1965, Secret Service agents have seized more than 4.5 million dollars in phony money. This compares with only 2.5 million in counterfeit money that was seized during the preceding full year.

MARKET EGG PRODUCERS

EFFICIENCY PAYS

DO YOU KNOW THAT:

- A 12½% improvement in feed required per dozen eggs equals a saving of approximately $350.00 per 1000 hens.
- That our Early Bird All Mash Laying Feeds will definitely produce BETTER SHELL QUALITY over the laying year?
- That each ½% improvement in breakage can improve your income by $36.00 per 1,000 hens housed?
- A price improvement thru BETTER GRADE of ½ cent per dozen amounts to approximately $100.00 per 1,000 hens housed?
- If your feeding program gives you 1% better hen house liveability and ½ dozen more eggs per hen housed, it can mean as much as $175.00 extra return per 1000 hens?
- That GOOD records pay big dividends? Without accurate records you CAN NOT fairly judge the value of your program?
- That it's not the START, it's the FINISH that counts.
