esty, Temperance and Democracy.

EDITOR.—We are informed that there ill, in the "upper end" of the county, a Republicans, who, believing Mr. Amon k, our candidate for Sheriff, to be an in-erate man, intend to cut him, and to vote s Democratic opponent. A card has been shed in the *Monitor* certifying to Mr. erson's sobriety; and I understand that Democracy generally, throughout the y, are trying to make political capital for enderson on this plea, coupled with the hat Mr. Houck, his opponent, "has sold

ades of Bacchus! A Democrat preaching erance!! The party universally known cknowledged as the Whiskey Party,—the which is invariably strongest where shops are most abundant,—the party n, in our State Senate, last winter, de-l the Local Option Bill,—the only party n is acknowledged and supported by the bers of the powerful Whiskey Ring;—to the members of *such* a party asking suf for one of their candidates *because he is perance man!* O, tempores! O, mores! Mr. Henderson is a temperance man, why he remain in affiliation with such a party? sked the same question with regard to e Banks, when we heard him soliciting from Temperance Republicans on the being a temperance man himself, he d, if successful in his present aspirations, grant license, to sell intoxicating drinks, ose applicants whom he deemed worthy. re we might recall a story which is very to the point. Away down in Berks ty, a Democratic orator was harranguing wd of white citizens on the important s then before the people,—"the nigger the taxes," probably,—when a sudden er came up. It had been a dry season, he rain was much needed. When the al drops began to fall, the people compose-e august assembly evinced a disposition eak for shelter, it being an open air meet-"Don't be alarmed;" said the orator d your ground like men." This rain is just we have been wanting. Rain makes the grow; corn makes whiskey; and *whiskey Democrats.*

e Democratic gentlemen named are sober, antial men. But their political princi-are too much at variance with there moral iples. If they desire the votes of Tem-ce men, they should come out from the y's camp. If whiskey makes Democrats, o the interest of every zealous member of party to use his utmost endeavors to in-e the sale and consumption of that neces-article of—shall we call it political econ-l and, as far as our experience will al-s to determine, the efforts of the Demo-party in that direction—i. e., the con-tion of whiskey have been, and are being ned with illustrious success. The Antel-t Republican voters of our county will not lled into voting for Democratic candi-by such a shallow plea.

t Mr. Houck is also a sober, temperate and a good citizen. The only fault that e brought against him, is, that "he sold

. Houck served as a private soldier in the war, for the suppression of the Democrat-ebellion. He was a member of the 84th . Penna. Vol. He was in the battles of Wilderness, Spottsylvania C. hat a debt of gratitude we all owe to the ers who marched in defence of our flag in war. The privations of food and of com-they suffered, the fatigues they endured, the perils they braved can only be com-ended by those who have served in a paign. Those who remained by their own ides, far from the turmoil and strife can-contemplate in imagination anything l to the full extent of the toils, privations dangers experienced by our brave soldiers at great war.

any thousand of these now lie in unknown es, far away from their childhood's happy es, with never a friendly hand to plant a er over their lonely graves. Many thous-there received the seeds of mortal disease, returned to their homes, hopeless invalids, nger, in suffering, for a few weeks, or ths, or years, on the borders of the shad-and and to fill untimely graves. Many sands have come home to us, maimed for and unable to perform the manual labor essary to procure them a sustenance.

hall we then, whose liberty and national tence, have been saved by their deeds and erings,—shall we turn away from one of nations maimed defenders because he has e ONE wrong? If ye forgive not, &c.—un-otherwise to procure a sustenance. Mr. ck DID sell ale. But such a business was in accordance with his tastes and princi-; and, as soon as there was a prospect of securing a livelihood in any other way, he ndiated it. As for himself, he does not take of intoxicating drinks; and from dhood he has never been seen under their cts. That the majority of the people of ntingdon county place confidence in him be amply demonstrated on the second sday of October.

We may be allowed also to refer to the *ewashed* report and dastardly attack upon candidate for Assembly contained in the *itor* of Sept. 19. This is only another in-ce of Democratic meanness and duplicity. have yet to learn of anything too low or an for a Democrat to resort to in order to ure votes for his party candidates. We not here refer to the charges in detail. . Lane is able to take care of himself! and character and past record will be fully dicated.

n the same paper, *Tax-Payer* dilates upon importance of being represented in the te Legislature by an honest man. Here in, a member of the Democratic party talk-about *honesty!* O, consistency, thou art swel, seldom discoverable in man, and *never* Democracy.

Was it the *Republican* party, or any members t, that, in 1860, had ruined the credit of nation, made the Treasury bankrupt, ttered our navy to the four quarters of the rld and sent all our arms to Southern arse-s, that the late Rebels might be the better e to rear a Slaveholder's Confederacy on ruins of our Great Republic? (But we get; the Democrats WERE honest (?) ONCE. ey thought it better to let the Rebels pre-l, than that anything should be done to ap-se them, not strictly enjoined by the Con-tution. And then, when we proposed to end that Constitution a little, they voted ainst it. It were sacrilege to meddle with at ancient instrument). Were there *Repub-an* Legislatures in those Southern States hich repudiated their debts? (But they re *honorable* men—no doubt). Is the New ork City Ring composed of *Republicans?* Is ere a *Republican* majority in that excellent y? Does the *Republican* party swarm with peaters and ballot box stuffers? Is it to ake *Republican* votes that foreigners are nat-alized as soon as they land on our shores? d ever a *Republican* prothonotary sign and nd out blank naturalization papers? And s ever the Chairman of a *Republican* State ommittee accused of carrying a *coffee-pot* ith him?

But our *honest* Tax-Payer wants to send an *nest* African—(Hail New Departure!)—to r State Legislature, that he may help to nd an *Honest Coffee-Pot* to the U. S. Senate, ere to encourage the HONEST members of the u Klux Klan to intimidate all Republicans, ack and white in the South, and prevent eir voting; so that an *honest* (?) Democrat ay again occupy the White House, again ake our Treasury bankrupt, again scatter r fleets to the uttermost parts of the earth nd our armies to the distant plains, and again ncourage the gallant soldiers of the defunct . S. A. to attempt our subjugation. All this ight result from voting for HONEST Simpson frica. Then would the cry of Tax Payer be Let us have *Honesty*."

Wonder if any Tax-Payer in Blair county as accounted the *honorable* deeds of Bill Baily, emocratic candidate for Assembly in that ounty,—especially his valiant war record, as regimental commissary and quarter-master. Every soldier, who served in the late war, nows that the quartermasters were all *honest* en. Will not the *honorable* gentleman, who rites editorials for the *Monitor*, gives us some ccount of the War Record of General Lane; nd in parallel columns gives the records of Bill Baily and Simpson Africa together with his wn glorious share in that war? A little state-nent as to how much property each one ac-umulated during those speculative times night also be very interesting reading.

HO! FOR MARCH'S!—Wm. March has just returned from Philadelphia with one of the most splendid assortment of goods ever brought to the town. He knows how to please the people. If you want the latest styles, they have them. Read their advertisements.

WE notice by the Johnstown *Tribune*, that the enterprising firm of Messrs. W. H. Rossensteel & Son, of Mount Union, have purchased grounds at Johnstown, for the purpose of erecting a large Steam Tannery, at an early day. This firm came to our county a few years ago, having a keen oposition to contend with in business, but by industry, strict attention and their combined skill they have not only been successful in business, and making friends, but may be proud of their enviable expectation they have received with our eastern leather men. We have no doubt they will meet with like success in their new place of business.

ONE OF OUR CITIZENS ABROAD.—We clip the following complimentary notice of a speech, made at the reunion of the 149th Regment of New York Volunteers, at Skaneatles, N. Y., by Mr. David Blair, of this place, from the Onandaga *Standard*:

"Hon. David Blair, of Pennsylvania, responded to repeated calls, and made a very interesting speech, alluding to the former Division Commander, General Geary, with whom Mr. Blair is on terms of friendship and intimacy. The allusions to General Geary were received with cheers."

"Just see how the old thing works," and come and see the new styles of Dress Goods, Velveteens, Poplins, &c., just opened at Fisher & Sons. [Oct.4,'71-2t.

"You know how it is yourself," and so does every one, that the only place to buy Oil Cloths, Carpets, Mattings, &c., at a low price, with a good variety of styles to select from, is at the large Carpet Rooms of Fisher & Sons. [Oct.4,'71-2t.

A CARD.—*No Small-pox in Huntingdon.*—HUNTINGDON, Pa., Oct. 3, 1871. *J. R. Durborrow, Editor Journal: Dear Sir:*—I have heard, within the last few hours, that a report is in circulation, throughout the county, in which I am given as authority for the existence of Smallpox in this place. This is great injustice to me and to the town of Huntingdon. *To the best of my knowledge and belief there has not been a case of Smallpox or Varioloid, in Huntingdon for ten years nor is there any here now.*

Yours, Respectfully,

BURLINGTON.—Leaving the East and arriving at Chicago or Indianapolis, how shall we reach the West? The best Line is acknowledged to be the C. B. & Q., joined together with the B. & M. Railroad by the Iron Bridge at Burlington, and called the BURLINGTON ROUTE.

The main line of the Route running to Omaha, connects with the great Pacific Roads, and forms to-day the leading route to California. The Middle Branch, entering Nebraska at Plattsmouth, passes through Lincoln, the State Capital, and will this year be finished to Fort Kearney, forming the shortest route across the Continent by over 100 miles.

Another branch of the B. M., diverging at Red Oak, falls into a line running down the Missouri through St. Joe to Kansas City, and all Kansas. Passengers by this route to Kansas, see Illinois, Southern Iowa, and Missouri, and, by a slight divergence, can see Nebraska also.

Lovers of fine views should remember the Burlington Route, for its towns "high gleaming from afar"—its tree-fringed streams—its rough bluffs and quarries—its corn oceans stretching over the prairies further than eye can reach.

Land-buyers will be sure to remember it, for they have friends among the two thousand who have already bought farms from Geo. S. Harris, the Land Comissioner of the B. & M. R. R. at Burlington, Iowa, or among the four thousand home-steaders and pre-emptors who last year filed claims in the Lincoln land office, where "Uncle Sam is rich enough to give us all a farm."

THE LAST CARD OF THE DEMOCRACY!

AFRICA MUST BE ELECTED TO CARRY THE LEGISLATURE!

THE REPUBLICANS EXPECTED TO ELECT HIM!

JUDGE TAYLOR WILL NOT RECEIVE 2,000 VOTES!

A Democratic Vote for Taylor is a Vote for Dean!

A Republican Vote for Taylor is a Vote for Banks!

The following card is extensively circulated, *privately*, among the Democracy. We had it sent to us, by a friend, from the lower end of the county whither it had been sent to one of the faithful, and we lay it before our readers to show them how the Democrats regard the contest. It will be observed that every effort is being made to elect Africa. The Democracy are informed in it of the importance of his election and what is to be accomplished by it. Republicans, you see how the matter stands! if Mr. Africa is elected you prove recreant to your principles and elect him. Are you going to do it? We beg of you to stand by Gen. Lane! This card settles the question as to whether there is any chance for Judge Taylor. He is simply out of the question. Read the card and defeat its objects:

PRIVATE.

MILL CREEK, PA., Sept. 30, 1871.

DEAR SIR:

I address you in a few earnest words in reference to the approaching election.

1st. It is vitally important for us to have control of the next Legislature. If we do not get a repeal of the infamous registry law we may lose Pennsylvania in 1872, and thus lose the next President, and the fact that the State will be re-districted for Congress next session affords an additional reason for hard work on the part of every Democrat to secure the election of Mr. Africa. He is an honest man---has experience in Legislation, and is in every way infinitely superior to the Republican candidate. I appeal to you to have out *every Democrat* in the township. See the careless and provide a conveyance for the sick and old.

2d. If Democrats do their duty we will elect our candidate for President Judge---Thaddeus Banks, Esq. He is a lawyer of ability, a man of pure character, a reliable Democrat. He is worthy of our undivided support and he should get it. He was fairly and unanimously nominated, is honest and capable, and there is no good reason why he should not receive every Democratic vote in the District. Here and there a Democrat may be found who says he will vote for Judge Taylor, but this is folly. The contest is beteen Banks and Dean, and every Democratic vote that Taylor gets is *half a vote* for Dean. Taylor will not run 2000 votes in the District from both parties, and there will be 18,000 votes cast. It is useless and *worse* than useless for any Democrat to throw his vote away on Taylor, for, by doing so he takes a vote from Banks and thus helps Dean. This is our conviction, and the conviction of all well informed Democrats in the District---Judge Taylor has no *shadow of a chance*---his own friends *know* he has none, and in private conversation they *admit it.*

John Dean and Judge Taylor are both Republicans---*one* the nominee of the party and the *other* says, in his published letters, that he has his political convictions and does not propose to change them. In other words, *he is a Republican*, and as such he has no claims upon our party. He and Dean have a fight in their party; now, why should not Democrats act wisely, stand together and elect our candidate? Let the Republicans vote for Taylor---the more the better; for as sure as they divide their vote between him and Dean, *Banks will be the Judge*, if Democrats do *their duty*. Dean and his friends are urging *Democrats* to vote for Taylor, well knowing that every Democratic vote for Taylor counts half a vote for Dean.

I appeal to yon to get *every* Democrat to the polls, and see that the united strength of the party be given to *Banks, Africa, and the whole ticket.* Then we will rejoice together over a great victory.

Respectfully,
B. R. FOUST,
Chm. Dem. Co. Com.

DR. CROOK'S COMPOUND

SYRUP OF POKE ROOT

Wherever Poke Root grows, it has a local reputation as a Blood Purifier, and for the cure of Rheumatism. With all this local reputation, and the praise of distinguished Physicians, (Drs. Coe, Lee, King, Wilson, M. Hunt, Griffits, Copland and others,) who have tested its medical powers; it has been neglected by the profession at large, as much through a want of a proper appreciation of its merits, as a knowledge of the proper way to prepare it for medicinal use. Dr Oliver Crook, (a physician who devotes his entire time to the duties of his profession), has fully tested the active medicinal qualities of Poke Root during the last 25 years, and unhesitatingly pronounces it to have MORE MERIT—for diseases depending on a depraved condition of the blood,—than any and all other articles named in the Materia Medica. Under his instructions our Chemists have combined the active medicinal qualities of Poke Root with the best Tonic Preparation of Iron, and we offer this preparation to the public under the above name.
