Tickets to be Voted at the Oct. Election.

Prepare Your Ballots with Great Care!

By the laws of this commonwealth, in those counties where several candidates are voted for on one piece or slip of paper, all candidates for State offices are to be voted for on one ticket with the word "State" on the outside. All candidates for county offices, including state senator and members of assembly, and members of congress, including those at large, on one ticket, with the word "county" on the outside: and all candidates for judical offices on the ticket with the word "judiciary" on the outside.

In accordance with these provisions, the names of the candidates for governor and auditor general will be printed on the ticket headed "state;" the names of the candidates for judge of the supreme court, as well as those for judges of the court of common pleas, district court, and associate judge, on a ticket with the word "judiciary" on the outside; and the names of all candidates for senator, representatives, members af congress (including those at large), and for all county offices except judiciary, on a ticket with the word "county."

In addition to these three tickets, the act of April 11, 1872, provides that candidates for delegates at large to the constitutional convention shall be voted for on a separate ticket, having on the outside the words "delegates at large," and that candidates for district delegates to said convention shall be voted for on a separate ticket, having on the out side the words "district delegates."

By another act of assembly, approved April 11, 1872, an additional ticket will have to be voted for or against the proposed amendment to the constitution, with the words on the outside "amendment to the constitution."

There will consequently be six tickets to be printed:

1. One headed "state," containing the names of candidates for governor and auditor general.

2. One headed "judiciary," containing the names of candidates for judge of the supreme court, and all other judical offices to be filled in each county at this election.

3. One headed "county," containing the names of all candidates for county offices, together with senator, members of assembly, and members of congress at large and district members of congress.

4. One headed "delegates at large," containing the names of candidates for delegates at large to the constitutional convention.

5. One headed "district delegates," containing the names of candidates for delegates from each senatorial district to the constitutional convention.

6. One headed "amendment to the constitution," containing votes for or against the proposed amendment to the constitution, relative to election of state treasurer.

These regulations do not apply to the city of Philadelphia, not to a few counties for which special provision is made by law, but to all other counties, and we have jointly agreed upon the foregoing to secure uniformity in the printing of ballots by both parties.

HOW MR. SPEER FAVORS PROTECTION.

He would be Just as much of a Free Trader, as any other Democrat if there was a Chance for Re-election!

The Tyrone *Herald*, of the 28th ult., says:

Is R. M. Speer a free trader? We answer, yes! It is well known in Washington that he was always counted with the free traders, although he voted with the protectionists. The secret is this: Speer told the Democrats in caucus that he was just as good a free trader as they were, but to vote with them would kill him politically in his district. It was then agreed tnat he should vote with the tariff party, as there was a majority of tariff men in Congress, because to do otherwise, would destroy his chances for re-election. This being the case, how would he record his vote in caset e House was a tie and he had the casting vote?

The Business Men of the State Stand by Hartranft.

We have yet to hear a single banker, merchant, or head of a great corporation, doing business with Gen. John F. Hartranft as Auditor General of Pennsylvania, impugn his honor, or in the remotest degree charge that he has failed in any instance to do his full duty as a man and a citizen. Those who do this are pot-house politicians, or lobby-men who never advocate a fair measure.

☞ Hon. James Thompson says that a railroad is only liable for the building which it actually set on fire. Chief Justice Lawrence, of Illinoise repudiates their outregeous doctrine of the corprration candidate. Vote for Mercur!

☞ Gen. Charles Albright, one of our candidates, for Congressmen at large, many years ago married one of this counties fair daugheers. He has a claim in old "Old Mather Huntingdon." Vote for Albright!

☞ The election of a United States Senator and the passage of the Congressional Apportionment Bill are to be part of the duties of the next Legislature. Vote for a Republican—Vote for Gen. Lane!

☞ While brave men were fighting the battles of their country. Hartley reproached their wifes and friends for leaving them go. Vote for Allen!

☞ Workingmen, vote for Barker, who keeps hundreds of men constantly employed, and who knows your wants and interests! Vote for Barker!

☞ The Workingmen, everywhere, are enthusiastic over the nomination of Hon A. A. Barker. Vote for hin, without fail!

☞ Gen. Lane is not indentified with either of the factions of the State. He is an earnest Republican. Vote for Lane!

☞ Hartley almost rubbed bunions on his hands at reported Reble victories, during the war! Vote for Allen!

☞ Remember, that the popular collection law, now in use was passed by the efforts of Gen. Lane. Vote for him!

WATCH the tickets!

The Workingmen Speak!

The Labor Reformers are Aroused!

Why They Cannot Support Mr. Speer!

A LABOR REFORMER'S REASONS!

Messrs. Editors:

As one who claims to be a Reformer, I intend to give a few reasons why I and every Labor Reformer and Workingman in this Congressional district should support A. A. Barker in preference to R. M. Speer.

1. Because we, as Reformers, are opposed to any one who lives off the honest toil of others without rendering an equivalent.

2. Because we find R. M. Speer placed in society as a non-producer, while A. A. Barker belongs to the industrial classes and earns his bread by the sweat of his brow.

3. Because R. M. Speer denounced the Reform movement in your city.

4. Because R. M. Speer proved himself a coward in not entering his protest against the importation of Chinese Coolies.

5. Because R. M. Speer said without equivocation, that "Capital would protect Labor so long as Capital was protected by law," an assertion, we denounce as entirely untrue and that has no room in any country except in that of a Despot.

6. Because I am one who bent the knee before high Heaven and swore never to rest until Justice was done the Workingmen of this country, so far as lay in my power, to emancipate the millions who to-day struggle for a mere subsistence, while the few roll in wealth, wrung from the hard earnings of the producers of this nation who are looked upon as the sub-stratum of society.

7. Because I know that A. A. Barker stands squarely on our principles while R. M. Speer denounces us as agraians and wild in our theories.

8. Because R. M. Speer dare not meet us on the sump and offer honest arguments against our principles, thereby proving himself a coward and capable of resorting to any low, mean, skulking subterfuges to elevate himself to office.

9. Because R. M. Speer says Workingmen should never seek to gain their rights by political action, when every act of our lives is either political or impolitic. If the rights of a people of a nation are not secured and maintained by political action, how is it we find Democrats and Republicans both declaring they will bring greater prosperity to the People, when in reality there is not one practical of difference between them?

These are my reasons, Messrs. Editors, and I claim to understand the Labor question thoroughly, and an ready to meet any man in this Congressional district, on that question, either on the stump or in the press. It is my earnest desire that all men would look at this question in its true light, and cast off the chins of party and become Freemen in deed as well as in name. and show the world that while a party nationally can lay aside its prejudices, that we, as Workingmen, who bear the whole burden of Governments, can cast aside our sectional prejudices and cast our vote for one who is to-day obeying the Divine decree, and while doing so, we will be relieving society of at lest one leech who feels he should grow from the life-blood of the People.

The Globe's Mule Ticket.

"THE JOURNAL calls upon the Democrats to defeat the Independent ticket. That's cool."—*Globe.*

Well, neighbor, is it any "cooler" for us to ask Democrats to defeat the Independent ticket than it was for you to set up a ticket for Democrats to vote before you were warm in the party? Now, wasn't it just the least bit of presumption on your part, having just gone over, you know, to manufacture a ticket for those who had always stood by the old Democratic ship? A great many Democrats think that it was, and call it the "MULE TICKET!" by way of showing their contempt for it. "The *Globe's* MULE TICKET!" What a name! How "cool!" "MULE TICKET!" Ha! ha!! ha!!! How appropriate!

LOOKOUT for spurious tickets!

Mr. Speer Flatters the Soldiers to Get Votes.

Mr. Speer, anxious to catch the vote of soldiers, introduced a bill into Congress to pay $33.00, which is due a number of veterans, but for some unaccountable reason, failed to have it passed. For this effort he wants soldiers to vote for him. If he had rendered them some service, then he might have some good reason for his expectations, but as it is, he has no claim upon them. Mr. Barker is not only in favor of this bill, but he is in favor of giving each soldier 160 acres of land, to do with it as he pleases, without a personal residence upon it. Elect Mr. Barker who will be in harmony with the majority, and he will carry the measure through. No Democrat can!

WATCH the polls!

☞ Republicans and Democrats, you who were willing to die that your country be preserved, can you defeat a one-armed soldier? No, of courae you cannot. Vote for Myton!

☞ TAX-PAYERS, REMEMBER that you pay no taxes on REAL ESTATE, and for this relief you are indebted to John F. Hartranft!

☞ Republicans, do not scratch a single name on the ticket from Governor to Auditor. Stand by the ticket and the party will stand by you!

☞ McNeil is an able-bodied young man. His opponent, Thos. W. Myton, lost an arm is the service of the country. Vote for Myton!

☞ Thos. W. Myton is an honest, christian gentleman, who gave an arm as a sacrifice thgt his country might live. Vote for the wounded soldier!

☞ Speer introduced quite a number of catch-penny bills into Congress. They were intended to make votes. The soldiers understand them and vote for Barker!

☞ We learn from the lower end of the county that our esteemed friend I. H. Rawlins, Esq., did most excellent service. Isaiah generally does his work well.

☞ Gen. John F. Hartranft was as brave a soldier as ever faced an enemy. He is an honest and upright man. Vote for Hartranft!

DON'T leave the polls!

Mr. Speer During the War.

He Controls a Copperhead Paper!

Mr. Speer's slander of Gen Hartranft, says the Blair county *Radical*, was not done in the heat of debate, without deliberation, as some of his Democratic friends wish to make believe: but it was his deliberate purpose and is but an expression of his hatred of the Union Soldiers. In 1863, while he was part owner and editor of the Huntingdon *Monitor*, that journal teemed with abuse of the Soldiers, and he spared not even those from his own home. He denounced a regiment partly raised in his own county as an UNHOLY MOB and heaped upon them every vile slander. The following taken from a Huntingdon correspondent of the Philadelphia *Press*, of the 1st of June, 1863, will show what were his sentiments then:

"The *Monitor* has been published since last August, and has been a violent anti-Administration paper, denouncing its war measures, and endorsing Vallandigham as a true Democrat, besides frequently publishing articles to offend the Union Soldiers in the field. The paper was distributed free of charge amongst the men of the 125th Regiment, under Gen Hooker. Four companies of this Regiment were from this place, and I have been informed by members of the regiment that the men determined before they left the army, to destroy the office as soon as they should arrive at home. One article in the *Monitor* published some three weeks ago, denounced the Regiment as an UNHOLY MOB. The four companies arrived at home early on Wednesday morning last, May 27. About 10 o'clock a dozen or more of the soldiers entered the office and in less than half an hour the press, type and every thing else, was thrown into the street and destroyed, and the office sprinkled and swept out."

Director of the Poor.

Republicans of Huntingdon county, we would call your attention to the importance of electing MICHAEL H. KYPER, the regular nominee. He is in every way qualified for the position and a better selection could not have been made in the county. He is honest, capable and reliable in every way, and you always know where to find him. Not like his competitor, who was, but a short time since, leader in his section in the Democratic party, then came over to the Republicans, and failing to rule and control them at will, we find him again on the war-path, a standard bearer for his old party in a guerrilla warfare.

Vote for Mr. Kyper whom we all know to be true, and who lives close to the Alms House, where he is needed, and what will be saved on mileage will pay his salary.—Vote the ticket, the whole ticket, and nothing but the ticket, and you will all sleep better in future, and *Independent guerrillas* will get such a rebuke as their conduct richly merits.

"LOWER END."

What Gen. Burnside Says.

General Burnside, in his speech to the soldiers at Pittsburg, spoke of Gen Hartranft as follows:

"Comrades of Pennsylvania, I desire to express to you a hope that comes from my heart. General Hartranft, your candidate for Governor, is my old comrade and tried friend. He went in the field with us at the first battle of the war and joined the North Carolina expedition at Annapolis. From that time until the end of the war we were together. On all the fields—Roanoke, Newbern, South Mountain, Antietam, Fredericksburg, Vicksburg, Knoxville, Campbell Station, Blue Springs, the Rapidan campaign, from the Wilderness to Appomattox Court House—he proved himself an efficient and gallant soldier. Comrades of Pennsylvania, it is clearly your duty, without reference to politics, to see that so gallant and true a comrade is not harmed by the malicious slanders of designing politicians. You have but a moment to think of the course pursued during the war by his opponent, Mr. Buckalew, in order to find the strongest reasons for the firm support of Hartranft."

Read this merited eulogium, soldiers of the Pennsylvania line, and see to it that a gallant comrade is not stricken down by the "malicious slanders" of his enemies.

W. H. WOODS, ESQ., ON THE STUMP!

Huntingdon County sure for Barker and the Whole Ticket!

On Friday evening the 20th ult., a large and enthusiastic Republican meeting was held in Caldwell's Hall, Tyrone, which was addressed by Prof. Guss, Hon. A. A. Barker, G. W. Plummer and W. H. Woods, Esq. The *Herald* reports Mr. Woods as saying that he in consequence of the late hour, had but time to assure the people that HUNTINGDON COUNTY WAS SURE FOR BARKER, AND THE WHOLE TICKET, AND THAT IF THE PARTY IN HUNTINGDON COUNTY WOULD WORK AS HE AND HIS FRIENDS ARE DOING, BARKER WOULD COME OUT OF THAT COUNTY WITH NOT LESS THAN EIGHT HUNDRED MAJORITY.

A Rousing Republican Meeting in Clearfield County.

On last Wednesday night one of the largest and most enthusiastic Republican meetings was held at Clearfield, much surpassing in numbers and enthusiasm the Democratic meeting of the night previous. Clearfield county will do nobly at the coming elections. We doubt whether she will give half the usual majority for Greeley. The good and true Republicans are very much chagrined that the State Central Committee should pay so little attention to a section of so much promise. We are assured, however, that no efforts will be spared by the local politicians to work up the Republican cause to its fullest measure. Lookout for a splendid report from Clearfield!

Vote the Whole Ticket!

Make no other calculation than to vote the *whole* Republican ticket. Every man on it, from Governor to Auditor, is worthy of your undivided, hearty, zealous support.

☞ "For General Hartranft we have nothing but praise. He was a gallant soldier, and he has been a faithful official.—He is a Radical Republican, and would make a good Governor."—JOHN W. FORNEY.

☞ Hon. James Thompson is the corporation candidate for Supreme Judge. He is owned body, soul and breeches by the corporations. Vote for Mercur!

☞ Don't fail to vote for Messrs. Lemuel Todd, Glenni W. Scofield and Charles Albright our candidates for Congressman at large.

☞ John F. Hartranft wants the Forney's to disgorge $6,000 consequently they howl like hyenas. Vote for Hartranft!

☞ Vote for Dr. John McCullough and Dr. John P. Sterrett for Delegates to the Constitutionat Convention.

☞ A full vote will give us victory on next Tuesday. Turn out!

WORK all day!

Speer's Support of the Tariff.

He Votes for a Free Trade Speaker.

Mr. Speer has been leaving no stone unturned to make the Republicans and Tariff Democrats of this District believe that he is as good a tariff man as Hon. A. A. Barker. Bah! He voted for Gen. Morgan, the Democratic candidate for Speaker, whose election would have settled the tariff status of the Committee on Ways and Means. Without an approval of this Committee no tariff legislation could have been effected, but Gen. Morgan was defeated and a fair Committee appointed.—On reference to the Congressional *Globe* we find *that Gen. Morgan voted for Free Coal.*

What do you think of this, Coal Operators of Broad Top and the Allegheny?—Here you have Mr. Speer's consistency. Vote for Barker!

☞ Mr. Barker is emphatically a man of the people. Mr. Speer is an "oily gammon" politician! Vote for Barker!

☞ Gen. Hartranft has paid TEN MILLIONS of the State debt since he has been in office. Vote for Hartranft!

☞ Hon. Ulysses Mercur is one of the most able Lawers in the State. Vote for Mercur!

☞ See that every Republican is at the polls on Tuesday. Let every vote be polled!

☞ Speer pretends to be a tarifi man, Barker is kuown to be such, Vote for the latter!

☞ William E. Lightner is popular with all parties. Vote for him!

TEMPERANCE MEN SHOULD VOTE THE REPUBLICAN TICKET—DON'T BE DECEIVED BY A LIBERAL MOVEMENT.—*Mr. Editor:*—Will you permit me, through your excellent paper, to urge the Republicans of our county to come out to a man to the support of our ticket? It is admitted by the leading Republicans of the county that we have the best ticket, taking it all through, that we have had for years, and as a temperance man myself, I would advise the temperance men of our county to abandon the idea of voting for a temperance ticket without the least prospect of electing it. I believe, to say the least of it, that it is a sin that you and I will have to answer for. Now, our ticket is nearly, if not altogether, made up of temperance men. We know Gen. Lane to be a good temperance man, and he should have the support of every Republican in the county. Will we not do far more good for the cause of temperance by voting for the entire Republican ticket, that certainly will be elected, than to cast our votes for one that we are certain will not be; and thus injure our cause and give strength to our enemies? The contest before us is a very important one, and I do hope that no Republican in our county will suffer himself to be deceived by this so-called Liberal party. The very fact that every rebel in the South, from Jeff. Davis down, is in sympathy with this party, should satisfy every conscientious man that he should oppose it.—They approach us with all the guile that the serpent did our first parents, and say to us, 'forget the past, and let by-gones be by-gones.' Now, I say that we have no right, as Christians, to forgive those rebels until they show some signs of repentance, and this they have never done. All they want is the power, and they are just as full of rebellion to-day as they were in 1860. And no doubt the Kuklux who are incarcerated in Southern prisons to-day are looking forward to the election of Horace Greeley with bright prospects, hoping that he may relieve them as he did Jeff. Davis. But we have no fears that Horace Greeley will ever be elected, unless God desires it for to scourge us, but we do hope and pray that He has no such thing in store for us.

Now, in conclusion, I would say to every Republican in the county, turnout on the day of election and vote for every man on the ticket, and let us all have a part in forever putting out of existence this nefarious Liberal Rebel ticket, and for the present let the temperance ticket go "where the woodbine twineth."

A REPUBLICAN.

HOW TO GO WEST.—This is an inquiry which every one should have *truthfully* answered before he starts on his journey, and a little care taken in examination of Routes will in many cases save much trouble, time and money.

The "C. B. & Q. R. R." running from Chicago, through Galesburg to Burlington, and the "I. B. & W. Route," running from Indianapolis, through Bloomington to Burlington, have achieved a splendid reputation in the last two years as the leading Passenger Routes to the West. At Burlington they connect with the B. & M. R. R. and form the great Burlington Route, which runs direct through Southern Iowa to Nebraska and Kansas, with close connections to California and the Territories; and passengers starting from Huntingdon county, on their way westward, cannot do better than to take the BURLINGTON ROUTE.

This Line has published a pamphlet called "How to go West," which contains much valuable information; a large correct map of the Great West, which can be obtained free of charge by addressing the General Passenger Agent, B. & M. R. R. Burlington, Iowa.

PERHAPS no real medicine ever gained the rapid popularity which Castoria has done. One person relates their experience of its good effects to another. It is a vegetable preparation, perfectly harmless, pleasant to take; does not distress or gripe, but regulates the system, and is sure to operate when all other remedies have failed. Any person who has ever used Castoria for Stomach Ache, Constipation, Croup, Flatulency, Worms, Piles, or deranged Liver, will never again use nauseating Oil, Bitter Pills or Narcotic Syrups. The Castoria contains neither Minerals, Morphine nor Alcohol. By its soothing, quieting effect it produces natural sleep, and is particularly adapted to crying and teething children. It costs but 35 cents, and one bottle will save many dollars in doctor's bills. sept.11-4t

GRAND REPUBLICAN

MASS MEETING,

AT THE COURT HOUSE,

IN HUNTINGDON,

WEDNESDAY EVENING, OCT. 2.

COL. CLARK E. CARR
and COL. J. F. MANNING.

Two able and eloquent speakers will address the meeting. Democrats, Liberals and all others are invited to attend.

GRANT AND WILSON—HARTRANFT AND ALLEN.—We propose holding meetings at the following named times and places. The best speakers to be obtained will be in attendance and address these meetings. The "Tidal Wave" or "Ground Swell" which was to have swept across the continent and carried the Sage of Chappaqua into the White House, has failed to come to time, and we now find Horace Greeley floundering about with no organized party at his back, whilst Gen. Grant sails along calmly and smoothly toward the coveted prize, with scarcely a riffle to mar the way.

Republicans, we have been victorious on every side. All eyes are turned to Pennsylvania, which is to be made the battle-ground in the contest. Huntingdon must do her full share of the work. Our friends are earnestly urged to make these meetings large and enthusiastic. See that nothing is left undone. Work, work, prompt, quick, active work is what we want, and the result is assured.

GRIST MILL FOR SALE.

Will be offered at public sale, on the premises,

On Thursday, October 17th, 1872,

at 1 o'clock, p. m., the GRIST MILL and four acres of ground, more or less, known as the "McConnellstown Mill." It is within half a mile of McConnellstown Station on the H. & B. T. R. R., and only five miles from Huntingdon. A ready market is always at hand for all the flour and feed that can be made at the mill. The mill has a splendid custom, with water enough to run two pairs of burs, day and night, nine months of the year. All the grain can be bought at the mill that can be used, as the country surrounding is a splendid grain producing country. The mill is in good running order, has three run of stones. The ground that goes with the mill has about sixty choice apple trees planted on part of it, just commencing to bear.

Persons desiring to purchase a mill property will do well to examine this one. Possession will be given on the 1st of January, 1873, if desired.—Any person desiring to purchase can call at the mill and examine it.

We will also offer, at the same time, 17 HIVES OF BEES, part of them Italian, all in the latest improved hives.
