Dry Goods & Groceries!
REMOVAL.

THE subscriber begs leave to inform his friends and the public in general, that he has removed his store to the room formerly occupied by Henry Anderson, on North Hanover street, within 2 doors of Haverstick's drug store, where he has just opened a choice selection of

Dry-Goods,

consisting in part of cloths, cassimeres, sattinnetts, linens, summer cloths, vestings, silks, bombazines, cambricks, Jaconetts, calicoes, shawls, checks, ticking, carpet chain, cotton yarn, umbrellas, gloves, suspenders, handkerchiefs, hosiery, &c.

Also a well selected stock of Groceries, consisting in part of

Coffees, Teas, Sugars, Molasses,

Spices, Tobacco, Crockery, Glass and Queensware, of various descriptions and qualities, together with numerous other articles, comprising a complete and general assortment—all of which he offers for sale at very low prices. He will also keep constantly on hand a large assortment of

Boots, Shoes, Slippers,

&c., which will be disposed of at great bargains. He respectfully invites his friends and the public to give him a call.

CHARLES BARNITZ.

Carlisle, April 27, 1848.

Philadelphia China Store.

THE subscribers, proprietors of one of the oldest and most extensive China Stores in the United States, have now on hand a very large supply of

Common Ware, Granite Ware, China Ware, and Glass Ware,

embracing all the varieties ever imported, which they will sell in large or small quantities, Wholesale or Retail, to suit the wants of the people, at prices to defy competition.

The advantages to be derived from having a large stock to select from, ought certainly to be apparent to every one; only two need be mentioned:

1st. The variety to please the taste.

2d. The advantage of purchasing at the lowest prices; for it is certainly evident to every thinking mind, that the larger the business done, the smaller the profit required. It is so in every branch of trade. The manufacturer sells to the wholesale package dealer; the wholesale package dealer sells to the jobber, and the jobber to the retail country dealer: so that the farmer or consumer of the article pays at least four profits!

Why pay so many profits when you can come directly to head quarters?
