A GREAT NATIONAL WORK.

Commencing a series of valuable Books by SUBSCRIPTION ONLY.

An Abridgement of the Debates in Congress,
FROM 1789 TO 1856,

From Gales & Seaton's Annals of Congress—from their Register of Debates and from the Official Reported Debates by John C. Rives.

By the Author of "Thirty Years' View."

to be completed in 15 vols. 750 pages each, comprising what is now contained in over One Hundred Volumes.

THE price for each volume, in law binding, will be $3,50, [not much over one half the usual price for law books,] or $3 in the best cloth, payable as delivered.

The first volume is now ready, and the work will be continued every two or three months till the whole is complete.

The large expense involved in publishing this work has induced us to offer it by SUBSCRIPTION ONLY, and we, therefore, specially invite the co-operation of our fellow citizens in all parts of the Union to send us their names early, with directions how the volumes shall be forwarded.

The Debates have been accruing for a period of nearly seventy years, and fill more than one hundred volumes—one third of them quartos—and cannot be purchased for less than Five Hundred Dollars, nor read when purchased except as a necessity, nor any thing found in them when wanted except upon tedious search. In the mean time, they contain the history of the working of the Government from its foundation—showing what has been done, and how it was done—and shed light upon the study of all impending questions; for there is not a question of the day, and will not be while the Government continues, which may not be illustrated by something to be found in these Debates.

The following letters have been received:—

Wheatland, near Lancaster, Nov. 17, 1856.
MY DEAR SIR:—It affords me pleasure to become a subscriber to Col. Benton's Abridgment of the Debates in Congress, from 1789 to 1856. From the long experience of the Colonel in public affairs, his commanding ability, and his accurate and extensive knowledge of its political history, we may expect that this work will add to his own fame, and prove highly valuable to his country.
Yours, very respectfully, JAMES BUCHANAN.

Lexington, Ky., Jan. 6, 1857.
DEAR SIR:—In answer to your letter of 2d inst., I have to say that I know of no man in the United States more competent than Col. Benton to prepare an Abridgment of the Debates in Congress, and I take pleasure in becoming a subscriber to the work. Very respectfully
JOHN C. BRECKINRIDGE.

Boston, Dec. 20, 1856.
MY DEAR SIR:—I have already subscribed for the Debates of Congress in this city. Col. Benton's eminent talent and reputation as a statesman, his familiar acquaintance with our parliamentary history, and his untiring industry, are a sufficient guaranty for the faithful execution of this work.
I am, dear sir, respectfully yours,
EDWARD EVERETT.

Of this work Governor Chase, of Ohio, says:

Executive Office, Columbus, Dec. 3, 1856.
DEAR SIR:—The proposed Abridgment of the Debates in Congress, by Colonel Benton, commends itself to the favor of all Americans. The work itself is most important. It will place within the reach of thousands, otherwise inaccessible treasures of historical knowledge. It will make audible to the present generation the discussions of the past—deeply interesting themselves, but even more interesting as exhibiting the beginnings of great traces of events, the procession of which is yet passing before our own eyes.

And no man is so well fitted for this work as the distinguished statesman who has undertaken it. His large experience in the public councils, and his comprehensive judgment, afford sufficient guarantee that nothing will be retrenched which should be retained, or retained which should be retrenched.
Very respectfully, yours, S. P. CHASE.

The Hon. Judge Ware, of the United States District Court of Maine, says:

A faithful and impartial Abridgment of the Debates of Congress, from the organization of the government to the present time, will be a work of very great value to every man who feels an interest in the history of his country. Mr Benton's long experience in public life, familiarity with all the great questions of national policy which have agitated the country, and been discussed in Congress for the last thirty five years, and his known industry, eminently qualify him for such a work.
Portland, Feb. 11, 1857. ASHUR WARE.

Persons desiring an Agency for the above, or with our other Subscription Book, should make early application to D. APPLETON & CO.,

The Greatest Medical Discovery
OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures every kind of Humor, from the worst scrofula to a common pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples of the face.
Two to three bottles will scour the system of boils.
Two bottles are warranted to cure the worst canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst case of erysipelas.
One to two bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruption of the skin.
Two to three bottles are warranted to cure the most desperate cases of rheumatism.
Two to three bottles are warranted to cure the worst case of ringworm.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing in the pastures, and along old stone walls, should cure every humor in the system; yet it is now a fixed fact. If you have a humor it has to start. There are no ifs nor ands, hums or ha's about it, suiting some cases and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know its effects in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives great relief in catarrh and dizziness. Some who have been costive for years, have taken it and been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. On the contrary, when that feeling is over you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that man ever listened to. No change of diet is ever necessary—eat the best you can get. I have likewise an herb, which, when simmered in sweet oil, dissolves scrofulous swelling of the neck and under the ears. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE—Adult, one table-spoonful per day. Children over eight years, a dessert spoonful; children from five to eight years, tea-spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day. Mr. KENNEDY gives personal attendance in bad cases of Scrofula.

FOR SALE.

A VALUABLE INVESTMENT—The proprietors of the ST. LOUIS PLANING MILL, desirous of changing their business, offer the above well known establishment, and the ground which it occupies, for sale. It is situated in an already flourishing and rapidly improving portion of the city, and the investment, as a speculation in real estate alone, offers great inducements. The lot is bounded by four streets, has a front of 175 feet on High street, running back 270 feet to Fourteenth st. The mill is considered by those competent of judging, one of the best kind in the western country. It has an engine 125 horse power, and three large boilers, all in first rate order. The main building is of brick and stone, the roof is covered with galvanized iron, and all the openings have fire proof shutters and doors. The fire room is detached from the main building, and is an arched, fire proof room, giving the establishment a favorable position as regards insurance. Attached to the main building is a box factory, which alone did a business of $60,000 last year, and is rapidly increasing. The machinery in the establishment is of the most approved kind, and of the latest inventions. It has one of Beardlee's and one of Woodworth's Planing Machines, the latter entirely new, one of Knowles' patent resilliting saws, and all other late improvements for the manufacturing of Sash, Doors, Blinds, &c.

The mill has been established about four years, and has a very extensive and lucrative custom throughout Missouri and Southern Illinois, Kansas and Nebraska, and is yearly increasing. To any person understanding the business, a rare opportunity is offered, as a trade is already established in a city destined at no remote period, to become in a commercial and manufacturing point of view, one of the largest in the West.

Farms and Building Lots for Sale.

THE undersigned, Guardian of the minor children of David Greer, dec'd, by order of the Orphans' Court of Allegheny county, will sell at private sale, on favorable terms, the following Farms and Building Lots:

1. A valuable and desirable tract of Land situate on Plum Creek, in Plum township, within a short distance from the ten mile station, on the Allegheny Valley Railroad. It is a part of the well known Greer Farm, and is No. 5, on the plan of the partition, among the heirs of David Greer, which plan is filed in the Orphans' Court in No 91 of December Term, A. D., 1855. This tract contains 169 acres and 69 perches. It has upon it several good springs of water, and abounds in timber and shade trees. Among them are about eight hundred sugar maple trees. There are upon it several sites overlooking the Allegheny river and presenting views unequalled in beauty by any in the county. It can be divided into smaller tracts for country residences. Several gentlemen of the city have purchased portions of the Greer Farm, and have already built, or are about to build upon and improve them.

2. A tract adjoining the above and between it and the Allegheny Valley Railroad station. This tract is No. 2, on David Greer's plan, and contains 44 acres and 96 perches. It is, if anything, better situated than No. 5, and is more valuable and desirable for country residences, or for farming purposes.

It is believed that there is no better or more pleasantly situated property, offered for sale in this county, than the two tracts above described They will be sold low and upon such terms as to payments, (most of the purchase money remaining on long time,) that it will be an object for any one wanting a small farm or country residence to purchase.

3. A lot on Kinn's Alley, in the Third Ward of the city of Pittsburgh, fronting 23 feet and 10 inches on the alley and extending back towards market street 23 feet and 6 inches.

4. MEDICINE.

Health and Strength must Inevitably follow its Use
BOERHAVE'S
HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND
FEVER AND AGUE,

AND the various affections consequent upon a disordered Stomach or Liver, such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet the cure permanent. It communicates no violent shock to the system, but by arousing its vital energy to normal action, enables it to throw off the cause, and thus thoroughly eradicates the disease.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular a family medicine, that it is sold by many of the grocers, as well as all the druggists, it would seem needless, to offer further evidence; yet as there are doubtless some who have tried many advertised remedies, and still suffer from Dyspepsia in one or more of its dreadful forms, we subjoin the following certificates, the authenticity of which cannot be doubted, coming as they do from persons so well known.

What it is doing for the Sick

Wm. Schuchman, Esq., the well known lithographer, says, "I have frequently used Boerhave's Holland Bitters, and find it invariably relieves indigestion and debility."

Rev. Samuel Babcock says: "I found special relief from its use for a severe headache, with which I had long suffered."

J. W. Woodwell, Esq., says: "I have used Boerhave's Holland Bitters myself, and recommended it to others, knowing it to be just what it is represented."

Ald. Jonathan Neely, of Lower St. Clair, says, "I have derived great benefit from its use for weakness of the stomach and indigestion."

James M. Murphy says, "After several physicians had failed, Boerhave's Holland Bitters removed the pain from my heart and side, arising from indigestion."

The editor of the Kittanning Free Press says: "After one of the best physicians in this place had failed, Boerhave's Holland Bitters cured me of the worst form of dyspepsia."

Francis Felix, only manufacturer of the original Extract of Coffee," says: "I know that your Holland Bitters is one of the best medicines in the world for a disordered stomach or liver."

T. Ludwig, editor of the 'Packet,' Baltimore, pronounces it a medicine deserving the confidence of the public.

C. Sherhart, the leading German physician of Penna., has prescribed it frequently during the last 3 years, with marked success, in debilitated states of the digestive organs, or of the system generally.

The manager of Ballou's Vinegar Factory says: "I used it myself, and was therefore induced to try its effect upon my wife, (troubled with the great debility common to all of a consumptive habit,) and really it is doing her more good than anything she has ever taken."

NOTICE—Whoever expects to find in this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION—The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

New Treatment,
Confidential Medical Advice.

AT THE BUFFALO PRIVATE HOSPITAL—Established for the cure of Seminal Weakness and the Secret Infirmities of Youth and Maturity, by Dr AMOS & SON, Buffalo, N. Y. Office, corner of Main and Quay sts., upstairs.

A MOST SCIENTIFIC INVENTION.

An instrument for the cure of genital Debility, or more properly known as Seminal Weakness, Nervous Debility, Low Spirits, Lassitude, Weakness of the Back and Limbs, Dimness of Vision, &c., &c., incapacitating its victims for business, or matrimony, rendering him unsuccessful and suicidal in his propensities, is instantly arrested, and permanently cured in from 15 to 20 days, by the use of this instrument, when used conjointly with medicines.

YOUNG MEN TAKE PARTICULAR NOTICE.

Dr. AMOS & SON, are the only Physicians in the State who are members of the Royal College of Surgeons, London, graduates of one of the most eminent Colleges in the United States, take pleasure in announcing that they have invented a most important instrument for the cure of the above diseases. It has been subjected to a test by the most eminent physicians in London, Paris, Philadelphia and New York; it has been declared to be the only useful instrument ever yet discovered for the cure of Seminal Weakness, or any disease of the genital organs, caused by the secret habits of youth.

Dr. Amos & Son, in order to satisfy the most skeptical as to the merits of these instruments, pledge themselves that in any instance where they may prove unsatisfactory after a fair trial the money will be refunded by returning the instrument in good order.

Persons wishing the above useful instrument will observe that the price, with the accompanying directions, securely packed and sent by express, is $10.

NEW REMEDIES AND QUICK CURES.
DR. AMOS & SON

May be consulted from 8 o'clock in the morning until 9 at night, in every stage and symptom of Disease, Secondary Symptoms, Seminal Weakness, Impotence and Strictures of the Urethra, &c., with inviolable secrecy.—The treatment they adopt is the result of upwards of 30 years' extensive and successful practice in London The most inveterate cases of Diseases eradicated in 8 or 9 days, and cases of a slight nature in 2 or 3 days, at a moderate expense. The cure effected without confinement or hindrance from business; also, node and pains in the bones and limbs effectually eradicated.

It is a melancholy fact, that thousands fall victims to disease owing to unskilful men, who, by the use of that deadly poison, mercury, ruin the constitution, cause ulcers ... with blotches on the head, face and body, dimness of sight, noise in the ears, deafness, nodes on the shin bones, ulcerated sore throat, diseased nose, with nocturnal pains in the head and limbs, till at length a general debility and decay of the constitution ensues, and a melancholy death puts a period to their dreadful sufferings.

Generative debility, seminal weakness, impotency, &c., unhappily so frequent and prevalent arising either from early abuse, intemperance, excess of pleasure, mental sympathy, or other injurious causes, have yielded to a short time in their mode of treatment, and they have in many cases apparently hopeless, effected a complete restoration.

The above diseases are generally traced to the most important organs of the human frame. No manifold are the dangers to which they expose their victim, and the consequences which they may entail, not only on the health, but that of the offspring also, are so serious, that we have thought ... not ... to assist the study ... of ... have been ... in the ... It is doubtless in the very limited number of the men ... that we look for a reason why the treatment of these complaints is so inferior to that of other diseases that no scientific improvement has been made in it for a period of more than three centuries, during which the same means have been employed as continue to be prescribed at the present day. The it is by no means wonderful if the treatment of these disorders has become the domain of the quack, and empirics, who, devoid of all medical science and right whatever, arrogate to themselves the power of dealing every thing, and, affect upon the life even, of their fellow creatures. The purpose which we have in view is, to snatch the victims of these pretenders from the consequences which ignorance and cupidity are continually laying for them. If we succeed, our task will receive the happiest accomplishment, and our long and laborious researches their noblest reward.

TO PATIENTS ABROAD.

DR. HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
PREPARED BY
Dr. C. M. JACKSON, Phila., Pa.

Will effectually cure
LIVER COMPLAINT, DYSPEPSIA, JAUNDICE
Chronic or Nervous Debility, Disease of the Kidneys, and all diseases arising from a disordered Liver or Stomach,

Such as Constipation, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, dimness of Vision, Dots of webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

Principal Office and Manufactory, No 90 Arch st., Philadelphia, Pa.

Pennsylvania Testimony.

Certificate of R. Woodward, Esq., the well known traveller for the Duncannon Iron Works, Perry Co., Pa.
DUNCANNON, Jan. 11, 1856.

Dr. C. M. Jackson—Dear Sir—"I was for five years severely afflicted with Chronic Bilious Dyspepsia, for which I was attended by several of the best physicians in the country, but all of no avail, I also used various remedies, but could find nothing to benefit me until I was induced to try your German Bitters, and after taking four bottle of which, I was entirely cured, and am now enjoying the best of health."

More effects of the German Bitters in Dyspepsia and Liver Complaint.

Certificate of J. O. CURTIS, Esq., Reporter for the "Evening Chronicle," Pittsburgh, Pa., who, Feb. 21, 1855, says, "For some weeks past my wife has been using your German Bitters, with a happy effect. She has been afflicted for several years, with disease of the Liver and Dyspepsia, and until she commenced using the Bitters nothing had given her much relief. Her health is now rapidly improving, appetite good, and we have every reason to believe she will be perfectly restored. She says, it is the best medicine she has ever used."

Nervous Debility.

J. H. HUTSHINS, Doylestown, Pa., June 20, 1853, says—"My wife has been afflicted with a nervous debility since September, 1851, since which time I have been unable to find any physician or medicine that would benefit her in any way, until one day I called at the store of Dr. Harvey, in his line, to get some tincture of iron, and described to him the afflictions of my wife; he then handed me a lot of papers to read, among which I found one describing your German Bitters, I immediately procured a few bottles from him, and am pleased to state that the use of the Bitters has done her more good than all the medicine she has ever taken. I wish you to send me a half dozen bottles."

Liver Complaint.

J. P. WICK, Martinsburg, Va., May 22d, 1854, says—"With much pleasure I testify to the virtue of your German Bitters. Sometime since I was severely afflicted with a disease of the Liver, for which I used various remedies, but with no beneficial effect, until I was induced to try your Bitters, which I am now happy to state have entirely cured me."

They are entirely vegetable, free from all alcoholic stimulants, and pleasant in taste and smell. Price 75 cents per bottle.

Sold by Druggists and Storekeepers in every town and village in the United States and Canadas.
